

DODGE CALIBER

ACCESSORIES 2006

DODGE

Overseas model shown.

Overseas model shown.

ATTITUDE PACKAGE

Crank up Caliber's take-no-prisoners street presence with the Attitude Package. This package provides enough bling to blind an eye and adds even more allure to an already head-turning machine.

6.5x17-INCH ALUMINIUM WHEEL WITH CHROME FINISH. Emphasise the dynamic yet refined look of your Caliber. These wheels have been stringently tested for fit, performance and reliability with the corrosion resistant chrome finish helping to ensure long-lasting good looks.

CHROME BODYSIDE MOULDINGS. Designed to literally pack a punch. Make your doors gleam while emphasising your Caliber's magnificently sculptured bodylines (standard on R/T models).

CHROME FUEL FILLER DOOR. Replaces the existing fuel filler door and provides a bright, quick access complement to your Caliber's styling.

Floor mat shown not available in Australia.

DOOR ENTRY GUARDS. Add a tasty touch of stainless steel style to your vehicle while helping to protect its interior door sills from scratches. Front guards feature Caliber logo. Set of 4.

REAR SPOILER. Not only does it provide a little aerodynamic incentive, it also attracts approving looks with its uncompromising presence. Comes primed ready to paint.

Overseas model shown.

ROAD TRIPPIN' PACKAGE

The glistening ocean on your left, the seamless blue sky above and nothing but the road less travelled in front of you. The Road Trippin' Package equips your Caliber with luxuries for a relaxing and fun-filled escape. After all – the journey is just as important as the destination.

iPod® ADAPTOR. Installs in Caliber's dashboard to seamlessly integrate your MP3 player or personal music player into Caliber's sound system. The iPod® Adaptor is within easy reach of the 12-volt power outlet and the MP3 player cradle that was designed into Caliber's centre console armrest.

REMOVABLE ROOF RACK*. Installs easily when you need it, and removes easily when you don't. Accommodates all genuine sports and cargo carriers to keep up with your active lifestyle.

ROOF BOX CARGO CARRIER. This tough, locking thermoplastic carrier keeps cargo dry and secure in any weather. Carrier features quarter-turn installation and gas cylinder opening system. Attaches to **Removable Roof Rack** and features Dodge logo. Available in two sizes.

PREMIUM FLOOR MATS. Made of plush nylon carpet. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Features Ram's head logo. Available in Slate Grey.

NAVUS® DASH-MOUNTED NAVIGATION SYSTEM. An advanced, yet affordable way to add GPS technology to your vehicle. The Navus full-colour LCD display features touch-screen controls, full-map view with turn-by-turn directional prompts, trip information (including time, compass, vehicle speed and kilometre log), automatic re-routing, voice instructions and much more. Included is a 256 MB Compact Flash Memory Card loaded with detailed street-level maps and points of interest for all of Australia (late availability 2006).

iPod® is a registered trademark of Apple Computer, Inc.

Navus® is a registered trademark of DaimlerChrysler Corporation.

Carrier is for illustrative purposes only and not included with listed accessory.

AND IN THIS CORNER...

6.5x17-INCH ALUMINIUM WHEEL WITH CHROME FINISH. Emphasise the dynamic yet refined look of your Caliber. These wheels have been stringently tested for fit, performance and reliability with the corrosion resistant chrome finish helping to ensure long-lasting good looks.

WHEEL LOCKS. Includes four new lug nuts and a special fitting key to offer maximum wheel and tyre theft protection. Sold in sets of four.

MOULDED SPLASH GUARDS. Help protect your Caliber's rear fascia from damage caused by gravel, salt and road debris, while adding some classic style. Guards available for rear only.

TOWBAR*. Comes as a complete towing solution. Kit includes tow bar, tongue, tow ball and wiring harness.

FOG LIGHTS*. Designed to help undercut inclement weather and minimise glare. Lights are integrated into the fascia openings and feature unique bezel and switch.

ROOF MOUNT BIKE CARRIERS*. Made of brushed aluminium and designed to accommodate virtually all types of bikes. The **Fork-Mount style** carries one bike securely by the front fork and rear wheel. The **Upright style** carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces. Designed for use with **Removable Roof Rack** (sold separately).

Overseas model shown.

INTERIOR APPLIQUE. The performance-inspired Carbon Fibre Instrument Panel magnifies the look of your Caliber's interior with a dose of even higher-tech. A special UV coating helps to protect the applique and surround maintain their high gloss finish.

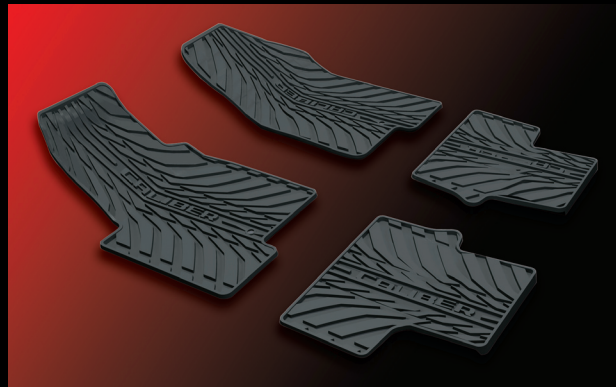

BRIGHT PEDAL KIT. Stainless steel metal adds plenty of bold brightwork to your footwell to get your pulse racing. Rubber inserts on production pedals provide contrast against the high-tech looks as well as plenty of positive traction. No drilling required.

GEAR SHIFT KNOB. Made of Billet Aluminium, this Gear Shift Knob, with its Carbon Fibre look, will turn your Caliber's interior from tough to mean. Direct swap installation.

PARK PILOT® REAR PARK ASSIST SYSTEM⁴. Uses sound waves to help detect nearby obstacles and helps you manoeuvre in reverse at low speeds. Audio-visual indicators in the overhead display in the rear of the vehicle help to alert you to the proximity of most larger, stationary objects that might be outside your line of sight.

SLUSH-STYLE FLOOR MATS. Mats feature the Caliber name, as well as rubber-nibbed backing with driver's side positive retention to help keep them in place. Deep grooves help keep water and mud from spilling on the floor. Available as a set of four in Slate Grey.

UCONNECT HANDS-FREE COMMUNICATION. An exclusive, voice-activated, hands-free, in-vehicle communication system that utilises a small control pad, microphone and speaker. It encourages safer vehicle operation and doesn't compromise driver control. UConnect allows you to dial a mobile phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names (four numbers per name) in the system's address book, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables a mobile phone to connect to your vehicle without

wires or a docking station. This leading-edge technology will allow you to store a mobile phone anywhere within the vehicle. UConnect is simple to use — all you need is a Bluetooth Hands-Free Profile mobile phone from any mobile carrier.⁵

IMPORTANT:

⁵ You can retain your current mobile carrier and mobile phone number (and one bill) as long as your mobile phone employs Bluetooth Hands-Free Profile version 1.0 or higher.

[#] Bikes and Cargo are for illustrative purposes only and not included with the listed accessories.

^{*} Always check entire surroundings before reversing. Park Pilot is a registered trademark of Robert Bosch (Australia) Pty. Ltd.

^{*} Do not exceed rated tow capacity of the vehicle as equipped. Towing may require some items not supplied by DaimlerChrysler.

^{*} Check state and local regulations for restrictions on installation and use.

THE GENUINE DIFFERENCE

DESIGNED FOR YOUR DODGE. PERIOD. A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into every part and accessory we make. Every Genuine Dodge Accessory is original equipment which means that the Dodge Accessories in this catalogue are designed by Dodge engineers — the people who know your Caliber better than anyone else.

OUR PRODUCT IS A RESULT OF UNCOMPROMISING STANDARDS. You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

OUR PROCESS IS AN ADHERENCE TO STRICTER TESTING. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that Genuine Dodge Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

OUR PROMISE IS DEMONSTRATED IN OUR SUPERIOR WARRANTY COVERAGE. When installed on a Dodge Caliber that's within the New Vehicle Limited Warranty period, Genuine Dodge Accessories are covered by the unexpired balance of the 3-year/100,000-kilometre New Vehicle Limited Warranty, or a 12-month/20,000-kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by every Dodge dealership in Australia. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Dodge Caliber with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.

Important Customer Information: The information contained in this brochure was correct at the time of printing, August 2006. However, DaimlerChrysler Australia/Pacific Pty. Ltd.
