Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Intelligent voice control lets you control many functions, including destination input

Multi-gesture touchpad control

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the GLC into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

Stay connected any time, anywhere.

Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Plug-In Hybrid (PHEVs) Benefits of driving EQ Power.

Our plug-in hybrids with EQ Power feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

Lower running costs

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.¹

[Discover more](#)

Lower road fund license

EQ Power vehicles have lower emissions – this means you pay less for road tax.

Cleaner vehicle discount

Plug-In Hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

Business benefits

With 100% first-year capital allowances² and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[Click here for more information](#)

¹Please note that by clicking below you will be directed to the Go Ultra website ²100% first-year capital allowances only apply to vehicles less than 50 g CO₂/km

Plug-In Hybrid (PHEVs) The GLC 300 e and GLC 300 de.

Plug-in Hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLC 300 e 4MATIC EQ Power

Petrol – 1,991 cc, 4-cylinder, 211 hp/155 kW
Electric motor – 122 hp/90 kW

SUV OTR from **£48,215¹**
Coupé OTR from **£51,090¹**

Available as:

AMG Line, AMG Line Premium and AMG Line Premium Plus

GLC 300 de 4MATIC EQ Power

Petrol – 1,950 cc, 4-cylinder, 194 hp/143 kW
Electric motor – 122 hp/90 kW

SUV OTR from **£49,840¹**
Coupé OTR from **£52,715¹**

Standard equipment

Charging cable 3 pin-plug - Mode 2 charging cable, 8 meters, straight and can be used via a domestic plug socket up to 2.3 kW

Charging cable for wall box and public charging stations. Mode 3 charging cable, 4 meters, straight

Charging socket

Charging system – AC charging system rated at 7.4 kW

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services Plus

Technical details

Equivalent All-Electric Range (EAER) ²	Coupé 25–28; SUV 26–29
AC charging time, 10–100% ³	5 hrs at a domestic socket ⁴ 1 hr 30 mins at a wall box
Range power consumption, combined ²	Coupé 16.7–14.5 kWh/100 km SUV 16.7–14.6 kWh/100 km
Battery type (usable)	lithium-ion (13.5 kWh)
Capacity on-board charger	7.4 kW

¹The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20% ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wall box (three-phase) or standard socket (single-phase) ⁴If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord)

bp pulse home charger Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a bp pulse home charger. The 7 kW bp pulse home charger delivers a full charge in under four hours – that’s up to three times faster than using a 13 A three-pin domestic plug.¹

bp pulse home charger 7 kW: £499* incl. VAT & installation

Key benefits of the 7 kW bp pulse home charger:

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty

Installed in as little as two weeks

The cost for a fully-installed charge point at your home includes the £350 OLEV (EVHS) grant²

As a Mercedes-Benz driver, when you install a bp pulse home charger you will automatically receive three months FREE membership to bp pulse, the UK’s largest public charging network with over 7,000 charge points

Questions?

Simply email hcenquiries@bp.com

Call their dedicated Homecharge team 01582 399 412

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price includes £350 OLEV EVHS Grant. Price correct at time of publication, subject to change

¹Based on 7kW power output for plug-in hybrid vehicles

²The bp pulse home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office of Low Emission Vehicles (OLEV) and is provided and installed by bp pulse home charger plc. For full details and eligibility criteria for the OLEV EVHS Grant, see

<https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>. For full bp pulse home charger Terms & Conditions visit https://chargemasterplc.com/terms_conditions

Open-pore black ash wood trim

Interior

Ambient lighting – 64 colours – all colours can be selected individually. Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast. The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour. Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set. Adjustable brightness of the LEDs, with 10 levels and three zones: cockpit, front seat area and also entire dimming zone. The internal workings of the air vents are finished in silver chrome and illuminated. Additional illumination of the piping on the dashboard above the trim element and in the doors. Here the coloured piping is replaced by a transparent fibre-optic cable

Communications and In-Car Entertainment

12.3-inch digital instrument cluster

Mercedes-Benz sound system

Smartphone integration¹ comprising Android Auto® and Apple CarPlay™. Please check on www.apple.com/uk/ios/carplay/ for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console

Traffic Sign Assist

Wireless charging¹

¹Compatible mobile phone required

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 55 for the relevant rate for the second and subsequent years. ⁴The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%.

Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

TERMS AND CONDITIONS

The following customers only are eligible: the first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training as described in the brochure must be booked and taken within six months of delivery of your Mercedes-AMG. The Training is available Monday to Friday and is subject to availability. Requests for Saturday and Sunday will incur an additional charge.

Upgrades are available for an additional cost: details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery. Permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package (code 23P) – designed and priced as a package, including items as listed.

AMG Line Premium Plus and Mercedes-AMG GLC 43 4MATIC Premium Plus Total incl. VAT £1,695.00

Standard on Mercedes-AMG GLC 63 S 4MATIC+ Night Edition Premium Plus

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

Active Braking Assist with cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps maintain the desired distance from the vehicle in front

Active Emergency Stop Assist: immediate emergency braking if evasion is impossible

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist: targeted steering intervention to prevent unintentional drifting out of lane

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

PRE-SAFE® PLUS: when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment: adaption of speed before curves, roundabouts and junctions

Trailer coupling with ESP® trailer stabilisation

Trailer coupling with ESP trailer stabilisation (code 550)

Available on all models

Total incl. VAT £750.00

Except Mercedes-AMG GLC 63 S 4MATIC+ Night Edition Premium Plus

Expand your transport options: with this practical equipment you can hitch up both trailers or caravans and also mount cycle racks. The trailer coupling is ready for use in no time at all – and can be folded in again behind the rear bumper just as quickly when it is no longer needed.

Operating safety is the top priority: to fold out the trailer coupling, you must first unlock it via the control button in the boot. As soon as the button light goes out, the trailer coupling is correctly engaged and is therefore ready for use.

Even when driving you can benefit from a comprehensive safety concept: the ESP® trailer stabilisation is able to intervene automatically in critical situations when driving with a trailer. The associated sensor system detects the trailer independently as soon as the electric plug is connected to your vehicle.

The ESP® stabilisation functions are automatically active from a speed of 40 mph. When undesired oscillating motions are detected, the Trailer Stability Assist actively dampens these with the aid of alternate brake actuation of each individual wheel. In most cases this is already sufficient to reduce dangerous oscillations. If necessary, the system additionally reduces the speed: for this, the engine torque is reduced and the vehicle is braked via all four wheels.

Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLC.

Basic carrier bars for roof rails (SUV)

Basic carrier bars for roof rails, precision-tailored to the body of your vehicle, offer the basis for a range of Mercedes-Benz transport accessories. Easy, tool-free fitting thanks to integral quick-release mechanism. (A2538900593)

Mercedes-Benz roof box 450, opens on both sides

Mercedes-Benz roof box, available in different colour variants to coordinate with Mercedes-Benz Passenger Cars paintwork. Impact-resistant, sturdy, durable, recyclable, spray-protected. Opens on both sides. Single lock system with 3 locking mechanisms on each side. Gas-filled struts for easy opening and closing of lid. Maximum load capacity of 75 kg. Unladen weight of 20 kg. The roof box allows transport of winter and summer leisure accessories. (A0008401200)

Mercedes-AMG roof box (Coupe)

The innovative, aerodynamically developed design of the Mercedes-AMG roof box combines sportiness and exclusivity. A simple assembly is made possible by a rapid clamping system. Capacity approx. 410 litres. Maximum load 70 kg. (Coupe: A0008401000, SUV: A0008400900)

Basic carrier bars (Coupe)

Aerodynamic basic carrier bars in aluminium. Multifunctional basis for attaching all Mercedes-Benz transport and leisure accessories. (A2538901100)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

Design	Technology	Plug-In Hybrid	Model lines	Prices	Mercedes-AMG	Mercedes-AMG prices	Mercedes-AMG upholstery	Optional equipment	Standard equipment	Genuine accessories	Technical data	Additional information

Concertina load sill protector

The concertina load sill protector not only protects the boot from contamination, but also protects the bumper and boot sill from becoming scratched. The load sill guard can be attached via hooks to the lifting eyes or can be attached via a velcro strip to the reversible mat or roof box. (A2536932000)

All-season floor mats CLASSIC, front, 2-piece

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo. The mats are precision-tailored to your Mercedes-Benz. Can be clip-fastened to the floor of the vehicle to prevent slipping. (A25368044019G33)

AMG KIDFIX XP child seat, with ISOFIT, ECE + China

AMG child seat for children aged from about 3.5 to 12 years (15 to 36 kg). Forward-facing seat. Securely connected to the vehicle using a three-point seat belt or additionally using ISOFIX. With side impact protection in the form of a high-energy absorbing pad. Adjustable head restraint allows the seat to match the child's growth. The cover, in an exclusive AMG design with original AMG Dinamica seat cover material, can be removed and washed. (A0009703302)

AMG door sill panels, illuminated, front, interchangeable cover (AMG only)

An eye-catcher in the dark: the black, replaceable cover featuring yellow AMG lettering for the door sill panels, featuring LED lighting. (A2056862300)

All-season floor mats CLASSIC, front, 2-piece

Black reversible mat. 100% polyester. Double-sided: rubberised, non-slip side and high-quality velour side. Design allows the concertina load sill protector to be connected. Tailored to the contours of the load compartment. (SUV: A2536807003, Coupé: A2536807103)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase) ***If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord**

⁵Electronically limited ⁶Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values ⁷All figures are based on a standard specification with the smallest tyre size ⁸The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ⁹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase) ***If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord**

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) ¹	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLC, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

[Click here for more information](#)

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.
