**14 driving
assistance
systems**

sporty, spacious & hybrid

The all-new Arkana sports SUV looks like no other car in its class with its flowing lines and sleek coupé design. Sporty, Arkana also retains its SUV roots with ample interior space and generous boot space. The E-Tech engineered trim with the E-TECH Hybrid powertrain embodies the best of what Arkana has to offer.

immersive pleasure

E-Tech engineered has mixed leather/suede upholstery with stitching, leather* steering wheel, carbon-like dashboard and aluminium pedals, the cockpit of the E-Tech engineered version exudes sportiness with a premium feel.

When it comes to driving, the multi-sense** system offers a choice of 3 driving modes and 8 interior ambient lighting for a personalised experience.

*please contact your Renault dealer for more details on the materials used.

**standard from techno.

simply hybrid

The efficient E-Tech full hybrid system combines two electric motors with a petrol engine. The electric motors can drive the car on short distances or support the engine, for example when you need extra power in acceleration phases. The car switches seamlessly between driving modes whilst the electric power is supplied by a small traction battery which recharges through regenerative braking and is located under the back seats. This clever system allows you to reduce fuel consumption, enhances your driving experience with improved responsiveness.

A close-up photograph of a black, textured interior trim piece, likely from a car. A gold-colored badge is mounted on the trim. The badge features a stylized 'E' logo on the left, followed by the text 'E-TECH' in a large, bold, sans-serif font, and 'HYBRID' in a smaller, similar font below it. The background is a dark, textured surface, and a thin black line is visible on the right side of the frame.

E-TECH
HYBRID

1. main menu with links to navigation, radio, music, telephony, applications, etc.
2. 3D navigation interface with Google search for addresses
3. multi-screen interface: driving assistance, multi-sense and customisable widgets

intuitive interface

e-shifter not available on UK specification

At the heart of the smart cockpit, find a large 9.3" vertical touchscreen* on the central console. As easy to use as a smartphone, it gives you access to connected navigation services (with European maps) and allows you to control all the functions of your Arkana, such as driving aids or the multi-sense system to change driving modes and ambient lighting colours.

*Standard from techno

1. Android Auto™ and Apple CarPlay™ compatible smartphone mirroring
2. My Renault app

connectivity

2

Accessible on your smartphone through the MY Renault App or on a web portal, MY Renault allows you to interact with your vehicle remotely, it can help you locate your vehicle or prepare your journey. With the easy link multimedia system on the 7" or 9.3"* screen, find your favourite apps with Android Auto™ and Apple CarPlay™ compatibility as standard. 4G connectivity gives you access to map and system updates, as well as using Google to search for addresses.

* depending on the version .
Android Auto™ is a trademark of Google Inc.
Apple CarPlay™ is a trademark of Apple Inc.

1. boot volume up to 513 litres
2. 60:40 layout
3. three real seats at the rear

spacious & practical SUV

The all-new Arkana reinvents the class as a coupé with the space of a saloon. The 513 litres (480 litres on E-Tech hybrid) boot offers generous capacity and is easy to access with its large hatch door. Inside, there's plenty of space for everyone. At the rear, passengers can enjoy plenty of headroom despite the sloping roofline of Arkana thanks to a clever orientation of the back seats designed to maximise space and comfort.

hands-free parking*

Parking made easy. Once the car has identified the parking space, it will park into it - all you need to do is control the throttle.

automatic high / low beam**

A camera positioned on the windscreen will detect the light flows and automatically switch from high to low beam when you enter a build-up area or cross another vehicle.

lane departure warning****

The system informs the driver of unintended crossings of a solid or broken line, using the camera located on the windscreen, behind the rear-view mirror.

adaptive cruise control with speed limiter*

This cruise control will maintain a safe following distance from the vehicle in front with automatic inputs on the throttle and brakes.

cruise control with speed limiter***

Control your speed while driving using the buttons on the steering wheel and set your maximum speed to ensure you stay within the limits.

blind spot warning**

A sensor will detect vehicles in your blind spot and will warn you via a light signal on your door mirrors.

9 driving assistance systems

All-new Renault Arkana is equipped with nine innovative driving assistance systems. Your SUV promises you a resolutely safe journey.

traffic sign recognition****

A camera will read traffic signs and display them in your instrument panel so you are always aware of speed limits.

rear-cross traffic alert**

A sensor will check vehicles you cannot see when pulling out of a parking space.

lane keep assist****

Alerts you and gently corrects your trajectory if your vehicle changes lane without signalling.

(1) WLTP (Worldwide Harmonized Light Vehicle Test Procedures) figures shown are for comparability purposes. Actual real-world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. Please consult with local dealer or refer to www.renault.co.uk/configurator for more information.

accessories

1. flame red exterior customisation pack

Use colour to set yourself apart: the customisation pack (combined with the wheel caps and the front bumper skirt) makes your Arkana unique, reflecting your personality.

2. white boot spoiler

accentuate the sporty nature of your vehicle. A little extra that makes a world of difference!

3. sports pedal unit and premium textile mats

enjoy the refinement of the premium textile mats that stylishly accompany the aluminium pedals for an extra touch of sportiness.

4. side steps

get off the beaten track with go-anywhere styling. A convenient accessory that makes it easier to access your vehicle and its roof. They also protect the body from everyday minor knocks.

5. easyflex modular boot protection

protect your Arkana's boot with its anti-slip and waterproof easyflex protection that adapts to the seat configuration and rear bench seat by covering the entire load space with a 480-litre capacity.

Some accessories require the vehicle to be registered before fitment. Your selected dealer will be able to offer further advice on this and provide you with a quote for fitment for vehicles already in dealer stock. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures.

EASYLIFE SERVICE PLAN

3 Years / 30,000 miles

4 Years / 40,000 miles

*The EasyLife Service Plan offer is available for all retail vehicles and valid at participating dealers only or Renault.co.uk and can be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 04 October 2022 to 31 December 2022 and registered to 31 March 2023. **The EasyLife Service Plan is available for eligible retail vehicles on a 36 or 48 monthly payment option and are only available at point of signing a finance agreement provided by Renault Finance. Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over the 18 to apply for finance. Terms & Conditions apply.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

services

We are always at your side to make life easier and save you time with the maintenance of your RENAULT: online quotes and appointments, packages, maintenance contracts, insurance and assistance, personalised MY RENAULT programme... Take advantage of our simple, fast solutions tailored to your needs.

your first steps

All the information you need can be found:

- on our websites, product/service/finance offers, test-drive appointments, etc.
- in our dealership network, meetings with our sales and technical teams.

Renault Service, 100% covered

Guard against the unexpected with our extended warranties, insurance policies and Renault Assistance, which are always there for you.

My Renault, day-to-day partner

Enjoy the benefits of a personalised web account, especially for advice, offers, exclusive perks, maintenance programme reminders, your upcoming appointments, etc.

Renault Service, no-worries maintenance

Our Renault Service maintenance contracts offer you the benefits of a bespoke all-inclusive package.

accessories, your custom Renault

Our range of accessories contains everything you need to make your vehicle even more attractive, practical, comfortable and customised.

Renault services

5 Year Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years^o.

3 Year Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus

comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty¹. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.

Renault car insurance: **0330 102 7794[†]**
www.renaultcarinsurance.co.uk

Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
- Tyres can be included within the contract at an additional fixed cost
- Ancillary equipment can also be included (at an additional fixed monthly cost)
- Excludes: Damage/Neglect/Abuse/Glass & Bulbs
- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare

Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Team on 0344 3350000[†] (Mon-Fri 8.00am to 6.00pm. the R16 icon

the first modern, hybrid family car with a tailgate

In the early 1960s, French people aspired to a better life, new comfort and greater autonomy. Renault was very attentive to these changes in behaviour and carried out an in-depth analysis of the new uses of the car. Alongside the saloon cars that make the brand so successful, there was a place for a more plush, modern, status-oriented vehicle. A vehicle aimed at a new target group of wealthier families who want to be able to travel on a daily basis and go away for the weekend with peace of mind.

A development team set out to meet this demand and gave birth to the R16. The look of the car, created by the visionary designer Philippe Charbonneaux, was astonishing in more ways than one at the Geneva Motor Show in March 1965: aerodynamic lines, no visible boot, sharp angles, a fifth hatchback door and large glass surfaces. The style was resolutely modern. The interior was no exception. The passenger compartment is light and airy, with plenty of room in the front and rear, and the 7-way adjustable seats allow the space to be transformed

at will. On the technical side, designer Yves George also innovated: the engine block was made of aluminium, the closed cooling system had automatic ventilation, and the four-wheel independent suspension used torsion bars to ensure excellent road holding.

Innovative, original, on the borderline between a saloon and an estate car, hyper-functional yet affordable, the R16 was different. A crossover before its time, the R16 was a real success both in terms of design and technology: certain features such as the electronic automatic gearbox, the sliding bench seat and the central door locking system were truly avant-garde. Avant-garde, a word that also describes all-new Arkana. The natural successor to the R16, this sporty SUV also shakes up the traditional codes. Emotion, dynamism and innovation have been passed down through the ages and, today as in the past, inject a breath of passion into life.

→ car of the year in 1966

→ nearly 2 million cars produced

→ sold for almost 15 years
