

The Arteon

Price and specification guide

Effective from 1.5.2020

The language of design that leaves you speechless.

Exuding character and confidence the Arteon's exterior design leaves you breathless with its striking front, frameless side windows and aerodynamic silhouette. The fastback, available in four trim levels, the Arteon SE, Arteon Elegance and the Arteon R-Line, plus the limited edition Arteon R-line Edition. The SE, Elegance and R-Line can be customised with numerous options according to your requirements. Impressive standard specification such as the LED daytime running lights, and on Elegance and R-Line models modern LED dual headlights that create an unmistakable look, whilst the Arteon R-Line further enhances the dynamic character with sporty extras. Whichever model you choose, all have one thing in common – a stunning exterior that delivers the highest levels of style and individuality.

Models shown are Arteon Elegance 2.0 Itr BiTDI SCR 4MOTION with optional 19" 'Chennai' alloy wheels and Oryx White premium signature paint, and Arteon R-Line 2.0 Itr BiTDI SCR 4MOTION with optional 20" 'Rosario Dark Graphite' alloy wheels and metallic paint. Front cover model shown is Arteon R-Line Edition 2.0 Itr BiTDI SCR 4MOTION.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.4.2020. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. 2 The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp. SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details. RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 MAY 2020.

Arteon SE.

Powerful to look at, the Arteon SE is a car you don't want to take your eyes off. LED headlights with separate LED daytime running lights blend seamlessly into the radiator grille, with chrome detailing on the side window surrounds emphasising the elegant fastback roof line. The 18 inch 'Almere Adamantium' alloy wheels and LED tinted rear light clusters complete the powerful exterior look. Inside the Arteon SE is equipped with useful driver's and safety assistance systems and other excellent features such as 3Zone electronic air conditioning, Lane Assist and numerous Car-Net features linked to the sophisticated Discover Navigation Infotainment system. If you're serious about comfort and style, the Arteon SE is the perfect choice.

Model shown is Arteon SE with optional metallic paint.

The Discover Navigation infotainment system with 8.0 inch colour touch-screen display provides navigational functionality, dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display¹ and three routes (Fast, Short and Eco), 2D/3D map view and Volkswagen Media Control which allows remote control of the infotainment system via smartphone or tablet.

¹ Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

01

02

01 Adaptive Cruise Control (ACC) with predictive cruise control is a radar sensor controlled distance monitoring system that utilises a front mounted camera to set a distance to the vehicle in front and maintain it up to a predetermined set speed by automatically accelerating and braking as necessary.

02 The 'Air Care Climatronic' 3Zone electronic air conditioning system with air intensity control and automatic air recirculation allows the driver and front passenger to set the temperature they are comfortable with independently of each other. If they require, the driver can also select a different temperature for the rear seat passengers via the Arteon's infotainment system.

Standard items of equipment: SE.

VOLKSWAGEN SERVICE

- 3-year/60,000 miles warranty (whichever is soonest)
- 3-year paintwork warranty
- 12-year body protection warranty
- Volkswagen Roadside Assistance
- Exclusions and terms apply, [please click here](#) for more details

WHEELS AND SUSPENSION

- Alloy wheels, four 8J x 18" 'Almere Adamantium' with 245/45 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts
- Full size alloy spare wheel and tyre, tool kit and jack

EXTERIOR

- Body-coloured bumpers, door handles and side skirts
- Body-coloured top and matt black lower door mirrors with integrated indicators
- Chrome effect trapezoid dummy exhaust tailpipe surrounds, left and right (2.0 ltr TSI 190 PS models only)
- Chrome trim headlight surrounds extending into radiator grille
- Chrome trim on side window surrounds
- Chrome trim on radiator grille louvres
- Frameless side windows with 'one-touch' and 'convenience' opening and closing functions
- Headlight washer system
- LED headlights with separate LED daytime running lights
- LED rear number plate lights
- LED tinted rear light clusters
- Part galvanised body
- Rear tinted glass from B pillar backwards
- Stainless steel door sill protectors, front and rear
- Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR

- Aluminium trim on upper and lower air vents extending across cockpit
- Analogue clock in the dashboard
- Brushed aluminium interior door handles
- Carpet mats, front and rear
- Cup holders, front x 2
- 'Daytona Brush' brushed aluminium decorative inserts in dash and door panels
- Front centre armrest, longitudinally and height adjustable with storage compartment, and two rear air vents
- Glovebox
- Height and reach adjustable steering wheel
- Leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)
- LED interior lighting: 2 reading lights front and rear with interior delay and dimming function
- Load-through provision with two cup holders when folded down
- LED luggage compartment lights x 2, left and right
- Luggage compartment bag hooks x 2, left and right
- Luggage compartment cover, removable
- Luggage compartment load lashing points x 4
- 'Mistral' rooflining
- 'Piano Black' decorative inserts in centre console
- Seating
 - Upholstery - 'Amaleva' cloth
 - Driver's seat with 6-way electric adjustment. Driver's ergoComfort seat with electrically adjustable backrest angle and 4-way electrically adjustable lumbar support. Manually adjustable seat height, seat length, seat cushion angle and seat cushion depth
 - Front passenger comfort seat with height and lumbar adjustment
 - Heated front seats with 3 preset temperature settings
 - Split folding rear seat backrests, 60:40 with centre armrest

INTERIOR (CONTINUED)

- Storage compartment in driver's and front passenger's door
- Storage compartment in rear doors
- Storage compartment with soft-touch opening cover in centre console
- Storage compartments in luggage area, left and right
- Vanity mirrors, illuminated
- 12V socket in centre console storage area
- 12V socket on rear of front centre armrest

SAFETY AND SECURITY

- ABS (Anti-lock Braking System) - includes BAS (Brake Assist System) and EBD (Electronic Brake-pressure Distribution)
- Active bonnet - sensor controlled pedestrian protection system to raise bonnet away from engine compartment in the event of an impact
- Airbags
 - Curtain airbag system for front and rear seat occupants
 - Driver's and front passenger's airbags with passenger's airbag deactivation switch
 - Driver's knee airbag
 - Rear seat side impact airbags, outer
 - Front seat side impact airbags
- Alarm with interior protection
- Automatic coming/leaving home lighting function
- Automatic hazard light activation under emergency braking
- Disc brakes, front and rear, front ventilated
- Driver's and front passenger's safety-optimised head restraints
- Electrically heated, adjustable and foldable door mirrors, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side
- Electronic engine immobiliser
- Emergency release function in rear tailgate

SAFETY AND SECURITY (CONTINUED)

- ESC (Electronic Stability Control) - includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function, with deactivation via infotainment system
- Height-adjustable front three-point seat belts with tensioners
- Isofix child seat preparation, easy-fit (for 2 outer rear seats)
- LED high level 3rd brake light
- Misfuel prevention device for diesel engines
- Press and drive, keyless engine start/stop
- Proactive occupant protection - using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front
- Remote central locking with 2 remote folding keys
- Rigid safety cell with front and rear crumple zones
- Two-tone horn
- Tyre pressure loss indicator
- Warning sound and light for front and rear seat belts if unfastened
- Warning triangle
- 3 rear head restraints, height adjustable
- 3 rear three-point seat belts with tensioners on outer seats

COMFORT AND CONVENIENCE

- Automatic dimming interior rear-view mirror
- Climate control - 'Air Care Climatronic' 3Zone electronic air conditioning with automatic air recirculation. Independent temperature control, air intensity and settings for driver, front passenger and rear seat passengers controlled via infotainment system
- Electric windows, front and rear
- Heated rear window
- Heated windscreen washer jets
- Rain sensor

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

- Discover Navigation infotainment system
 - 8.0" colour touch-screen
 - Bluetooth telephone and audio connection for compatible devices¹
 - Branded points of interest
 - Car information display
 - DAB digital radio receiver
 - Dynamic navigation based on TMC+, three route options (Fast, Short, Eco)
 - MDI (Multi Device Interface), via USB connection - compatible products only
 - Music playback from MP3, WMA and AAC files
 - Preloaded European navigation data
 - SD card reader (not Discover Navigation Pro)
 - Single CD player (not Discover Navigation Pro)
 - Simultaneous pairing of 2 compatible mobile devices
 - SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
 - Speed Limit Display²
 - Title and cover art display
- Premium USB cable (choice of either Apple or Android smartphone compatibility)
 - 1 x USB connection, USB charging socket (compatible products only) in front seat centre armrest storage compartment
 - 2D/3D map view
 - 8 speakers front/rear 4 x 20 watt output

EFFICIENCY

- Battery regeneration (recuperation - energy recovery during braking)
- Start/Stop function

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Standard items of equipment: SE (continued).

CAR-NET

Car-Net 'Guide and Inform'⁴
 - Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds – 3-year subscription

Car-Net 'Security & Service'⁵
 - Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity

- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule

- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

Car-Net wireless 'App-Connect'⁶

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'[™] allowing 'mirroring' of smartphone display on the infotainment touch-screen via wireless connection

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC) with predictive cruise control⁷

- Adaptive Cruise Control, automatic acceleration and braking to maintain a specified distance to the vehicle ahead

- City emergency braking, active in traffic at speeds up to 19mph, the system will boost brake pressure if required to help prevent a collision

- Road recognition, using the front camera and route information from the navigation data, the system predictively adjusts the vehicle's speed prior to bends, roundabouts and junctions

DRIVER'S ASSISTANCE (CONTINUED)

- Front Assist, monitors the traffic situation in front of your car, warning you when you get too close and even applying the brakes, if necessary, to help avoid a collision

- Speed assist, using the front camera, dynamic road sign recognition and route information from the navigation data, the system can 'see' speed limits and automatically adjusts to the speed changes

- Speed limiter
 - Traffic jam assist, Stop and Go (DSG only)

Coasting function

Driver Alert system, fatigue detection

Dusk sensor, automatic driving lights

Electronic parking brake – with auto hold function

Lane Assist, camera controlled warning system should your vehicle drift out of its lane

Multifunction colour display

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

Pedestrian monitoring

Progressive steering

Remote tailgate unlocking, via key fob

Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge

Warning light for low washer fluid

Warning 'lights on' sound

Warning notification for doors and tailgate, if open

1 Not available in conjunction with optional Discover Navigation Pro touch-screen infotainment system.
 2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
 3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
 5 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.
 6 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
 7 The intelligent technology of ACC with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Arteon Elegance.

The sleek bodyline of the Arteon Elegance is flowing, dynamic and inviting. Every detail is expressive and precise, such as the continuous chrome trim on the lower bodywork, radiator grille louvres, headlights and side window surrounds, with matt-chrome effect top and matt black lower door mirrors, 18 inch 'Muscat Black' alloy wheels, stylish dual LED headlights with separate LED daytime running lights and stylish 'Elegance' badging on the side panels. This is Volkswagen design at its very best.

The eye-catching **matt-chrome effect top and matt black lower door mirrors with integrated indicators** not only provide additional visibility but create an elegant contrast to the chrome trim on the side window surrounds. Image shown features optional Oryx White premium signature paint.

Model shown is Arteon Elegance 2.0 ltr BiTDI SCR 4MOTION with optional 19" 'Chennai' alloy wheels and Oryx White premium signature paint.

02

03

A new level of elegance and comfort.

Sit back and enjoy the exquisite interior of the Arteon Elegance. There is a lavish choice of contemporary interior upholsteries and stylish decorative inserts, as well as exceptional levels of comfort and convenience, all combining to create a truly premium interior feel. The seats are upholstered in luxurious 'Nappa' leather, shown here in Mistral Grey/Raven Grey, with the driver's ergoComfort seat featuring 6-way electric adjustment including 4-way electrically adjustable lumbar support, while generous head and legroom in both the front and rear gives a real sense of spaciousness and comfort, ensuring total relaxation on every trip.

Additional items of standard equipment: Elegance (over SE).

WHEELS AND SUSPENSION
Alloy wheels, four 8J x 18" 'Muscat Black' with 245/45 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts

4MOTION – 4 WHEEL DRIVE MODELS
Four wheel drive – 4MOTION
Dynamic Chassis Control (DCC) lowered by approx. 15mm, allows individual tuning of shock absorption and other driving mode characteristics. Choice of five preset modes: Eco, Comfort, Normal, and Sport, as well as an Individual mode that allows up to 43 selectable stages (2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BiTDI 4MOTION 240 PS models only)

EXTERIOR
Body-coloured side skirts with chrome inserts
Chrome effect trapezoid dummy exhaust tailpipe surrounds, left and right (2.0 ltr TDI 190 PS and 2.0 ltr BiTDI 240 PS models only)
Chrome effect trapezoid exhaust tailpipes left and right (2.0 ltr TSI 272 PS models only)
Chrome trim on lower bumper, front and rear
Chrome trim on lower doors, front and rear
LED tinted rear light clusters with dynamic indicators

LED self-levelling headlights
– Dual LED headlights with separate LED daytime running lights

EXTERIOR (CONTINUED)
– Dynamic light assist, optimises illumination of the carriageway by controlling the main beam automatically and ensuring greater visibility on the road
– Light mode for poor weather – rain, fog or snow. Specific illumination for poor weather as well as both cornering lights activated. In this mode Dynamic light assist is deactivated
– Predictive dynamic cornering lights, automatic light steering using camera and GPS navigation data. The cornering light illuminates bends before you start to turn the wheel, allowing you to see and be seen, much better on winding roads

– Headlight washer system
– Chrome trim highlights extending into radiator grille
Matt-chrome effect top and matt black lower door mirrors with integrated indicators
Unique 'Elegance' badging on front panels

INTERIOR
Seating
– Upholstery – 'Nappa' leather¹
– Passenger's seat with 6-way adjustment. Manually adjustable seat height, backrest angle and lumbar support
Stainless steel pedals – clutch, brake and accelerator (brake and accelerator pedals only on auto DSG models)

CAR-NET
Car-Net 'Guide and Inform Plus'² – 3-year subscription
– Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

IN-CAR ENTERTAINMENT AND COMMUNICATIONS
Discover Navigation Pro infotainment system (in addition to Discover Navigation infotainment system)
– 9.2" colour touch-screen
– Voice activated control system for telephone and navigation functions
– 3D map view
– 64 GB SSD hard drive

SAFETY AND SECURITY
XDS electronic differential lock for improved traction and handling (Standard on 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BiTDI 4MOTION 240 PS models only)

COMFORT AND CONVENIENCE
Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard. Choice of 3 colour options: blue, white or yellow

DRIVER'S ASSISTANCE
Active Info Display, 12.3" high resolution TFT dash display screen with customisable menus and information
Driver Personalisation profile – set up to 4 profiles to preset the radio stations, phone connectivity and contacts, default address in navigation system and Car-Net 'Guide and Inform' settings
Driving Profile Selection – choice of 4 preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive, Adaptive Cruise Control (ACC), dynamic cornering lights and air conditioning settings (not 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BiTDI 4MOTION 240 PS models)

Model shown is Arteon Elegance 2.0 ltr BiTDI SCR 4MOTION with optional 19" 'Chennai' alloy wheels and Oryx White premium signature paint.

¹ Some parts of leather interior will contain artificial leather.

Arteon R-Line.

The eye-catching exterior design of the Arteon R-Line has its own unique styling with its powerful rear being every bit as impressive as its distinctive front. The 'R-Line' styling pack emphasises its dynamic character with numerous exterior highlights, including 'R-Line' design front bumper with unique 'C' signature 'Gloss Black' front air intakes, a sporty 'Gloss Black' rear tailgate spoiler and unique 'R-Line' badging on front panels. LED tinted rear light clusters with dynamic indicators, chrome effect trapezoid dummy exhaust tailpipe surrounds, left and right and the 19 inch 'Montevideo Black' alloy wheels complete the overall athletic look.

01

Model shown is Arteon R-Line 2.0 Itr BiTDI SCR 4MOTION with optional 20" 'Rosario Dark Graphite' alloy wheels and metallic paint.

The exclusive style of the 19 inch 'Montevideo Black' alloy wheels reinforce the sporty character of the Arteon R-Line.

02

01 The stylish dual LED headlights with separate LED daytime running lights of the Arteon R-Line blend seamlessly into the front chrome radiator grille with 'R-Line' logo to give an unmistakable look.

02 The exclusively styled 'R-Line' front bumper with unique 'C' signature 'Gloss Black' front air intakes provide a striking contrast to your chosen exterior colour and enhance the dynamic appearance of the Arteon R-Line.

A sensory experience.

The interior of the Arteon R-Line provides a sensory experience thanks to the wealth of advanced design features and exclusive materials. The stylish aluminium horizontal air vents stretch the width of the dashboard framing the analogue clock, and ambient lighting in all doors and across the dash with a choice of three colour options creates a soothing and eloquent feel. The interior ambience continues with sumptuous Black 'Nappa' leather seats with 'Carbon Optic' side bolsters, complemented by contrast stitching and embroidered 'R-Line' logo. The ergoComfort driver's seat has 6-way electric adjustment and can also be specified with 14-way adjustment, comfort entry/exit, memory and massage functions should you choose. The leather trimmed multifunction steering wheel with contrast stitching features aluminium inserts and distinctive 'R-Line' logo, and the interior is complemented by the 'Titan Black' rooflining and stylish 'Silver Rise' decorative inserts in the dash and door panels.

Stainless steel door sill protectors feature the 'R-Line' logo, adding a distinctive design touch to the sporty Arteon R-Line.

Interior shown is Arteon R-Line 2.0 Itr BiTDI SCR DSG 4MOTION with optional Head-up Display and metallic paint.

Eye-catching.

From every angle.

01

02

03

01-02 Whether you're going on a major shopping expedition or taking a business trip, the Arteon offers a **generous boot space of up to 563 litres** providing plenty of room for your purchases or equipment. Furthermore, thanks to the **keyless entry with 'easy open' full electric tailgate operation**, providing you have the key on you, it simply takes a flick of the foot under the rear of the vehicle to open the electric tailgate. The time-delay electric closing function allows you to close the tailgate at the touch of a button, leaving you free to load and unload at your leisure. Optional on Elegance and R-Line models.

03 The distinctive **'Gloss Black' rear tailgate spoiler** not only enhances the rear of the Arteon R-Line but when opened allows comfortable access to the spacious boot area.

Models shown are Arteon R-Line 2.0 ltr BiTDI SCR 4MOTION with optional 20" 'Rosario Dark Graphite' alloy wheels and metallic paint.

[Configure now >](#)

01

02

01 The panoramic tilting/sliding sunroof operates at the touch of a button, providing fabulous views and flooding the interior with light creating a generous sense of spaciousness. Optional on Elegance and R-Line models.

02 The 'Air Care Climatronic' 3Zone electronic air conditioning system with air intensity control and automatic air recirculation allows the driver and front passenger to set the temperature they are comfortable with independently of each other. If they require, the driver can also select a different temperature for the rear seat passengers via the Arteon's infotainment system. Standard on all models.

03 The leather trimmed three-spoke multifunction steering wheel allows you to control all relevant information during the journey without taking your hands from the wheel. The Active Info Display features a large 12.3 inch high resolution TFT display showing information and graphics about fuel consumption, efficiency, navigation and driver assistance systems, all centrally located at the heart of the dashboard displayed in your direct line of vision. As you wish, you can customise the display to suit your preferred individual needs. Leather trimmed three-spoke multifunction steering wheel is standard on all models. Active Info Display is standard on Elegance and R-Line models.

04 The Head-up Display¹ presents driving information directly in your field of vision. Speed, traffic signs and information about the assistance systems, as well as warnings and navigation data are projected on to the high-quality retractable screen transparently displayed in front of the windscreen, enabling you to read everything clearly while keeping your focus on the road. Optional on Elegance and R-Line models.

¹ Please note, use of polarised lenses may impair the visibility of the Head-up Display.

03

04

[Configure now >](#)

01 The **Driver's ergoComfort seat** seen here in luxurious optional 'Nappa' perforated leather¹ upholstery with electric 12-way adjustment for seat height, seat length, seat cushion angle, backrest angle and 4-way electrically adjustable lumbar support, ensures every journey is a comfortable and relaxing experience. Interior shown is Arteon Elegance with 'Silver Birch' inserts and optional 'Nappa' perforated leather¹ front climate seats.

02-03 The Arteon's generous proportions give you the flexibility to carry many combinations of both passengers and luggage with plenty of room for seating as well as stowage. Lower the rear centre armrest and the rear passengers benefit from two cup holders. In addition, the rear centre armrest offers a load-through provision for transporting longer items without having to fold down the rear seats. If more luggage space is required, the **rear seat backrests split 60:40** and each side can be folded down giving you various loading options. Interiors shown are Arteon Elegance with 'Silver Birch' inserts and Mistral Grey/Raven Grey 'Nappa' leather¹ upholstery.

¹ Some parts of leather interior will contain artificial leather.

Infotainment.

The design of the Arteon is not only ground-breaking, but in the technologically advanced cockpit you will also find the very latest in digital communication and navigation options, keeping you connected and informed, as well as the optional 'Dynaudio Confidence' soundpack, delivering exceptional acoustics.

01 The **Discover Navigation infotainment system** with 8.0 inch colour touch-screen display provides navigational functionality, dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display¹ and three routes (Fast, Short and Eco), 2D/3D map view and Volkswagen Media Control² which allows remote control of the infotainment system via smartphone or tablet. It comes with 3-years' Car Net 'Guide and Inform'³, providing online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates enabling you to download the latest map data. The infotainment system also includes a DAB digital radio receiver, single CD player, MDI (Multi Device Interface) via USB connection – compatible products only, music playback from MP3, WMA and AAC files, title and cover art display and SD card reader. Connection for Bluetooth telephone and audio compatible devices⁴ are available, along with simultaneous pairing of two compatible mobile devices and SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display when the vehicle is stationary (compatible Android smartphones only). Standard on SE models.

02 The **Discover Navigation Pro infotainment system** provides navigation and radio functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions, such as changing radio stations, with a simple swiping movement of the hand. It also comes with 3-years' Car Net 'Guide and Inform Plus'³, providing online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Standard on Elegance and R-Line models. Interior shown is Arteon R-Line.

03 The optional **'Dynaudio Confidence' soundpack** produces phenomenal acoustics, a 16 channel digital amplifier delivering 700 watt output via 11 speakers, including a central speaker and a subwoofer which optimises sound, giving you and your passengers an amazing audio experience. Optional on Elegance and R-Line models.

- 1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
- 3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
- 4 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

01-02 Car-Net 'Security & Service'¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on all models.

03 With Car-Net 'Guide and Inform'² your Arteon becomes a mobile network using your smartphone's Wi-Fi hotspot giving you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, nearby parking spaces or the next filling station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Standard on SE models.

The Discover Navigation Pro infotainment system means that you can benefit from even more features with 'Guide and Inform Plus'², which has an Online POI Search which displays places in the area requested either by voice command or text entry. These can be downloaded from the internet and are always up to date. Standard on Elegance and R-Line models.

04 Car-Net wireless 'App-Connect'³ allows your Arteon to connect with current Apple and Android smartphones through three innovative technologies: 'MirrorLink'[™], Apple 'CarPlay' and Google 'Android Auto'. This enables you to display your smartphone's most important functions, such as phone contacts, news and music, on the touch-screen of your infotainment system via wireless connection, enabling you to operate them simply and safely during your journey. Standard on all models. Image shown features Discover Navigation Pro infotainment system which is standard on Elegance and R-Line models.

1 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.

2 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

3 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.

An intelligent driving experience.

The latest driver assistance systems provide state-of-the-art intelligence, enhancing your journey and driving experience, and providing notification and assistance for you on every journey.

01 The **Lane Assist** function helps to prevent accidents by using a camera controlled warning system to monitor the vehicle's position in relation to road markings. At 40mph or above, should Lane Assist detect your vehicle drift out of its lane, the system will take corrective action. If the maximum corrective action is not enough to keep your vehicle in its lane, or the speed drops below 40mph, the system vibrates the steering wheel to alert the driver to correct the vehicle, helping to make driving safer and more comfortable especially on motorways. Standard on all models.

02 **Area view and rear-view camera** provides a 360-degree display of your Arteon in the infotainment display, transmitting information via four cameras to the front, the sides and the rear, enabling you to view areas that are difficult to see from the driver's seat – very useful when there is limited space to manoeuvre. Standard on R-Line Edition and optional on Elegance and R-Line models.

03 Intelligent **dual LED self-levelling headlights with separate LED daytime running lights and Dynamic light assist**. The Dynamic light assist ensures greater visibility on the road by automatically controlling the main beam by partially masking the beam so it doesn't dazzle oncoming road users, but allows main beam to remain on. Standard on Elegance and R-Line models.

04 The second generation of **Emergency Assist** can help even further should a driver medical emergency situation arise. In conjunction with the DSG gearbox, the system recognises an incapacity of the driver and not only slows the car down within the system's limits, but now also steers it into the slow lane – traffic behind permitting. As soon as the system cannot detect any steering, braking or acceleration activity, it alerts the driver. If the driver remains inactive, it automatically activates the hazard warning lights to alert other road users. The ACC system initiates automatic braking and at the same time steers the vehicle into the side of the road if it is safe to do so, whilst monitoring the surrounding traffic. When this option is added, it also enables Rear Proactive Occupant Protection which continuously monitors the rear and, if there is the possibility of a collision, the system reacts accordingly. Optional on Elegance and R-Line models.

05 **Adaptive Cruise Control (ACC) with predictive cruise control** is a radar sensor controlled distance monitoring system that utilises a front mounted camera to set a distance to the vehicle in front and maintain it up to a predetermined set speed by automatically accelerating and braking as necessary.

- **Speed assist** uses a combination of the front camera, dynamic road sign recognition and route information from the navigation data to 'see' changing speed limits, as well as junctions, bends and roundabouts, and automatically adjust the vehicle's speed accordingly.
- **Front Assist** monitors the traffic in front of your car, warning the driver by providing visual and audible warnings when you get too close and even applying the brakes, if necessary, to help avoid a collision.
- **City emergency braking** function is active in traffic at speeds up to 19mph. Should the system detect a possible collision, it will boost brake pressure if required to help avoid it.
- **Speed limiter** allows you to set a maximum speed limit for your vehicle.
- **Traffic jam assist** (DSG gearbox only) is beneficial in slow moving and stop start traffic. It detects if traffic is stopping and slows your vehicle to a standstill if necessary. Once the car in front pulls away, the system recognises this and sets the vehicle in motion. Standard on all models.

Please note: The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

[Configure now >](#)

01 Predictive dynamic cornering lights provide automatic light steering using camera and GPS navigation data. The front camera and route information from the navigation system determine the vehicle's position to enable the cornering lights to illuminate bends before you start to turn the wheel, allowing you to see and be seen, much better on winding roads. In rain, fog or snow the Light mode for poor weather provides specific illumination for poor weather, as well as having both cornering lights activated. In this mode Dynamic light assist is deactivated. The headlight washer system ensures your headlights remain free from dirt. Standard on Elegance and R-Line models.

02 Dynamic Chassis Control (DCC) provides a choice of Eco, Normal, Comfort or Sport modes. With the touch of a button, it adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. An extension of DCC is an Individual mode that allows up to 43 selectable stages of personalised adjustments for further comfort or an increased sportier drive. Standard on R-Line Edition models and 2.0 Itr TSI 4MOTION and 2.0 Itr BiTDI 4MOTION engines. Optional on Elegance and R-Line models.

03 Proactive occupant protection system. This system uses the sensors from the Electronic Stability Control (ESC) and the Front Assist traffic monitoring system to detect critical situations with elevated accident potential. If there is the possibility of a collision, it reacts by activating the hazard warning lights and at the same time all windows and sunroof are closed to just a small gap for optimal side airbag deployment. Simultaneously, the seat belt tensioners tighten the front seat belts and electrically adjustable front seats are aligned to enable the seat belts, head restraints and airbags to provide maximum protection. Standard on all models.

04 Pedestrian monitoring is a camera and radar sensor controlled warning system. This alerts you should it detect any pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals as well as a gentle jolt of the brakes. Standard on all models.

05 Traffic jam assist. As part of the Adaptive Cruise Control (ACC) with predictive cruise control system, Traffic jam assist will automatically stop and start your vehicle in slow moving or queuing traffic. Sensors will detect when the vehicle in front is stopping or pulling away and will initiate either braking or acceleration of the Arteon. Only in conjunction with DSG gearbox. Standard on all models.

06 The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Arteon steers itself into its chosen space. Standard on R-Line Edition and optional on Elegance and R-Line models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

Accessories.

Make a statement and further enhance your Arteon by choosing from our wealth of stylish, innovative and sporty Volkswagen accessories.

Choose from the high-quality carrier systems to the latest in-car safety technology and select the accessories to perfectly match your lifestyle.

01 Tailgate spoiler – high-gloss – black
The rear spoiler for the Arteon offers increased sportiness to the rear of the vehicle, accentuates the lines and dynamically extends the rear end. The precision-designed, aerodynamic shape reduces rear uplift and improves the driving characteristics of the vehicle. Fully fitted. Elegance models only.
Part number: 3G8 071 641 041

01

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Protection and car care.

01 Rubber floor mats – front – black

Protecting your vehicle interior against dirt and moisture, rubber mats are designed to fit perfectly, are easy to clean and have a non-slip underside.

Part Number: 3G8 061 541 82V

Rubber floor mats – rear – black (not shown)

Part Number: 3G8 061 512 82V

02 Mudflaps – front – black

Tailored for the vehicle, these highly durable mudflaps protect the underbody, sills, doors, bumper and the rear of your vehicle from dirt. They also significantly reduce the impact of dangerous road chippings and water spray. Fully fitted.

Part Number: 3G8 075 111

03 Mudflaps – rear

Part Number: 3G8 075 101

04 Rear bumper protection film – transparent

Protect your rear bumper from scratches and scuffs with this easy to fit transparent film. It's subtle, practical and protects your paintwork when loading and unloading. Fully fitted.

Part number: 3G8 061 197

05 Door sill protection film – black/silver

These black/silver sill protectors enhance the appearance of the vehicle. They also protect the sills against scratches from shoes and heels. Fully fitted. Part number: 3G8 071 310 ZMD

06 Flexible loadliner

This light, flexible and washable custom-made loadliner fits perfectly to the vehicle's boot contours, protecting it from moisture and dirt. The moulded inlay prevents movement of goods in the boot. If not required, it can be simply rolled up to save space.

Part number: 3G8 061 160

07 Semi-rigid loadliner

Keep your boot clean with this washable non-slip liner. Its high perimeter edge stops dirt and liquids from escaping, and its precision dimensions keep everything covered.

Part number: 3G8 061 161

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Travel and transport.

01 Bicycle holder

Safely transport bicycles on the roof of your vehicle. The wheel rails are aerodynamically designed and ensure the bicycle is correctly positioned. They enable you to use both hands to fix the wheels and frame. Thanks to the quick-fastening system, the bicycle holder is easy to fit onto the roof bars, without using any tools. The carrier also includes anti-theft protection. Suitable for maximum down tube widths of 80mm, bike weights of up to 20kg.

Part number: 000 071 128 F

02 Luggage net

Keep everything safely in its place with this tear-proof net and integrated pocket. It's easy to fit with hooks attached to the standard lashing rings in the boot and is perfect for preventing things sliding around.

Part number: 3C5 065 110

01

02

03

03 Roof bars

Well equipped on the move – thanks to the Volkswagen Accessories roof bar systems. The basis for this are the City-Crash tested aerodynamically-shaped aluminium profile roof bars to which, for example, surfboard, bicycle, ski and snowboard holders or the practical roof boxes can be attached to the vehicle roof in no time at all.

Part number: 3G8 071 126

04 Volkswagen roof box – 340 litres – black

Take the pressure off the boot when you next head away on holiday and pack all those essentials into one of these stylish Volkswagen roof boxes. In black, they not only fit a lot in, they look the business too. 340 litres, maximum load capacity 50kg.

Part number: 000 071 200

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. [Please click here](#) for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. 1 Price per wheel excludes tyre. 2 Elegance models only.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%, EXCEPT RETAILER SUPPLIED CHILD SAFETY SEATS WHERE IT IS CALCULATED AT 5%. EFFECTIVE FROM 1 MAY 2020.

VED and additional 'On the road' costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total 'On the road' costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00
91-100	135.00	825.00

191-225	1,295.00	1,985.00
226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

[†] Diesel cars that are tested to RDE2 standards. [‡] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	325.00	325.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 MAY 2020.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 1 MAY 2020.

AdBlue®

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Arteon	13 litres	Left-hand side of luggage compartment	5,000 to 6,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 1 MAY 2020.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

- 1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
- 2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)
- 3 Diesel cars that are tested to RDE2 standards.

Company car taxation comparison.

									2022/23	38,430.00	37	2,843.82	5,687.64

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.4.2020. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

3 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.

4 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 MAY 2020.

Volkswagen service.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Model shown is Arteon SE with optional metallic paint.
