# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Intelligent voice control lets you control many functions, including destination input

Multi-gesture touchpad control

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you
- MBUX is able to understand different accents and will adjust to you over time

## Personalisation

- Turn the V-Class or Marco Polo into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently available for three years and can be extended via the Mercedes me store

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP> <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. # Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your V-Class and/or Marco Polo.

## Load compartment tub, shallow

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Structured surface holds separately available stowage crate in place. (A4478140041)

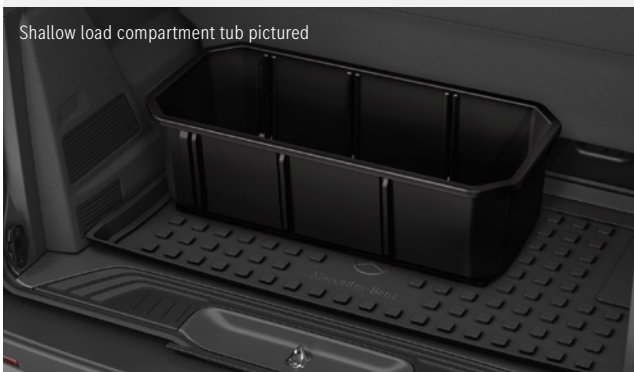

## Stowage crate

The robust plastic stowage box creates order in the boot. The box can be divided into two sections using the enclosed rigid dividing element and be combined with the Mercedes-Benz boot tub thanks to the ribbed structure at the bottom. Capacity: 51 litres. (A0008140400)

## Load compartment tub, deep

Keeps the load compartment clean and protects it from scratches. Made from lightweight, robust plastic. (A4478140141)

Shallow load compartment tub pictured

## Alustyle basic carrier bars for rails, two crossbars

Elegant aluminium bars, precision-tailored to the body of your vehicle, offer a multifunctional basis for a range of Mercedes-Benz transport accessories: ski and snowboard racks, bicycle racks or roof boxes. Crash-tested. Easy to fit to roof rails. Maximum roof load: 100 kg. Usable width: 135 cm. (A4478902000)

## Mercedes-Benz roof box 450

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. (A0008400300)

## Retrofit roof rails (for V-Class Extra Long)

For retrofitting roof rails to models which are not factory-fitted with roof rails. Kits consist of roof rails and the required mounting hardware. Complete kit, providing a fast, simple way to retrofit roof rails to the standard roof. (A4478400400)

**BABY-SAFE plus II child seat, with ISOFIX**

Suitable for children up to around 15 months of age (up to 13 kg), the seat features automatic child seat recognition and standard automatic airbag shutoff for use on the front passenger seat with airbag. The ISOFIX attachment system comes as standard; but can be used with vehicle's three-point seat belt as an alternative. (A0009701302)

**DUO plus child seat, with ISOFIX**

Suitable for children between the ages of 9 months to 4 years (9 to 18 kg), the seat offers optimum protection in the event of an accident. Sitting, reclining and sleeping positions are adjustable with one simple manoeuvre. A system that grows along with your child: the harness height is easy to adjust in seven stages - with central, one-pull belt length adjustment. (A0009701702)

**KIDFIX XP child seat, with ISOFIX**

Suitable for children between the ages of 3.5-12 years (15-36 kg) and securely attached to the vehicle by means of ISOFIX or the vehicle seat belt. The seat's strengths include its exemplary side impact protection, courtesy of the energy-absorbing XP-PAD, which reduces impact in the event of a collision. Large, padded side wings also enhance side impact protection. Adjustable belt guides and headrest allow the seat to grow with your child. (A0009702302)

**Head restraint modular system**

Carefree travel with Mercedes-Benz Style & Travel Equipment. The head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with a coat hanger, universal hook, folding table and tablet mount. Base support (A0008103300) Coat hanger (A0008103400) Folding table (A0008160000) Bag hook (A0008140000)

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your V-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz. With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash. You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover<sup>3</sup>. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Retailer. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.
