## stand out from the crowd

Fit your new Trafic passenger with chrome side steps, and you'll enhance its look and make it even more practical. The door mirror shells and the chrome-finish door handle covers have the same task - to protect your vehicle while enhancing it. As such, the short aerial enhances the roofline where the sport strip sticker will give your Trafic an even more dynamic look.

## an interior that is truly yours

Discover our solutions for customising and enhancing the passenger compartment's comfort. Trim the original upholstery with custom-made seat covers. They are as easy to install and clean as the floor protection mats. Made from a comfortable carpet, branded Traffic, these preserve your interior so that you can maintain its condition like the first day. And for even more style, add stainless steel door sills; when lit, they will give your new Traffic Passenger an original and resolutely modern touch.

## put it to the test

No matter what your travels, new Trafic passenger is ready to take care of everything. The boot liner makes it easier to transport your everyday items while protecting your vehicle. In the event of any extra luggage, the roof box, rigid and secure, takes care of it. A sporty getaway? The Coach bicycle rack - capable of holding up to four bikes safely - allows you to push the boundaries of your adventures. Using a trailer? Our standard towbar packs without tow ball have all the qualities: safe, resistant and practical. As for the aluminium roof bars, easy to install, they will support you in all your leisure needs.

## drive off with confidence

Drive with complete peace of mind thanks to our innovative solutions, such as the rear-view camera. Equally reassuring, the fire extinguisher - in line with European standards - as well as the partition grille, look after you in all circumstances. Blinds will keep light out of the back space. Also, the Baby-Safe Plus seat with full tilt, protects who is most important for you.
