## **My Renault: the link between you, your Renault and your smartphone**

to get the most out of your Renault and manage your vehicle at your fingertips wherever you are, nothing could be simpler and more efficient.

connect your Renault to your application now.

## **my vehicle is equipped with easy link**

### **#1 open My Renault application and register your vehicle**

press "add my vehicle" and enter the car identification number (VIN) or license plate to register it

### **#2 connect your vehicle with the My Renault app**

- 1 stay in your car with engine off
- 2 you can now start the procedure with the My Renault App. Press "synchronisation" then "pair my Renault" and "start"
- 3 start your engine and accept data sharing on the multimedia system window that appears
- 4 press "request a code" in My Renault app
- 5 a 6 digits code will be displayed on your vehicle multimedia screen
- 6 enter the code in the App window on your phone and press "Let's get started"

## **my vehicle is equipped with openR link**

### **#1 open My Renault application and create your account by following the on-screen instructions**

### **#2 create your Google account in two steps. If you don't have a Google account yet:**

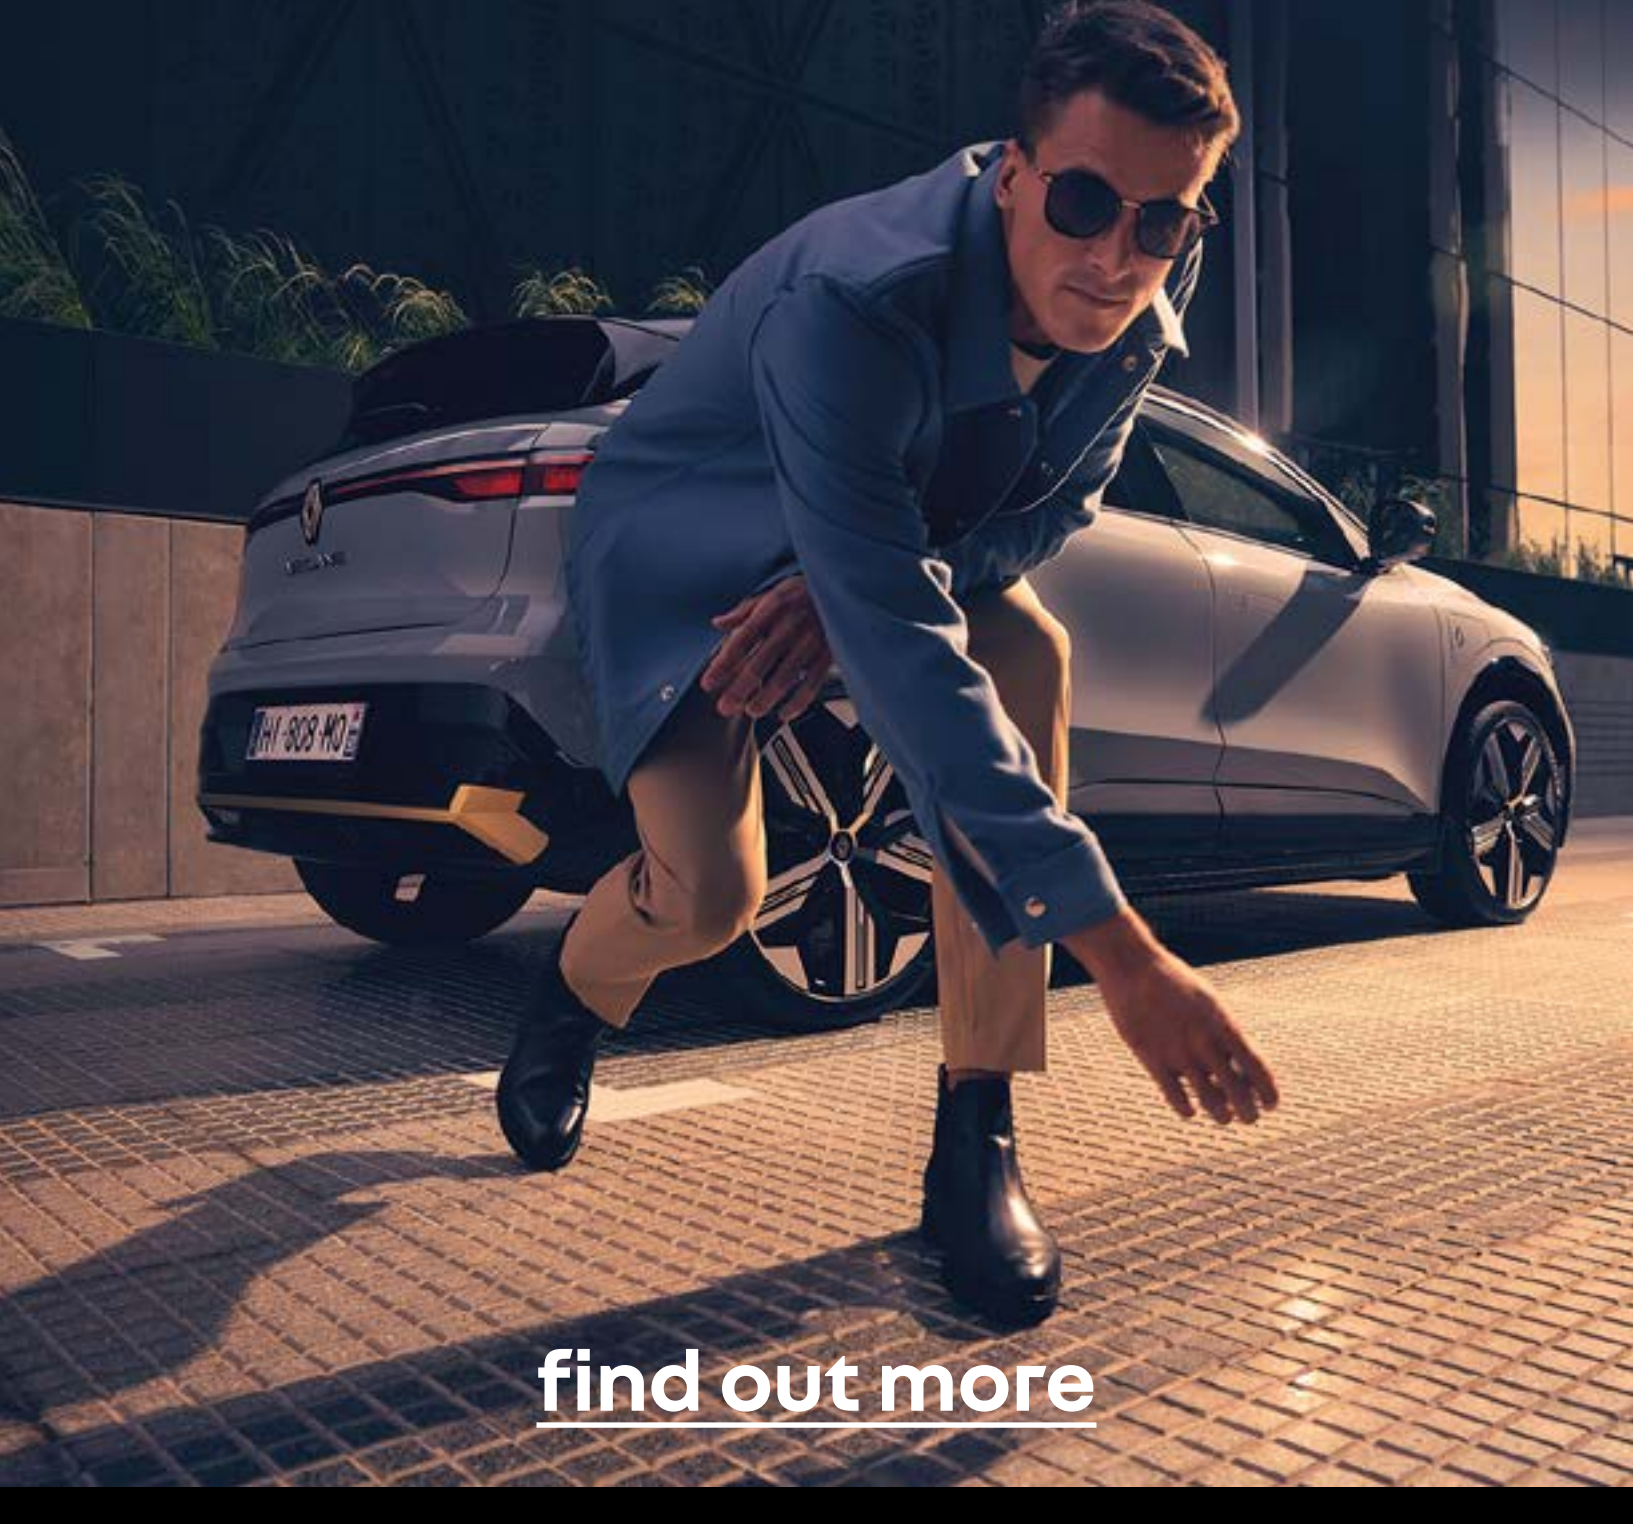

- 1 click on this link:  
[www.google.com/accounts](https://www.google.com/accounts)
- 2 click on "create an account" and follow the instructions on the screen (if you already have a Google account, click on "sign in" and enter your login details)

### **#3 take advantage of the free ORANGE 3GB\* format in two steps**

- 1 click on this link:  
<https://internetonthemove.orange-business.com/renault/>
- 2 create your ORANGE account and, as soon as you receive your registration certificate, complete your profile with your VIN number (vehicle identification number)

\* valid for 6 months. Google, Google Assistant, Google Play and Google Maps are trademarks of Google LLC.

## **congratulations, with My Renault, you're now ready to get the best out of your vehicle!**
