

CHRYSLER SPECIFICATIONS  
300C

With its deeply sculpted bonnet and distinctive wide-checked grille, the Chrysler 300C exterior is outspoken and proud. And its interior features are equally impressive. From the instrument panel comes the glow of classic white gauge faces. This stylish passenger cabin has the following features available; a Boston Acoustics™ seven-speaker premium sound system with subwoofer, 368 watt digital amplifier, and six-disc MP3-compatible CD player, or which offer an exclusive symphony in C, while an automatic dual zone infrared climate control system ensures concert hall comfort.

\* Woodgrain shown above is optional on 3.5L V6 and standard on 5.7L Hemi V8.

— Bore and Stroke	99.5 x 90.9
— Valve System	Pushrod 16-Valve
— Power (kW @ rpm)	250 @ 5000
— Torque (Nm @ rpm)	525 @ 4000
— Multi-Displacement System (MDS)	Std

There is more to 300C than strikingly good looks. Standard power performance four-wheel disc anti-lock brakes with ESP, all speed traction control, brake assist and large 18-inch aluminium wheels stand ready to deliver outstanding abilities. The available 5.7L HEMI® V8 engine offers muscular power, and a Multi-Displacement System (MDS) provides up to 20 percent increased fuel economy. The actual percentage of increased fuel economy depends upon driving habits. When its full capacity is used, the 5.7L HEMI V8 produces 250 kW and can clock 0 to 100 km/h in approximately 6.4 seconds. The 300C also offers a 3.5-litre High Output V6 engine with 183 kW.

There is more to 300C than great looks and well-sculpted interior accents. Its five-speed AutoStick® transmission provides fun, clutchless manual gear changes, or ultra-easy automatic shifting, whichever you choose. Durable leather-trimmed seating holds its good looks, and an eight-way power driver's seat remembers your favourite driving position. The 300C interior is both cargo- and passenger-friendly, with 504 litres of versatile boot space. Split-folding 60/40 rear seats allow easy loading of long items, such as golf clubs or skis.
