THE NEW MINI COUNTRYMAN.

The new MINI Countryman is a versatile, five-seater Sport Activity Vehicle. As big as it feels on the inside, the new Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom.

New design features include changes to the front and rear bumper and to the front grille. The new MINI Countryman also comes equipped with a higher level of standard equipment than ever: Fully digital display cockpit, Navigation with 8.8" screen, LED headlights and rear lights... and more.

Some exciting new options are also available, including new exterior colours, alloy wheels, upholsteries, and interior surfaces. The optional Piano Black Exterior now comes with extended contents, and the optional ALL4 Exterior Optic Pack is featuring a new look. With powerful engines and optional ALL4 all-wheel-drive, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

STANDARD EQUIPMENT HIGHLIGHTS.

EXTERIOR:

- LED headlights in new design
- LED rear lights in new design
- LED fog lights
- Roof rails in silver

INTERIOR:

- Interior lights pack
- MINI Excitement Pack (including MINI logo projection, illuminated door handles and LED mood lighting)
- Multi-function controls for steering wheel

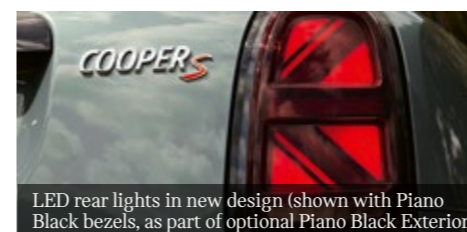

ENTERTAINMENT AND COMMUNICATION:

- Navigation Pack, including:
 - MINI Navigation system with 8.8" display

MINI Navigation system with 8.8" screen

CHOOSE YOUR PERFORMANCE.

COOPER

The 1.5-l 3-cylinder petrol engine (136 hp/100 kW) offers a handy blend of power and economy. It comes with a Chrome-plated exhaust tailpipe.

COOPER S

Better, faster, stronger: With a 2.0-l 4-cylinder petrol engine (178 hp/131 kW), the Cooper S packs the biggest punch. Hallmarks include the red S at the rear, side scuttles, the radiator grille with honeycomb structure and Chrome border and the twin Chrome-plated exhaust tailpipes (right and left).

COOPER S

The new MINI Countryman Plug-in Hybrid features a clever combination: A 1.5-l 3-cylinder petrol engine (125 hp/92 kW) at the front with an 95-hp/70-kW e-motor at the rear axle. The new MINI Countryman Plug-in Hybrid is instantly recognisable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear.

VED RATES

Annual VED (second year onwards) includes an additional rate of £325 for cars costing over £40,000 which is payable for five years. VED rates for brand new cars are determined by their CO₂ emissions figures. First year VED applies to the first year of ownership. Annual VED rates apply thereafter.

The new MINI Countryman models are all RDE2 Compliant and fall into one of the categories listed below:

Petrol

CO ₂ emissions (g/km)	131-150	151-170	171-190
First year VED	£215	£540	£870
Annual VED – second year onwards (standard rate)	£150	£150	£150
Annual VED – second year onwards (vehicles over £40,000)	£475	£475	£475

Plug-in Hybrid

CO ₂ emissions (g/km)	1-50
First year VED	£0*
Annual VED – second year onwards (standard rate)	£140*
Annual VED – second year onwards (vehicles over £40,000)	£465*

PRICES AND SPECIFICATIONS

MINI UK reserves the right to alter prices and specifications without notice. MINI UK has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

ON THE ROAD PRICE

The recommended On The Road price is based on the Recommended Retail Price (RRP) and On The Road charges. OTR charges include:

Delivery and MINI Emergency Service	£500
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty	See left

[†] Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

^{††} CO₂ figures were obtained using a combination of battery power and fuel, CO₂ figures shown correspond to weighted combined figures. The new MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging.

*Rates for alternative fuel vehicles including the new MINI Countryman Plug-in Hybrid with CO₂ emissions of 43-39 g/km.

STANDARD EQUIPMENT.

RAISE THE STANDARDS.

SAFETY:

- Alarm System (including tilt sensor, monitoring of doors, bonnet interior and tailgate)
- Airbags (six – front, side, head and seat belt tensioners)
- 3-point seats belts on all seats
- Rear ISOFIX child seat attachment
- Anti-lock Braking System (ABS)
- Dynamic Stability Control (DSC)
- Dynamic brake lights
- 2-tone horn
- Tyre Pressure Monitoring System
- Electronic vehicle immobiliser
- Front and rear disk brakes
- Locking Wheel Bolts
- Dead-Locking Function
- Auto Drive away Locking
- Intelligent emergency calling (MINI E-call) (automatic emergency rescue call in the event of collision, vehicle location and severity of impact also transmitted when necessary, manual activation by driver also available)
- Electronic handbrake
- Active Guard (Automatic Emergency Braking)

PERFORMANCE:

- MINI Twin Power Turbo
- Fully variable valve control (Valvetronic)
- Double VANOS
- High precision injection
- Automatic start/stop function, including brake energy recuperation
- Electro-mechanical steering with speed-dependent steering assistance

Engine-dependent content:

- 6-speed manual transmission (including gear-change indicator display) on Cooper and Cooper S variants
- Automatic transmission on all ALL4 variants

- Performance Control (improving cornering agility by reducing under-steer) on Cooper S / ALL4 / PHEV and John Cooper Works 306hp variants
- MINI Driving Modes (centre toggle switch to control driving mode settings – Sport, Mid, Green) on Cooper S / ALL4 / PHEV and John Cooper Works 306hp variants

EXTERIOR:

- Roof and mirror caps in body colour
- LED headlights and rear lights
- LED fog lights
- White indicator lenses
- Split rear doors
- Engine designation on the right-hand side of the tailgate
- Fuel filler cap in body colour
- Rear fog light
- Rear window wiper
- Heated windscreen washer jets
- MINI Excitement Pack (including MINI logo projection, illuminated door handles and LED mood lighting)
- Roof rails in silver
- Model designation 'COUNTRYMAN' in individual letters centred on the tailgate
- Door handles, chrome-plated
- Chrome bezels around headlights and rear lights

Engine-dependent content:

- Engine scoop in body colour on Cooper S / ALL4 and John Cooper Works 306hp variants
- Fuel filler cap in chrome on Cooper S / ALL4 variants
- ALL4 logo on the lower right of the front doors on ALL4 variants
- Radiator grille with chrome border and three slats in high-gloss black on Cooper / ALL4 variants

- Radiator grille with chrome border and honeycomb structure in matt black (including S badge) on Cooper S / ALL4 / PHEV variants
- Side scuttle in black with integrated white indicator on Cooper / ALL4 variants
- Side scuttle, chrome plated, with integrated white indicator and S badge on Cooper S / ALL4 / PHEV variants
- Single exhaust tailpipe, left, with chrome finisher on Cooper / ALL4 and PHEV variants
- Twin exhaust tailpipes with chrome finisher on Cooper S / ALL4 and John Cooper Works 306hp variants

INTERIOR:

- Sun visor with vanity mirrors
- Chrome highlights
- Door sill finishers (metal with 'Cooper S' for Cooper S variants)
- Mechanical seat adjustment
- Folding rear seats (40:20:40)
- Steering column adjustment (height and length)
- Sun and heat protection glass
- 12v socket in centre console
- Cup holders
- Glove compartment
- Door storage compartments
- Luggage compartment lashing eyes, four
- Tool kit
- Instrument cluster
- Speakers, six
- Interior lights pack with 12 basic colours and over 700 shades of those colours (selectable via toggle switch in roof)
- LED reading lights, vanity mirror lights, front footwell lights, spotlights on front seats
- Mechanical seat adjustment, forward/back and backrest for front seats, driver seat height

adjustment

- Passenger seat height adjustment
- Carbon Black Colour Line

TECHNOLOGY:

- Navigation Pack, including:
 - MINI Navigation system with 8.8" display
 - Real Time Traffic Information (RTTI)
 - Apple CarPlay
 - Remote Services
 - ConnectedDrive Services (including Online Search and Weather Information)
- Digital display cockpit (5" digital instrument cluster integrated into a larger display set behind the steering wheel)
- Day-time driving lights
- Rain sensor with automatic headlight activation
- Start-stop toggle including key-less go
- Cruise control with brake function
- Multi-function controls for steering wheel
- Manual air conditioning
- Heated rear window
- Electric windows
- On-board computer
- DAB digital tuner
- MINI Teleservices (the vehicle transmits service requirements to the preferred MINI Service Partner)
- Bluetooth with audio streaming for compatible mobile phones
- Rear Parking Distance Control

Model shown: The new MINI Countryman Cooper S ALL4 Exclusive with optional Sage Green metallic exterior paint, roof and mirror caps in black, bonnet stripes in black, Piano Black Exterior, ALL4 Exterior Optic Pack and 19" Turnstile Spoke alloy wheels in two-tone.

STANDARD EQUIPMENT.

SELECT YOUR STYLE.

CLASSIC.

The Classic style comes with an extensive list of standard specifications, such as:

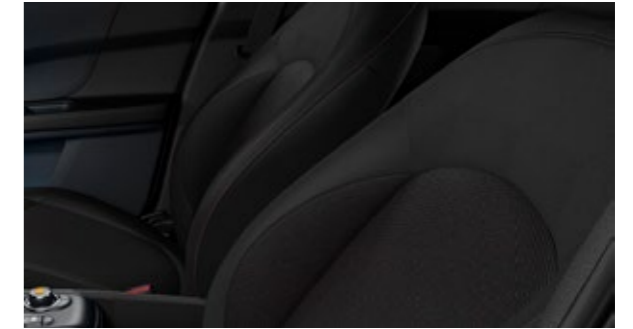

EXTERIOR:

- 16" alloy wheels on Cooper / ALL4
- 17" alloy wheels on Cooper S / S ALL4 / S E ALL4 PHEV

The exterior image shown features optional roof and mirror caps in black (no additional cost).

INTERIOR:

- Standard seats in cloth on Cooper / ALL4 / S E ALL4 PHEV
- Sport seats in cloth on Cooper S / S ALL4
- Sport leather steering wheel on all variants
- Hazy Grey interior trim on Cooper / ALL4
- Piano Black interior trim on Cooper S / S ALL4 / S E ALL4 PHEV
- Satellite Grey headlining on all variants

SPORT.

The Sport style is distinctly sporty. It includes some exclusive John Cooper Works interior and exterior equipment such as:

EXTERIOR:

- Upgraded 18" John Cooper Works alloy wheels
- John Cooper Works aerodynamic kit
- John Cooper Works spoiler

The exterior image shown features optional exterior colour and roof and mirror caps in black.

INTERIOR:

- John Cooper Works sport seats
- John Cooper Works sport leather steering wheel
- John Cooper Works Piano Black interior trim
- John Cooper Works door sill finishers
- Anthracite headlining
- Performance Control (already standard on Cooper S / S ALL4 / S E ALL4 PHEV)
- MINI Driving Modes (already standard on Cooper S / S ALL4 / S E ALL4 PHEV)

EXCLUSIVE.

The Exclusive style prizes individuality and a more refined style. It includes some exclusive MINI Yours interior and exterior features and upgraded equipment such as:

EXTERIOR:

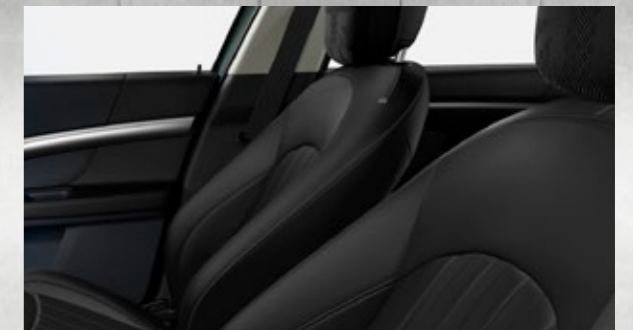

- Exclusive 18" alloy wheels

The exterior image shown features optional exterior colour and roof and mirror caps in black.

INTERIOR:

- MINI Yours leather steering wheel
- MINI Yours leather sport seats
- MINI Yours interior style
- MINI Yours gearstick with exclusive stitching*
- Chrome Line Interior
- Satellite Grey headlining

*Not with Cooper S models with sport automatic transmission (2TC/2TB) which include red stitching on the gearstick.

STANDARD EQUIPMENT.

THE NEW MINI COUNTRYMAN PLUG-IN HYBRID.

MINI ELECTRIC

Model shown: The new MINI Countryman Plug-in Hybrid Classic with optional White Silver exterior paint, roof and mirror caps in black, 18" Pin Spoke alloy wheels in black, Piano Black Exterior, roof rails in black, darkened rear glass and Adaptive LED headlights.

The new MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer drivers the best of both worlds with a total output of 220 hp enabling thrilling acceleration from 0 to 62 mph in 6.8 seconds. The e-motor backs up the petrol engine via the boost function and enables electric all-wheel-drive. New standard features include eDrive Services (with the ability to initiate charging, monitor charging status and locate public charging stations), MINI Navigation system with 8.8" screen ① as well as a fully digital display cockpit ②. AC home and AC public charging cables are also available as standard. The battery can be charged both during the journey and externally using the supplied cables ③.

STANDARD EQUIPMENT HIGHLIGHTS.

(In addition to the new MINI Countryman Cooper S standard equipment)

- Automatic transmission
- High voltage battery and electric motor
- AC charging (charging flap on front left lower A-panel)
- AC home (occasional 3-pin plug) charging cable (type 2 - 2.3 kW)
- AC public charging cable (type 2 - 3.7 kW)
- Acoustic pedestrian protection (external driving noise generated when driving at speeds less than 30 mph in pure electric mode to aid pedestrian safety)
- ALL4 Electric (rear axle powered by electric motor and front axle powered by combustion engine)
- Performance Control
- Chargeable battery during driving
- eDrive button (change the powertrain preference to AUTO eDRIVE, MAX eDRIVE or SAVE BATTERY)
- eDrive Services (ability to initiate charging, monitor charging status and locate public charging stations)
- MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green; allows adaption to different driving situations and ensures a high driving efficiency and the optimal electric range)
- Preconditioning (remotely heat or cool the vehicle prior to departure through the MINI Connected app)

The new MINI Countryman Plug-in Hybrid is available in Classic, Sport or Exclusive style, for more information about the equipment standard with each style please click here.

PERFORMANCE:

Petrol engine	Electric motor	Combined
- Max. output: 125 hp	- Max. output: 95 hp	- System output: 220 hp
- Max. torque: 220 Nm	- Max. torque: 165 Nm	- System torque: 385 Nm
		- 0-62 mph: 6.8 seconds

BATTERY:

- Battery type: Lithium-Ion	- Net battery content (high voltage): 8.8 kWh
- Gross battery content (high voltage): 10 kWh	- Battery capacity (high voltage): 34 Ah

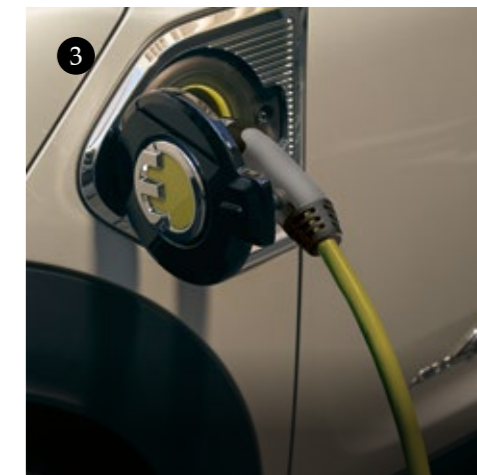

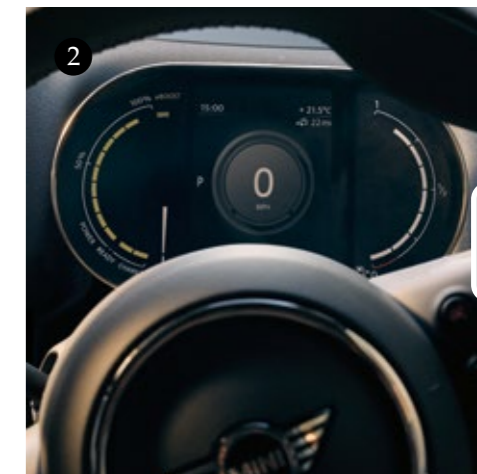

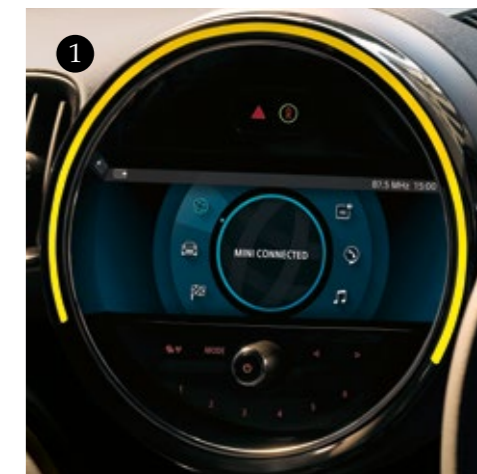

RANGE AND CONSUMPTION¹:

- All Electric Range: 28.0 - 29.8 miles	- Electric energy consumption (weighted combined): 4.0 - 4.2 miles/kWh (15.4 - 14.8 kWh/100 km)
- Equivalent All Electric Range: 29.2 - 31.7 miles	- CO ₂ emissions (weighted combined): 43 - 39 g/km
- Fuel consumption (weighted combined): 148.7 - 166.2 mpg (1.9 - 1.7 l/100 km)	

CHARGING²:

Home charging (AC)		
With occasional home charging cable (3-pin plug)	2.3 kW	3 hours 48 minutes ³
With Homecharge unit	3.7 kW	2 hours 24 minutes ^{4,5}
Public charging (AC)		
With AC public charging	3.7 kW	2 hours 24 minutes ⁴

¹These figures were obtained using a combination of battery power and fuel. The new MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures have been determined according to the WLTP test. ²Charging time corresponds to an 80% charge. Charging times are approximate and may vary depending on various factors such as the type and condition of the charger and the temperature of the battery at the point of use. ³A 100% charge is achieved in 5 hours. ⁴A 100% charge is achieved in 3 hours 12 minutes. ⁵Charging time applies to any 3.7 kW Homecharge unit.

STANDARD EQUIPMENT.

THE NEW MINI COUNTRYMAN JOHN COOPER WORKS 306HP.

Model shown: The new MINI Countryman John Cooper Works 306hp with optional Rebel Green exterior colour, roof and mirror caps in red, John Cooper Works sport stripes in red, black roof rails, 19" John Cooper Works Circuit Spoke alloy wheels and Adaptive LED headlights.

The new MINI Countryman John Cooper Works 306hp is back with more exciting features than ever. As the ultimate Sport Activity Vehicle, the new MINI Countryman John Cooper Works 306hp blends exceptional capability with inspired driving wherever it goes. New design features include changes to the front grille and the LED headlights and rear lights. Piano Black Exterior comes as standard with the new MINI Countryman John Cooper Works 306hp and includes extended contents. The standard ALL4 all-wheel-drive provides exciting off-road abilities to go with its powerful forward thrust and extreme traction – just in case you find yourself off paved roads and really want to hit the accelerator.

STANDARD EQUIPMENT HIGHLIGHTS.

(In addition to non John Cooper Works models standard equipment)

[†] Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

** Figures were obtained using a combination of battery power and fuel. The new MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. Fuel consumption and CO₂ figures shown correspond to weighted combined figures.

¹ Sport models are slightly longer due to the John Cooper Works aerodynamic kit fitted as part of the standard equipment.

² Luggage capacity varies depending on whether the rear seats are up or folded down.

All figures relate to vehicles with 6-speed manual transmission. Figures in [] relate to vehicles with automatic transmission.

MINI SELECT FINANCE.

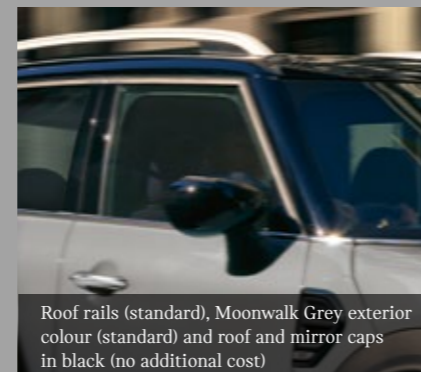

THE NEW MINI COUNTRYMAN.

16" Revolute Spoke alloy wheels (standard)

Digital display cockpit, as part of the Navigation Pack (standard)

Roof rails (standard), Moonwalk Grey exterior colour (standard) and roof and mirror caps in black (no additional cost)

MINI Select Representative example: the new MINI Countryman Cooper Classic in Moonwalk Grey with roof and mirror caps in black.

Term of agreement	48 months	Option to purchase fee	£0.00
47 monthly payments of	£310.00	Optional final payment [^]	£9,597.34
On the road cash price*	£24,495.00	Total amount payable	£26,917.34
Customer deposit	£2,000.00	Total amount of credit	£21,745.00
Deposit contribution	£750.00	Rate of interest	3.9% Fixed
Total deposit	£2,750.00		Representative 3.9% APR

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

Representative example is for a MINI Select agreement for a new MINI Countryman Cooper Classic with a contract mileage of 32,000 miles and excess mileage charge of 5.84p per mile. Applies for new vehicles ordered between 31 December 2020 and 31 March 2021 and registered by 30 June 2021 (subject to availability) at participating MINI Retailers. Retail customers only. *On the road cash price is based on manufacturer's recommended retail price and includes 3 year MINI Retailer Warranty, MINI Emergency Service, 12 months' road fund licence, vehicle first registration fee, delivery, number plates and VAT. ^Optional final payment not payable if you opt to return the vehicle at the end of the agreement (vehicle condition, excess mileage and other charges may be payable). Finance available subject to credit acceptance to UK residents aged 18 or over. Guarantees and indemnities may be required. Terms and conditions apply. Offer may be varied, withdrawn or extended at any time. 'MINI Select' is a form of hire-purchase agreement provided by MINI Financial Services, a trading name of BMW Financial Services (GB) Ltd, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. You will have a 14 day statutory right to withdraw from the agreement. MINI UK introduces customers to MINI Financial Services only and does not receive any commission or other payment for the introduction. The introduction does not amount to independent financial advice. Your Retailer may receive commission for introducing customers to MINI Financial Services.

SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that’s certainly not the whole story. Here are some other things you might find interesting:

Genuine MINI Accessories.

Genuine MINI Accessories are the only range of products which are approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories.

Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from textile floor mats and door lock caps to MINI Advanced Car Eye and Travel and Comfort systems for rear seat entertainment and storage.

Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available ask about our MINI Accessory brochures at your local MINI Centre or visit: mini.co.uk/accessories

Servicing made simple.

Planning for the road ahead has never been easier. With the MINI Pay Monthly Service Plan¹ you can remove the uncertainty that comes with car servicing costs by spreading them monthly, just like you would with household bills.

Our Pay Monthly service plan covers 2 services² and comes with a number of added extras including fluid top ups, an MOT, a Wash & Vac each time you visit, seasonal health checks and Sat Nav Map updates.

The cost for your Service Plan is fixed for its duration, so you’re protected against inflation and any price rises that might happen in the future. If you ever come to sell your MINI, you’ll have the option to keep the plan and transfer any unused balance to your new MINI, so no worries about not using all of it. What’s more, your MINI Pay Monthly Service Plan is suitable for any age of vehicle.

With the MINI Pay Monthly Service Plan you can keep your service history up to date at a locked-in price. And you can rest easy knowing that we’ll put the same love and attention into servicing your MINI as we did making it.

For more information please contact your preferred MINI Centre.

Finance that focuses on you.

Driving away in your new MINI could be closer than you think. From getting an online quote, to getting behind the wheel, we make the financing journey easier. We offer three tailored finance products, so whether you want to own or lease your MINI, you’ll find a finance product that works for you. Visit mini.co.uk/finance for more information. What’s more, you can manage your agreement online with MyMINI Finance.

MINI Select.

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

MINI Hire Purchase.

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

MINI Contract Hire.

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Terms and conditions apply. Finance provided by MINI Financial Services, a trading name of BMW Financial Services (GB) Limited, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

Our retailers.

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

¹Terms and Conditions Apply. Participating MINI Retailers only. We use a third party partner, EMaC, to administer the MINI Service Plan. For more information, please [click here](#).

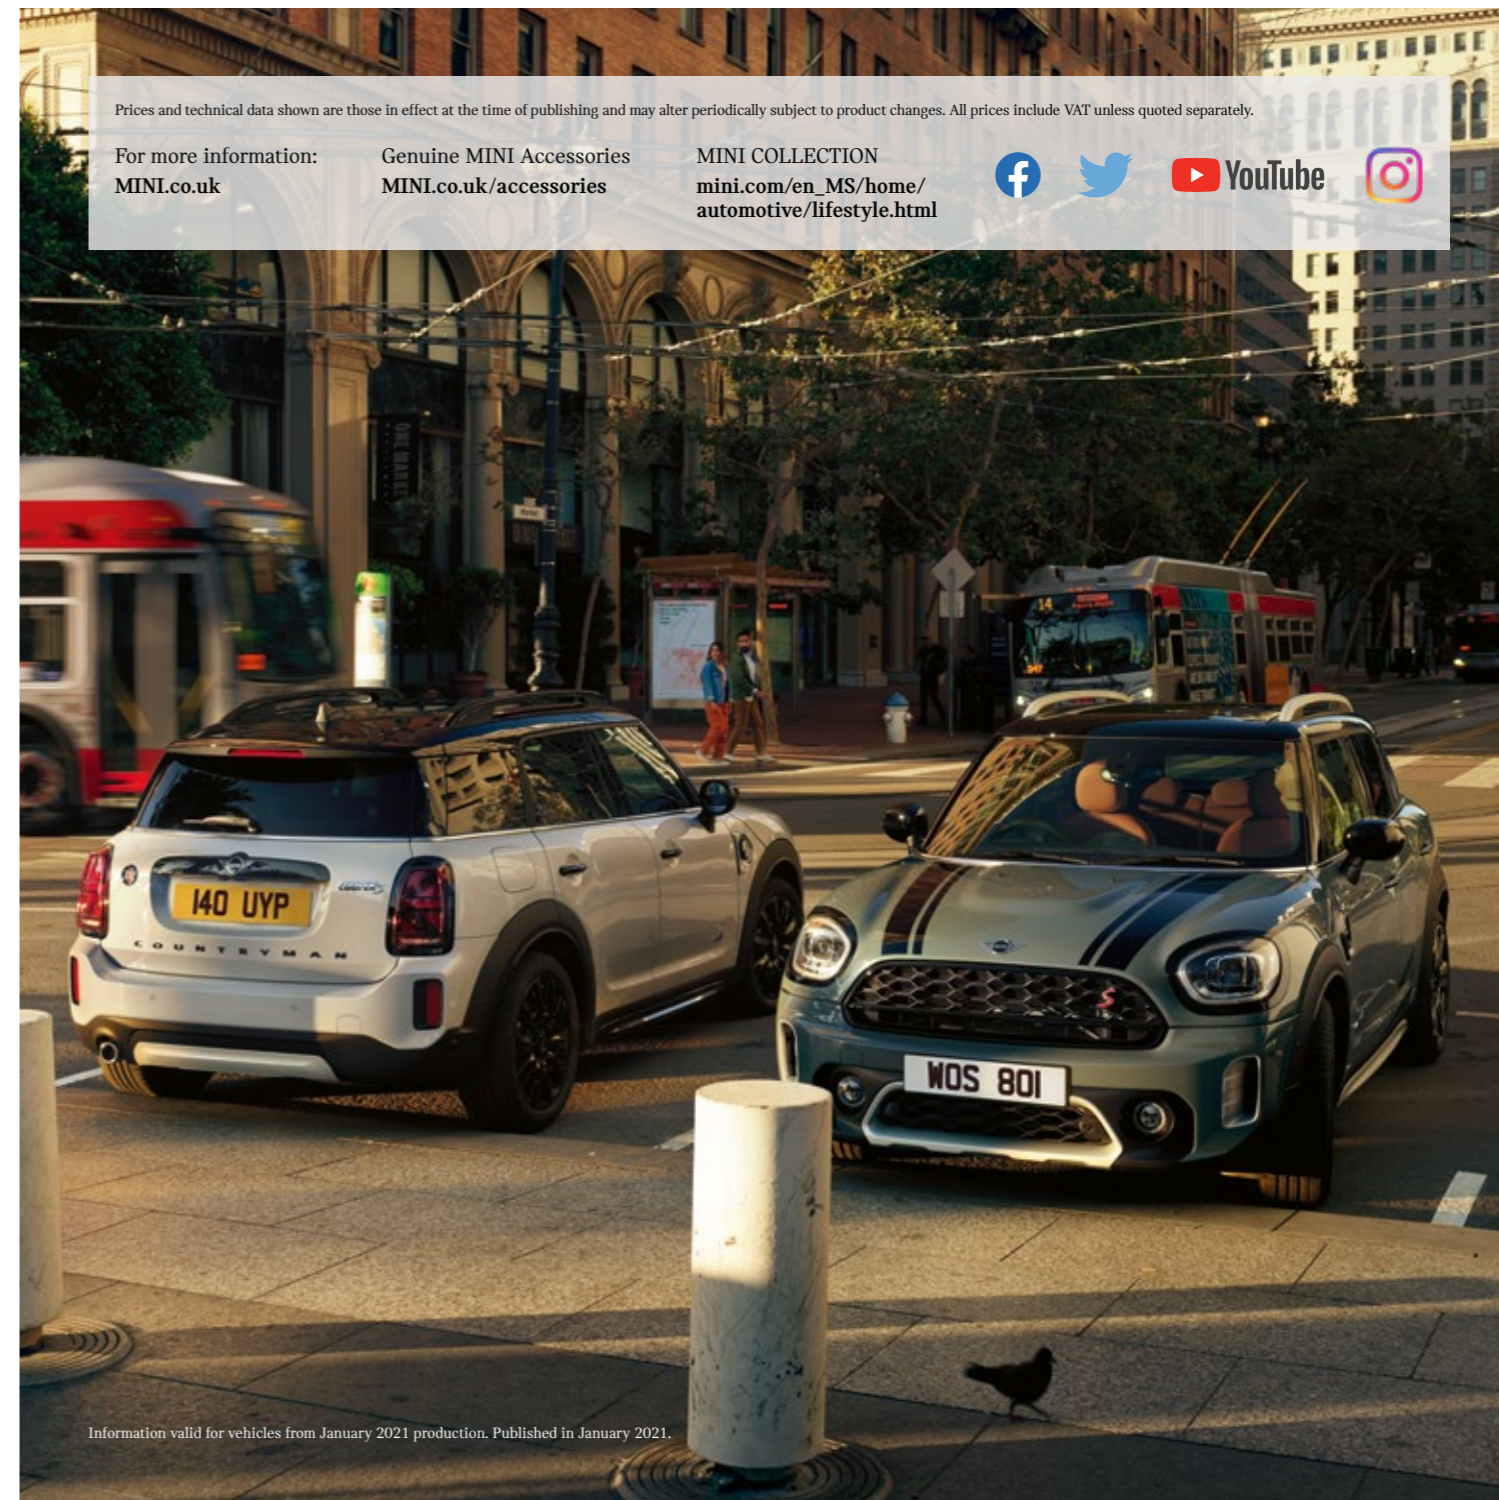

²Both services must be claimed within 4 years or 40,000 miles, whichever occurs soonest.

Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
