

RENAULT
Passion for life

Renault TWINGO

10 October 2018

Design

The brief. "Design a car that smiles and makes you feel happy, with a cheerful, friendly face that brings back memories."

Back to the roots. A pinch of R5 Turbo, a hint of First Generation Twingo, a touch of the Renault DNA. The Renault Twingo resembles its predecessors and is the stuff of dreams. It is a car of its time: current, smart, modular and connected.

Like the Renault family. Drawing on the marque's emotional and sporting heritage, the designers re-interpreted selected iconic Renault features. The tailgate angle, sculpted sides, small round lights and rectangular headlights are all hints to past Renault cars.

Go anywhere Go everywhere

In the city, life moves fast and things can change quickly, so a truly excellent city car is one that is practical and versatile as well as small and agile. Whether you have passengers getting in the back, need to park in a tight space or even need to carry some flat pack furniture, Renault Twingo is in its element.

5 doors

Impressive turning circle

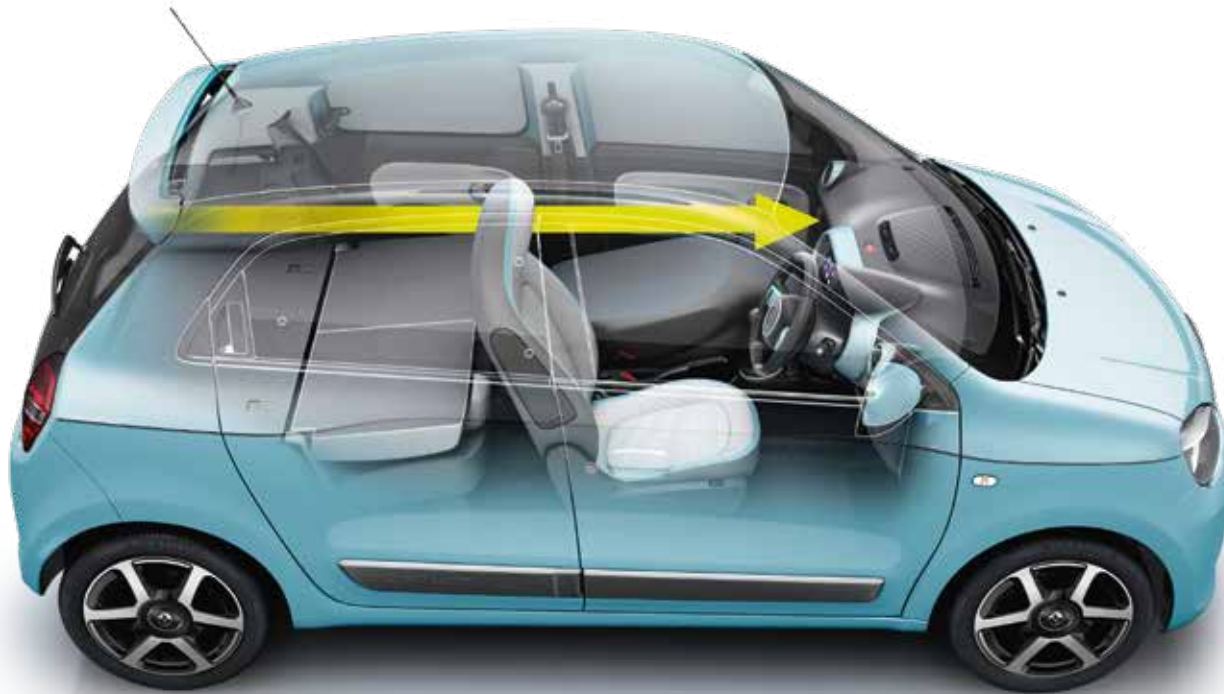

Split folding rear seats

Enough space for a flat-pack bookcase

No one had dared. Now Twingo has!

Space, storage and manoeuvrability. Putting the engine in the rear is something you normally associate with two-seater sports cars, not practical city superminis! However, doing this has given Renault Twingo features that make it stand out.

I've lost
10 cm exterior length

I've gained
33 cm interior length

I have an amazing
turning circle of
8.59 metres

The Twingo paradox. Since the last generation Renault Twingo has lost 10cm in length. However, at the same time the cabin is 33cm longer. This gives greater knee room for rear passengers.

Tight turns shouldn't be trouble. The Renault Twingo has an impressive turning circle of 8.59m. This makes parallel parking in tight spaces a lot easier.

What a view! By having a shorter bonnet and a raised driving position, Renault Twingo has excellent driver visibility which makes you feel more confident and enjoy the drive more.

Quiet, please! The engine at the back means it is further away from the driver, and therefore quieter: great for listening to your music (or your passenger!)

Plenty of room. Although you might think that putting the engine at the back would compromise space, you'd be surprised! There is no loading lip to the boot floor - so it's easy to lift items in and out of the boot - and the split folding rear seats fold flat with the boot, making the space practical. What's more, the front passenger seat folds down, giving 2.3m of load length! This means you could carry some flat pack furniture and still have a passenger in the back!

In addition to the impressive boot space, there are also little stowage spaces around the car for smaller items, such as rear door pockets on Iconic, space under the rear seats* and a storage space in front of the gear stick.

*Optional from the Play trim level

Technology and innovation

R&GO

R&Go is an application that turns your smartphone into a touchscreen for your dashboard! The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons. The key features of the app are:

Navigation. 3D vehicle navigation provided by CoPilot (available through in-app purchase). Maps are downloaded onto the phone, so you will always have a map at hand. Find my car feature: phone automatically saves the location of your car and gives pedestrian navigation back to it!

Phone. Digital keypad, call history and contacts; phone calendar; SMS (messages) read out.*

Media. Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play music from the phone, access internet radio (uses phone's data).

Vehicle. Eco driving score, fuel consumption info, trip computer and rev counter available.

The R&GO application is free to download for compatible Android and iOS smartphones.†

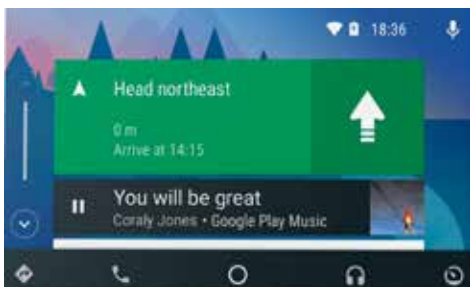

*SMS feature only available on Android devices.

† For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes rear parking sensors and a reverse parking camera.

Android Auto™

Access your smartphone's apps for navigation, music, calling and messaging**

Touchscreen navigation system

Provided by TomTom® (36 months subscription to LIVE services from delivery).

Multimedia*

FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

Reverse parking camera system

Rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information

The fun "Eco Driving" coach gives you handy tips to help you improve your driving style and reduce your fuel consumption.

Voice control*

Set your destination, call a contact or launch an application with voice control.

*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>. **Compatible with Android phones running Android 5.0 (Lollipop) or later. Requires a USB cable certified by the smartphone maker. Applications compatible with driving: List of applications available on Android Auto. Connecting a smartphone to access Android Auto™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

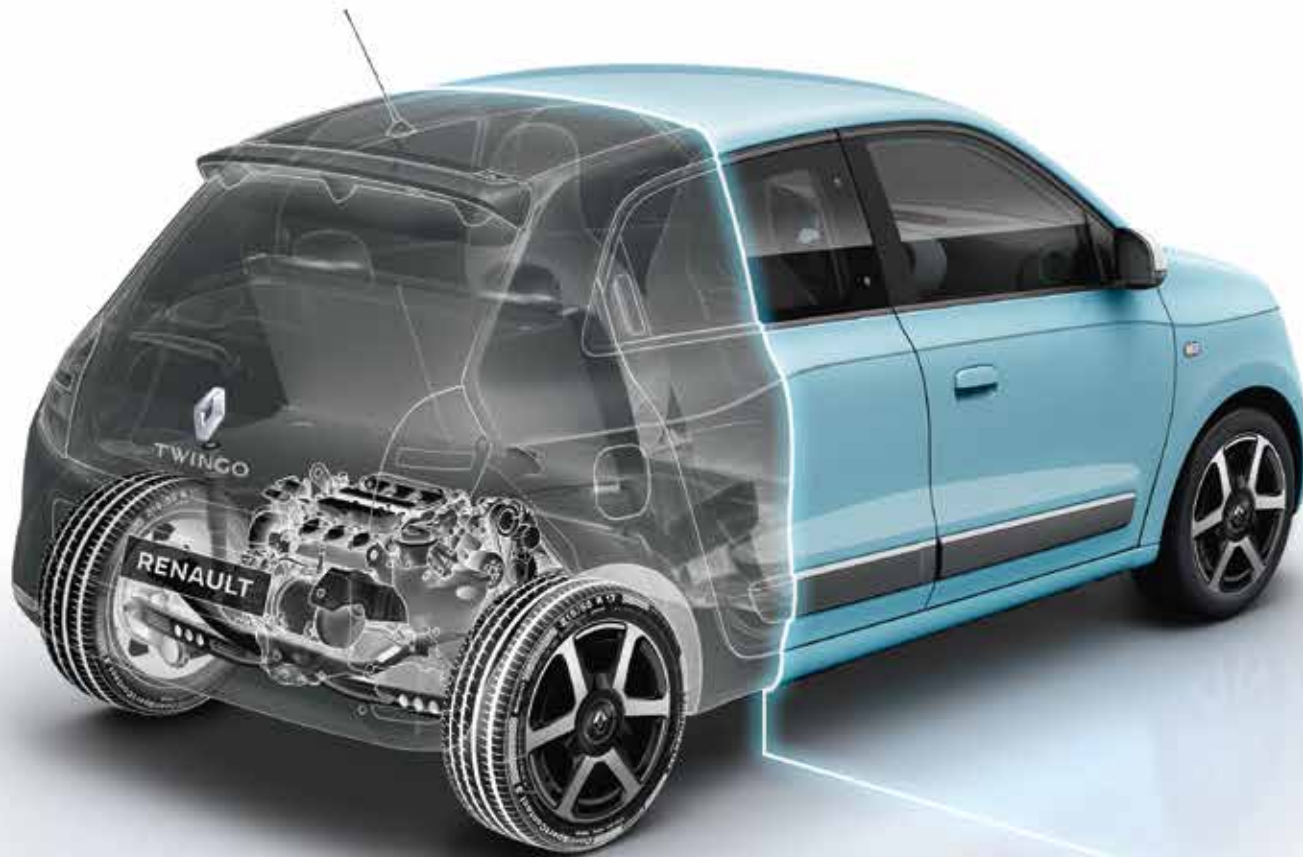

Engines and gearboxes

SCe 70. Made for the city, this 70 hp petrol engine's torque is very responsive, for a drive which is simultaneously lively, flexible and comfortable. There is also a variant which includes Stop & Start for improved fuel economy and reduced CO₂ emissions.

TCe 90 Stop & Start. For those out of town, the TCe 90 turbo petrol engine with a manual gearbox is most at home. With more power (90 hp) and torque (135 Nm) it is very comfortable with brisk starts and nippy acceleration. With standard Stop & Start, your driving is fun and economical.

TCe 90 Auto EDC. For those in town, the TCe 90 turbo petrol engine with the automatic EDC gearbox perfectly combines the comfort of an automatic gearbox and the responsiveness of a manual transmission.

Safety features

In active and passive safety, Renault's expertise has nothing left to prove. The care taken to make our cities and our roads safer regularly receives rewards.

Protection

Drive calmly. My architecture has been specially designed to absorb shocks; my front and side airbags help protect you and your passengers.

Hill Start Assist (HSA)

Relax, I maintain the braking pressure automatically for 2 seconds... giving you extra time to manoeuvre calmly.

Electronic Stability Control (ESC)

Difficult road conditions? Along with the anti-slip regulation (ASR), the ESC helps to monitor your trajectory.

Optional lane departure warning

Drive relaxed: if you cross a continuous or broken line without indicating, you get a visual and audible warning.

Standard features

PLAY MY18

15" 2-tone Black wheel trims

Java Grey upholstery

TECHNOLOGY

- FM/AM/DAB tuner, 2x20W speakers, Bluetooth® audio streaming and hands-free calls*, USB and AUX sockets, Smartphone cradle
- R&GO application - free download for compatible smartphones*: CoPilot Premium navigation (available through in-app purchase), internet radio, Find-my-car, vehicle information
- ABS
- EBA (Emergency Brake Assist)
- ESC (Electronic Stability Control) with side wind assist
- HSA (Hill Start Assist)
- Remote central locking
- Seatbelt unfastened warning sound
- Speed limiter
- Tyre pressure warning light

EXTERIOR

- 15" 2-tone black wheel trims
- Body coloured exterior door handles
- Chrome front grille strip
- Daytime running lights (LED)
- Door mirrors - body coloured - manually adjustable
- Double optic halogen headlights
- Rear fog light

INTERIOR

- Manual air conditioning
- Driver's seat height adjustment
- 2 rear headrests
- Front electric windows with one-touch facility
- Heating system with pollen filter
- Height adjustable steering wheel
- Java Grey upholstery
- Rear seats - 50:50 split and fixed base

Standard features

ICONIC MY18 (additional equipment to Play MY18)

15" Ariane alloys

Java Grey upholstery

TECHNOLOGY

- Cruise control
- Front fog lights
- Stop & Start engines*

EXTERIOR

- 15" Ariane alloy wheels
- Chrome side protector
- Door mirrors - body coloured - electrically adjustable and heated
- Pin stripe side decals**

INTERIOR

- Rear door storage
- Steering wheel - leather

Optional Personality Packs

Personality Packs make personalising your Twingo really simple. Here are some of our favourites!

FASHION

With its Powder Blue exterior and light interior, Fashion is great for people looking for a cute and à la mode car.

Pack contains:

- Blue interior Style pack
- Blue interior Touch pack
- Strokes decal

RETRO RACER

The strong contrast of black and white makes for a striking design. Retro Racer is for people who like to have fun and not blend in.

Pack contains:

- Black interior Touch pack
- Retro decal

PARTY

The Flame Red body colour alone will turn heads, but the confident white exterior touch pack leaves people in no doubt where the party is!

Pack contains:

- Red interior Style pack
- Black interior Touch pack
- White exterior Touch pack

Model shown is a Twingo Iconic MY18

Model shown is a Twingo Iconic MY18

Model shown is a Twingo Play MY18

For permitted colour combinations please speak to your dealer.

STREET

The combination of Diamond Black with red exterior touch makes the Renault Twingo feel modern and futuristic. There's nothing old-school here!

Pack contains:

- Red interior Style pack
- Red interior Touch pack
- Red exterior Touch pack

CASUAL CHIC

The smart Lunar Grey body with the Strokes decal that emphasises the sculpted shoulders of the Renault Twingo is a great combination for people who like to mix style with sophistication.

Pack contains:

- Black interior Touch pack
- Strokes decal

URBAN

The red exterior touch pack on the Crystal White body colour gives the Renault Twingo a sporty allure with edge.

Pack contains:

- Red interior Style pack
- Red exterior Touch pack
- Retro decal

Accessories*

Want even more style, comfort or practicality? Renault offers a range of accessories specially designed and developed for your Renault Twingo.

CHROME MIRROR CAPS

Sold in pairs.

VERTICAL BOOT NET

BOOT MAT

ARMREST

Carbon in colour, this sliding armrest can be adjusted for total driving comfort, with a storage capacity of 1 litre.

REAR WINDOW SUNBLINDS

Made from ultra-resistant fabric. Easy manual mounting. Foldable.

ILLUMINATED DOOR SILLS

Backlit aluminium Renault door sills for stylish protection from wear and tear. Sold in pairs.

For prices, please refer to the Renault Car Price Guide available at your local dealer and on www.renault.co.uk.

*Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

MONACO SEAT COVERS

Synthetic leather seat covers (front and rear seats).

LEATHER UPHOLSTERY*

Available in black with red or silver stitching.

* Leather facings with synthetic leather sides and backs

DELIVERY PACK STANDARD

Mat, safety kit.

DELIVERY PACK PREMIUM

Red or silver trim mat, safety kit.

For prices, please refer to the Renault Car Price Guide available at your local dealer and on www.renault.co.uk.

*Figures are produced for comparison purposes in accordance with European legislation and may not reflect real life driving results. Equivalent NEDC value obtained from WLTP figures, aiming to reflect a closer representation of the 'real-world' fuel consumption and CO₂ figures. Real world fuel (Actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment, for example air conditioning, can also affect the fuel consumption. For further information, please visit the Vehicle Certification Agency website www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.

Since September 2018, all new vehicles are test-approved according to the WLTP protocol - Worldwide harmonized Light vehicles new Test Procedure. For a better understanding, a transitional period has been provided for, during which fuel consumption and exhaust emissions values tested under WLTP are back translated to the old NEDC protocol (NEDC-BT). This transitional period differs depending on the country. For more information, please visit www.renault.co.uk/wltp.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

EasyLife Pack - £299*

Renault's EasyLife Pack is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Pack contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

Finance options**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance option¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto⁴ rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault car insurance:
