# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

## Personalisation

- Turn the GLA into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

# Mercedes me connect

Stay connected any time, anywhere.

# Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

## Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

## Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

## Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

## Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# Plug-in Hybrid Electric Vehicle (PHEV) Benefits of driving a plug-in hybrid.

Our plug-in hybrids feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

## Lower running costs

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.<sup>1</sup>

[> Discover more](#)

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

## Lower road fund license

Plug-in hybrid vehicles have lower emissions – this means you pay less for road tax.

## Cleaner vehicle discount

Plug-in hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

## Business benefits

With 100% first-year capital allowances<sup>2</sup> and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[> Click here for more information](#)

<sup>1</sup>Please note that by clicking below you will be directed to the Go Ultra website

<sup>2</sup>100% first-year capital allowances only apply to vehicles less than 50 g CO<sub>2</sub>/km

[Book a test drive](#)[Buy your GLA](#)[Find a Retailer](#)

# Plug-in Hybrid Electric Vehicle (PHEV) The GLA 250 e.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

## GLA 250 e

Petrol – 1,332cc, 4-cylinder, 160 hp/118 kW

Electric motor – 102 hp/75 kW

### Available as:

Exclusive Edition, Exclusive Edition Premium and Exclusive Edition Premium Plus

OTR from **£42,185<sup>1</sup>**

### Standard equipment

Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 19 mph, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds

Charging cable – Mode 3 cable (5 metres, straight) for wallbox and public charging stations

Charging socket

Charging system – AC charging system rated at 7.4 kW

Comfort suspension

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services Plus

### Technical details

Equivalent All-Electric Range (EAER) <sup>2</sup>	38–39 miles
AC charging time, 10–100% <sup>3</sup>	5 hrs 30 mins at a domestic socket <sup>4</sup> 1 hr 45 mins/3 hrs 15 mins at a wallbox
Range power consumption, combined <sup>2,5</sup>	14.0–14.3 kWh/100 km
Battery type (usable)	Lithium-ion 15.6 (10.6)
Capacity on-board charger	7.4 kW

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

<sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

<sup>3</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

<sup>4</sup>If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord

<sup>5</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

--------	------------	----------------	-------------	------------	--------------	--------------	---------------------	-------------------------	-----------------	--------------------	---------------------	----------------	------------------------

# Home charging Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. The 7 kW home chargers deliver a full charge in under four hours – that’s up to three times faster than using a 13A three-pin domestic plug.<sup>1</sup>

Home charger 7 kW: **£875\*** incl. VAT & installation

### Key benefits of the 7 kW home charger:

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty. Keep track of your charging using your chosen providers' app – available on both the App Store and the Google Play Store.

### OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.<sup>2</sup> To find out whether you are entitled please contact your chosen charging partner.

### Questions?

Please contact your local Retailer to submit an enquiry to your chosen charging partner on your behalf. To find your local Retailer, please click the button at the top right hand corner.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

<sup>1</sup>Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>2</sup>Based on 7kW power output for plug-in hybrid vehicles <sup>2</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

## Engine, Transmission and Suspension

DYNAMIC SELECT with a choice of driving modes: 'Eco', 'Comfort', 'Sport' and 'Individual'

**OTR from £33,040<sup>1</sup>**

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Option shown: cosmos black metallic (code 191)

## Exterior

18" alloy wheels - 5-twin-spoke design, aerodynamically optimised, painted black with a high-sheen finish (code R10)

Black grained claddings with chrome parts

Dual flow exhaust pipes in chrome (non-functional)

Front bumper/underide guard in high gloss chrome

LED High Performance headlamps

Polished aluminium roof rails

Single lamella grille painted silver matt with chrome inlay and black dots

Shoulder line and weather strip trim strip in chrome

Summer tyres

**Interior**

Air conditioning – THERMOTRONIC automatic climate control

Comfort seats with adjustable headrests

Heated front seats with three settings

KEYLESS-GO starting function

Multifunction sports steering wheel in leather with chrome elements and gearshift paddles

Touchpad

Velour floor mats

**Communications and In-Car Entertainment**

7-inch digital instrument display

7-inch touchscreen media display

180° reversing camera

Active Brake Assist – forward collision warning system with autonomous braking intervention

Active Lane Keeping Assist – can warn you by means of steering wheel vibrations if you inadvertently drive over road markings. In situations of danger, the system can also intervene actively by means of one-sided braking and guide you back into your lane

ATTENTION ASSIST – monitors steering behaviour and can help alert you to long journey fatigue

**Communications and In-Car Entertainment (continued)**

Car wash function – exterior mirrors fold in, side windows and sliding roof close, windscreen wipers remain switched off and the climate control switches to air-recirculation mode

Hard-disk navigation and three years free live traffic information

MBUX multimedia system with DAB digital radio

Mercedes me Remote Services

Speed Limit Assist – detects the speed limit and displays it in the instrument cluster

USB interface in oddments tray and two USB (type C) interfaces in centre console

**Trim and Upholstery**

Spiral-look trim

ARTICO man-made leather/Fléron fabric upholstery (black)

AMG-specific radiator grille

Diffuser with two vertical twin fins

Front apron with horizontal fins in the outer air inlets and stretched lower air inlet

MULTIBEAM LED headlamps with Adaptive Highbeam Assist – Consisting of 18 individually-controllable, high-performance LEDs per MULTIBEAM LED module to implement a split main beam with 16 controllable individual segments; LED dipped-beam and main-beam headlamps; cornering light function with activated high beam as well as cornering light function with roundabout and cross-traffic functions; city light, country road light and motorway light modes; adaptive all-LED tail lights. Adaptive Highbeam Assist becomes active from a speed of 18.5 mph on roads with no street lighting, provides automatic main-beam control for permanent broad illumination of the carriageway, and partial switches off the LEDs of the MULTIBEAM LED main-beam modules to avoid dazzling vehicles in front or oncoming traffic

Panoramic sunroof – automatic rain-sensor closing function, convenience closing via air recirculation button, electronic roller sunblind and tilt position automatically adapts to the vehicle speed in three stages

Parking package – reversing camera with parking guidelines, 180° view; front and rear parking sensors

Power domes in front bonnet

Summer tyres

Two round twin 90 mm wide tailpipes with internal fluting and 'AMG' lettering and a wide rear apron

Wider AMG side skirts and wider front wings with flared wheel arches and 'TURBO 4MATIC+' lettering

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

**Interior**

Ambient lighting – 64 colours AMG High-End Performance seat

AMG High-End Performance seat

AMG Performance seats

AMG Performance steering wheel in nappa leather/DINAMICA microfibre with AMG buttons

Electrically adjustable front memory seats with lumbar support. Stores up to three seat positions for both the driver and passenger

Front door sills – illuminated with changeable cover and ‘AMG’

Heated front seats

Mirror package – electrically-folding exterior mirrors and automatically-dimming driver’s side mirror and rear-view mirror

Multi-Contour Seat package – multi-contour seats with inflatable air chambers in the lower backrest and in the side bolsters  
 – Massage effect in the lumbar region through pulsating air chambers in the lumbar support  
 – Electrically adjustable lumbar support provides additional support for the spine  
 – Recommended by the AGR, a German spinal health organisation

Pre-installation for trailer coupling (not in conjunction with AMG Aerodynamic package)

<sup>1</sup>Compatible mobile phone required

**Communications, Safety and Assistance Systems**

10.25-inch digital instrument cluster and media display

AMG Drive Unit with Driver’s package

Blind Spot Assist has two radar sensors which monitor the area of what is known as the blind spot. If the system detects another road user in this area a red triangle lights up in the exterior mirror in question

Exit warning function

KEYLESS-GO (lock/unlock doors only) with chrome insert on door handle. Doors can be locked and unlocked simply by touching the handle – with no need for you to take the key out of your pocket

Traffic Sign Assist – the camera scans the forest of speed limit signs – so navigation data holds the current valid limit at all times

Mercedes-Benz sound system

Smartphone integration<sup>1</sup> including Apple CarPlay® and Android Auto™

**Trim and Upholstery**

Carbon-structure trim

Leather titanium grey pearl/black with yellow contrasting topstitching

# Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

**TERMS AND CONDITIONS**  
The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training must be booked and taken within 12 months of delivery of your Mercedes-AMG, the Training is offered on specific days only and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery, permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 71 for the relevant rate for the second and subsequent years. <sup>4</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

# Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

**Driving Assistance package** (code PAY) – designed and priced as a package, including items as listed.

**Only available on AMG Line Premium Plus, Exclusive Edition Premium Plus, Mercedes-AMG GLA 35 Premium Plus and Mercedes-AMG GLA 45 S 4MATIC+ Plus** **Total incl. VAT £1,495.00**

**Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

**Active Braking Assist with cross-traffic function** can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

**Active Distance Assist DISTRONIC** helps maintain the desired distance from the vehicle in front

**Active Emergency Stop Assist** immediate emergency braking if evasion is impossible

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

**Active Steering Assist** targeted steering intervention to prevent unintentional drifting out of lane

**Evasive Steering Assist** can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

**Route-based speed adjustment** adaption of speed before curves, roundabouts and junctions

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLA.

## Basic carrier bars for roof rails

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport accessories. Fitted in next to no time without the use of tools, thanks to new, innovative quick-grip fasteners. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable. (A2478903000)

## Mercedes-Benz roof box 400, opens on both sides

UV-resistant, impact-resistant, sturdy, durable, recyclable, spray-protected. Opens on both sides. Single lock system with 3 locking mechanisms on each side. Gas-filled struts for easy opening and closing of lid. Straps to hold contents in place. Maximum load capacity of 75 kg. Unladen weight 16 kg. (A0008401100)

## Luggage net

Mercedes-Benz luggage net – for a tidy and uncluttered interior. Versatile and, once fitted, indispensable. It is designed to secure small items and lightweight objects in place, preventing damage during transport. Not suitable for hybrid and electric variants. (A2478680000)

## All-season floor mats, dynamic squares

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour. The mats are precision-tailored to your Mercedes-Benz using the vehicle's original CAD data. Can be clip-fastened to the floor of the vehicle to prevent slipping. (Driver's/co-driver's mat: A17768080029G33; rear: A24768002039G33)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

<sup>1</sup>Figures according to Directive 80/1269/EEC in the currently applicable version    <sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging    <sup>3</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency    <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)    <sup>5</sup>If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord

# Technical data Mercedes-AMG

- Standard

Model		GLA 35 4MATIC	GLA 45 S 4MATIC+ Plus
<b>Engine</b>			
Fuel delivery		Petrol	Petrol
Total displacement	cc	1,991	1,991
Arrangement/cylinders/valves		in-line/4/16	in-line/4/16
Power <sup>1</sup>	hp (kW) at rpm	306 (225)/5,800	421 (310)/6,750
Torque <sup>1</sup>	Nm at rpm	400/3,000–4,000	500/5,000–5,250
Compression ratio		10.0:1	9.0:1
Emissions standard		EURO 6D-ISC-FCM	EURO 6D-ISC-FCM
<b>Transmission</b>			
8G-DCT 8-speed automatic		●	●
<b>Performance</b>			
Acceleration 0–62 mph	sec	5.2	4.3
Top speed (electric mode)	mph	155 <sup>2</sup>	165 <sup>2</sup>
<b>Weights and capacities</b>			
Kerb weight <sup>3</sup>	kg	1,680	1,765
Perm. Gross Vehicle Weight	kg	2,200	2,270
Boot capacity – seats up/seats down	l	495/1,430	495/1,430
Towing capacity – unbraked/braked	kg	750/1,800	750/1,500
Fuel tank capacity/of which reserve	l	51/5	51/5
Turning circle	m	11.54	11.62

Model		GLA 35 4MATIC	GLA 45 S 4MATIC+ Plus
<b>Fuel consumption<sup>4,5,6</sup></b>			
Combined (consumption dependent on chosen optional equipment)	l/100 km mpg	9.1–8.6 31.0–32.8	9.8 28.8
<b>Insurance</b>			
Group rating		38E–40E	42E
Insurance ratings may vary depending on model line and specification. Please refer to <a href="http://www.thatcham.org/abigrouprating/">http://www.thatcham.org/abigrouprating/</a> for further details			

<sup>1</sup> Figures according to Directive 80/1269/EEC in the currently applicable version <sup>2</sup>Electrically limited <sup>3</sup>Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO<sub>2</sub> values <sup>4</sup>All figures are based on a standard specification with the smallest tyre size <sup>5</sup>The choice of wheels and transmission may affect CO<sub>2</sub> emissions and corresponding Road Fund Licence <sup>6</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO <sub>2</sub> emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) <sup>1</sup>	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>
A	0	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00
B	1 to 50	10.00	25.00	0.00	0.00	0.00	155.00	510.00	165.00	520.00
C	51 to 75	25.00	120.00	15.00	0.00	0.00	155.00	510.00	165.00	520.00

L	226 to 255	2,015.00	2,365.00	2,005.00	0.00	0.00	155.00	510.00	165.00	520.00
M	over 255	2,365.00	2,365.00	2,355.00	0.00	0.00	155.00	510.00	165.00	520.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

<sup>1</sup>Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)

<sup>2</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLA, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

[Click here for more information](#)

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover<sup>3</sup>. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Retailer. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

<sup>1</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers    <sup>2</sup>Subject to full Terms and Conditions, dependent on date of registration, available upon request  
<sup>3</sup>Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance
