THE DAY IS YOURS.

## UNCOMPROMISING DESIGN.

Elegant, robust, agile and powerful, the all-new PEUGEOT Rifter leisure activity vehicle embodies all-round performance and its short, raised bonnet and increased ground clearance skilfully incorporates SUV styling. Its headlights with LED daytime running lights\* signature and vertical radiator grille highlight its balanced, compact and dynamic styling.

## ASSERTIVE CHARACTER.

With its distinctive contours and elegant lines, the all-new PEUGEOT Rifter won't go unnoticed. An aluminium scuff plate\*, 17" alloy wheels\*, roof bars, black wheel arch extensions and door sill protectors underpin the all-new Rifter's exceptional styling.

## THE SIGNATURE OF THE LION.

The all-new PEUGEOT Rifter proudly displays the renowned three-claw rear light signature which is an integral part of PEUGEOT's style identity. Its front face adopts the sporty look and styling of our latest models. And, for an additional twist, there's a GT Line version which blends style with elegance and incorporates a Zénith® panoramic roof with four large glass panels.

A woman with long brown hair, wearing a dark grey quilted puffer jacket, leans against the open rear door of a dark-colored SUV. She is looking off to the side with a thoughtful expression. The car's interior, including the door panel with a speaker and a storage compartment, is visible in the foreground. Outside, a calm lake reflects the overcast sky. In the background, there are rugged mountains with patches of snow. A wooden canoe with two oars rests on the grassy shore near the water's edge.

THE ADVENTURE STARTS HERE.

## EN ROUTE TO NEW SENSATIONS.

All-new Rifter's driving environment puts you in control with a greater connection to the road. The head-up raised instrument panel increases driver comfort and safety : it's closer to the road and within the driver's field of vision.

The compact multifunction steering wheel increases visibility of the cars' instrumentation and provides heightened responses and improved agility both when mobile and for manoeuvrability.

## PEUGEOT I-COCKPIT®: YOUR INVITATION TO DRIVE.

The PEUGEOT i-Cockpit® in the all-new PEUGEOT Rifter offers a more agile and instinctive driving experience thanks to the compact steering wheel, head-up display and large 8" capacitive colour touchscreen\*.

\* According to version

## ADJUSTABLE SEATS AND IMPRESSIVE LOAD SPACE.

This is a leisure activity vehicle that adapts to all your needs. Available as a 5 or 7-seater, and in two lengths (Standard and Long), the all-new PEUGEOT Rifter is exceptionally adaptable and offers a highly practical and versatile design which is able to excel in any situation.

Front passenger seat and rear seating is available as 2/3-1/3 or as 3 individual folding seats which, with the 'Magic Flat' system\*, can be folded on to the floor. And the third row in the 7-seat version has 2 individual extractable seats - letting you decide on your preferred configuration. Its optimised architecture boasts one of the most capacious offerings on the market : of between 775 and 4,000 litres according to version. With the passenger seat folded down you can fit objects of up to 3m in length in the Long version. And the opening rear tailgate window with entry to the roof case\*\*, the low boot sill and 2-height position parcel shelf make loading and unloading quick and easy.

\* According to version  
\*\* GT Line Standard version only

## INTELLIGENT STORAGE SOLUTIONS.

The Zénith® panoramic glass roof\*\* consists of a floating, translucent arch edged with LED ambient lighting. It floods the passenger compartment of the all-new Rifter with natural light but can also be covered by using the electric blind. The arch itself contains storage compartments with a capacity of up to 14 litres; whilst the numerous accessible storage areas within the entire Zénith® roof\*\* total a capacity of 92 litres (in the roof storage, the arch and the roof case which is accessed from the rear seats and/or the rear tailgate/boot).

In addition, there are numerous and ergonomic storage compartments which are accessible to all passengers. These include :

- High console between front seats with storage compartment\*
- Upper glove compartment
- Driver's seat under-seat storage\*
- Row 2 underfloor storage compartments\*

\* According to version  
 \*\* Available on GT Line Standard version only

AUGMENTED EXPERIENCE.

ALL-NEW RIFTER

## THE WORLD AT YOUR FINGERTIPS.

With crystal clear graphics, the 8.0" capacitive colour touchscreen\* houses several key technological features on the all-new PEUGEOT Rifter. Capacitive technology helps to give Smartphone levels of responsiveness. In keeping with the PEUGEOT i-Cockpit® theme, the touchscreen is angled towards the driver. Features accessed via the touchscreen include: DAB Digital Radio, Mirror Screen® (Apple CarPlay™, Android Auto and MirrorLink®), 3D satellite navigation\*\* (with TomTom® Live updates ) and PEUGEOT Connect and SOS\*.

## PEUGEOT MIRROR SCREEN®.

Mirror Screen® \* functionality in the all-new PEUGEOT Rifter allows you to enjoy compatible applications from your smartphone on the capacitive colour touchscreen. System features vary by provider/phone and can include navigation, text display, text reading and media functionality voice control. Mirror Screen® uses Apple CarPlay™, Android Auto and MirrorLink® systems. And, there's no need for cables as through the use of inductive charging technology\*\* a compatible device can be charged wirelessly whilst on the move. The operation is simple: just place your compatible smartphone on the charging area and once detected, battery charging begins.

## EASY MANOEUVRES.

All-new PEUGEOT Rifter features Visio Park 1\* which incorporates a 180° colour reversing camera. Located on the rear of the vehicle the camera is linked to the 8.0" capacitive colour touchscreen. Offering increased visibility when reversing, with a selection of views to choose from, you'll never look back! In addition, the Park Assist\* system provides active assistance for parking by detecting a parking space and then operating the steering system to park in this space. During a parking manoeuvre the vehicle operates the steering whilst the driver manages the pedals and gearbox control. During the entry and exit from a space the system provides visual and audible information to improve the safety of the manoeuvre. The system works with both parallel and bay parking.

## AUTOMATIC EMERGENCY BRAKING SYSTEM.

An intelligent autonomous braking system\* designed to avoid a collision or limit its severity by reducing the vehicle's speed, which is triggered if the driver does not react quickly enough, by activating the vehicle's brakes. A multifunction camera located at the top of the windscreen, coupled with a bumper mounted radar, detects obstructions on the road. The system is able to detect vehicles that are moving in the same direction or are at a stop, together with pedestrians in the road. And, working in conjunction with the Automatic Emergency Braking System\*, the Distance Alert function warns the driver if the vehicle risks a collision with the vehicle in front or a pedestrian in the road.

AGILITY BUILT IN.

## A STYLE TO SUIT THE CITY AND THE GREAT OUTDOORS.

No compromise on design. The all-new PEUGEOT Rifter is elegant, robust, agile and powerful. Its short, high bonnet and increased ground clearance complement its strong SUV styling. And, with its outstanding modularity, low boot sill and 2-height position parcel shelf\* the all-new PEUGEOT Rifter leisure activity vehicle is a byword for versatility.

## GREAT ROAD HANDLING.

Featuring the latest EMP2 platform, the all-new PEUGEOT RIFTER offers exemplary handling. Its short front overhang, well-designed chassis, electric power steering and optimised turning diameter guarantee a high level of comfort, quality and efficiency.

## READY FOR ADVENTURE.

To allow you to take on a variety of weather and terrains, the all-new PEUGEOT Rifter can be specified with Advanced Grip Control®, a system designed to optimise traction in low-grip conditions\*. It adapts to the terrain by acting on the front wheels, in doing so this saves the weight normally associated with a more conventional four-wheel drive system.

## EXPLORE ALL TERRAINS.

The Advanced Grip Control® system incorporates Hill Assist Descent Control (HADC)\* which optimises vehicle control on steep slopes. When descending a slope with a gradient of more than 5%, and with vehicle speed below 19mph, the system will work to reduce the risk of slipping. During a descent the system maintains speed and brake control, allowing the driver to concentrate on the vehicles path of travel during the manoeuvre.

DRIVING FREEDOM.

## ENGINES DELIVERING GREATER FREEDOM.

Thanks to our innovative BlueHDi diesel and award-winning\* PureTech petrol engines, and a new automatic 8-speed EAT8 gearbox, the all-new PEUGEOT Rifter leisure activity vehicle delivers stand-out performance combined with increased fuel efficiency in real driving conditions.

It's time to discover one of the most enjoyable driving experiences available with the all-new PEUGEOT Rifter.

## NEW 8-SPEED EFFICIENT AUTOMATIC TRANSMISSION.

For optimum driving pleasure our 8-speed automatic gearbox offers : Up to 5% reduction in fuel consumption as a result of optimised gearing; seamless changes for conquering the open road; optimised safety as the gearbox automatically reverts to 'P' (park) when the ignition is switched off; reduced weight through carefully selected offering a weight saving of 6kg versus EAT6; and electric impulse control with Quickshift technology. Transmission can also be controlled via the steering column mounted paddles.

## THERE FOR YOU.

When you choose PEUGEOT, you have the reassurance of knowing that your vehicle has been designed and built to give you years of worry free motoring. As a PEUGEOT owner, you can also rely on the customer care services of your dealer. This will ensure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently - someone who also has the expertise to maintain your PEUGEOT correctly, using trained technicians, PEUGEOT diagnostic equipment and PEUGEOT original parts.

### FOR YOUR PEACE OF MIND MANUFACTURER WARRANTY

Any all-new PEUGEOT Rifter first registered in the UK and purchased from a UK PEUGEOT Dealer will benefit from a 2 year unlimited mileage manufacturer warranty and a free optional additional year of warranty (up to 60,000 miles) provided by the PEUGEOT Dealer Network. At the end of the 3 year warranty period (or after 60,000 miles) you have the option to purchase a PEUGEOT Platinum Extended Warranty. Our cars also come with a 12 year Anti-Perforation and 3 year Paint Warranty (6 and 2 years on vans). For full terms and conditions on all of these, please contact your PEUGEOT Dealer.

### PEUGEOT ASSISTANCE

All new PEUGEOT's come with 12 months of PEUGEOT Assistance - our breakdown assistance service. This covers all incidents involving vehicle based faults for you and anyone else driving your car with your permission. It is available 24 hours a day, 365 days a year. PEUGEOT Assistance includes European cover, home start, roadside

assistance, vehicle recovery and a free replacement car or accommodation if required. It can be extended for a further 12 months, or 24 months, and to protect you against non-vehicle faults (such as punctures) at specially discounted rates, by calling 0870 752 7050.

### PEUGEOT SERVICE CARE

Please refer to the maintenance book for details of the service intervals and the specifics of vehicles operating in arduous conditions.

### FINANCE - LET THE SPECIALISTS HELP

PSA Finance UK Limited offer a range of flexible finance plans to make owning a new PEUGEOT easy. As specialists, we will provide choice, convenience and flexibility. Written quotations are available on request from PSA Finance UK Limited, 61 London Road, Redhill, Surrey, RH1 1QA. Over 18s only, a guarantee may be required.

### FURTHER INFORMATION

#### PEUGEOT INSURANCE

Designed for PEUGEOT to offer tailored cover at a competitive price. In the event of an accident, a PEUGEOT Approved Accident Repair Centre will repair your car, using PEUGEOT original parts and offer a courtesy car (subject to availability). Call PEUGEOT Insurance for a quote on 0370 024 1107. Calls may be recorded. PEUGEOT Insurance is underwritten by U K Insurance Limited.

### PEUGEOT ACCESSORIES

PEUGEOT Accessories are designed specifically for each model meaning no compromises on fit or function. In addition they are tested to a rigorous standard for complete confidence and peace of mind.

### PEUGEOT AND THE ENVIRONMENT

### ABOUT THIS BROCHURE

The information contained in this brochure is based on the data and images available at the time of printing. Some features may not be available in the UK and some photography may feature left hand drive models. As part of a policy of continuous specification improvement, PEUGEOT reserves the right to modify specification, options and colours at any time. For full details ask your PEUGEOT Dealer, or click on [peugeot.co.uk](http://peugeot.co.uk). Print and photographic processes used in this brochure may alter the depth and tone of the colours shown.

This brochure is not a contractual document or offer of sale. The details in this brochure cannot be reproduced without the expressed authorisation of PEUGEOT.

### Issued by:

Sales and Marketing,  
PEUGEOT Motor Company plc.,  
Pinley House, 2 Sunbeam Way,  
Coventry, CV3 1ND.

**Official Fuel Consumption in MPG (l/100km) and CO<sub>2</sub> emissions (g/km) for the all-new PEUGEOT Rifter range are: Combined 37.0 (7.6) – 51.6 (5.5) and CO<sub>2</sub> 134 - 108 g/km.**

The fuel consumption you achieve, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test (WLTP\*) used to measure fuel consumption and CO<sub>2</sub> figures. The fuel consumption figures shown in this brochure are calculated under the WLTP test. The CO<sub>2</sub> figures shown are NEDC equivalent (NEDCeq), calculated using EC correlation tool which converts WLTP figures to NEDC figures, however, these NEDCeq figures are based on the outgoing test cycle (NEDC\*\*) and will be used to calculate tax for first registration. Figures shown are for comparability purposes; you should only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested using the same technical standard.

\*WLTP - Worldwide harmonised Light vehicles Test Procedure. \*\*NEDC - New European Driving Cycle. Information correct at time of going to print.
