

ALL-NEW PEUGEOT 5008 SUV

PRICES, EQUIPMENT AND TECHNICAL SPECIFICATIONS

Version 2 - October 2017

Model Year - 2018

1-litre to 1.4-litre
PSA Groupe
1.2-litre three-cylinder turbo

PEUGEOT

Model shown is new PEUGEOT 5008 SUV GT Line with optional pearlescent paint, and panoramic opening glass roof.

All-new PEUGEOT 5008 SUV models come with the following equipment as standard:

Safety and Security

- ABS (Anti-lock Braking System) with REF (Electronic Braking Distribution) and AFU (Emergency Braking Assistance)
- Airbags
 - Adaptive driver and front passenger airbags (includes passenger airbag deactivation function)
 - Driver and front passenger side airbags
 - Front and rear curtain airbags
- Alarm (perimetric, volumetric with lift and tilt sensor on 2.0L BlueHDi versions)
- Automatic door locking when moving off
- Automatic hazard light activation upon heavy brake application
- CDS (Dynamic Stability Control) and ASR (Electronic Anti-skid System)
- Child locking functionality on rear windows and doors
- DAA1 (Driver attention alert system)
- Electronic code immobiliser
- Exterior temperature indicator with ice warning
- Front optimised safety headrests and rear retractable headrests (x3), height-adjustable.
- Front three-point retractable seatbelts, height-adjustable, with pre-tensioners and force limiters
- Front ventilated disc brakes, rear disc brakes
- Gear Shift Indicator
- Headlights left on audible warning
- Isofix child seat fittings (x3) in the second row rear seats
- Programmable cruise control and speed limiter
- Rear three-point retractable seatbelts (x3), with pre-tensioners and force limiters in the outer rear seats
- Seatbelt not fastened audible and visual alert for front seats
- Seatbelt unfastened on the move audible and visual alert for front and rear seats
- Speed limit recognition and recommendation
- Steel space saver spare wheel (tyre repair kit on 2.0L BlueHDi versions)

Comfort and Convenience

- Central front armrest with butterfly-wing opening and storage compartment
- Electric and heated door mirrors
- Electric parking brake (includes hill assist)
- Electric power steering with reach- and rake-adjustable steering column
- Front central console with two cup-holders
- Front interior light with reading spotlights (x2) and rear interior lights with timer
- Front windscreen wiper with "Magic Wash" cleaning system
- Grab handles (x4), retractable with damping
- Heated rear windscreen with integrated antenna
- Illuminated glove box
- Map pockets on front seat backs
- Mechanical height-adjustable driver's seatfixing
- Multifunction trip computer
- New Peugeot i-Cockpit®:
 - Configurable 12.3" head-up digital instrument panel
 - 8.0" capacitive touchscreen
 - Compact multi-function steering wheel
- One-touch electric front and rear windows with pinch protection
- Rear ventilation system
- Rear coat hooks (x2)
- Rear windscreen wiper triggered automatically in reverse gear
- Remote central locking (two remotes)
- Retractable parcel shelf
- Third row seats (Can be stored under bootfloor or removed completely)
- 7 independent seats

Interior Features

- Blue ambient lighting for connecting zone
- 'Brumeo' fabric trimmed door armrests
- Dashboard, front and rear door panels finish - carbon effect
- Flocked glove box interior
- Gear lever - automatic in satin chrome
- Gear lever - manual in black (5 speed gearbox) or satin chrome (6 speed gearbox)
- Roof lining - light grey
- Satin chrome dashboard trim
- Satin chrome digital instrument panel and touch screen trim
- Satin chrome interior door handles
- Satin chrome 'Scorpion's Tail' and toggle switch trim

In Car Entertainment

- Bluetooth telephone facility
- USB socket
- 6-speaker radio, MP3 compatible
- 12 V sockets (x3) (dashboard, rear cabin and load area)

Exterior Features

- Body-colour exterior door handles
- Body-colour rear spoiler
- Body protectors (bottom of front and rear bumpers + wheel arches + protection at bottom of doors) in black
- Chrome rear bumper scuff plate
- Door mirror shells: body colour
- Front wing trim: black
- Gloss black B and C pillar and aerodynamic deflector trim
- Gloss black strip rear cluster connecting strip
- Gloss black windscreen trim
- Radiator grille: chrome edge trim and horizontal slats
- Roof - body colour
- Side window trim: black rubber
- Stainless steel roof arch trim

Exterior Lighting and Visibility

- Halogen headlights
- LED daytime running lights built into the headlight unit
- LED side indicator lights integrated into door mirrors
- Rear number plate lights (x2)
- Rear LED PEUGEOT signature 'Claw Effect' lights (with daylight function)

Model shown is new PEUGEOT 5008 SUV GT Line with optional pearlescent white paint and standard door mirror mounted LED 'PEUGEOT Lion' approach lights

ACTIVE With the perfect balance of character and strength, Active is the perfect place to start your journey

Safety and Security

- Lane departure warning system
- Safety pack
 - V-AEB (Automatic Emergency Braking System)
 - Distance alert system

Comfort and Convenience

- Automatic dual-zone climate control
- LED interior lighting (roof, storage spaces, load area)
- Parking sensors - rear
- Reading spotlights (x2), in row 3

Interior Features

- Blue ambient lighting to head-up instrument panel
- Mistral full-grain leather steering wheel with stitch detail
- Seating
 - Height adjustable driver and front passenger seat
 - Mistral 'Meco' cloth seat trim
- Row 2 underfloor storage compartments (strengthened compartment lids compatible with Isofix base legs)

In Car Entertainment

- DAB radio (Digital Audio Broadcasting)
- Mirror Screen®:
 - MirrorLink®
 - Apple CarPlay™
 - Android Auto

Exterior Features

- Aluminium longitudinal roof bars
- Chrome front fog light trim
- 17" 'Chicago' alloy wheels

Exterior Lighting and Visibility

- Halogen fog lights
- Visibility pack
 - Automatic headlights
 - Automatic windscreen wipers
 - Electrochrome rear view mirror (auto dimming)
 - 'Follow me home' headlamps

ALLURE With added style and specification, enjoy the ultimate in understated luxury

Active specification +

Safety and Security

- PEUGEOT Connect SOS and Assistance
- Safety plus pack
 - ABSD (Active Blind Spot Detection)
 - LKA (Active Lane Keeping Assistance)
 - DAA3 (Advanced Driver Attention Alert)
 - PEUGEOT Smartbeam Assistance

Comfort and Convenience

- Dark tinted rear side and tailgate windows
- Illuminated vanity mirrors
- Parking sensors - front and rear
- Power folding door mirrors with blind spot detection indicator and auto dipping function in reverse gear
- 180° colour reversing camera

Interior Features

- Blue ambient lighting to front door panels, storage, footwells and cupholders
- Dashboard, front and rear door panel finish: 'Brumeo' fabric
- Satin chrome front door panel recess trim
- Seating
 - Driver seat lumbar adjustment
 - Foldable front passenger seat with picnic table
 - Mistral 'Piedimonte' leather effect and cloth seat trim

Interior Features

- Tray tables on front seat backs
- Window blinds (row 2)

In Car Entertainment

- Connected 3D Navigation
 - TomTom® Live updates (3 year subscription)
- Voice recognition (radio, navigation and telephony features)

Exterior Features

- Front bumper scuff plate in Lion Grey
- Front wing trim: black with chrome detail
- 18" 'Detroit' diamond cut alloy wheels

Exterior Lighting and Visibility

- Door mirror mounted LED courtesy approach lights

GT LINE The best of all worlds, sports styling combined with outstanding levels of efficiency and specification.

GT The ultimate in SUV luxury, any journey no matter the distance will leave you wanting for nothing.

Allure specification +

GT Line specification +

Safety and Security

- Self-levelling headlights

In Car Entertainment

- Smartphone charging plate

Safety and Security

- ACC Stop (Adaptive Cruise Control with stop function)

Interior Features

- Seating
 - Driver seat multi-point massage function
 - Driver seat 2 position memory function
 - Driver seat multi-way electric adjustment (includes electric lumbar adjustment)
 - Driver and front passenger seat heating
 - Driver and front passenger seat adjustable cushion nose
 - Nappa Mistral full grain leather seat trim with Aikinite double stitch detail

Comfort and Convenience

- PEUGEOT i-Cockpit® Amplify (Choice of two configurable interior ambiances). Through the clever adaptation of dynamics, interior lighting and interior fragrances, two distinctive experiences can be had on board all-new PEUGEOT 5008 SUV
 - 'Boost': for a more dynamic experience
 - 'Relax': for a more serene experience

Exterior Features

- Door mirror shells: Nera black
- 'GT Line' emblems in satin copper (front wings and tailgate)
- Radiator grille: chequered with black 'PEUGEOT' lettering
- Roof: 'Black Diamond'
- Side window trim: chrome
- Sports front bumper design
- Twin exhaust effect trim

Comfort and Convenience

- PEUGEOT Open and Go (keyless entry and push button start)
- Smart electric tailgate (foot operated)

Interior Features

- Dashboard, front and rear door panel finish: grey oak
- Gear lever - automatic in full grain leather and satin chrome
- Mistral full grain perforated leather steering wheel with Aikinite stitch detail and satin chrome 'GT' emblem
- Satin steel chrome 'Scorpion's Tail' and toggle switch trim

Exterior Features

- Door mirror shells: chrome
- 'GT' emblems in satin copper (front wings and tailgate)
- Panoramic opening glass roof (with electric interior blind and blue ambient lighting)
- Wheel arch extensions
- 19" 'Boston' matt Haria two tone finish diamond cut alloy wheels

Interior Features

- Aikinite contrast stitching to armrest, gear lever gaiter and dashboard fascia
- Flocked front door pocket interior
- Mistral floor mats with Aikinite contrast stitching
- Mistral full grain perforated leather steering wheel with Aikinite stitch detail and satin chrome 'GT Line' emblem
- Roof lining - Tramontane black
- Seating
 - Mistral 'Imila' leather effect and cloth seat trim with Aikinite 'double stitch detail

Exterior Lighting and Visibility

- Full LED headlights
- LED foglamps (include static cornering function)
- LED sequential scrolling front indicators
- Door mirror mounted LED 'PEUGEOT Lion' approach lights

1-litre to 1.4-litre
PSA Groupe
1.2-litre three-cylinder turbo

PEUGEOT PureTech: The Multi Award Winner.....

For the third year running, PureTech technology has been awarded the hugely impressive accolade of 'International Engine of the Year' for the 1.0l -1.4l category, with a panel of 65 industry experts from 31 countries coming to the unanimous decision.

- "The new PureTech engine from PSA is a *revelation* in terms of refinement, performance and efficiency," stated German journalist Thomas Imhof.
- "Without turbo lag, this three-cylinder gives a lot of power and perfect torque at very low revs, with a harmonious noise throughout the whole range. And the consumption is very low," agreed L'Automobile Magazine's Christophe Congrega.

* Engine available from December 2017 production, official homologated data anticipated mid-October 2017, finance quotes available with PSA Finance from December 2017.

** Engine available from February 2018 production, official homologated data anticipated mid-October 2017, finance quotes available with

PSA Finance from December 2017.

Intelligent Storage Solutions

Intelligent Storage Solutions: (Standard on all versions)

All-new PEUGEOT 5008 SUV has been carefully designed to offer useful storage solutions to accommodate all of the items needed for daily life, plus a bit more for good measure. With nearly 30 litres of storage on offer, areas include:

Front Centre Storage Compartment: Offering a wealth of space under the 'butterfly' opening armrest, this compartment is deep enough to accommodate a host of items associated with family life.

Front Door Pockets: Offering 3.5 litres of storage each, these can also accommodate 1.5 litre bottles. To minimise noise from stored items, GT Line and GT models feature flock lined front door pockets.

In addition all versions feature map pockets on front seat backs, rear door pockets both offering 2.2 litres of storage, 4 x cup-holders, dedicated handbook storage under the front passenger seat as well as storage in the front centre console (version dependent).

Front Centre Storage Compartment

Flat Folding Seats

Flat Folding Seats:

With a choice of configuration options available, all-new 5008 SUV can be adapted to suit your lifestyle. With both rear seats lowered boot space starts at 952 litres (to the parcel shelf), this increases to an impressive 2,150 litres with the middle row seats lowered, loading to the roof, using the underfloor storage.

For increased modularity even further, at the single pull of a handle (located at the seat base) the front passenger seat folds completely flat. In doing so this increases the loading length to three metres, perfect for transporting lengthy items like a Christmas tree. When folded flat the front passenger seat back also serves as a useful picnic table. (Standard on Allure, GT Line and GT models).

'Magic Wash' System

'Magic Wash' System: (Standard on all versions)

Mounted in the front windscreen wipers, all new PEUGEOT 5008 SUV models benefit from our innovative windscreen wash system, designed to more effectively distribute water and reduce wastage. Using nozzles located above the wiper blades, fluid is distributed as the wiper sweeps the windscreen. This avoids the 'temporary blindness' of more conventional bonnet mounted systems between fluid release and wiper sweeping, improving visibility.

Front Wipers With Integrated Washers

Seating

Seating:

Front Seating: The front seats on all-new PEUGEOT 5008 SUV have been developed to provide heightened sensations of comfort and support, enlivened with a touch of sportiness. This brief has resulted in seating that will make every journey, no matter the distance, an absolute pleasure. Front seats benefit from the following features (according to trim level):

- Electric multi-way adjustment: (height, longitudinal, seat back angle and seat cushion angle). Standard on GT models, optional on Allure and GT Line.
- Heating function: with 3 pre set temperatures, (includes heating elements in the seat base and back rest). Standard on GT models, optional on Allure and GT Line.
- Multi-point massage function: for driver, with eight-pocket pneumatic technology to provide a luxurious massage, with five different massage types. Standard on GT models, optional on Allure and GT Line.
- Driver seat memory: memorises driver seat and door mirrors positions for up to two people. Standard on GT, optional on Allure and GT Line.
- Nappa Mistral full grain leather trim with Aikinite double stitch detail: high grade, soft leather trim with intricate copper stitching. Standard on GT, optional on GT Line.

AGR Approval (Aktion für Gesunder Rücken):

In addition to the specification above all-new PEUGEOT 5008 SUV features or can be specified with seats that comply with the AGR association's 'Actions for a Healthy Back' initiative. As standard on GT models and optional on Allure and GT Line models, new PEUGEOT 5008 SUV features the following:

- Adjustable seat nose (mechanical)
- Adjustable seat angle (electric)
- Four-way adjustable lumbar support (electric pneumatic) (driver only)

Eight Pocket Multi-point Massage Function

7 Individual Seats

7 Individual Seats: (Standard on all versions)

Seating: Featuring 7 independent seats covered by 3 point seatbelts, all-new PEUGEOT 5008 SUV features outstanding levels of modularity as standard

Row 1: In row 1, occupants benefit from a commanding view of the road ahead with height adjustable seating complemented by a front centre armrest for optimal comfort.

Row 2: In row 2, occupants benefit from individual seating with each seat housing Isofix mounting points and top tether points located on the back rests. Occupants also benefit from longitudinal seat adjustment, back rest recline functionality and for optimum comfort, tray tables and window blinds are fitted as standard from Allure level upwards.

Row 3: In row 3, occupants benefit from individual seating with outer fixed armrest and cup holder on the right side fascia panel. Row 3 seats can be raised and lowered in a very simple operation and fold away flat under the boot floor when not required, to increase space further the seats in row 3 can be removed altogether, freeing up an additional 108 litres of storage beneath the boot floor. Removal is quick and easy, with each seat weighing just 11kg.

New PEUGEOT i-Cockpit®

New PEUGEOT i-Cockpit®:

Since launching in 2012, PEUGEOT i-Cockpit® has re-written the rule book for car interior architecture. The PEUGEOT i-Cockpit® philosophy centres around a driving environment that puts you in control, allowing a greater connection to the road. For all new PEUGEOT 5008 SUV, the new PEUGEOT i-Cockpit® brings driving resolutely into the digital age.

The new PEUGEOT i-Cockpit®, comprises of the following key features:

Configurable 12.3" head-up digital instrument panel:

Available as standard across the all-new PEUGEOT 5008 SUV range, this 12.3" TFT 100% digital screen can be customised to suit the driver's needs. As the panel is positioned higher, it is closer to the road and is more within the driver's field of vision. This can increase safety when compared to a conventional setup where the dials sit within the wheel, further from the road.

The crisp and colourful graphics within the instrument panel can be adapted to give a variety of display modes including:

- **'Dials' mode**, a classic view to replicate the analogue setup of most modern cars.
- **'Navigation' mode** turns the dials on their sides to a 'roller' format, 3D navigation with instructions fill the centre of the display.
- **'Driving' mode** with 'roller' format dials and driver assistance information including Lane Keeping Assistance (LKA) and ACC Stop.

In addition to the above a 'Personal' mode can also be configured to allow the driver to see the exact information they require, for optimum comfort.

Compact multi-function steering wheel:

At PEUGEOT we have quite literally reinvented the wheel. Compact dimensions coupled with a re-designed shape enhance every journey in all-new PEUGEOT 5008 SUV. Out on the road the compact dimensions increase the visibility of the cars instruments whilst in the corners it provides heightened responses and improved agility.

When it comes to round town or navigating car parks its compact dimensions make light work of wheel winding to manoeuvre into a space. In terms of finish all models are trimmed with Mistral full-grain leather with stitch detail. Sports models benefit further from Aikinite stitching, perforation detail and a satin chrome model designation badge.

8.0" capacitive touchscreen:

With crystal clear graphics, the 8.0" capacitive touchscreen houses several key technological features on the all-new PEUGEOT 5008 SUV. Capacitive technology helps to give Smartphone levels of responsiveness whilst multi-touch technology brings greater levels of functionality. In-keeping with the PEUGEOT i-Cockpit® theme, the touchscreen is angled towards the driver.

For greater accessibility the touchscreen is accompanied by stylish satin chrome piano key toggle switches, these enable direct access to the wealth of functionality available. Features accessed via the touchscreen include:

- Automatic dual zone climate control (all versions)
- DAB Radio (Digital Audio Broadcasting) (all versions)
- Mirror Screen®: (Apple CarPlay™, Android Auto and MirrorLink®) (all versions)
- Connected 3D navigation: includes TomTom® Live updates (Allure versions and above)

'Dials' Mode (Active / Allure models)

'Driving' Mode

'Navigation' Mode

'Dials' Mode (GT Line / GT Models)

New PEUGEOT i-Cockpit®

New PEUGEOT i-Cockpit® Amplify

New PEUGEOT i-Cockpit® Amplify: (Standard on GT Line and GT versions)

To delight the senses further, all-new PEUGEOT 5008 SUV GT Line and GT versions feature new PEUGEOT i-Cockpit® Amplify. Through the adaptation of key settings, the following two distinctive experiences can be had on board all-new PEUGEOT 5008 SUV:

- **'Boost'**: for a more dynamic experience
- **'Relax'**: for a more serene experience

New PEUGEOT i-Cockpit® Amplify awakens the senses in the following ways:

- **Sight**: Changes to lighting in the head-up digital instrument panel and touchscreen, dependent on ambience.
 - **Sound**: Amplification of engine sound (through speakers) to stimulate the experience onboard.
 - **Scent**: Different fragrances to arouse the senses, developed in collaboration with Scentsys® and Antoine Lie, an internationally renowned perfumer. Fragrances include:
 - **'Cosmic Cuir'**: a vibrant, sensory perfume
 - **'Aerodrive'**: a vivacious, stimulating perfume
 - **'Harmony Wood'**: an authentic, relaxing perfume
 - **Touch**: For the ultimate in relaxation, enjoy a multipoint driver seat massage with five programmable modes to suit all tastes.
- In addition the 'Boost' ambience in conjunction with the Driver Sport Pack sharpens throttle response, steering weighting and gear changes (automatic transmission only). Dynamic data is also displayed in the Configurable 12.3" head-up digital instrument panel.

Driver Sport Pack (Linked to 'Boost' Function)

Red 'Dials' Theme (Linked to 'Boost' Function)

Electric Impulse Automatic Gearbox Control

Electric Impulse Automatic Gearbox Control: (Standard on auto versions)

Linked to the Efficient Automatic Transmission (EAT6 and EAT8) with Quickshift Technology. This stylish gearbox control with its ergonomic design complements the new PEUGEOT i-Cockpit®. Trimmed with full-grain leather, satin chrome and piano black materials, this compact gearbox control even helps to free up space within the cabin.

Operation is intuitive and smooth, for the more exuberant driver a manual driving mode is also available, a simple press of the 'M' button located on the control gives full access to the steering column mounted paddles.

Steering Column Paddles and Electric Impulse Control

Compact Multi-Function Steering Wheel

8.0" Capacitive Touchscreen

Piano Key Toggle Switches

Automatic Emergency Braking System (V-AEB)

Automatic Emergency Braking System (V-AEB): (Standard on all versions)

An intelligent autonomous braking system designed to avoid a collision or limit its severity by reducing the vehicle's speed. The system is triggered if the driver does not react quickly enough, by activating the vehicle's brakes. A multifunction camera located at the top of the windscreen can detect obstructions on the road. The system is able to detect vehicles that are moving in the same direction, stationary vehicles and pedestrians in the road.

Distance Alert System: (Standard on all versions)

Working in conjunction with V-AEB, the distance alert function warns the driver if the vehicle risks a collision with the vehicle in front or a pedestrian in the road. Two levels of warning are available, the first 'Amber' warning provides a visual alert to the potential risk. In a more severe instance a 'Red' visual and audible alert indicate a collision is imminent and driver action is required, failure to act triggers the emergency braking, a standard feature for every all-new PEUGEOT 5008 SUV, for added peace of mind.

Lane Keeping Technologies

Lane Keeping Technologies:

Linked to the Safety Plus Pack, all-new PEUGEOT 5008 SUV is always one step ahead. Featuring two lane keeping technologies, the vehicle is able to identify lines on the road via a windscreen mounted camera. The technologies are as follows:

Lane Departure Warning: (standard on Active models) a system that monitors continuous and discontinuous lines and warns the driver if a longitudinal lane marking on the ground is accidentally crossed. If steering deviation is detected, you are alerted by a flashing indicator on the digital instrument panel and an audible signal in the cabin.

Active Lane Keeping Assistance: (standard from Allure onwards) in addition to visually and audibly alerting the driver, all-new PEUGEOT 5008 SUV also features LKA. As soon as the system identifies a risk of accidentally crossing one of the marking lines detected on the ground, the steering is gradually corrected to keep the vehicle in lane, at speeds of over 40mph.

Driver Attention Alert

Driver Attention Alert:

Linked to the Safety Plus Pack, to help you stay sharp and alert behind the wheel, all-new PEUGEOT 5008 SUV features a two stage driver alert system for added safety on the road, comprising:

Driver Attention Alert 1 (DAA1): (standard on Active models) it is important to take frequent breaks when travelling over long distances, to better guarantee your safety and the safety of those around you. All-new PEUGEOT 5008 SUV feature a timed alert system that operates at speeds in excess of 40mph, after two hours of driving a message is displayed recommending that you take a break.

Driver Attention Alert 3 (DAA3): (standard from Allure onwards) controlled by a camera at the top of the windscreen designed to analyse the vehicles trajectory, this active system evaluates the vigilance of the driver at speeds of over 40mph.

By identifying deviations relative to the road markings all-new PEUGEOT 5008 SUV is able to determine whether the vehicle's behaviour reflects a certain degree of driver drowsiness or inattention. If it is felt that the driver needs to take better care on the road a visual and audible alert will occur. If more than three instances occur, the driver will be advised to take a break.

Active Blind Spot Detection (ABSD)

Active Blind Spot Detection (ABSD): (Standard from Allure onwards)

Linked to the Safety Plus Pack, now you can enjoy the feeling of having eyes in the back of your head. Using lateral ultrasound sensors to cover areas out of your field of vision along with the windscreen mounted camera, an LED illuminates in either side door mirror to alert to the presence of a car, lorry, motorbike or bicycle in your blind spot. The system works when overtaking a slower vehicle or when overtaken by a faster vehicle. This intelligent feature operates from speeds as low as 8mph right up to the National Speed Limit.

In addition ABSD also features a trajectory correction system in partnership with Active Lane Keeping Assistance. The trajectory correction is applied to the steering if a line is crossed even when the turn indicator is enabled, to try and avoid a collision with an obstacle not detected by the driver.

Adaptive Cruise Control with Stop Function (ACC Stop)

Adaptive Cruise Control with Stop (ACC Stop): (Standard on GT models)

Cruise control as you know it, will never be the same again with all -new PEUGEOT 5008 SUV and EAT6 automatic gearbox technology*. Controlled via a radar mounted at the front of the vehicle with a range of up to 150 metres, the ACC Stop system provides two key functions:

- Automatic maintenance of the vehicles speed, at the value set by the driver.
- Automatic maintenance of a set distance between all-new PEUGEOT 5008 SUV and the vehicle in front, slowing the vehicle to a stop if required.

The system detects a vehicle driving in front in the same direction and can automatically adapt the vehicle's speed to that of the vehicle in front. This occurs using engine braking and the braking system (in which case the brake lights are lit) to maintain a constant distance.

If the vehicle in front has slowed to a stop, all-new PEUGEOT 5008 SUV will also be brought to a stop by the ACC Stop system, if after this no response is received from the driver, the electric parking brake is automatically applied.

This intelligent function is available at speeds of 18mph upwards.

*unavailable on 1.2L PureTech 130 EAT6 S&S

Speed Limit Recognition

Speed Limit Recognition and Recommendation: (Standard on all versions)

Using the windscreen mounted camera, all-new PEUGEOT 5008 SUV features speed limit sign recognition, leaving you in no doubt over the speed limit. Upon detecting a speed limit sign this information is read by the camera and displayed in colour on the 12.3" head-up digital instrument panel.

In addition to been made aware of the speed the driver also has the option to adapt their speed to the speed limit on the particular road via the vehicles cruise control stalk. The vehicle will then adjust its speed accordingly.

This intelligent feature can be found as standard across the all-new PEUGEOT 5008 SUV range.

PEUGEOT Smartbeam Assistance

PEUGEOT Smartbeam Assistance: (Standard from Allure onwards)

Linked to the Safety Plus Pack, PEUGEOT Smartbeam Assistance gives you one less thing to think about when driving at night. Controlled via a windscreen mounted camera, the system continuously analyses driving conditions, for instance the proximity of other vehicles.

PEUGEOT Smartbeam Assistance automatically switches headlamps to full beam when conditions allow, allowing you to tap into the full potential of the full LED headlamps* that offer uniform lighting to reduce eye fatigue, increasing driver comfort.

* Standard on all-new PEUGEOT 5008 SUV GT Line and GT models

PEUGEOT Connect SOS and Assistance

PEUGEOT Connect SOS & Assistance: (Standard from Allure onwards)

A vehicle locating communication unit, this feature can be used manually (dedicated SOS button on the console) or automatically (if pyrotechnic devices are deployed). It locates the vehicle precisely and triggers the sending of the appropriate emergency services for a rapid response.

PEUGEOT are the pioneers of this technology, since launching in 2003 PEUGEOT Connect SOS & Assistance has assisted over 7,000 individuals. The system is subscription free with no additional charges and uses a GPS module and SIM card (built in to the system).

Connected 3D Navigation

Satellite Navigation: (Standard from Allure onwards)

Linked to the 8.0" capacitive touchscreen, the system includes European mapping, 3D city mapping and voice recognition (for radio, navigation and telephone functions).

The system also includes a 3 year subscription to PEUGEOT Connect allowing an automatic, permanent connection to online navigation services (in partnership with TomTom®). Key features of PEUGEOT Connect include:

- **TomTom® Traffic:** Real-time updates on traffic conditions (traffic jams, road works) and suggested alternative routes.
- **Local Weather:** Displays forecasted weather conditions along the route.
- **Fuel Stations:** Displays nearby fuel stations and pricing.
- **Local search:** Access address and contact detail information for a point of interest.

Mirror Screen®

Mirror Screen®: (Standard on all versions)

Allows the mirroring of a compatible smartphone screen to access the key functionality on the handset. Once paired functions are displayed on the 8.0" capacitive colour touch screen. Mirror Screen uses the following systems, Apple CarPlay™, Android Auto and MirrorLink®.

*Please consult peugeot.co.uk for a list of enabled Android phones - compatibility is based on the phone providers' original operating system. CarPlay® is compatible with iPhone 5/5c/5s, iPhone SE and iPhone 6/6 Plus/6s/6s Plus.

180° Colour Reversing Camera

180° Colour Reversing Camera: (Standard from Allure onwards)

A camera located on the rear of the vehicle is linked to the 8.0" capacitive touchscreen. Offering increased visibility when reversing, with a selection of views to choose from, you'll never look back:

- **Rear Grid View:** a clear view of obstructions to the rear of the vehicle coupled with grid lines oriented to the positioning of the steering wheel, offering perspective for distances of one and two metres respectively from the rear bumper.
- **180° View:** Divides the screen into three zones, offering a clear view of vehicles approaching from the side. Perfect for safely reversing out of parking spaces.
- **Overhead View:** the camera records the surroundings during a manoeuvre to reconstitute an overhead rear view of the vehicle in its immediate environment, making it easier to manoeuvre between surrounding obstacles.

Smartphone Charging Plate

Smartphone Charging Plate: (Standard from GT Line onwards)

Through the use of inductive charging technology a compatible device can be charged wirelessly whilst on the move. Operation is simple: just place your compatible smartphone on the charging area, once detected, battery charging begins. The device must be Qi-compatible, the very latest smartphones from Blackberry, Google, HTC, LG, Microsoft, Motorola, Samsung and Sony feature this technology built in with no additional add-on required. Other devices including iPhone 5/5c/5s, iPhone SE and iPhone 6/6 Plus/6s/6s Plus will require an additional Qi2001 accessory to access the wireless charging functionality. For more information on this growing technology please visit the Qi website .

FOCAL® Premium HIFI Speaker System

FOCAL® Premium HIFI Speaker System: (Optional from Allure onwards)

Specialising in acoustics for 35 years and known throughout the world for their patented innovations and unique sound signature, PEUGEOT are proud to offer FOCAL® technology for the ultimate in car acoustic experience. The system comes equipped with ten loudspeakers comprising the following:

- High-fidelity woofers/mediums featuring Polyglass technology ensuring a balanced, precise sound.
- TNF tweeters featuring aluminium inverted dome technology, offering optimum sound dispersion and crisp trebles.
- Subwoofer featuring Power Flower™ 200 mm triple-coil technology for defined, dynamic performance in the bass frequency.
- Active 12 channel/515 watt amplification for optimum sound quality.

Enjoy the perfect soundtrack on every journey with all-new PEUGEOT 5008 SUV and FOCAL®.

Smart Electric Tailgate

Smart Electric Tailgate: (Standard on GT versions)

To make loading and unloading that little bit easier, all-new PEUGEOT 5008 SUV with Smart electric tailgate technology can help take a load off your mind. Featuring a sensor located under the rear of the vehicle, a simple foot movement underneath the bumper is all that is required (vehicle key must be within range) to open and close the tailgate. In addition the tailgate can be electrically operated using the rear handle, tailgate interior fascia panel, dashboard and keyless entry enabled key fob.

PEUGEOT Open and Go: (Standard on GT versions)

In conjunction with the Smart electric tailgate option comes PEUGEOT Open and Go. Using sensors mounted in the front door handles, all-new PEUGEOT 5008 SUV can be opened without removing the key from your pocket or bag, simply grab the handle and the vehicle will automatically unlock. Once inside a simple press of the stop start button is all that is required.

Panoramic Opening Glass Roof

Panoramic Opening Glass Roof: (Standard on GT versions)

Enjoy the world outside with all-new PEUGEOT 5008 SUV. Divided into two glass panels that bathe the cabin in natural light, the panoramic opening glass roof enhances the appearance of this stylish SUV. For an added breath of fresh air the glass panel in cludes a tilt function and can be opened up to 16 inches.

An electric roller blind is also included, in either Salin light grey or Mistral black, dependent on level. To enhance the style even further, blue ambient lighting flanks the glass panel. Externally aluminium longitudinal roof bars are included.

Advanced Grip Control®

Advanced Grip Control®: (Optional on all versions)

To allow you to take on a variety of weather and terrains, all-new PEUGEOT 5008 SUV can be specified with Advanced Grip Control®, a system designed to optimise traction in low-grip conditions. It adapts to the terrain by acting on the front wheels, in doing so this saves the weight normally associated with a more conventional four wheel drive system. Advanced Grip Control® offers the driver a choice of five driving modes, accessed via a rotary dial on the centre console. Designed to work in conjunction with all engines and transmissions, Advanced Grip Control® is optional across the all-new PEUGEOT 5008 SUV range. In addition the system also incorporates a new Hill Assist Descent Control (HADCC) for the first time, this optimises vehicle control on steep slopes.

 <p>ESP Off: Enables the disconnecting of the dynamic stability control (ESP) and traction aids (ASR/Grip Control), up to 31mph (50 km/h) to give the driver complete autonomy. These systems are automatically reconnected above this speed for safety.</p>	 <p>Normal Mode: Calibrated system with a low, fixed level of wheel spin based on a compromise between the different types of grip generally encountered in normal day to day driving.</p>
	 <p>Snow Mode: The system adapts to the grip conditions encountered by each wheel when starting. When advancing, the system optimises wheel spin to guarantee the best acceleration based on the available traction. Recommended in cases of deep snow and steep inclines.</p>
	 <p>Mud Mode: This mode authorises a lot of wheel spin at start-up for the wheel with the least grip, this removes mud and re-establishes traction. Meanwhile, the wheel with the most grip is provided with the most torque possible.</p>
	 <p>Sand Mode: This mode allows a small amount of simultaneous wheel spin on the two drive wheels, enabling the vehicle to advance and reduce the risk of sinking.</p>
<p>Advanced Grip Control® Rotary Dial</p>	<p>Advanced Grip Control® Driving Modes</p>

Hill Assist Descent Control (HADCC): (Optional on all versions, included with Advanced Grip Control®)

Designed to assist with the descent of steep slopes, Hill Assist Descent Control is incorporated as part of the Advanced Grip Control® system. When descending a slope with a gradient of more than 5% and with vehicle speed below 19mph the system will work to reduce the risk of slipping. During a descent the system maintains speed and brake control, allowing the driver to concentrate on the vehicle's path of travel during the manoeuvre.

A clever feature incorporated within the Hill Assist Descent Control system is our unique 'Clutch Mode' security function. Selecting this function for very steep slopes regulates the vehicle speed to 2mph (3km/h), this allows the vehicle to creep down a steep slope in a completely controlled manner.

Hill Assist Descent Control (HADCC) System

Wheels and Tyres:

Advanced Grip Control® also incorporates a bespoke wheel and tyre option to work in conjunction with the systems technology.

Models feature 18" 'Los Angeles' two tone diamond cut alloy wheels coupled with specific Mud and Snow (M+S) tyres to help optimise traction on varied surfaces.

Model shown is all-new PEUGEOT 5008 SUV with optional Advanced Grip Control® incorporating 18" 'Los Angeles' alloy wheels.

e-Bike (Folding Electric Bicycle EF01)

e-Bike (Folding Electric Bicycle EF01): (Accessory optional on all versions)

With over 31 million cars on the UK roads, space can sometimes be at a premium. Here at PEUGEOT we have gone that step further to provide a complete mobility solution to get you to your end destination. Developed in conjunction with Cycleurope (one of our historic partners for nearly 30 years), PEUGEOT presents e-Bike (EF01), a folding electric bike.

e-Bike is able to travel up to speeds of 12mph and can provide transportation for up to 18 miles. Recharging the e-Bike couldn't be easier, through the use of the bespoke dock station, e-Bike can be charged in 60 minutes whilst out on the road in all-new PEUGEOT 5008 SUV. The e-Bike can also be recharged using a standard household plug socket.

The PEUGEOT Design Lab has developed an innovative solution, 10 seconds and three movements are enough to fold or unfold the e-Bike. Once folded, the bicycle is easy to transport with its handle integrated into the frame and the two wheels aligned with the ground. The patented position memory seat lets you set your bike up with the ideal seat height after unfolding it.

Compact and Lightweight

e-Bike (EF01)

Full LED Headlights

Full LED Headlights: (Standard from GT Line onwards)

Full LED Headlights: Light Emitting Diode (LED) technology remains a rare feature in the car industry, with all-new PEUGEOT 5008 SUV however this is not the case. Full LED headlights feature from GT Line, allowing you to enjoy the following benefits:

- LED technology consumes considerably less energy to produce light, 50% less than halogen and 35% less than xenon technologies.
- LED technology offers a whiter light for improved visibility at night, the light is also more similar to daylight, leading to reduced driver eye fatigue, improving safety.
- LED technology requires no warm up time with instantaneous lighting response when compared to conventional halogen technologies.
- LED technology will last for the life of the car, compared to halogen technology with much shorter life expectancy.
- LED technology offers a very striking visual signature that perfectly complements the sharp exterior design of all-new PEUGEOT 5008 SUV.

For an additional dose of style, in conjunction with full LED headlights, all-new PEUGEOT 5008 SUV features LED sequential scrolling front indicators, that glide outwards, along the top edge of the lamp cluster, when signalling.

To complement LED technology used in the headlights, all-new PEUGEOT 5008 SUV models feature this technology in the door mirror mounted indicators and signature design rear LED PEUGEOT signature 'Claw Effect' lights (with daylight function). In addition GT Line and GT models feature LED fog lights and LED 'PEUGEOT Lion' approach lights that project onto the ground either the side of the vehicle.

Full LED Headlights and Fog lights

PEUGEOT Signature 'Claw Effect' lights (inspired by the iconic PEUGEOT 504 Coupe and Cabriolet)

5008

PEUGEOT offer two levels of Service Contract:

PEUGEOT Service Plans

What's included:

- PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan
- We offer PEUGEOT Service Plans for up to five years with many mileage options
- One-off up front or monthly direct debit payment options available

Monthly price examples*:

36 Months / 30,000 Miles	48 Months / 40,000 Miles	60 Months / 50,000 Miles
12.99 per month	13.99 per month	13.99 per month

* Price examples based on an annual mileage of 10,000 per annum

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quoted above are indicative, for a bespoke quote please contact your local PEUGEOT Dealer. If the plan is taken out after the date of registration an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake pads, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windcreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.

Extended Peugeot Assistance*

What's included: Extension of your PEUGEOT Assistance Cover

- Offers you the opportunity to extend PEUGEOT Assistance up to a further two years
- Cover includes:
 - PEUGEOT Assistance from Home
 - PEUGEOT Roadside Assistance
 - PEUGEOT Recovery
 - PEUGEOT Onward Travel
 - PEUGEOT European Cover

* Excludes non-vehicle induced faults

To find out about extending your Peugeot Assistance cover, call 0800 294 0294.

Manufacturers Recommended Retail Price On The Road

VAT is not applicable to cars sold in the Channel Islands

PEUGEOT 3 Years of Warranty

All vehicles first registered in the UK and purchased from a UK PEUGEOT Dealer benefit from a PEUGEOT 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Dealer Network in the UK.

PEUGEOT Assistance

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service.

Provided by the AA, PEUGEOT Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your PEUGEOT with your permission.

Full details are available at www.peugeot.co.uk

Terms and Conditions

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to print.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your PEUGEOT Dealer the specification (including colour), equipment accessories and equipment relating to any PEUGEOT vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, PEUGEOT Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.
