SOFT TOP

Sunshine state of mind: in about only 15 seconds, the automatic soft-top system of the Mercedes-AMG SL gives your customers their own personal place in the sun. With the top down, the SL impresses with outstanding comfort all year round. Even when the outside temperature is very low, the AIRSCARF and the zone seat heating create a cosy atmosphere.

The fully automatic, comprehensively insulated fabric top opens in about only 15 seconds at vehicle speeds of up to 37 mph.

2+2 SEATING

In everyday life, your customers will benefit from the intelligent space layout, as the SL is designed as a practical 2+2 seater. The fixed rear seat offers space for two additional occupants up to 1.50 metres tall or serves as additional stowage space within easy reach.

Mercedes-AMG SL

TECHNOLOGY

AMG PERFORMANCE 4MATIC+

For the first time, the SL also puts its power on the road with the state-of-the-art AMG Performance 4MATIC+ all-wheel drive system. In combination with the powerful M177 4.0-litre V8 biturbo engine, your customers will enjoy a driving experience at the highest level.

REAR AXLE STEERING

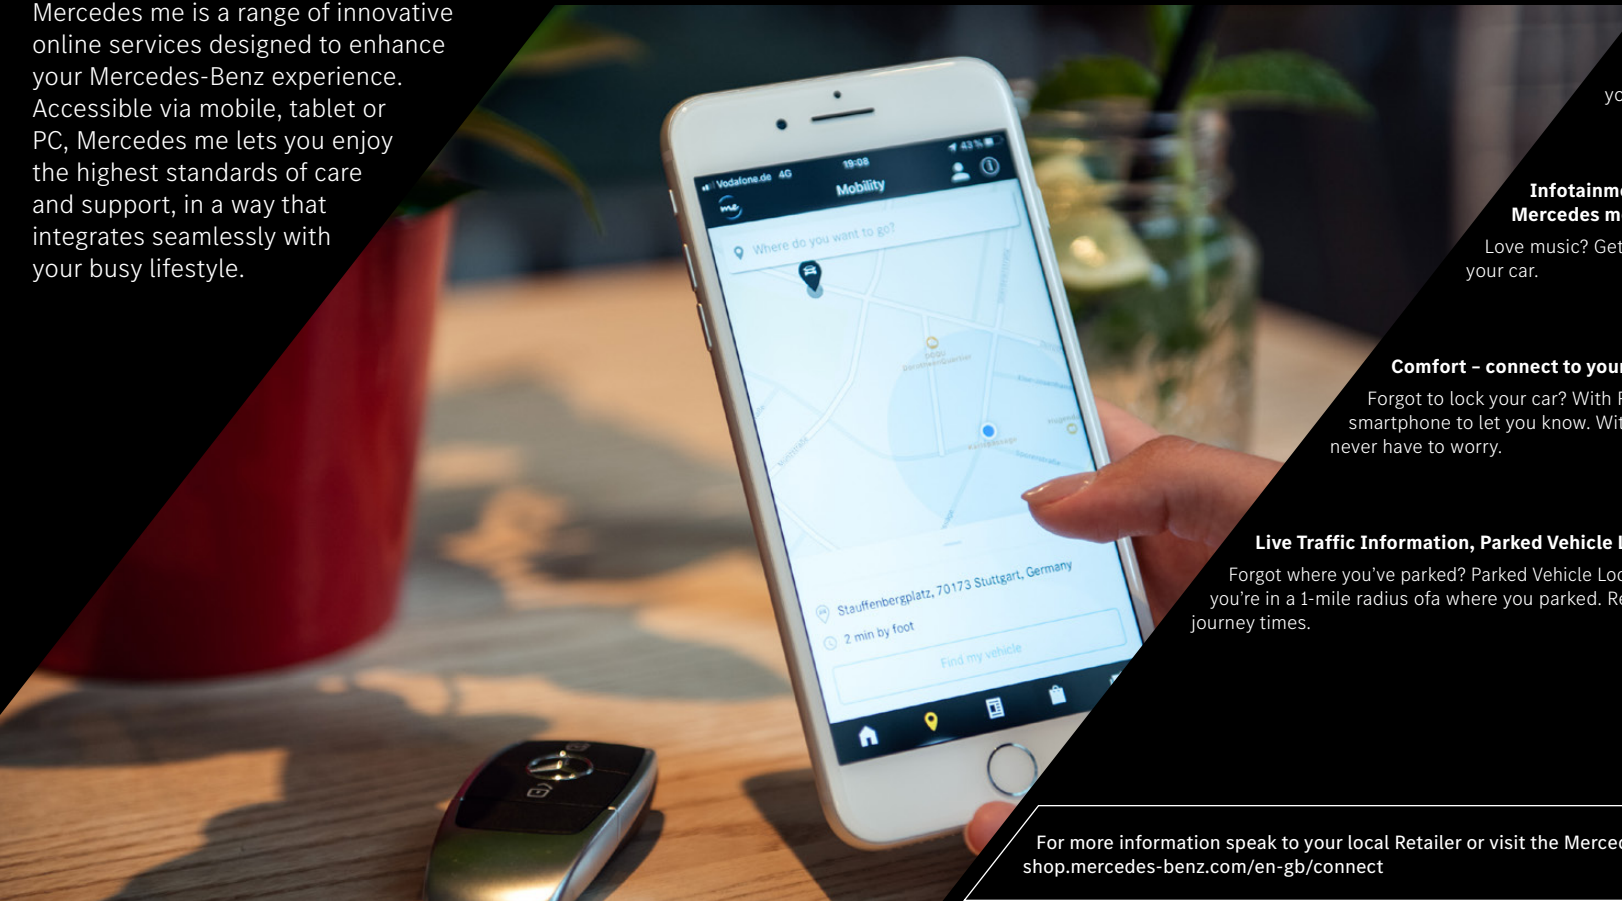

AMG rear axle steering combines attributes which are not normally combinable: driving safety and comfort as with a long wheelbase, yet the agility of a vehicle with a short wheelbase. On each rear wheel there is an electric actuator motor which can turn the wheels in the same direction as the front wheels or in the opposite direction, depending on the vehicle's speed. In extremely sporty situations, adaptation by the rear axle steering can avoid ESP® intervention.

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 36 for the relevant rate for the second and subsequent years. ⁴The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

DRIVING ASSISTANCE PACKAGE (code 20)

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road.

- **Active Distance Assist DISTRONIC** controls the distance to vehicles in front up to a speed of 131mph and if necessary brakes the vehicle with up to 50% of the maximum braking power

- **Active Steering Assist** helps the driver keep the vehicle in the centre of its lane on straight stretches of road or slight bends. Reduces the risk of accidents and improves protection for both the occupants and other road users

- **Active Speed Limit Assist** adopts speed limits detected automatically as the new set speed for Active Distance Assist DISTRONIC

- **Active Braking Assist** with Cross-Traffic Function and Congestion emergency braking function can help to avoid or lessen the consequences of accidents with vehicles in front as well as crossing vehicles and pedestrians

- **Evasive Steering Assist** is able to support the driver with making an evasive manoeuvre when, in a situation of danger, he/she decides to avoid a pedestrian who has been detected by the system

- **Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided brake application

- **Active Lane Keeping Assist** can warn the driver when they unintentionally leave their lane and can use one-sided brake applications to help manoeuvre the vehicle back into its lane (including in the case of broken lane markings if there is a risk of collision)

- **PRE-SAFE® PLUS** is able to initiate preventive measures to protect occupants against an impending rear impact, including warning traffic following behind, activating the seat belt tensioners or applying the brakes when the vehicle is stationary

- **Route-based speed adaptation.** Adaption of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems

Total incl. VAT £2,500.00

	mpg	21.9	21.9

Insurance		
Group rating	tba	tba

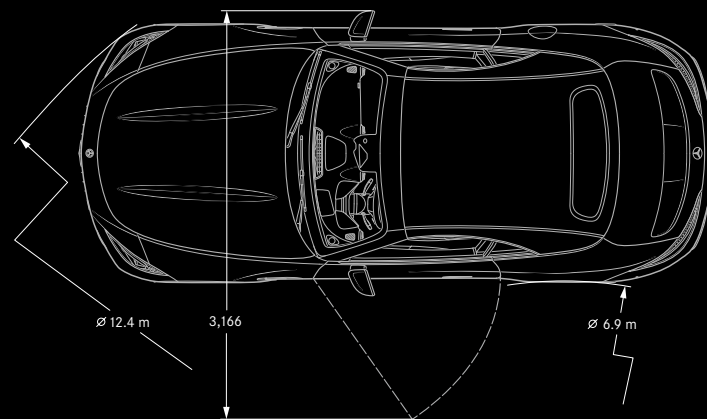

Insurance ratings may vary depending on model line and specification. Please refer to <http://www.thatcham.org/abigrouprating/> for further details

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values ³All figures are based on a standard specification with the smallest tyre size ⁴The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ⁵The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

Mercedes-AMG SL 55

Mercedes-AMG SL 63

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

Design	Technology	Model lines	Driving experience	Model prices	Upholstery	Personalisation	Standard equipment	Technical data	Additional information
--------	------------	-------------	--------------------	--------------	------------	-----------------	--------------------	----------------	------------------------

ROAD FUND LICENCE

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) ¹	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²
A	0	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00
B	1 to 50	10.00	25.00	0.00	0.00	0.00	155.00	510.00	165.00	520.00
C	51 to 75	25.00	120.00	15.00	0.00	0.00	155.00	510.00	165.00	520.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price
¹Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)
²Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

SERVICES AND INSURANCE

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-AMG GT, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers

²Subject to full Terms and Conditions, dependent on date of registration, available upon request

Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.
