# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

MBUX multimedia system with DAB digital radio

Multi-gesture touchpad control

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

## Personalisation

- Turn the new A-Class into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

# Mercedes me connect Stay connected any time, anywhere.

# Mercedes *me*

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

**Safety and Service – Mercedes me connect helps to keep you and your car safe**  
Check your car’s oil level, tyre pressure and fuel from your phone so you’ll be ready for every journey.

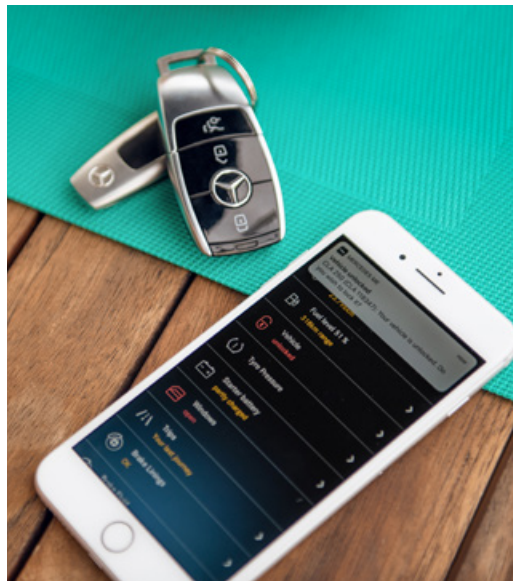

**Infotainment – Online and Entertainment services from Mercedes me connect**  
Love music? Get a 3-month free subscription to Tidal when you connect your car.

**Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect**  
Forgot where you’ve parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you’re in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

**For more information speak to your local Retailer or visit the Mercedes me connect store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)**

**Comfort – connect to your car anytime, anywhere**  
Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# Plug-In Hybrid (PHEVs) Benefits of driving EQ Power.

Our plug-in hybrids with EQ Power feature either a petrol or diesel powertrain, combined with a HV battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for emission-free driving.

## Lower running costs

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.<sup>1</sup>

[> Discover more](#)

## Lower road fund license

EQ Power vehicles have lower emissions – this means you pay less for road tax.

## Cleaner vehicle discount

Plug-In Hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

## Business benefits

With 100% first-year capital allowances<sup>2</sup> and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[> Click here for more information](#)

<sup>1</sup>Please note that by clicking below you will be directed to the Go Ultra website <sup>2</sup>100% first-year capital allowances only apply to vehicles less than 50 g CO<sub>2</sub>/km

# Plug-In Hybrid (PHEVs) The A 250 e.

Plug-in Hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source. With CO<sub>2</sub> emissions of 26 g/km or less, the A 250 e Plug-in Hybrid is an environmentally conscious choice of driving.

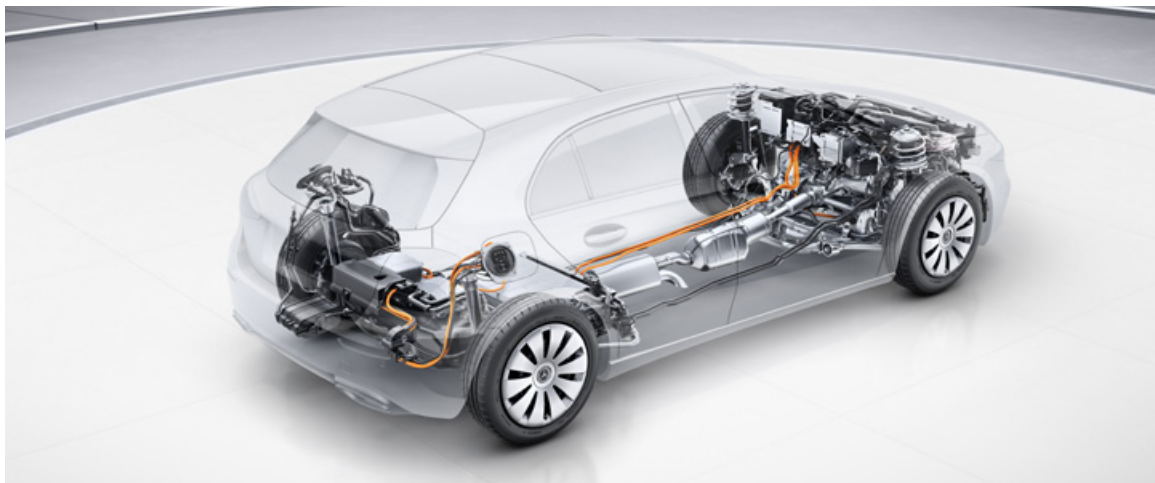

## A 250 e

Petrol – 1,332 cc, 4-cylinder, 160 hp/118 kW  
Electric motor – 102 hp/75 kW

### Available as:

AMG Line, AMG Line Executive, AMG Line Premium and AMG Line Premium Plus

**Hatchback OTR from £32,980<sup>1</sup>**  
**Saloon OTR from £33,575<sup>1</sup>**

### Standard equipment

Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 19 mph, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds

Charging cable – 3 pin-plug charging cable – Mode 2 charging cable, 5 meters, straight and can be used via a domestic plug socket up to 2.3 kW

Charging cable for wall box and public charging stations. Mode 3 charging cable, 4 meters, straight

Charging socket

Charging system – AC charging system rated at 7.4 kW

Comfort suspension

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services Plus (from AMG Line Executive)

### Technical details

Equivalent All-Electric Range (EAER)	43-45 miles
AC charging time, 10-100% <sup>2</sup>	5 hrs 30 mins at a domestic socket <sup>3</sup> 1 hr 45 mins/3 hrs 15 mins at a wall box
Power consumption, combined <sup>4</sup>	Hatchback 15.7-14.8 kWh/100 km Saloon 15.3-14.6 kWh/100 km
Battery type (usable)	lithium-ion (10.6 kWh)
Capacity on-board charger	7.4 kW

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20% <sup>2</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wall box (three-phase) or standard socket (single-phase) <sup>3</sup>If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord <sup>4</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

# BP Chargemaster Homecharge Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a BP Chargemaster Homecharge unit. The 7 kW BP Chargemaster Homecharge unit delivers a full charge in under four hours – that’s three times faster than using a 13 A three-pin domestic plug.<sup>1</sup>

## BP Chargemaster Homecharge 7 kW: £499\* incl. VAT & installation

### Key benefits of the 7 kW BP Chargemaster Homecharge:

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty

Installed in as little as two weeks

The cost for a fully-installed charge point at your home includes the £350 OLEV (EVHS) grant<sup>2</sup>

As a Mercedes-Benz driver, when you install a BP Chargemaster Homecharge unit you will automatically receive three months FREE membership to POLAR plus, the UK’s largest public charging network with over 6,500 charge points

### Questions?

Simply email [mercedes-benz@chargemasterplc.com](mailto:mercedes-benz@chargemasterplc.com)

Call their dedicated Homecharge team 01582 399 412

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price includes £350 OLEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>Based on 7 kW power output for plug-in hybrid vehicles

<sup>2</sup>The BP Chargemaster Homecharge £350 Grant (including VAT) is only available to customers who meet the criteria of the Office of Low Emission Vehicles (OLEV) and is provided and installed by BP Chargemaster plc. For full details and eligibility criteria for the OLEV EVHS Grant, see

<https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>. For full BP Chargemaster Homecharge Terms & Conditions visit [https://chargemasterplc.com/terms\\_conditions](https://chargemasterplc.com/terms_conditions)

### Interior

- 180° reversing camera
- Air conditioning – THERMATIC single-zone climate control
- Comfort seats – ensure good long-distance comfort; extensively adjustable for length, height and seat surface angle
- Heated front seats with three settings
- KEYLESS-GO starting function
- Luggage nets on driver and front-passenger backrests
- Multifunction sports steering wheel in leather, black topstitching and black bezel
- Speed-sensitive power steering

### Communications, Safety and Assistance Systems

- 7-inch digital instrument display; 7-inch touchscreen media display
- Active Brake Assist – forward collision warning system with autonomous braking intervention
- Active Lane Keeping Assist – warns you by means of steering wheel vibrations if you inadvertently drive over road markings. The system can also intervene actively by means of one-sided braking
- ATTENTION ASSIST – monitors steering behaviour and can help alert you to long journey fatigue
- MBUX multimedia system including “Hey Mercedes” and DAB digital radio
- Hard-disk navigation and three years free live traffic information
- Mercedes me Remote Services
- Speed Limit Assist – detects the speed limit and displays it in the instrument cluster
- Touchpad
- USB interface in oddments tray and two USB (type C) interfaces in centre console

*Sports seats with integrated headrests (Hatchback)*

## Interior

### 10.25-inch digital instrument cluster

Ambient lighting in 64 colours: all colours can be selected individually. Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast. The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour. Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set. Adjustable brightness of the LEDs, with 10 levels and three zones: cockpit, front seat area and also entire dimming zone. The internal workings of the air vents are finished in silver chrome and illuminated. Additional illumination of the piping on the dashboard above the trim element and in the doors. Here the coloured piping is replaced by a transparent fibre-optic cable

*Ambient lighting incl. 64 colours*

## Interior

Front door sills – illuminated with changeable cover and 'Mercedes-Benz' lettering

MBUX augmented reality for navigation – a camera in the windscreen records the area in front of the vehicle and then superimposes highlighted information in the media display

Mercedes-Benz advanced sound system, 225 W – includes a mid-range speaker as the central speaker, one mid-range speaker in each of the front and rear doors as well as one tweeter in each door. For a little bit more bass a subwoofer bass box is installed in the rear, including a separate amplifier

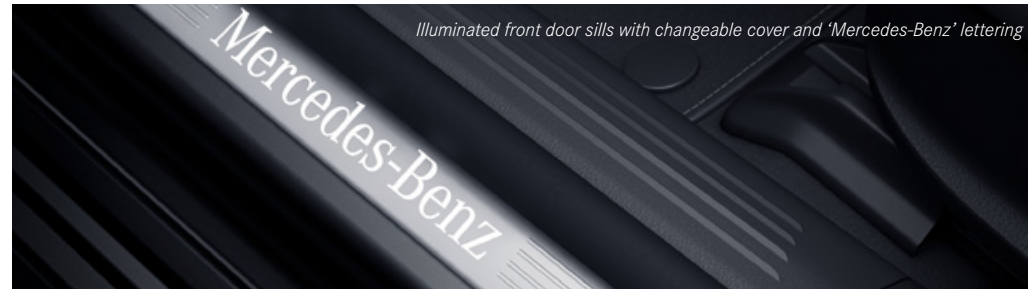

Rear armrest with two cup holders

## Trim and Upholstery

Light longitudinal-grain aluminium

ARTICO man-made leather / DINAMICA microfibre (black) with red contrast stitching

*Illuminated front door sills with changeable cover and 'Mercedes-Benz' lettering*

# A-Class AMG Line Premium Plus (code DP2) Standard equipment highlights

Option shown: cosmos black metallic (code 191)

In addition/replacement to AMG Line Premium:

### Exterior

MULTIBEAM LED headlamps with Adaptive Highbeam Assist – Consisting of 18 individually-controllable, high-performance LEDs per MULTIBEAM LED module to implement a split main beam with 16 controllable individual segments; LED dippedbeam and main-beam headlamps; cornering light function with activated high beam as well as cornering light function with roundabout and cross-traffic functions; city light, country road light and motorway light modes; adaptive all-LED tail lights. Adaptive Highbeam Assist becomes active from a speed of 18.5 mph on roads with no street lighting, provides automatic main-beam control for permanent broad illumination of the carriageway, and partial switches off the LEDs of the MULTIBEAM LED main-beam modules to avoid dazzling vehicles in front or oncoming traffic

Panoramic glass sunroof – includes tilt position which adapts to vehicle speed in three stages and has convenience closing and automatic rain-sensor closing

MULTIBEAM LEDs with Adaptive Highbeam Assist

ARTICO man-made leather/DINAMICA microfibre (black) with contrasting stitching in light grey

# A-Class Exclusive Edition Plus (Hatchback only) Standard equipment highlights

*In addition/replacement to Exclusive Edition:*

### Exterior

19" AMG cross-spoke light-alloy wheels painted in black with a high-shine rim flange

MULTIBEAM LED headlamps with Adaptive Highbeam Assist

Paint – designo mountain grey magno paint

**OTR from £37,320<sup>1</sup>**

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

### Communications, Safety and Assistance Systems

MBUX augmented reality for navigation – a camera in the windscreen produces a live feed on the media display. Superimposed highlighted information facilitates orientation at the destination

Mercedes-Benz advanced sound system, 225 W – includes a mid-range speaker as the central speaker, one mid-range speaker in each of the front and rear doors as well as one tweeter in each door. For a little bit more bass a subwoofer bass box is installed in the rear, including a separate amplifier

Traffic Sign Assist

### Interior

KEYLESS-GO package

Electrically-adjustable front memory seats with lumbar support. Lumbar support with four settings: higher, lower weaker or stronger. The memory programming includes all seat adjustment functions such as seat height and fore-and-aft position, seat cushion angle and seat backrest inclination

Front door sills – illuminated with changeable cover and ‘Mercedes-Benz’ lettering

Rear armrest

### Trim and Upholstery

Printed light longitudinal-grain aluminium

ARTICO man-made leather/DINAMICA microfibre (black) with contrasting stitching in light grey

<sup>1</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. \*Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>2</sup>A 200 d and A 220 d Hatchback engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 82 for the relevant rate for the second and subsequent years. <sup>3</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>3</sup>A 200 d and A 220 d Hatchback engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 82 for the relevant rate for the second and subsequent years. <sup>4</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%.

**Interior**

Mirror package – electrically-folding mirrors and automatically-dimming driver’s side mirror and rear view mirror

AMG Performance steering wheel in nappa leather

Front door sills with ‘AMG’ lettering

Heated front seats with three settings

KEYLESS-GO starting function

Sports seats – optimise lateral support for dynamic driving and at the same time provide comfort for everyday use

THERMOTRONIC dual-zone climate control

<sup>1</sup>Compatible mobile phone required

**Communications, Safety and Assistance Systems**

Parking package – reversing camera with parking guidelines, 180° view, front and rear sensors, visual and audible warning of detected obstacles, arrowed display of identified parking spaces in the instrument cluster, assisted manoeuvring into and out of parallel and end-on parking spaces; ultrasonic sensors positioned in front and rear bumpers

7-inch digital instrument cluster with three AMG display styles and AMG menu

10.25-inch touchscreen media display

Active Brake Assist, Speed Limit Assist, Active Lane Keeping Assist and ATTENTION ASSIST

Hard-disk navigation and three years free live traffic information

MBUX multimedia system including “Hey Mercedes” and DAB digital radio

Smartphone integration and wireless charging<sup>1</sup>

Touchpad

USB interface in oddments tray and two USB (type C) interfaces in centre console

**Trim and Upholstery**

Light longitudinal-grain aluminium

Black leather

7-inch digital instrument display and a 10.25-inch touchscreen media display

Hatchback OTR from **£41,760<sup>1</sup>**

Saloon OTR from **£41,920<sup>1</sup>**

Upgrade price from A 35 4MATIC Executive **£2,500**

*In addition/replacement to Mercedes-AMG A 35 4MATIC:*

## Exterior

Night package – features of the car are coloured in high-gloss black such as, front splitter and trim on the louvres in the outer air intakes, AMG side sill panels with inserts, beltline trim strip and window line trim strip, exterior mirror housing, and chrome-plated tailpipe trim elements in black

19" AMG 5-twin-spoke light-alloy wheels

KEYLESS-ENTRY (lock/unlock) – chrome insert on door handle. Allows convenient opening, starting and locking of the vehicle – with no need for you to have the key in your hand. With this convenient technology you don't even need to take the key out of your pocket. All the doors can be opened and locked simply by touching the handle

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

### Interior

10.25-inch digital instrument cluster

Ambient lighting incl. 64 colours

Front door sills – illuminated with changeable cover and 'AMG' lettering

MBUX augmented reality for navigation – a camera in the windscreen produces a live feed on the media display. Superimposed highlighted information facilitates orientation at the destination

Mercedes-Benz advanced sound system, 225W – includes a mid-range speaker as the central speaker, one mid-range speaker in each of the front and rear doors as well as one tweeter in each door. For a little bit more bass a subwoofer bass box is installed in the rear, including a separate amplifier

Rear armrest with two cup holders

### Trim and Upholstery

Light longitudinal-grain aluminium

Black leather

# Mercedes-AMG A 35 4MATIC Premium Plus (code DP5) Standard equipment highlights

*In addition/replacement to Mercedes-AMG A 35 4MATIC Premium:*

### Engine, Transmission and Suspension

Suspension with Adaptive Damping system – shock courses for the springs shortened by 15 mm. The car visually presses itself even closer to the road surface

### Exterior

AMG Aerodynamic package – modified front splitter, additional flics on front apron, additional diffuser blade, side spoiler lips on rear apron and rear spoiler

19" AMG multi-spoke alloy wheels painted matt black with a high-sheen finish

MULTIBEAM LED headlamps with Adaptive Highbeam Assist – Consisting of 18 individually-controllable, high-performance LEDs per MULTIBEAM LED module to implement a split main beam with 16 controllable individual segments; LED dippedbeam and main-beam headlamps; cornering light function with activated high beam as well as cornering light function with roundabout and cross-traffic functions; city light, country road light and motorway light modes; adaptive all-LED tail lights. Adaptive Highbeam Assist becomes active from a speed of 18.5 mph on roads with no street lighting, provides automatic main-beam control for permanent broad illumination of the carriageway, and partial switches off the LEDs of the MULTIBEAM LED main-beam modules to avoid dazzling vehicles in front or oncoming traffic

Panoramic glass sunroof – includes tilt position which adapts to vehicle speed in three stages and has convenience closing and automatic rain-sensor closing

**Hatchback OTR from £45,260<sup>1</sup>**

**Saloon OTR from £45,420<sup>1</sup>**

**Upgrade price from A 35 4MATIC Premium £3,500**

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

# Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

#### TERMS AND CONDITIONS

The following customers only are eligible: the first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training as described in the brochure must be booked and taken within six months of delivery of your Mercedes-AMG. The Training is available Monday to Friday and is subject to availability. Requests for Saturday and Sunday will incur an additional charge. Upgrades are available for an additional cost: details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery. Permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

<sup>1</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 82 for the relevant rate for the second and subsequent years. <sup>4</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%.

# Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

**Driving Assistance package** (code 23P) – designed and priced as a package, including items listed on the right-hand side.

**AMG Line Premium Plus, Mercedes-AMG A 35 Premium Plus and Mercedes-AMG A 45 S 4MATIC+ Plus only**

**Total incl. VAT £1,495.00**

Automatic transmission only

Active Distance Assist DISTRONIC

Active Steering Assist

**Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

**Active Braking Assist with cross-traffic function** can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

**Active Distance Assist DISTRONIC** helps maintain the desired distance from the vehicle in front

**Active Emergency Stop Assist:** immediate emergency braking if evasion is impossible

**Active Lane Changing Assist** aids the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

**Active Steering Assist:** targeted steering intervention to prevent unintentional drifting out of lane

**Evasive Steering Assist** can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

**PRE-SAFE® PLUS:** when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

**Route-based speed adjustment:** adaption of speed before curves, roundabouts and junctions

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your A-Class.

## LED projectors, Mercedes star

Innovative LED projectors project a Mercedes star with a 3D effect onto the ground in the entrance area when opening the driver or front passenger door. (A2478208702)

## Roof spoiler in carbon fibre look

The Mercedes-Benz Sport Equipment roof spoiler, with its realistic carbon fibre look and individual, dynamic 3D effect, underlines the vehicle's dynamic appearance. (A1777930200)

## Front apron spoiler lip, carbon fibre-style

Mercedes-Benz Sport Equipment front apron spoiler lip in realistic carbon fibre style with individual, dynamic 3D effect underscores the dynamic character of the vehicle. (A1778807702)

## Exterior mirror cover, carbon fibre-style

Mercedes-Benz Sport Equipment exterior mirror covers in realistic carbon fibre style with individual, dynamic 3D effect for a sporty look. (A1778112300)

## Basic carrier bars

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz. The perfect basis for a range of Mercedes-Benz transport accessories: ski and snowboard rack, bicycle rack or roof boxes. (A1778900500)

## Mercedes-Benz roof box 400

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. (A0008400000)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

### BABY-SAFE plus II child seat, with ISOFIX

Suitable for children up to around 15 months of age (up to 13 kg), the seat features automatic child seat recognition and standard automatic airbag shutoff for use on the front passenger seat with airbag. The ISOFIX attachment system comes as standard; but can be used with vehicle's three-point seat belt as an alternative. (A0009701302)

### DUO plus child seat, with ISOFIX

Suitable for children between the ages of 9 months to 4 years (9 to 18 kg), the seat offers optimum protection in the event of an accident. Sitting, reclining and sleeping positions are adjustable with one simple manoeuvre. A system that grows along with your child: the harness height is easy to adjust in seven stages - with central, one-pull belt length adjustment. (A0009701702)

### KIDFIX XP child seat, with ISOFIX

Suitable for children between the ages of 3.5-12 years (15-36 kg) and securely attached to the vehicle by means of ISOFIX or the vehicle seat belt. The seat's strengths include its exemplary side impact protection, courtesy of the energy-absorbing XP-PAD, which reduces impact in the event of a collision. Large, padded side wings also enhance side impact protection. Adjustable belt guides and headrest allow the seat to grow with your child. (A0009702302)

### Boot tub, shallow

The shape of the tub, with its slightly raised edge, is optimally tailored to the load area. Very robust - made from impact-resistant, non-split polypropylene. The structured surface prevents the load from sliding around, and makes it easy to secure the optional stowage crate. (A1778140100)

### Stowage crate

The robust plastic stowage box creates order in the boot. The box can be divided into two sections using the enclosed rigid dividing element and be combined with the Mercedes-Benz boot tub thanks to the ribbed structure at the bottom. Capacity: 51 litres. (A0008140400)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO <sub>2</sub> emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) <sup>1</sup>	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification

<sup>1</sup>Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)

<sup>2</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your A-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

[Click here for more information](#)

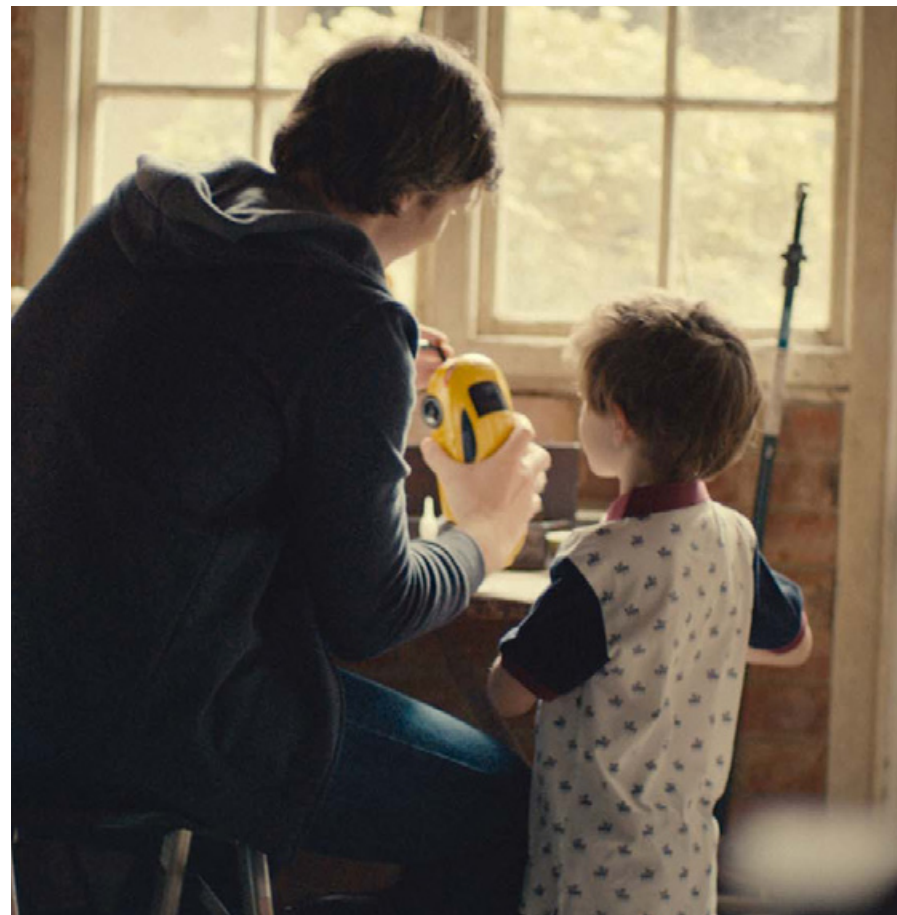

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.
