# THE ORIGINAL MINI REBORN.

The MINI Hatch is our original icon, because it's where it all began. It's the car that helped us discover our love of corners and still inspires our passion for go-kart handling. From the 1964 Monte Carlo Rally to now. And the story continues with the latest MINI Hatch range. Cars that can spark a smile before you even set off. Designed to make life a whole lot brighter. Built to stand out. Break routine. And shake off those shackles.

Wherever 2021 takes you, let the MINI Hatch help you find the way.

# 3 OR 5 DOORS.

## BECAUSE WE LOVE GO-KART HANDLING.

The MINI 3-door Hatch embodies our love for fun-filled, joyful driving. It captures our inimitable spirit, as well as our passion for agile handling (and corners, of course). It keeps that well-loved go-kart handling and low centre of gravity, plus more innovations, more game-changing tech and a sleeker design.

## BECAUSE WE LOVE 5 X THE FUN.

The MINI 5-door Hatch puts a spacious spin on our original icon. Because we love to fit more in. To stretch out. And bring the whole gang along for the adventure. It has all the hallmarks of the original Hatch, now with refinements to design, upgrades to tech and innovations to take your journeys to a whole new level – plus extra doors and space in the back.

# DISCOVER THE MINI HATCH.
