

# THE NEW VOLVO XC40

INNOVATIVE. BY DESIGN

Introducing the Volvo XC40, the compact SUV born from Swedish innovation. Built for city life and designed around you.

R DESIGN

## YOU'RE IN CONTROL

Experience the feeling of confidence and control on every journey in the XC40, with a high seating position and agile handling that put you in command.

AN SUV.  
WITH A TWIST

**The XC40 is** the authentic SUV for the city. High ground clearance, large wheels and true SUV proportions give it a powerful stance. And from the bold front grille to the beautifully detailed taillights it's every inch a Volvo. Uniquely Scandinavian and unmistakably urban, it's built for city life.

---

#### STAND TALL

High ground clearance gives the XC40 a powerful stance and excellent visibility. Large wheels and tyres cope effortlessly with any road. This is the SUV that allows you to rise above it all.

---

#### ALWAYS READY

Large alloy wheels and a wide body give the XC40 a strong presence. This is an SUV that's ready for anything.

---

#### MAKE A BOLD IMPRESSION

Make a statement with a choice of contemporary colours. And, depending on trim level, the roof and door mirror housings can be specified in a contrasting colour for an even bolder look.

#### STRENGTH OF CHARACTER

The XC40 expresses toughness, and is unmistakably a Volvo, through features such as its proud grille, T-shaped light signatures and sculpted front bumper with skid plate.

#### LIGHTING WITH DISTINCTION

See and be seen, day or night, with LED headlights that feature Volvo's unique T-shaped light signature. They automatically adjust the beam height, and switch between dipped and full beam, to provide the best view and avoid dazzling other road users. The optional high-level LED headlights include active bending lights that turn with the steering (by up to 30°), to provide a better view through corners.

#### SPECIALLY DESIGNED ALLOY WHEELS

A selection of alloy wheels helps you to create your perfect XC40. Each one has a bold, dynamic design, as well as the attention to detail and high-quality finish you expect from a Volvo car.

## AN INTERIOR TO INSPIRE

**Bold, progressive design** is the hallmark of the Volvo XC40, and the cabin embodies forward-thinking Scandinavian style. An uncluttered layout lets you focus on the beautiful details, while the high seating position means you always feel in control. Carefully crafted and selected materials indulge the senses, and intuitive technology puts you in command. The cabin of the XC40 is a place that will inspire you on every journey.

## BEAUTY IN DETAIL

**It's details that** set Volvo Cars interiors apart. The thought, effort and craftsmanship that go into the smallest elements in the cabin of the XC40 help to create a unique and special feeling each time you climb inside.

Natural light from the panoramic roof, our characteristic frameless rear-view mirror, and LED lighting on the distinctive concave decor panels on the dashboard are just a few of the visual highlights in a cabin designed to look great – and to make you feel good.

### LAVA CARPETING

One of the highlights of the R-Design variant is the availability of Lava carpeting and door inserts. It has a rich, bold colour that perfectly expresses the youthful character of the XC40.

### LED LIGHTS

The XC40 is available with special LED interior lighting that highlights the beautifully sculpted dashboard and smart decor panels at night.

### SUSTAINABLE BEAUTY

Made from 100% recycled material, the textile interior mats of the XC40 combine modern style with a sustainable, environmentally responsible approach.

## DOOR HANDLES

The bold, finely crafted door handles in the XC40 echo those in our larger SUVs, giving a reassuringly solid feel, rewarding all your senses.

## AIR VENTS

The air vents in the XC40 are an example of our designers' ingenuity, with an innovative design that combines a beautiful minimalist appearance with effortless functionality.

## PANORAMIC ROOF

The interior of the XC40 is shaped by a uniquely Swedish appreciation of light. A panoramic roof floods the interior with natural light by day.

## INTELLIGENT STORAGE

The **inventive storage** solutions in the XC40 are the result of us listening to our customers and understanding what they want from their cars. The front door pockets are each large enough for a laptop, handbag or even three large drinks bottles. This feature is made

possible by Air Woofer Technology™, a Volvo Cars innovation that uses an audio speaker mounted behind the dashboard, rather than the doors, to free up space where you need it most. It's just one of the many ways that the XC40 helps to make every day easier.

### WIRELESS PHONE CHARGING

There's a space beneath the centre touch screen where a mobile phone (compatible device required) can be stored and wirelessly charged, helping to reduce clutter and make it easy to reach when you need it.

### SMART STORAGE

The storage bin under the front centre armrest is large enough to hold a small handbag or even a full-size tissue box, and has a removable storage box ahead of it.

### LARGE DOOR BINS

Doors free of speakers means that there is space for front door pockets that are each large enough to fit a laptop, or which can each hold three one-litre drinks bottles.

### CARD HOLDER

A card holder integrated neatly into the dashboard allows you to keep a credit or toll card easy to find and reach when you need it.

### BAG HOOK

Keep a small bag or takeaway food secure with a hook that folds neatly out of the glovebox and prevents items moving around or spilling while you're driving.

## A VERSATILE SPACE

**Everything starts with** people at Volvo Cars – it's why we look, listen, and design cars around their needs. And it's why the XC40 is full of practical, versatile features that help you carry what you want as easily as possible. Load and unload your car with ease thanks to a large cargo area that can be accessed by a hands-free power-operated tailgate. If you need to carry bulky or unusually tall items then you can take advantage of the foldable, removable load floor. And if you need even more space, fold the rear seat backrests flat at the touch of a button.

#### Go hands-free

When your hands are full, the power-operated tailgate on the XC40 makes life easy. And when combined with the keyless entry option it means you only need to move your foot under the rear bumper to open or close it automatically.

#### The right fit

The XC40 helps you fit your life into your car. The load compartment is one of the largest in the class, with a regular shape that helps you make the most of the space. And the folding load floor helps you adapt it to whatever you're carrying.

Valuable items can be stored securely out of sight under the locking load floor. And, to make the load area as versatile as possible, the folding floor can be placed in multiple positions. There are also four load-securing eyelets to keep delicate items safe and to protect the car's occupants, plus two bag hooks that ensure your shopping doesn't move around or spill in transit. Whatever type of load you need to carry – large or small – your XC40 helps make it effortless.

## IN SYNC WITH YOU

### Your guide

Sensus Navigation is your guide, helping you to find your destination and keeping you informed. With clear mapping, free lifetime map upgrades and the availability of apps that help you find what you're looking for and share your location, you can enjoy the journey ahead.

**Every interaction in** the XC40 feels natural and intuitive. From the easy-to-use centre touch screen to the high-resolution driver display and voice control that understands normal speech, technology is there to make things simple.

It's as familiar and intuitive as using your phone. You can control most functions via the centre display with touch screen – its portrait format and bold, clear graphics make it easy to read, and it's so responsive that you can use it wearing gloves.

The 12.3-inch digital driver display helps you keep focused on the road ahead by putting as much information as possible directly in front of you. And it automatically adapts to the surrounding light conditions, becoming brighter or dimmer depending on the light coming from outside the car.

## DESIGNED FOR SOUND

**We understand that** music can make the difference, and the XC40 has been engineered to let you enjoy your favourite music to the full. Every XC40 features Air Woofer Technology™ that delivers precise, powerful bass.

For an even more immersive experience, choose the optional Harman Kardon® Premium Sound audio system. This top-of-the-range audio system – a collaboration with one of the world's leading audio brands – has 13 speakers for a beautifully balanced, powerful sound.

**All about the bass**

The XC40 features Air Woofer Technology™ – a new type of audio speaker that brings you precise sound and great bass reproduction. And because it's mounted behind the dashboard, rather than the doors, it frees up the cabin for valuable extra storage space.

**Streaming. On demand**

Access to streaming services is just the touch of a button or a voice command away in the XC40. And support for Apple CarPlay™ and Android Auto™ means that you can listen to music, news, and audiobooks easily via your favourite apps.

**Harman Kardon® Premium Sound**

Enjoy your favourite music to the full with the Harman Kardon® Premium Sound in the XC40. This top-of-the-range audio system draws on the expertise of one of the world's leading audio brands to provide powerful, detailed sound.

# ALWAYS CONNECTED

**The Volvo On Call app** connects your car with the rest of your world, helping make life less complicated. It's always there when you need it, so your car becomes more than just a means of travel – it's your personal assistant.

You can use it to make your car ready for the drive to the office, or the drive home, by remotely cooling or heating the cabin (vehicles with automatic gearbox only). It can help you find a parking space, then take you straight to it. You can sync your Volvo On Call app with your calendar, so if you've got appointments it will tell your car where they are and how to get there. And it keeps you safe, automatically contacting emergency services if you're involved in an accident and telling them where you are.

## YOUR DAY MADE EASIER WITH VOLVO ON CALL

*From saving you time in the morning to helping you relax on the way home, Volvo On Call can be an indispensable part of your daily routine.*

### THE PERFECT START

*When you get into the car in the morning it's warm, defrosted and the navigation system knows where you're going, thanks to Volvo On Call.*

07.30

### WHERE NEXT?

*A calendar card shows your next meeting. You push a button in the app, sending the address to the car's navigation system.*

11.00

### FIND YOUR CAR

*You've forgotten where you parked, so you use the car locator map to find the street and then use the flash lights function to pinpoint the car.*

12.00

**REMOTE CONTROL COMFORT**

*You set the parking heater to warm the car interior so it's ready for when you leave the office.*

**READY FOR A NEW DAY**

*A notification reminds you that you've got a meeting in the morning. You send the location to the Sensus Navigation system and set the parking heater timer to come on before you leave.*

13.00

17.15

17.45

22.20

**DELIVERIES IN TWO HOURS\***

*You order a pair of shoes from a retailer that offers two-hour In-car Delivery.*

14.45

*You get a notification that your order has been delivered to the boot of your car.  
\*Service expected 2018*

**WIFI ON THE GO**

*You head for home. Using the wifi hotspot you can stream music via your phone to the car's audio system.*

# CONNECTED. CONVENIENT

**By combining the** connectivity of your XC40 with your mobile device, the XC40 can become more than just a means of transport. Thanks to the Volvo On Call app, it's your key to a range of connected services that make your car a life hub for you, your family and your friends.

In-car Delivery (service expected 2018) saves you time and reduces environmental impact. It uses the connectivity of the XC40 to allow online shopping to be delivered to the boot of your car while it's parked, so you don't have to wait around for a parcel to arrive, or travel to pick it up from a collection point.

It couldn't be simpler to use. Once you've signed up for the service, you do your online shopping as usual and simply select In-car Delivery as the delivery option. The delivery company then gets a digital key that allows them to open the load compartment using a phone or mobile

device. The digital key only allows them one-time access to the car – they cannot start the engine with it – and you get sent a notification when the delivery has been made.

Our new car-sharing offer is another innovative service for every connected XC40. It allows you to share your car – and the services that go with it – by granting access to friends, family members or colleagues through their mobile device and the Volvo On Call app. Once they have opened the car, the special key in the cabin is activated and they can use this to drive it. Not having to meet up and hand over a physical key opens up a world of possibilities – it means that a friend or colleague can access or borrow your car, wherever you are and wherever your car is. It's connected thinking for a connected world, by Volvo Cars.

## EXPERIENCE CONTROL

**The XC40 has** a high seating position that puts you in command and gives you a great view of the road ahead. It is a car that elevates you above the everyday, with thoughtful, uncluttered design that means you always feel in control behind the wheel. Intuitive technology is

there to make your life less complicated – the easy-to-use centre touch screen is so responsive that you can use it wearing gloves, while the high-resolution driver display looks great and is easy to use in any light.

**The human touch**

At the heart of the cabin is our centre display with touch screen – a feature familiar to the new generation of Volvo cars that blends beautiful design with ease of use. The portrait format makes reading information – and following sat-nav maps – especially easy.

## TECH THAT HELPS

**Every journey is** easy in the XC40, thanks to a range of helpful Volvo Cars innovations. Pilot Assist technology makes driving in heavy traffic less tiring. It helps you keep a set distance to the vehicle in front and uses small steering inputs to help you keep the car in the centre of the lane, at speeds of up to 80mph. Adaptive Cruise Control lightens the load by keeping the XC40 at a set distance from the car in front; you set the gap and the XC40 will adapt its speed to maintain that distance.

## CITY SAFETY: PROTECTING WHAT'S IMPORTANT

**Volvo Cars** is synonymous with safety, and the advanced features in the XC40 are the result of decades of experience and innovation – they are there to help you avoid a collision and protect you and your passengers if one should occur.

At the heart of everything is City Safety. This innovation identifies other vehicles, pedestrians, cyclists and large animals ahead, even at night, and warns you if a collision is imminent. If you don't react in time, it will apply the brakes automatically to help avoid or mitigate a collision.

City Safety is standard for every XC40. It will play a key role in helping us to realise our vision that, by 2020, no one will be killed or seriously injured in a new Volvo car.

### **Braking at Junctions**

City Safety includes a braking function that can help to make an accident at a road junction less likely or less harmful. This feature – a world-first when it was introduced in the Volvo XC90 – automatically brakes the car if the driver turns into the path of an oncoming vehicle.

#### Rear Collision Warning

Included as part of the BLIS option (Blind Spot Information System), our rear collision warning system works to protect you if it detects a risk of a collision from behind. Just before a collision, the system will automatically tension the front safety belts and, if your car is at a standstill, will also activate full auto-braking.

#### Run-off Road Mitigation

Our Run-off Road Mitigation technology helps to keep you safe by keeping you on the road. If this innovation detects you are about to leave the road unintentionally at any speed between 40–86mph, it uses steering input and, if necessary, brake support to guide you back on track.

#### Lane Keeping Aid

Fitted as standard, this feature monitors the road ahead and gently steers the car back into its lane if it detects that you're about to cross a lane marking unintentionally. If the car's steering adjustment isn't enough, or if you cross into the other lane, you'll be alerted by a warning sound, or gentle vibrations through the steering wheel.

#### Blind Spot Information

Our Blind Spot Information technology makes journeys safer and less stressful by providing better awareness of traffic on the highway. It uses radar sensors to monitor the road behind, and to the side of you, and warns you of vehicles that are approaching, or alongside you, to help reduce the chance of a collision.

# PARKING. MADE EASIER

**Parking is easy** in the XC40 thanks to its compact dimensions, elevated seating position and responsive steering – and technology is there to help. The 360° Camera available for the XC40 uses the images from discreetly mounted cameras to create a view of the car as seen from above. It allows you to clearly see where the car is in relation to other vehicles and objects, helping you to avoid them.

Park Assist Pilot is a self-parking function that can steer the XC40 into a parallel space just 1.2 times the car's length, or into a standard

parking bay. All you need to do is operate the accelerator and brakes (when the car advises you to).

Park Assist Pilot also helps you find a space, by alerting you if one is big enough as you drive by it. Cross Traffic Alert (CTA) with Brake Support makes reversing out of spaces safer. Radar sensors in the rear bumper detect whether you are about to reverse into the path of an oncoming vehicle, cyclist or pedestrian. If it detects something, it will warn you, then brake if necessary to avoid or mitigate a collision.

#### A better view

The 360° Camera available for the XC40 gives you a detailed 'bird's-eye' view of your car from above, so you can see where it is in relation to other vehicles and objects. It's especially useful in tight spaces and crowded car parks, and helps you keep your car free from scrapes.

## SAFER THAN EVER

**Protecting you and** your passengers has always been at the heart of every Volvo car, and the advanced safety features in the XC40 are the result of our decades of innovation.

As with all of our cars, the XC40 surrounds you with strength. The passenger compartment uses a high percentage of ultra high-strength boron steel to create a protective cage around you and your passengers. Specially designed front seat structures minimise the risk of spinal injury on impact. The front seats incorporate our Whip-lash Injury Protection System to minimise the risk of neck injuries if the car is hit from behind. If your XC40 leaves the road, Run-off road Protection reduces your chance of serious injury. And optional prepared front safety belts automatically tighten if the car senses that an impact is imminent, putting you in the safest possible position if a collision occurs. All this, and more, makes the XC40 a safe place to be.

## AGILE. RESPONSIVE. IN CONTROL

**Wherever you take** your XC40, you'll always feel in control. Enjoy agile, energetic responses from behind the wheel – whether you're in the city or out on the open road – thanks to sophisticated suspension that makes extensive use of lightweight aluminium. Selectable drive modes allow you to set your car's responses to suit your mood, adjusting settings for the engine, automatic gearbox, Electronic Stability Control, steering and Start/Stop function. The optional Four-C chassis features electronically controlled suspension dampers for an even greater degree of versatility and control over how your XC40 drives. Models equipped with all-wheel drive give improved traction, for the most efficient acceleration from a standstill and an even more secure feel in slippery conditions or when towing. And Hill Descent Control is available, to make descending steep or slippery slopes as safe as possible.

Smart powertrains give you the responsiveness you want and low emissions and fuel consumption. There's no need to compromise. It's all thanks to our new family of sophisticated turbocharged engines. These compact, lightweight powertrains balance smooth power with efficiency. And they keep weight at the front of the car to a minimum, which improves handling agility.

Power is transmitted to the road by highly efficient, smooth-shifting transmissions, including an eight-speed automatic transmission that allows you to shift using steering wheel-mounted paddles. The XC40 is a car that allows you to take control, and which inspires confidence, however long or short the journey.

## EASIER OWNERSHIP

**Choosing a Volvo** means you are also choosing the simplest way to own a car. Whatever your car needs, your authorised Volvo workshop will take care of it for you and make sure that your Volvo stays in shape.

We have our own approach to service that's personal, efficient, and which takes care of you as well as it takes care of your car. We call it Service by Volvo and it will provide everything you need in the simplest way possible.

Your Volvo Cars dealer offers a whole range of services, all designed around you to ensure a carefree ownership experience. You also get a Personal Service Technician, your car will be ready within the hour and you can relax in our lounge instead of driving back and forth. It's because everything we do is about finding new ways to make ownership – and your life – simpler and to help you make better use of your time.

## MAINTENANCE SERVICE

**When you bring** your Volvo in for maintenance service at the authorised Volvo Car workshop, a lot of extras are included to make your visit more convenient and rewarding. We update your car's software to the latest version, which means that your Volvo can become a little better at every service. We also automatically extend your Volvo Assistance for another 12 months, so that help will be on the way quickly around the clock should you need it.

A complimentary car health check is also performed on your car when it is with us. We can also provide you with alternative transportation should you need it, and even wash your Volvo for you.

# YOUR JOURNEY BEGINS HERE

**We created the new XC40** with one single purpose: to provide you with a city SUV that perfectly fits you and your lifestyle. It's a car that meets your expectations of a fun, agile drive with exceptional comfort and distinctive Scandinavian design – built with care for people and the world we share. And designed to be intuitive to use and to make life easier, the XC40 is a pleasure to live with every day.

At the heart of your XC40 is an efficient, responsive diesel or petrol powertrain. Whichever you choose, you will enjoy our latest Drive-E

technology that gives you responsive power. Fuel consumption and CO<sub>2</sub> emissions are kept low, and comply with exhaust emission legislation.

The engine is mated to our eight-speed automatic gearbox for a smooth and intuitive drive. Our responsive all-wheel drive technology gives you an edge by increasing driving stability and traction – on all road surfaces and in all weathers.

Make your choice, and enjoy the journey wherever it takes you.

#### **T5 AWD**

The 250hp/350Nm T5 AWD petrol powertrain is as responsive on the motorway as in the city. This superb all-rounder delivers generous power just where you need it, ensuring excellent driveability in combination with our smooth 8-speed automatic gearbox and all-wheel drive.

#### **D4 AWD**

Our powerful 190hp/400Nm D4 AWD diesel powertrain allows you to enjoy more while using less. Twin-turbo engine technology, our 8-speed automatic gearbox and all-wheel drive add to instant control and an efficient driving experience.

#### VOLVO XC40 R-DESIGN

Inspired by performance, with contrasting sporty design into every detail, inside and out.

#### VOLVO XC40 MOMENTUM\*

Strong, contemporary style with a confident urban look, available in contrasting combinations.

\* Available mid-2018.

## CREATE YOUR OWN SWEDISH CITY SUV

Our approach in everything we do is to always put people first. This also includes allowing you the freedom to create a Volvo that reflects your individuality and fits perfectly into your life.

Inspired by the pulse of urban city life and fashion, the new XC40 is just as individual as you are. You have two different design expressions to choose from – each with a very distinctive style and character: the powerful, sporty R-Design and the contemporary, vivid Momentum.

Whatever you prefer, you can rest assured there's a Volvo XC40 for you. Read on, and see what your new XC40 will look like.

# R-DESIGN. THE SPORTY LOOK

The R-Design expression catches the sporty soul of your XC40, with a glossy black colour theme including the roof and other distinctive exterior design details. The large alloy wheels enhance the car's road presence and add to the powerful look. It's an expression that catches the eye from every angle and hints at the promise of an amazing drive.

Inside the driver-focused Charcoal interior, you're surrounded by bespoke materials and trim. Your body is comfortably supported by the R-Design seats in Perforated Fine Nappa Leather/Nubuck upholstery. Everything – from the R-Design sport steering wheel with optional gearshift paddles to the Charcoal headliner – is there to inspire and put you in control. And unique for R-Design, the optional Lava interior carpeting creates a youthful, stylish ambience that will energize your every drive.

## XC40 R-DESIGN

Includes:

### Exterior:

18-inch alloy wheels | R-Design grille with glossy black frame | Clamshell bonnet | Black roof with all exterior colours | Glossy black integrated roof rails | Glossy black door mirror covers | Glossy black window trim | Glossy black skidplate | Dual integrated tail pipes | LED Foglights in front spoiler | C-pillar R-Design moulding | Sport Chassis

### Interior:

R-Design Perforated Fine Nappa Leather/Nubuck upholstery | 4-way power lumbar support | Manual cushion extensions | Cutting Edge aluminium decor inlays | R-Design sport steering wheel | R-Design leather gear knob | R-Design pedals | R-Design textile mats | Charcoal headlining | Interior illumination, high level | R-Design metal front tread plates

FOR A COMPLETE EQUIPMENT LIST, PLEASE VISIT [VOLVOCARS.CO.UK](http://VOLVOCARS.CO.UK)

## INSPIRED BY THE ART OF DRIVING

R-Design is our most powerful expression, characterised by dynamic contrasts and a confident presence. Unique exterior design details in glossy black, such as the front grille, the roof and the door mirror caps, together with large alloy wheels make it possible to create a truly distinctive look. The sporty theme continues on the inside, with R-Design Perforated Fine Nappa Leather/Nubuck seats, optional Lava carpeting and concave Cutting Edge aluminium decor. A sport chassis ensures you're in control with maintained ride comfort.

The glossy black roof creates a strong character – depending on your choice of exterior colour, it can make a dramatic impact on the look of your XC40. The embossed R-Design logo in the rearmost door pillar makes a subtle yet distinct statement about the car you drive.

The optional large 20-inch 5-double spoke alloy wheels in distinctive Matt Black Diamond Cut design add to a powerful stance in perfect harmony with the signature design T-shaped LED headlights and glossy black design elements such as the front grille, the door mirror covers, the roof and the integrated roof rails.

The R-Design grille features a glossy black frame and a high-gloss black insert with a horizontal mesh for a unique look.

From the rear, the integrated dual tail pipes and glossy black rear skid plate add to the impression of sporty elegance.

The concave Cutting Edge aluminium decor with integrated LED light guides creates a sporty, exclusive ambience inside your XC40 – day and night.

Upholstered in exclusive Perforated Fine Nappa Leather/Nubuck, the multi-adjustable R-Design seats provide generous body support wherever you go. Contrasting white stitching and piping adds to the sporty ambience, while the manual seat cushion extensions provide extra thigh support.

Enjoy the dynamic feeling inside your XC40 R-Design. The Charcoal interior with optional Lava carpeting and door inserts create energizing contrasts, while the exclusive R-Design seats, the Cutting Edge aluminium decor and the R-Design Leather gear knob and gaiter with white stitching enhance the car's sporty soul.

The driver-focused R-Design interior with R-Design steering wheel partly clad in Perforated Leather, a Leather gear knob, aluminium sport pedals and optional gear shift paddles puts you in the centre of action.

The exterior colour you choose for your XC40 R-Design makes a big impact on the visual expression. For example, Crystal White with the contrasting Stone Black roof gives a cool, robotic look, while the Black Stone exterior colour adds to a more mean, powerful style – especially with the large 19-inch alloy wheels in Matt Black Diamond Cut.

**19"** 5-double spoke  
Matt Black Diamond Cut  
(optional)

**18"** 5-double spoke  
Matt Black Diamond Cut  
(standard)

**20"** 5-double spoke  
Matt Black Diamond Cut, 920  
(optional)

707 Crystal White metallic

**GLOSSY BLACK ROOF**  
On the XC40 R-Design, the roof is always in Stone Black. This makes a strong character, while it perfectly matches the car's gloss black exterior design elements.

711 Bright Silver metallic

720 Bursting Blue metallic

714 Osmium Grey metallic

019 Black Stone

725 Fusion Red metallic

The sporty R-Design interior in Charcoal is the perfect environment for an agile driving experience. The sporty cockpit feel is further enhanced by the Charcoal headlining, while the optional Lava carpeting and door inserts adds a powerful twist.

Lava interior carpeting, RB00 (optional)

Fine Nappa Leather/Nubuck, Charcoal,  
Charcoal interior carpeting, RB00 (standard)

The R-Design seats are upholstered in a  
stylish combination of Perforated Fine  
Nappa Leather and Nubuck with contrasting  
white seams and piping for a truly sporty  
look and feel.

# MOMENTUM. CONTEMPORARY URBAN STYLE

Momentum is a proud expression of urban style, where smart features and contemporary design interact to create a confident and vivid look. Designed and built for a better life in the city, the XC40 Momentum is well equipped with everything you need for successful living. Exterior details in bright chrome together with window frames in black rubber enhance the expression of modernity. The exterior is available in a range of solid and metallic full-body colours, each with a distinctively contemporary look. And to really stand out of the crowd, most of the exterior body colours are available with a contrasting white roof, white door mirror caps and wheels with white spokes.

On the inside, you can relax in the ergonomically designed seats with exclusive Leather upholstery. Many different interior colour combinations make it easy to tailor your own, personal XC40 experience.

## XC40 MOMENTUM

Includes:

### Exterior:

18-inch alloy wheels | Grille Dark Grey with chrome frame | Clamshell bonnet | Bright integrated roof rails | Colour adapted door mirror covers | LED headlights | In-coloured Silver skidplate | Hidden tailpipes

### Interior:

Textile/Vinyl upholstery | 2-way power lumbar support | Urban Grid aluminium decor inlays | Leather steering wheel | Leather gear knob | Textile mats | 12.3" Active TFT Driver Display

FOR A COMPLETE EQUIPMENT LIST, PLEASE VISIT [VOLVOCARS.CO.UK](http://VOLVOCARS.CO.UK)

## CONFIDENTLY URBAN

Everything with the XC40 Momentum is self-assured and confident. It's genuinely urban with a Scandinavian twist. The optional white roof and many interior combinations allow you to tailor a Volvo city SUV that reflects your style and preferences. The Leather upholstery, the concave Urban Grid aluminium decor and the sophisticated interior lighting add a touch of luxury to the interior ambience.

The front of the XC40 Momentum is distinctively defined by the grille in dark grey and its frame in bright chrome.

The optional contrasting white roof enhances the contemporary look and is available with most body colours.

The signature design LED headlights, the bright integrated roof rails and the optional contrasting white roof, white door mirror caps and optional 19-inch white spoke alloy wheels make the XC40 Momentum equally at home in all city environments.

The glossy silver skid plate with hidden tailpipes gives a robust yet stylish impression from behind.

The XC40 Momentum interior with optional Leather seats, concave Urban Grid aluminium decor, Leather steering wheel and textile mats reflects the essence of beautiful Scandinavian design.

The concave Urban Grid aluminium decor enhances the modern interior ambience of the XC40 Momentum.

The 12.3-inch driver display and the 9-inch centre display with touch screen put you in total control of your drive.

The optional Leather seats are ergonomically designed to provide excellent comfort wherever you go.

The wide range of exterior colours and wheels allows you to create a city SUV that's really you. The large, sporty 18-inch 5-spoke alloy wheels in Silver finish come standard. And to further enhance the appearance of your XC40, you have the option of 19-inch or 20-inch wheels in distinctive Black Diamond Cut design or with white spokes that perfectly complement the optional white roof. You can have your XC40 in many different full-body colours, where each colour imbues your Volvo with a sense of contemporary Scandinavian design.

## YOUR XC40 – THE WAY YOU WANT IT

Create a XC40 that's perfect for the way you live, with Volvo accessories designed around you and your car.

Our range of exterior accessories is carefully crafted to boost the inherent versatility and ruggedness of the XC40. Designed to look

good and work flawlessly, they are made from tough, high-quality materials and built to withstand everything that life – and the elements – throw at them.

#### LOAD CARRIER

Your XC40 is there to help you pursue your passions, and our stylish low-profile load carriers allow you to take what you love with you. Easy to fit, they instantly allow you to fit our load carrier accessories, from bike rack to the canoe holder.

#### FOLDABLE TOWBAR

Our folding towbar is there when you need it – and out of the way when you don't. Press a button in the load compartment and it slides out electrically. All you have to do is lock it into position with one click. A range of bike racks designed especially to fit the towbar are also available.

#### MUD FLAPS

Keep your car looking good with specially designed mudflaps that fit the body of the XC40 perfectly, deflecting grime and dirt from the car's bodywork.

#### 21-INCH ACCESSORY WHEEL

For the strongest expression of the tough, sporty character of the XC40 choose our 21-inch accessory wheel. These beautifully crafted wheels perfectly complement the car's uncluttered lines.

## BUILT TO BE USEFUL

The interior accessories available for the XC40 are designed to make it even more practical and durable, so that it's an even more useful part of your life. Whether it's helping you to carry your things as securely and easily as possible or protecting the interior of your car, our range

of accessories make life less complicated and allow you to use your car's abilities to the full. And because these are Volvo-designed accessories, you can be sure that they are built to last, effortless to use and fit your XC40 perfectly.

---

### LOAD COMPARTMENT MATS

Accessory load compartment mats help you keep the interior of your XC40 as good as new, whatever you're doing. There's a tough plastic mat with raised edges that's rugged and easy to clean, and a reversible mat that has high-quality textile on one side and durable plastic on the other, to suit differing needs.

---

### ALL-WEATHER MATS

These durable mats protect the interior of your XC40 from muddy boots and shoes. Shaped to fit the footwells perfectly, they won't slip or shift on the move. Raised edges stop wet and dirt leaking into the car's carpet.

---

### STEEL GRILLE\*

Our strong steel grille provides a sturdy barrier between the passenger and load compartments, preventing unsecured loads from causing harm in the cabin. Fitted using simple attachment points, it helps you transport large or bulky items as safely and securely as possible.

\*Available mid-2018.

## WELCOME TO VOLVO CAR LIFESTYLE COLLECTION

Our Lifestyle Collection includes a wide range of lifestyle accessories – from Swedish crystal and crafted leather bags to clothing, watches and more selected items. To view the complete collection, please visit [volvocars.co.uk/accessories](https://volvocars.co.uk/accessories)

### TAKE YOUR MUSIC WITH YOU

These Harman Kardon® Soho Wireless headphones combine sleek styling with exceptional sound quality. With Bluetooth® connectivity and a clever fold-flat design, they're perfect for enjoying your favourite music on the go.

---

ON SWEDISH TIME

Distinctive yet subtle, the first watch from Volvo Cars' design department – now available as part of the Volvo Lifestyle Collection – is an example of refined Scandinavian design.

# INNOVATION FOR PEOPLE, MADE BY SWEDEN

At Volvo Cars, everything we do starts with people. We understand people, we protect what's important to them and we want to make them feel special. This human-centric vision is what makes us different from other car companies, and it is at the heart of everything we create.

Every car, every technology and every design is the result of our passion to make life better for people.

Inspiration is all around us because we come from Sweden, a place where people are valued as individuals and where conventions are challenged. And we continually strive to achieve more.

Our vision is that, by 2020 no one should be seriously injured or killed in a new Volvo car. And that, by 2025, every new Volvo car sold will help its owner reclaim one week of quality time per year, and that there will be one million electrified Volvo cars on the roads.

This is human-centric innovation, made by Sweden.

**V O L V O**

**Official fuel consumption for the Volvo XC40  
in MPG (l/100km) ranges from:**

Urban 31.0 (9.1)–49.6 (5.7), Extra Urban 47.1 (6.0)–61.4 (4.6),  
Combined 39.8 (7.1)–58.9 (4.8). CO<sub>2</sub> Emissions range from 166–127g/km.  
MPG figures are obtained from laboratory testing intended for comparisons  
between vehicles and may not reflect real driving results.
