TECHNOLOGY

INTELLIGENT EVOLUTION

+ DISTINCTIVE SILHOUETTE.

**Prius+ is a car that stands out:
a dynamic look combined with
countless possibilities.**

Prius+ has been purposely engineered to harmonise all aspects of aerodynamics, space and design. While Prius+ inherits and evolves from the styling of Prius, it also boasts a unique rear design to accommodate a large luggage space and a contoured roof with a spoiler. Prius+ is big on space, yet sports a silhouette that is both eye-catching and streamlined for optimum fuel efficiency.

Driving is an integral part of our busy daily lives: What if there was a car that made every journey easier and more enjoyable?

Where will you drive today: to the school, the office and then home through the rush hour? Another busy day on inevitably congested roads. Now imagine the smooth, silent experience of hybrid drive, and the positive effect it has on those inside the car, leaving everyone feeling relaxed. That might just make you fall in love with driving again.

FROM TWO SEATS TO SEVEN

+ COUNTLESS POSSIBILITIES.

Whether it's an unexpected lift for a friend or buying furniture, Prius+ provides multiple combinations of seating positions and loading possibilities. From seven people on board to a total load capacity of 1731 litres*.

* Total load capacity achievable with second and third row seats folded completely flat as part of Toyota Easy Flat 7 system.

6 seats – 2nd row middle seat stored:
Simply fold the middle seat to create a large armrest.

5 seats – 3rd row seats stored:
Seat five with a generous 768 litres of load space.

5 seats – 2nd and 3rd row right-hand seats stored:
Fold individual seats for longer loads.

2 seats – 2nd and 3rd row seats stored:
The ultimate load carrier: 1731 litres of space.

YOUR DRIVE MADE EASIER

+ INFORMATION IN YOUR LINE OF SIGHT.

Your daily drive can be demanding, but the advanced features of Prius+ will make your journeys easier.

Driving can be demanding: busy morning traffic, navigating your route, keeping your children happy – all at the same time. Prius+ makes that challenge easier. The TFT colour displays in the instrument panel provide easy access to driving information, audio, navigation, climate control and warning messages as well as the driver support system, whilst Intelligent Parking Assist (IPA)* takes the hassle out of parking.

Thin Film Transistor (TFT) multi-information display
This 4.2" TFT display shows information such as Hybrid System Indicator, Energy Monitor, and a new Eco Judge, which help the driver maximise their driving efficiency by scoring the driver on their economical driving performance.

Toyota Touch® 2 with Go navigation*
Toyota Touch® 2 with Go adds enhanced full-map navigation and class-leading connected services. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning.

Intelligent Parking Assist (IPA)*
Using a rear-mounted camera and Electric Power Steering (EPS), IPA calculates the steering movements required to park. Simply define the limits of the space in which you want to park and then control the reversing speed.

* Excel only.

A WORLD OF INFORMATION AND ENTERTAINMENT

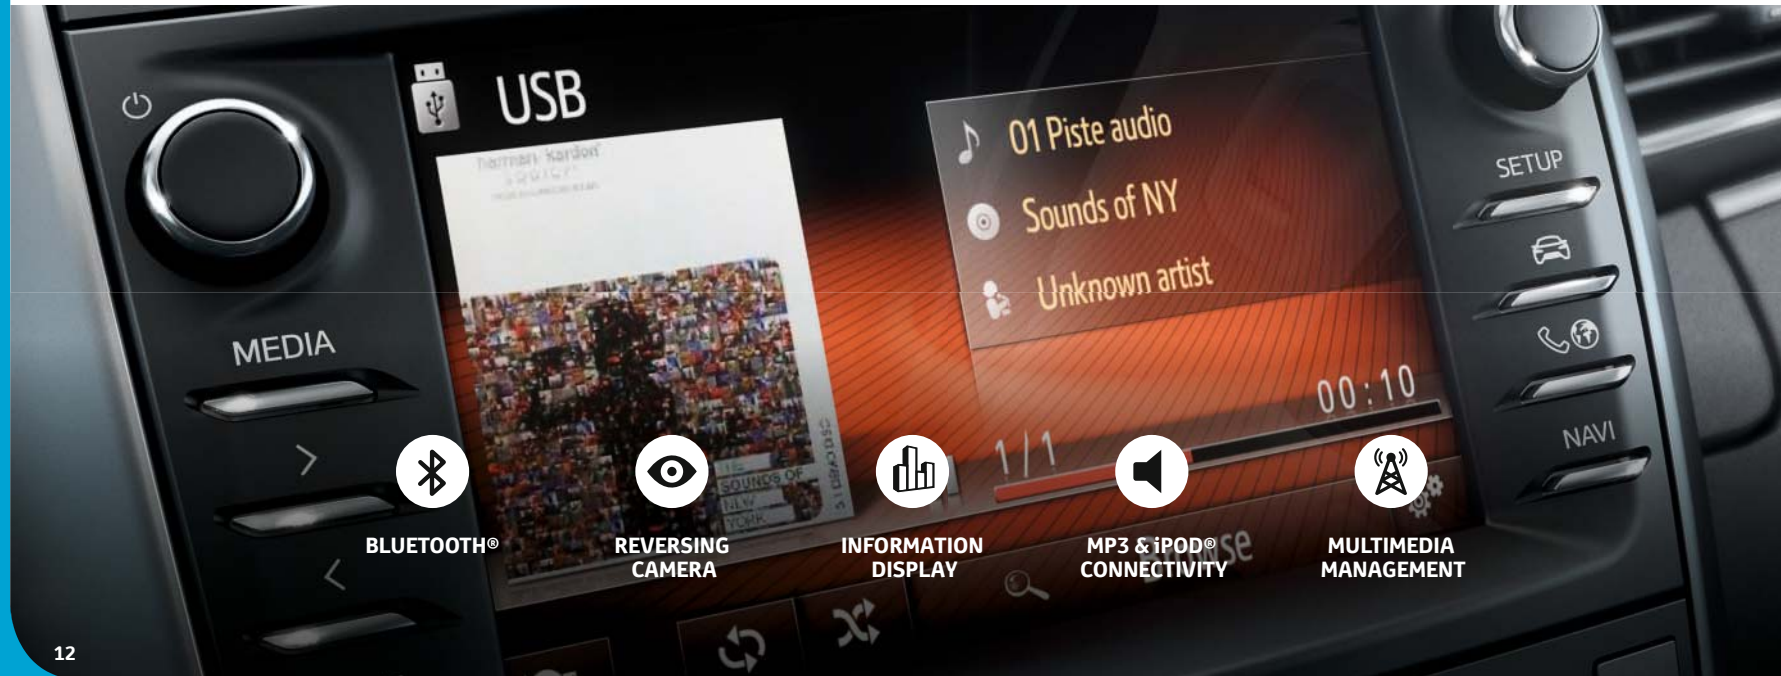

TOYOTA TOUCH® 2

The Toyota Touch® 2 multimedia system features an easy-to-use high resolution 6.1" colour touchscreen. It lets you access and monitor a range of information related to your car. From viewing trip data and climate control settings, you'll find everything you need to make your journeys more comfortable. The system also helps to take the stress out of parking with a reversing camera display.

The Toyota Touch® 2's advanced audio system lets you appreciate your favourite music in rich quality and view album, artist and track information clearly, all via convenient Bluetooth® or USB connections. Additionally, your audio options can be accessed through the clear touchscreen, letting you select a wide choice of DAB+ stations or enjoy a favourite CD or MP3, so you can appreciate the full, crystal-clear multimedia experience with ease.

TOYOTA TOUCH® 2 WITH GO

Now with three years' free map care and connected services.

Toyota Touch® 2 with Go adds enhanced full-map navigation as well as class-leading connected services, delivered through its wide range of apps. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning.

The new auto navigation function lets you programme up to four destinations, for each day of the week. So when you set off within a departure window, your chosen destination will be automatically activated and a route plotted. The system will also show you traffic information, making your daily commutes less of a grind.

In addition, the enhanced multimedia offering available on Excel grade includes features such as 3D maps, voice recognition and text-to-speech.

Compatibility and synchronisation: Device synchronisation and compatibility may depend on a number of factors, including the device being used, software versions installed, inbox size and your mobile network. All features are developed to industry-wide standards. Toyota cannot guarantee that all devices will operate or be compatible with our vehicles.

YOUR MULTIMEDIA WORLD

Toyota Real-Time Traffic powered by TomTom

Works on real-time traffic flow, alerting you to slow-moving or queuing traffic, with the option to re-route your journey to avoid congestion and save time.

TRAFFIC MONITOR

Provides a clear visual display of any traffic incidents or congestion along your route, estimating any delay to your journey.

DETOUR OPTION

Offers specific information about traffic incidents along your route and suggests a detour option to save you time.

DETOUR INFORMATION

Gives you on-screen graphic information of a detour, along with the delay and additional mileage incurred compared with your current route, for informed journey planning.

Online applications

Activate apps on your Toyota Touch® 2 with Go navigation system to keep you informed and entertained. Apps are available for everything from the weather, to fuel costs and available parking places, helping you to drive safely and more economically.

Breakthrough connected services are pre-installed in your system (Toyota Touch® 2 with Go) and are free for the first 3 years. To activate and access these services, simply create a **My Toyota** account and register your device. You can commence the registration process directly from within

TOYOTA ONLINE

your vehicle in a few simple steps. By pairing/connecting your phone, you can enjoy many benefits, including innovative Toyota Real-Time traffic powered by TomTom and Google Street View™.

Google Street View™

Provides imagery of your current location, or a location of your choice, allowing you to start navigating directly from the image, so you'll never be lost.

GOOGLE STREET VIEW™

Simply enter an address for a visual preview of any unknown destination. Six different Google Street View™ images offer a panoramic view to familiarise you with the location and promote peace of mind.

Online Local Search

Point Of Interest database enhanced by an online search facility. Connects to the internet via your phone, allowing you to search easily for the nearest fuel, restaurant, hospital or any type of place of interest.

Toyota Online services available on Toyota Touch® 2 with Go. Availability of Toyota Online services depends on compatibility with a Bluetooth®-equipped mobile phone (with DUN or PAN Bluetooth® profile) with a data plan. It also requires a mobile network operator that permits tethering.

SENSORS THAT PUT SAFETY FIRST

+ YOUR SAFETY MATTERS, SO ENJOY COMPLETE PEACE OF MIND.

Safety is our priority, and it's your peace of mind that's our reward.

Toyota Safety Sense is a comprehensive system of radar and camera sensors designed to keep your family safe. From early detection of potential collisions to audible and on-screen warnings about changes to the speed limit or overtaking restrictions, Prius+ is built around the comfort and security of you and your passengers.

1. Road Sign Assist

Monitors the road signs ahead and displays key information such as the current speed limit in clear view.

2. Pre-Collision System with Pedestrian Detection

When the risk of a collision is detected, audio and visual warnings and brake assistance are activated. If the driver fails to respond in time, the brakes automatically engage.

3. Lane Departure Alert

Detects the lane markings in the road ahead and alerts the driver with audible and visual warnings should the vehicle start to deviate from its lane without the turn indicator being applied.

4. Automatic High Beam

Detects the lights of oncoming vehicles and other traffic ahead while monitoring the brightness of streetlights to allow automatic switching between high and low beam for safer night-time driving.

5. Adaptive Cruise Control

Toyota Safety Sense's Adaptive Cruise Control keeps a minimum preset distance from the vehicle in front when driving over 40 km/h. If this distance falls, the system reduces the speed and eventually the brakes will be applied and brake lights activated. If the distance increases again, it will gradually accelerate until the vehicle returns to your chosen cruising speed.

ALL ACTIVE SAFETY TECHNOLOGIES are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

OPTIONS*

Toyota accessory packs offer a great value way of customising the Prius+ for you and your family. Each pack is themed around a carefully chosen range of complementary accessories.

REAR PARKING SENSORS

Rear ultrasonic parking sensors give you greater protection in car parks or when manoeuvring close to low objects. The colour-coded sensors in the bumpers are linked to an in-cabin alarm that becomes progressively louder the closer your car gets to an obstacle. Includes cancellation switches to enable the system to be de-activated.

* Options should be ordered in conjunction with the vehicle.

PROTECTION+ PACK

The Toyota Protection Pack offers individuality, value and convenience. With a tough rubber liner for the boot and stylish scuff plates to guard the door sills, the pack adds to your car's day-to-day practicality.

1. Mud flaps

Especially shaped to fit the wheel arches and reduce water, mud and stones spraying onto your car's body. For the front and rear.

2. Scuff plates

Genuine scuff plates for the door sills create an immediate impression of style while also serving the very practical purpose of protecting the sill paintwork from dirty marks, scrapes and scratches.

3. Rear bumper protection plate

Strong bumper protection with a stylish matt black finish.

4. Rubber floor-mats

Genuine tailored-fit rubber floor-mats help protect your carpet against the very worst conditions. They are impervious to dirt, mud and water and can be removed for easy cleaning.

5. Boot Liner

Tailored to fit the boot of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

INDIVIDUAL ACCESSORIES

A range of individual accessories is also available for your new Prius+, allowing you to personalise your vehicle even further to your own bespoke requirements. These can offer greater protection, add further stylish touches, or provide additional carrying capacity for your new car. All of these additional items are available from your local Toyota Centre.

SAFETY

Looking after young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.

INDIVIDUAL ACCESSORIES

PROTECTION

1. Bumper corner protectors

Ideally positioned to guard against accidental scrapes. For the front and rear, available in black or painted to match your car.

2. Boot liner

Tailored to fit the boot of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

3. Dog guard

The durable mesh design prevents your pet climbing over the back seats.

4. Vertical cargo net

Strong, woven, black nylon net with two compartments for holding small items securely in your car's boot area. The net fixes neatly onto pre-fitted side and floor hooks.

STYLING

1. Front bumper trim

A dash of chrome to highlight the distinctive Prius+ grille.

2. Side mouldings with chrome insert

Side mouldings provide your vehicle with an extra layer of protection to help guard the side panels against minor bumps and scrapes.

3. Aluminium scuff plates with Hybrid logo

Genuine scuff plates for the door sills create an immediate impression of style while also serving a very practical purpose of protecting the sill paintwork from dirty marks, scrapes and scratches.

TOURING

Toyota Business Centre

Our Toyota Business Centre network promise you sameday access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg & CO₂: Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC).

All CO₂ figures quoted are NEDC equivalent. This means the CO₂ figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the NEDC test procedure and will be used to calculate vehicle tax on first registration. All mpg figures quoted are full WLTP figures.
