

The Transporter 6.1 Shuttle Brochure

Commercial
Vehicles

The Transporter 6.1 Shuttle

Iconic. Intelligent. Innovative.

The original. Setting the benchmark in professional passenger transport for over 30 years.

Impressive range of options. Transporter 6.1 Shuttle meets almost any requirement thanks to a wide range of options, including two trim levels, two wheelbases and numerous seating configurations, storage areas and electronic features.

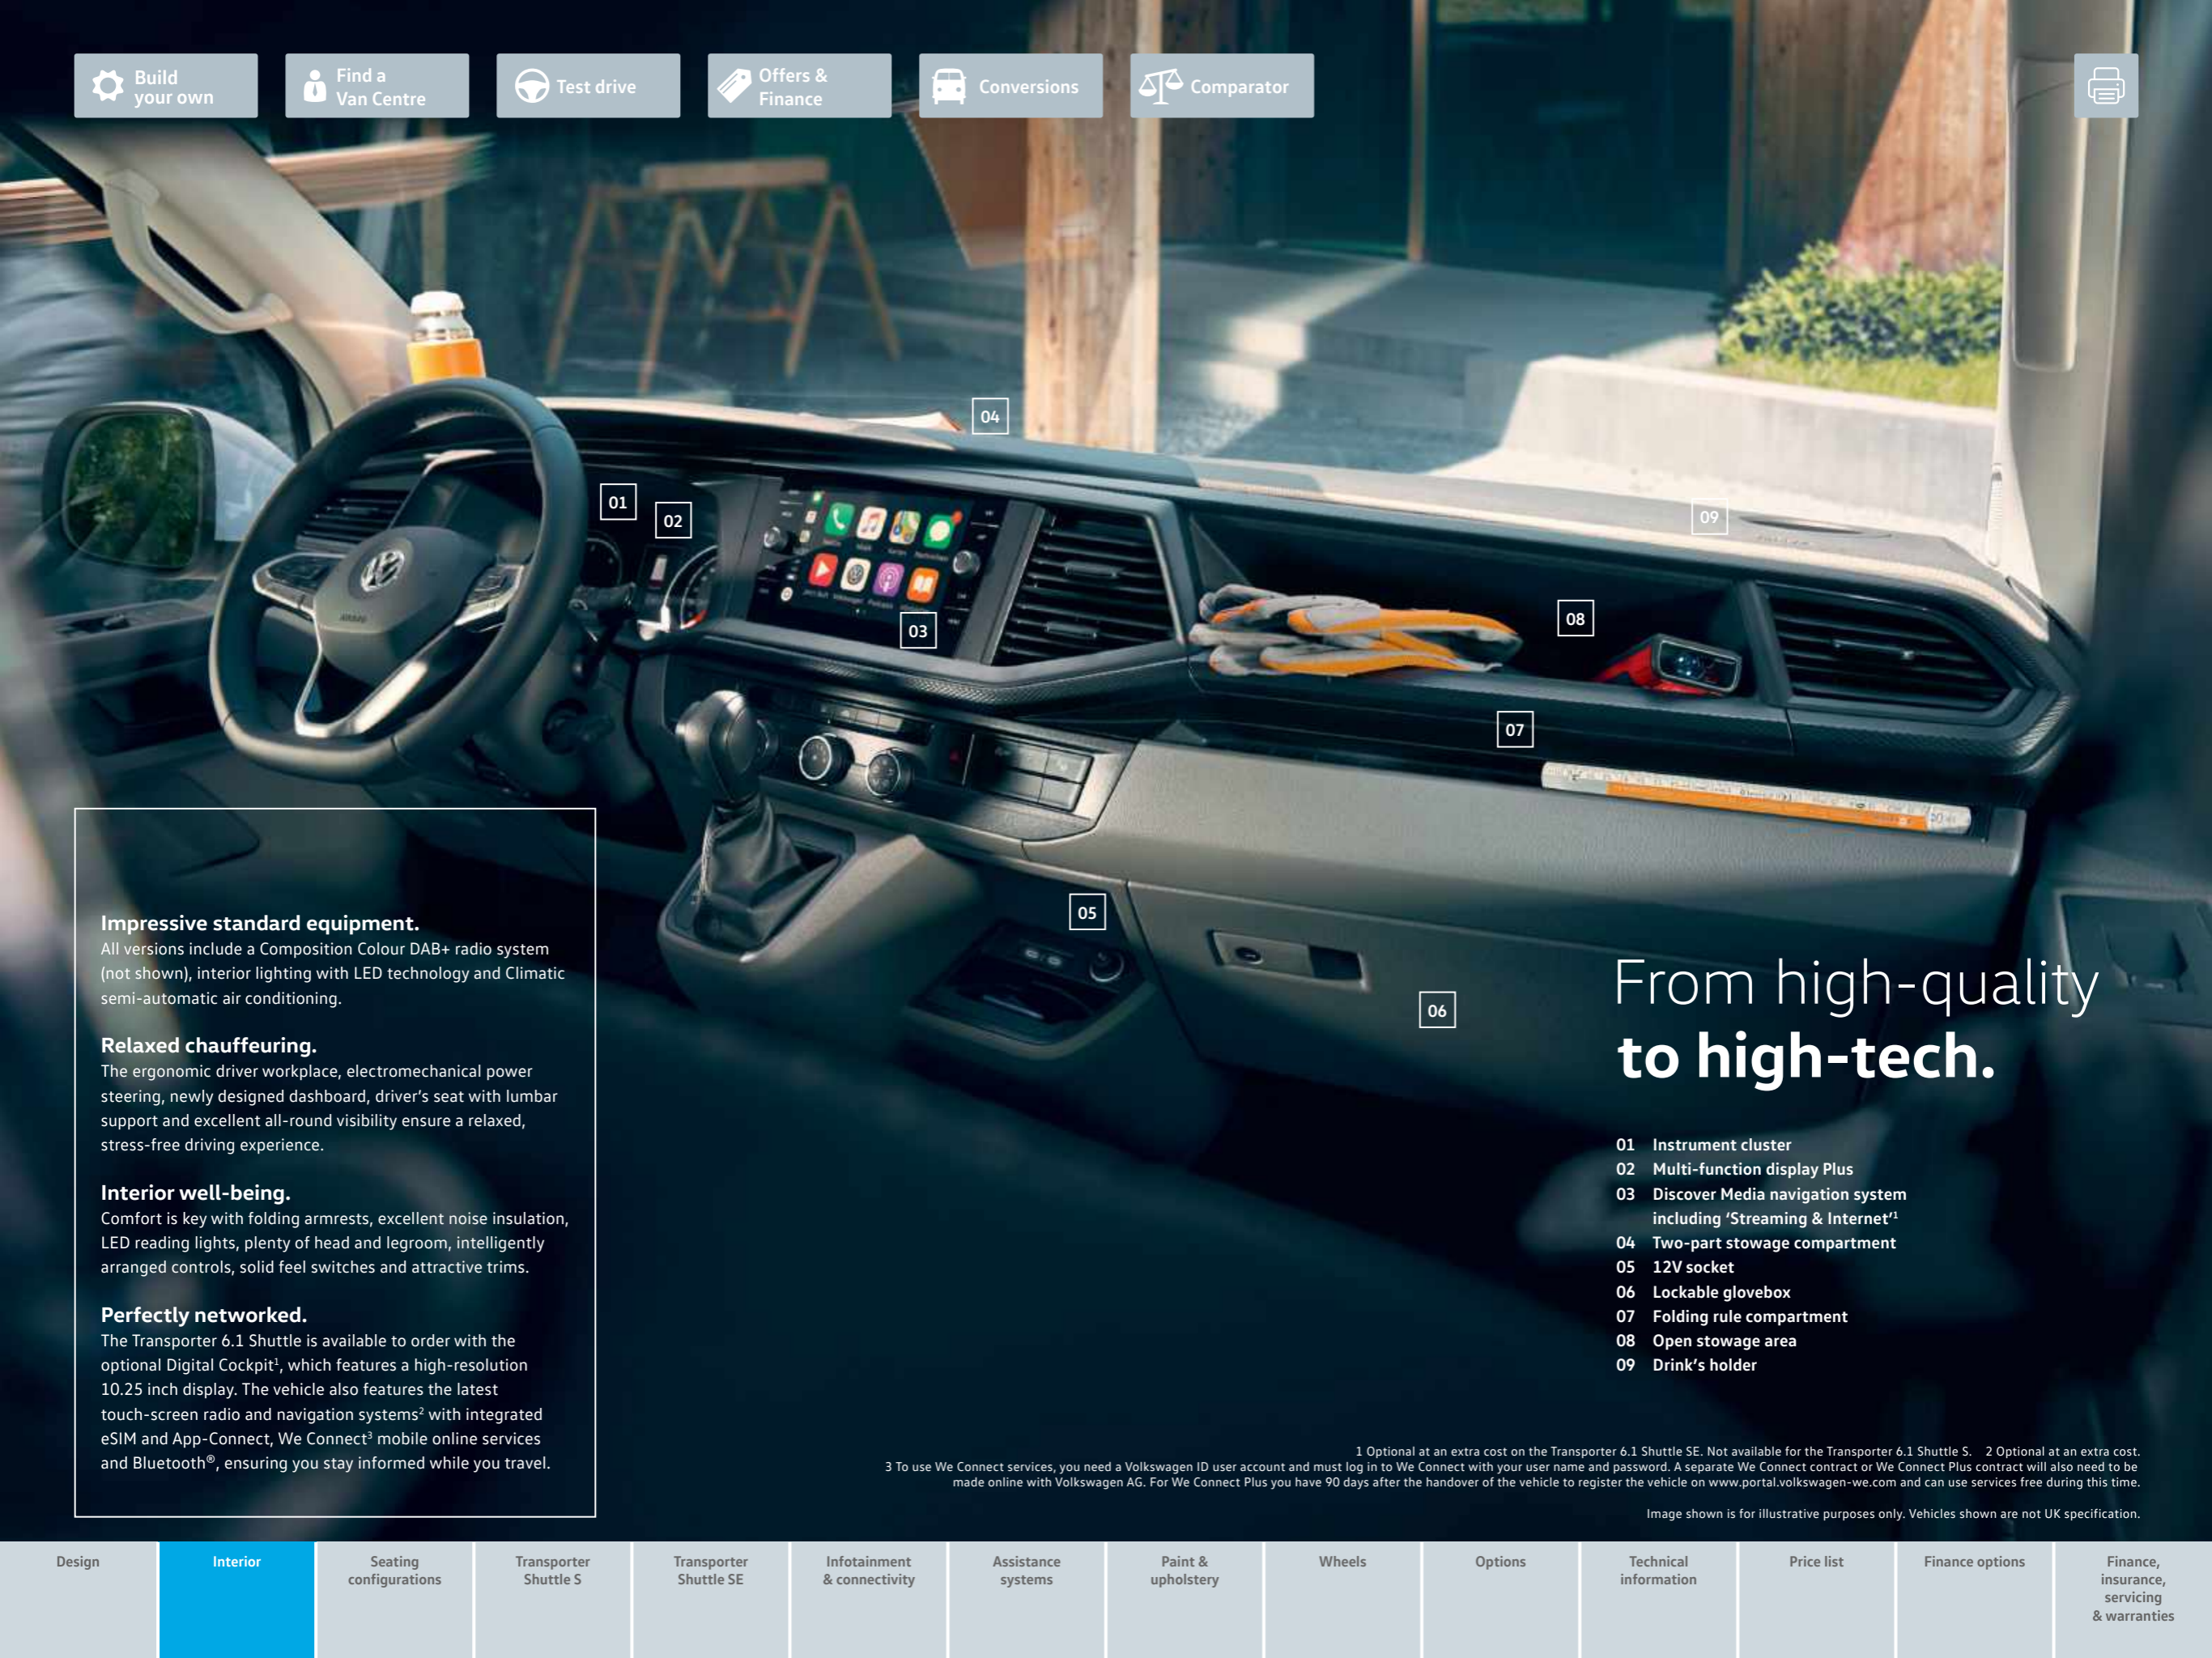

Distinctive design. The redesign features a new colour palette, twin halogen headlights with the LED tail light clusters providing a striking rear light signature.

Proven quality. As you'd expect, the Transporter 6.1 Shuttle is durable, versatile and built to last with a highly stable body, the finest quality materials and exceptional workmanship.

State-of-the-art driver assistance systems. Crosswind Assist¹, Adaptive Cruise Control (ACC) including Front Assist with City Emergency Braking System¹, Driver Alert and Brake Assist¹ are fitted as standard, with the optional Active Lane Assist^{1,2,3} further enhancing safety and responsiveness.

¹ Within the system's thresholds. ² Optional at extra cost. ³ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Impressive standard equipment.

All versions include a Composition Colour DAB+ radio system (not shown), interior lighting with LED technology and Climatic semi-automatic air conditioning.

Relaxed chauffeuring.

The ergonomic driver workplace, electromechanical power steering, newly designed dashboard, driver's seat with lumbar support and excellent all-round visibility ensure a relaxed, stress-free driving experience.

Interior well-being.

Comfort is key with folding armrests, excellent noise insulation, LED reading lights, plenty of head and legroom, intelligently arranged controls, solid feel switches and attractive trims.

Perfectly networked.

The Transporter 6.1 Shuttle is available to order with the optional Digital Cockpit¹, which features a high-resolution 10.25 inch display. The vehicle also features the latest touch-screen radio and navigation systems² with integrated eSIM and App-Connect, We Connect³ mobile online services and Bluetooth[®], ensuring you stay informed while you travel.

From high-quality to high-tech.

- 01 Instrument cluster
- 02 Multi-function display Plus
- 03 Discover Media navigation system including 'Streaming & Internet'¹
- 04 Two-part stowage compartment
- 05 12V socket
- 06 Lockable glovebox
- 07 Folding rule compartment
- 08 Open stowage area
- 09 Drink's holder

¹ Optional at an extra cost on the Transporter 6.1 Shuttle SE. Not available for the Transporter 6.1 Shuttle S. ² Optional at an extra cost.
³ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Take a seat or make room.

The interior of the Transporter 6.1 Shuttle is ready for nearly every eventuality – from weekend trips to passenger shuttle operation and delivery work. Piles of suitcases? The double-folding three-seater bench seat creates additional luggage space in next to no time. The backrests can be folded forward to create a flat surface. Different seating layouts required? The modular seat attachment system gives a range of options. Lots of items to transport? The fastening rings in the vehicle floor are perfect for securing cargo.

Create space in three steps:

01 Fold down the backrests. All backrests on the benches and single seats in the passenger compartment can be folded down. This is also possible with the optional passenger double seat bench in the front seat row.

02 Double-fold the seats. The three-seater bench seat in the third seat row can be double folded. This feature can be used to increase the size of the luggage compartment.

03 Remove the seats. All bench seats and seats can be removed without tools. This means the Shuttle is ready for all transport jobs in an instant. The fastening rings in the vehicle floor can be used to secure cargo.

• Seats with 'easy-entry' function by the sliding doors

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

The perfect choice for flexibility.

With 'easy-entry' seating, the Transporter 6.1 Shuttle allows you to enter with ease and discover a great place to kick back and relax. While it offers a comfortable, safe and controlled environment, it's the Shuttle's flexibility that sets it apart. If required, the standard seating for eight (including the driver) can be configured in multiple layouts, or completely removed to create a generous load area. All seats feature three-point inertia-reel seatbelts and adjustable head restraints, while ISOFIX child seat mountings can be found on the second row and optionally on the third row three-seat bench. Even with a full compliment of passengers, the Transporter 6.1 Shuttle's rear luggage space, together with numerous handy storage compartments, means there is plenty of space for luggage or kit.

• 5-seater package with 'easy-entry'³ 5

Luggage compartment length for short wheelbase: 1,600mm^{1,2}
Luggage compartment length for long wheelbase: 1,967mm^{1,2}

Seat packages. From a 5-seater to a 9-seater, the Transporter 6.1 Shuttle offers a flexible solution for every requirement.

• 8-seater package with 'easy-entry'³ Standard on S and SE 8

Luggage compartment length for short wheelbase: 739mm^{1,2}
Luggage compartment length for long wheelbase: 1,118mm^{1,2}

'Easy-entry'. Sliding doors and single seats with entry assistance function, in the passenger compartment, ensure third row seats are easily reached.

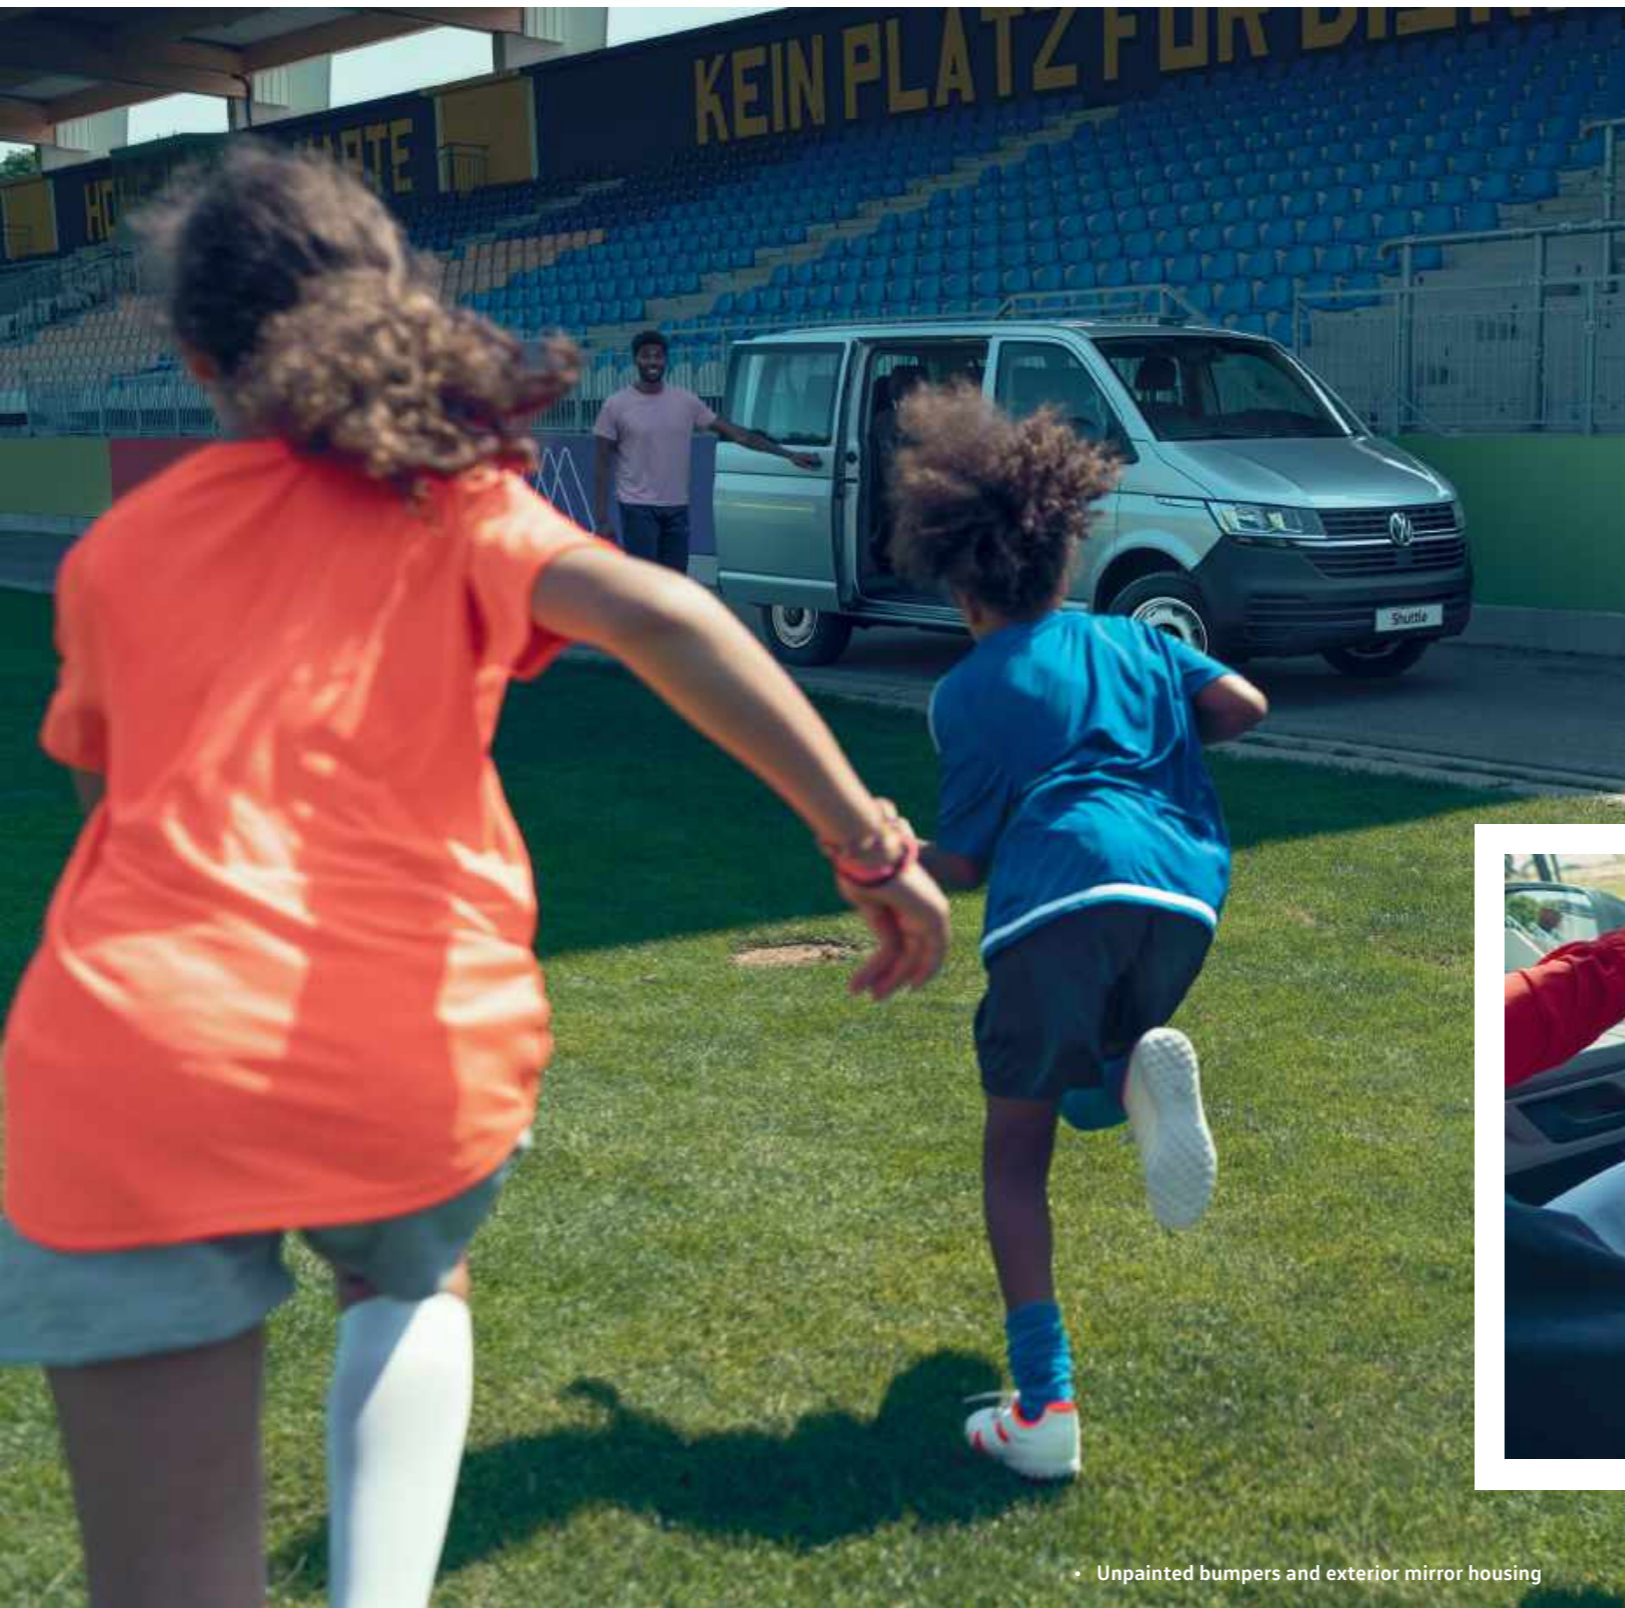

• 9-seater package with 'easy-entry'^{3,4} and dual front passenger seat 9

Luggage compartment length for short wheelbase: 739mm^{1,2}
Luggage compartment length for long wheelbase: 1,118mm^{1,2}

Long wheelbase. Provides 400mm³ more luggage space volume.

¹ Measured at floor level in passenger compartment. ² Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances. ³ With two sliding doors and single seats with entry assistance function on both sides. ⁴ Optional at extra cost. Illustrations show long wheelbase.

• Unpainted bumpers and exterior mirror housing

Shuttle S

From accessibility to action.

The hard-wearing Shuttle S is keen to get involved – at a home fixture, on the school run, or on the commute to work. Muddy shoes? The rubber floor covering can be cleaned easily. Dirty hands?

The interior trim can be wiped clean. Short break?

The tailgate provides shelter from sunshine and rain.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Shuttle S

Starting from **£38,733** †

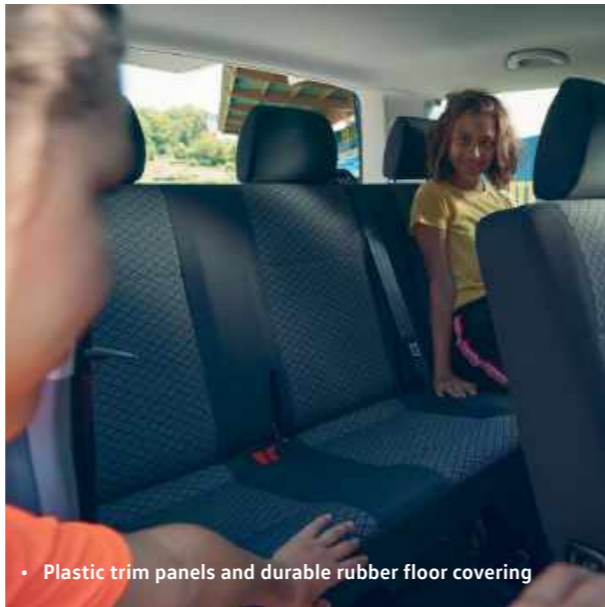

Please [click here](#) for more details.

Highlights of the Shuttle S

- Adaptive Cruise Control (ACC) including speed limiter
- Air conditioning system in the cab
- Anti-theft alarm system with interior monitoring
- Deluxe headlining in the passenger compartment with LED interior lighting and folding grab handles
- Driver and front passenger seats with height adjustment and manual lumbar support
- Eight seats with 'Quadratic' cloth upholstery in Titanium Black
- Electrically adjustable and heated exterior mirrors
- H7 halogen headlights
- Leather trimmed multi-function steering wheel

• 12V socket in the passenger compartment

• Plastic trim panels and durable rubber floor covering

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

† Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Standard equipment of the Shuttle S.

Design

- Black bumpers, exterior door mirror housings and door tailgate handle
- Electrically adjustable and heated exterior door mirrors
- H7 twin halogen headlights
- Radiator grille with two chrome strips
- Red LED tail light clusters
- Transporter badge

Wheels

- 17 inch steel wheels
- 215/60 R17 tyres with low rolling resistance
- Steel spare wheel
- Tool kit and jack

Cockpit

- Dash panel with open stowage compartments, drink holders and lockable illuminated glovebox
- Dimming break-away rear-view interior mirror
- Electric windows
- Grab handles on A-pillar on driver and front passenger side
- Height adjustable driver's and single front passenger's seat with lumbar support (manual)

Cockpit (continued)

- Leather trimmed multi-function steering wheel with height and longitudinal adjustment
- LED interior lighting
- Multi-function display Plus with black and white display
- 'Quadratic' cloth in Titanium Black
- Rubber floor covering
- Sun visors with mirror and airag label on front passenger sun visor
- Two 12V sockets

Infotainment and connectivity

- Composition Colour DAB+ radio system with 6.5 inch touch-screen and four loudspeakers, SD card slot, Bluetooth® hands-free and two USB interfaces (type-C) in dashboard
- Volkswagen App-Connect

Passenger compartment

- Folding grab handles on roof frame
- LED interior lighting
- Modular seat attachment system
- Rubber floor covering

Passenger compartment (continued)

- Side steps, illuminated
- Sliding door, right side
- Sliding door, left side
- Three single seats with 'easy-entry' on outer seats, all backrests separately foldable, in second row of seats
- Three-seater bench, foldable, in third row of seats
- 12V socket

Luggage compartment

- Glazed tailgate with rear window, heated with rear wiper
- Interior loading edge protection
- LED lighting
- Six fastening rings, folding

Air conditioning and glass

- Air conditioning system in the cab with electronic controls and second heating system in passenger compartment
- Deluxe headlining with vents in the passenger compartment
- Dust and pollen filter
- Heat-insulating windows
- Sun blinds for side windows

Driver assistance, safety and securing systems

- Adaptive Cruise Control (ACC) including speed limiter with Front Assist including City Emergency Braking System¹
- Electronic Stabilisation Programme¹ (ESP) with City Emergency Braking, Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Hold Assist
- Anti-theft alarm system with interior monitoring
- Automatic Post-Collision Braking System¹
- Central locking with two remote control folding keys including interior controls and SAFELOCK
- Crosswind Assist¹
- Daytime running lights
- Driver Alert system
- Driver and front passenger airbags with front passenger's airbag deactivation button
- eCall emergency system
- Electromechanical steering
- Electronic immobiliser
- Hill Start Assist¹
- ISOFIX and top tether in second row of seats
- Seat belt warning for the driver's seat
- Single-tone horn
- Start-stop system with regenerative braking
- Tyre pressure loss indicator¹

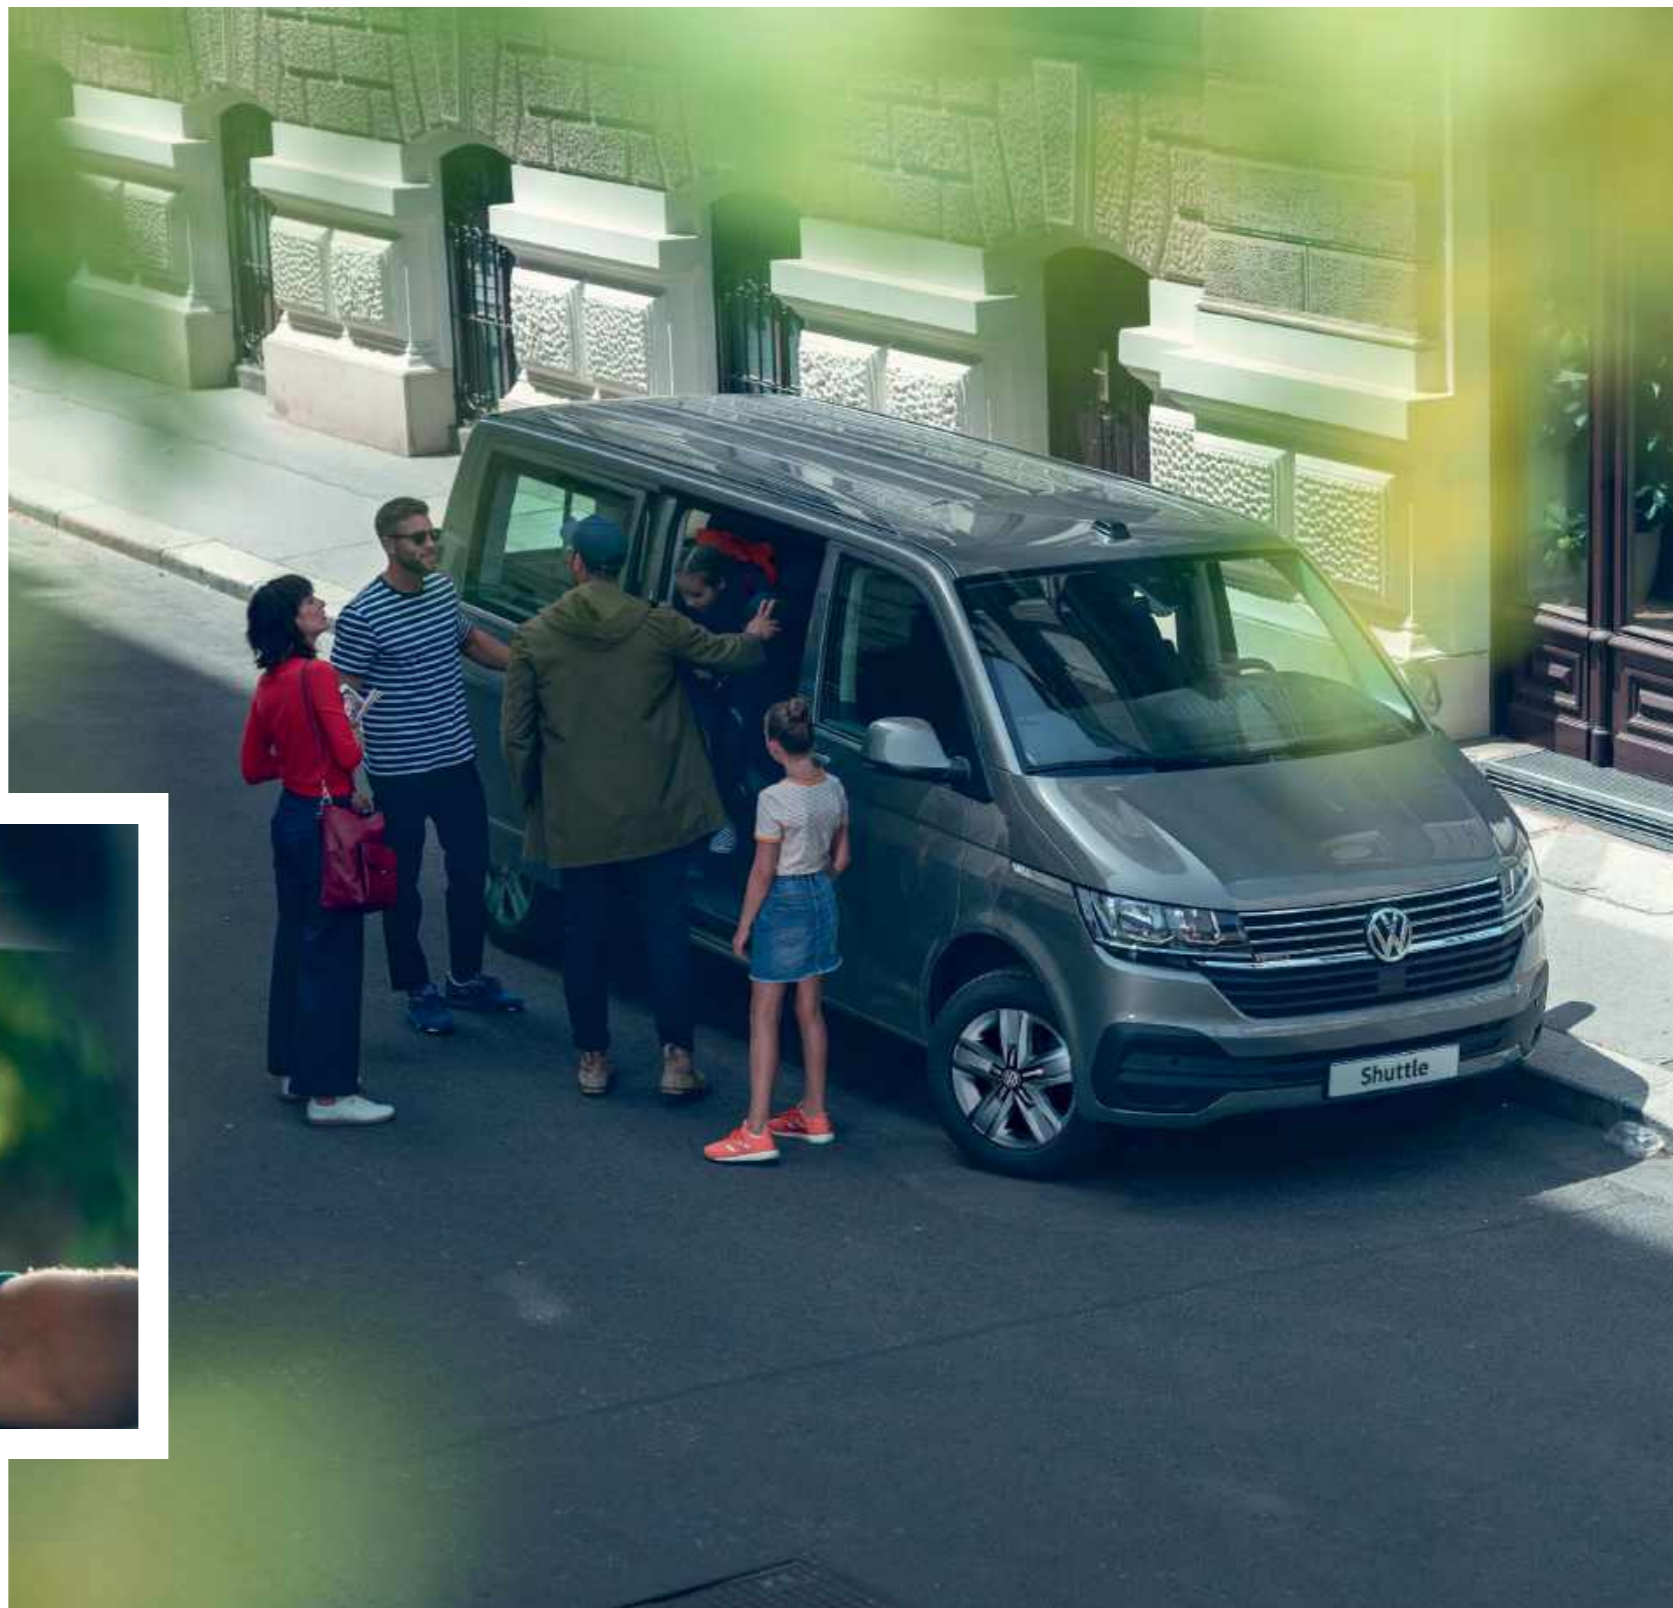

¹ Within the system's thresholds.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Shuttle SE

From comfortable to inspiring.

The high-quality Shuttle SE is ready to take on all comers – on family holidays, weekend trips or full-on excursions. Tired legs? The integrated step makes for easy access. Large family? The headroom is the same in all seats. Hot day? The air conditioning system reaches every seat.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

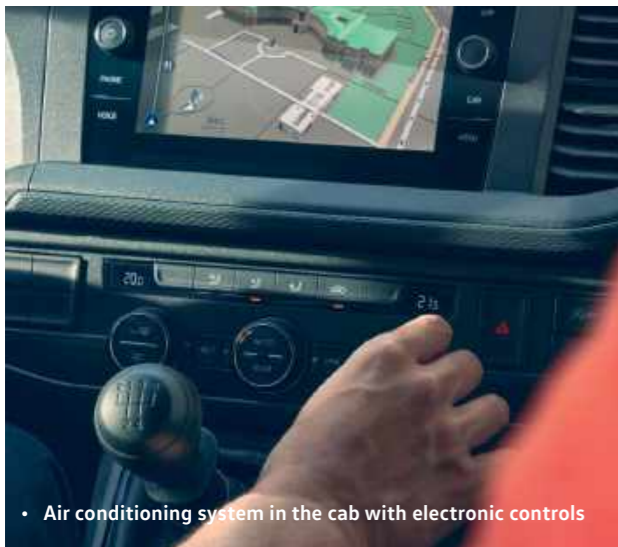

Shuttle SE

Starting from **£41,133** †

Please [click here](#) for more details.

Highlights of the Shuttle SE

- Carpeting in the cab and passenger compartment
- Deluxe headlining in the cab and integrated ventilation for the passenger compartment
- Eight seats with 'Circuit' cloth upholstery in Titanium Black
- Lights & Vision pack including; rain sensor, break-away auto-dimming rear-view interior mirror, automatic headlights, leaving home and manual coming home function
- Parking sensors, front and rear
- Radiator grille with five chrome strips
- Side and curtain airbags for the driver and front passengers
- Windshield wiper intermittent control with rain sensor

• Air conditioning system in the cab with electronic controls

- Sun blinds on the side windows
- Air circulation headlining with four vents

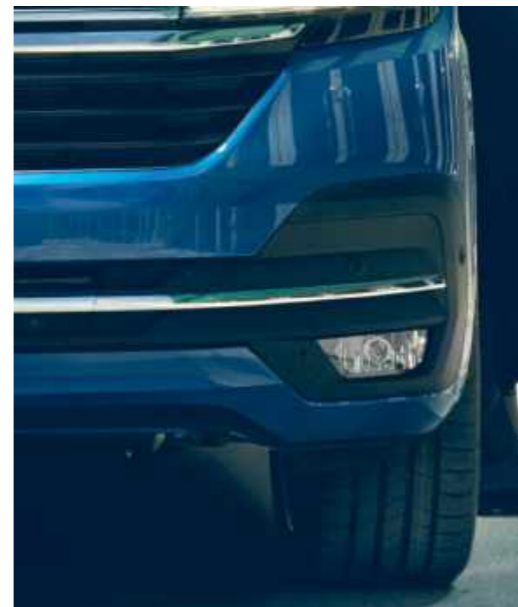

• Body-coloured bumpers, exterior mirror housing and door handles

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Digital Cockpit

From digital to ingenious.

The high-resolution Digital Cockpit¹ with a 10.25 inch display is where the future is at – for listening to music, making a call or navigating. New music tracks? The driver can browse through the tracks in their smartphone media library without a sideways glance. Next phone call? Contact portraits make it extremely easy and intuitive to dial a number. Unfamiliar territory? The navigation map in the Digital Cockpit^{1,2} can show the surrounding area while the navigation system gives you a larger overview.

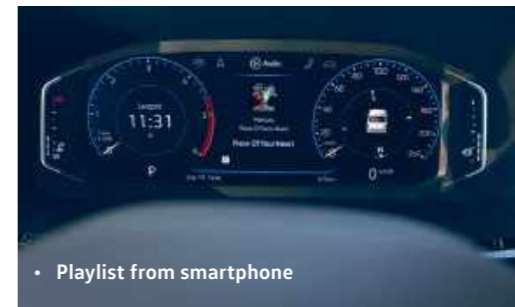

• Overview of driving data

• Second navigation map in high-resolution 3D display²

• Traffic Sign Recognition^{3,4}

• Playlist from smartphone

1 Optional at extra cost on the Transporter 6.1 Shuttle SE. Not available on Transporter 6.1 Shuttle S models. 2 Only available in conjunction with the Discover Pro navigation system. 3 Optional at extra cost. 4 Within the system thresholds.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

--------	----------	------------------------	-----------------------	------------------------	-----------------------------	--------------------	--------------------	--------	---------	-----------------------	------------	-----------------	--

Audio & communications

01 Composition Colour DAB+ radio system. Fitted as standard, the Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot, four x 20 watt output with four speakers on the Shuttle S and six speakers on the Shuttle SE. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect¹ and We Connect Plus^{1,2}.

02 Discover Media DAB+ navigation system including 'Streaming & Internet'. The optional Discover Media navigation system including 'Streaming & Internet' features an 8 inch colour touch-screen with proximity sensor. The system includes a 32GB media storage, natural voice control, free map updates via the internet and mobile online services with Volkswagen We Connect Plus^{1,2}, wireless App-Connect³ and integrated eSIM. Optional on all models.

03 Discover Pro DAB+ navigation system including 'Streaming & Internet'. On SE models only, the optional Discover Navigation Pro touch-screen navigation/DVD infotainment system including 'Streaming & Internet' provides navigation and radio functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions, such as changing radio stations, with a simple swiping movement of the hand. It also comes with 3-years' We Connect Plus^{1,2} and provides online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data.

¹ To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. ² Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired. ³ Only in conjunction with compatible Apple CarPlay devices on the Discover Media navigation system including 'Streaming & Internet' or Discover Pro navigation system including 'Streaming & Internet' systems at extra cost.

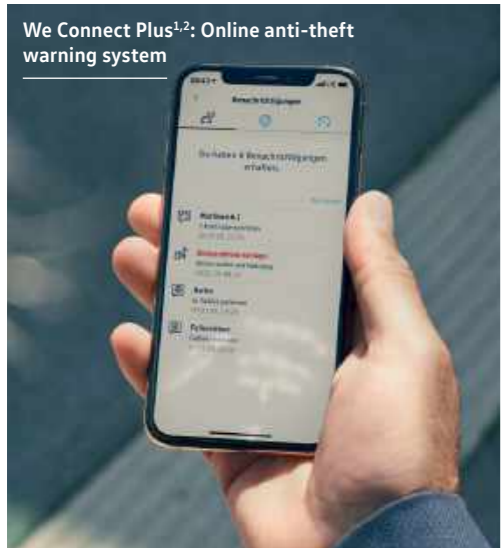

We Connect¹ and We Connect Plus^{1,2}

With Volkswagen We Connect¹ driving a vehicle will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the Transporter 6.1 Shuttle – conveniently via your smartphone. The heart of the system is the We Connect¹ App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect¹ package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus^{1,2} package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

Intelligent driver assistants give you peace of mind.

Driving the Transporter 6.1 Shuttle offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

Park Assist.^{1,2}

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Trailer Assist.^{1,2}

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

Side protection.^{1,2,3}

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist.²

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

¹ Optional at extra cost. ² Within the system's thresholds. ³ No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes.

Adaptive Cruise Control (ACC).²

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

Traffic Sign Recognition.^{1,2}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media including 'Streaming & Internet' or Discover Pro navigation including 'Streaming & Internet' systems.

Active Lane Assist.^{1,2,4}

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Rear Traffic Alert.^{1,2,4}

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

Tyre pressure monitoring system.^{1,2}

Displays the current pressure for every tyre and warns of deviations from the set pressure.

Dual clutch gearbox DSG.^{1,5}

The optional 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

¹ Optional at extra cost. ² Within the system's thresholds. ³ No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. ⁴ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. ⁵ Not available for all engines.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Standard Optional at extra cost | S | Transporter 6.1 Shuttle S | SE | Transporter 6.1 Shuttle SE

Options (continued)

Air conditioning and glass

01-02 'Climatronic' three-zone air conditioning system. The fully automatic air conditioning system with allergen filter has several sensors and maintains the preset temperature for the driver, front passenger and other occupants. A second heating and fresh air system, an additional evaporator and multiple vents in the comfort headlining ensure a pleasant climate in the passenger compartment. | S | SE |

Programmable parking heater (air). Includes a radio remote control, auxiliary heater (coolant) and second battery. | S | SE |

03 Heat-insulating windows (A). Significantly reduces the heat in the vehicle interior. | S | SE |

Privacy glass (B). The dark windows in the passenger compartment offer a high degree of discretion. | S | SE |

Laminated and heated windshield. Heated laminated glass helps to control condensation, improving visibility. | S | SE |

Options (continued)

Passenger and load compartment

01 Electric tailgate. Can be operated with vehicle key for convenient and safe handling. Sensors detect whether the tailgate has sufficient space to open, and the roll-back function stops the tailgate from closing if it encounters an obstacle. | S | SE |

02 Electric sliding doors. Opening and closing the electrically operated sliding doors is extremely convenient and safe. Sensors monitor the door's path and the roll-back function prevents any injuries. | S | SE |

Sliding window in front and fixed rear window in load/passenger compartment on driver's and/or passenger's side (not shown). Sliding windows provide more ventilation and comfort for passengers. | S | SE |

Safety systems

01 eCall. Following an accident, automatically sends the time, location and number of vehicle occupants to an emergency call centre and establishes a voice connection. The system is activated by a crash sensor or manually via the emergency call button. If the driver doesn't respond, eCall automatically informs the emergency services. | S | SE |

02 Remote central locking with interior operation, two remote folding keys and SAFELOCK. Pressing the remote control opens all the doors or only the driver's door. Once inside, the SAFELOCK provides extra reassurance by locking the sliding doors separately from the cockpit via buttons. | S | SE |

Driver and front passenger's airbags. With front passenger's airbag deactivation. They offer occupants improved protection in the event of head-on impacts. | S | SE |

Automatic Post-Collision Braking System.¹ Initiates braking after a collision, with the aim of preventing secondary collisions. | S | SE |

Electronic Stabilisation Programme.¹ Designed to prevent the vehicle from swerving in critical driving conditions by controlled and targeted intervention in the brake and engine management. This helps to maximise directional stability. | S | SE |

Anti-lock braking system (ABS). Designed to prevent wheels from locking up and assist manoeuvrability of the vehicle under heavy braking. | S | SE |

Traction control system (ASR). Aids smooth starts and acceleration by reducing wheel-spin. | S | SE |

Electronic differential lock (EDL). Allows smooth starts on slippery or loose road surfaces. If one wheel starts to spin, EDL is designed to brake the wheel as necessary, directing power to the wheel with greater traction. | S | SE |

Standard Optional at extra cost | S | Transporter 6.1 Shuttle S | SE | Transporter 6.1 Shuttle SE

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 27.07.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

¹ Unladen weight includes approximately 90% fuel load and 75kg for driver.

² Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification.

Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers) with normal roof. Trailer nose weight: 100kg.

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 27.07.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

² From 1 April 2020, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own
Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard, including our 3 Year Fixed Price commitment.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Drive Away Insurance

Every new and used Volkswagen comes with five days' complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase.

Subject to eligibility. Five days' Drive Away Insurance cannot be used in conjunction with any other insurance offer.

Annual insurance with a 3 Year Fixed Price commitment

Comprehensive insurance to offer you maximum convenience with minimum hassle – just as you'd expect.

Because we value your loyalty, you can benefit from the Volkswagen 3 Year Fixed Price commitment, so you can relax, knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do.

Cover runs for twelve months at a time and you'll receive a renewal notice confirming your fixed price for the following year. With Volkswagen Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews.

Enjoy peace-of-mind and complete convenience and relax in the knowledge you have a policy tailored specifically for your Volkswagen.

With Volkswagen Car Insurance, you can enjoy the following benefits as standard:

- 3 Year Fixed Price commitment
- Volkswagen Approved Repairs carried out by Volkswagen Approved Technicians using only Volkswagen Genuine Parts[®] and paints (excludes windscreen claims)
- Guaranteed courtesy car whilst yours is in for repair
- Windscreen cover
- Uninsured driver promise (providing we have the car registration, make, model and driver details)
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

How Volkswagen 3 Year Fixed Price Car Insurance works

When you take out Volkswagen Car Insurance, your premium will be fixed for two consecutive renewals, providing you choose to renew cover annually.

The price will only change if one or more of the following happens:

- if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims) after your policy has started
- if you make an amendment to your policy, such as changing your car or address, the revised premium will be fixed for the remaining renewal periods
- if the price of optional additional products and/or Insurance Premium Tax changes.

For more information or to get a quote, call us on: **0345 877 6464**

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Alternatively, visit: www.insurewithvolkswagen.co.uk

Volkswagen Commercial Vehicle GAP Insurance.⁴

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: www.insurewithvvcv.co.uk/gap-insurance

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Fixed price servicing.⁶

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget⁷.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Transporter Shuttle, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Transporter Shuttle is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your Transporter Shuttle's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

The Transporter 6.1 Shuttle

This brochure supersedes all previous publications.

Issue: 27 July 2020

www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
