

# RENAULT MASTER

Accessories

August 2021

## Optimum utility

Make your day-to-day activity straightforward using functional equipment: this is particularly important in your professional life. The range of equipment and accessories offered by Renault for your New MASTER enables just this, providing practical solutions which make your essential activity more efficient.

## On-board experience / Protection

---

### Bespoke comfort

Renault has thought of everything to increase and maintain your daily comfort on board your New MASTER! Dress it in super tough wearing, 100% waterproof, heavy duty seat covers, which also protect the original upholstery. Simple to install with their system of intuitive attachments, they are also easy to clean – qualities which are also apparent in the range of passenger compartment floor mats made of rubber or textile (premium models).

#### 1. Heavy duty seat covers

(77 11 276 458 - driver seat black)

(77 11 276 465 - passenger seat with 2 separate squabs (access to under seat storage))

(77 11 276 468 - Universal double passenger seat)

Order through AOL or direct from the supplier.

#### 2. Rubber floor mat

(77 11 434 249)

#### 3. Textile floor mat

(77 11 427 552)

## Renault iCare

Renault iCare is an innovative Service, Maintenance & Repair product aimed at supplying business customers with the highest levels of support, professionalism, quality and service.

see the digital brochure.

## Safety

---

# Work with peace of mind

Spending the better part of your time behind the wheel, while keeping peace of mind on a daily basis is no big deal for Renault. Safety always comes first. The Kenwood dashcam is designed to give the driver added peace of mind. It is a great addition for extra security and reassurance on the road. The on-board camera automatically starts recording as soon as the vehicle is switched on. Then there is the safety kit, made up of a vest, first-aid kit and a emergency warning triangle; finally there's the 2 kg fire extinguisher with gauge, which complies with European standards. Thanks to these pieces of tested equipment, you're prepared!

**1.** Kenwood dashcam

(77 11 599 197)

**2.** Fitted fire extinguisher - 2kg

(77 11 419 388) (77 11 426 006)

**3.** Safety kit (vest, warning triangle and first aid kit)

(77 11 433 857)

## Your vehicle fitted with made-to-measure equipment

It's in Renault's DNA to make your life easier. This is why we have designed an entire range of equipment and accessories dedicated to further improving your vehicle's performance and safety on the road.

## Transport

# Practical

New MASTER's capacities have never been better! The basic model is already very spacious and the Accessories range allows you to significantly increase its loading and carrying capacity. For example a roof rack which is well-adapted to New MASTER. Offered in aluminium or steel (depending on the length of the vehicle), it safely allows for up to 150 kg of extra load. Robust, treated to resist rust, and tested for aerodynamics, it includes a deflector which markedly reduces wind noise. The ladder attached to the rear door gives easy, risk-free access to the roof rack or roof bars. And if you still don't have enough space, think about the various towing systems – removable or fixed – so you can easily connect your trailer. Also customise the inside of your New MASTER with Sortimo racking options, personalised to you!

**1. Roof rack with walkway and ladder**  
(77 11 425 823 - L2H2) (77 11 425 827 - H2)

**2. Standard towbar**

Available for FWD, RWD & RWD Twin Wheels  
(82 01 710 498) (77 01 408 018)

**3. Sortimo Racking**

Bespoke options available

**4. Roof bars and ladder**

(77 11 425 820) (77 11 425 826 - H1)

## Protection

# Also cover your back

Stay in control under all circumstances with New MASTER. Protect the inside of your vehicle by adding ply lining to the interior. Our Thatcham quality assured locks are perfect for those who are looking for additional security. DeadLocks improve security by adding an additional locking point to the door and therefore works independently to the vehicles existing locking mechanism. Alternatively, the ArmourShell enables high security, low maintenance with its semi-automatic locking system housing the hardened steel locking bolt. A simple push-to-lock mechanism, allows for quick and easy vehicle lockup. The rear side step facilities access to the loading area, whilst protecting the bumper. The rear camera helps the driver during reversing parking, with the camera fitted in the brake light. It comes with a 7" Dashboard monitor. Mud flaps will also help to protect the bottom of the front and rear body.

### 1. Ply Lining

Image is for illustration only.  
Refer to AOL for compatibility.

### 2. Dead Lock

(See reference list for part numbers)

### 3. ArmourShell 2 Door Lock

(77 11 434 057)

### 4. Rear side step

(77 11 785 881)

### 5. Reversing camera

(82 01 527 754)

### 6. Front and rear mud flaps

(63 85 021 84R) (78 81 300 68R)

(RWD - dual wheels: 78 81 373 77R)
