

JEEP CHEROKEE 2006 ACCESSORIES

GENUINE JEEP® ACCESSORIES **Jeep**

Overseas model shown.

F A S H I O N T A K E S T H E H I G H R O A D

Genuine Jeep Accessories are designed and engineered specifically for your vehicle. This is accomplished through cooperative interaction with Vehicle Engineering Teams. Every effort is made to prevent the onset of corrosion and maintain vehicle integrity while streamlining the installation process. The end result is a secure, professionally installed accessory that will last for years to come.

How do you give a ruggedly capable vehicle cosmopolitan appeal? With the Black Tie Package, of course. It features stylish accessories that can take on the elements, with enough polished chrome to add a touch of class to any occasion: on or off-road.

Nudge Bar* adds extra style to your Cherokee's front end. This highly polished guard features a unique one-piece design that ensures a uniform fit.

* This product is designed solely to enhance the appearance of the vehicle; it is not intended to prevent injury or damage in the event of an accident.

16x7-Inch 5-Spoke Chrome Cast-Aluminium Wheels are machined to match your Cherokee's hubs exactly to run true and balance easily for a smooth ride. They also undergo stringent testing to prove their durability and ensure a long-lasting shine.

Chrome Taillamp Guards add style and help protect your vehicle's taillamps, in both on and off-road conditions. Also available in Black, Graphite Metallic or Grey to match Sport body cladding.

Tubular Side Rails are a decorative addition to your Cherokee. Unique one-piece design ensures a uniform fit. Polished stainless steel rails undergo stringent testing for corrosion protection and a long-lasting chrome-like shine. Must remove Rock Rails on Renegade to fit.

Chrome Grille piles on the good looks, adding extra chrome to your Cherokee. Grille will not adversely affect engine airflow. Available for Cherokee Sport and Renegade.

BLACK TIE PACKAGE

- Nudge Bar
- 16x7-Inch 5-Spoke Chrome Cast-Aluminium Wheels
- Chrome Taillamp Guards
- Tubular Side Rails
- Chrome Grille

Overseas model shown.

Genuine Jeep Accessories are always a safe bet. With stricter testing standards that include impact performance tests and harsh on and off-road durability testing, our accessories meet all industry safety standards. And Genuine Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

With the Off-Road Package, you're on the right track for protection with heavy-gauge steel accessories that never go soft when the going gets tough. And, since these accessories undergo strict performance tests and harsh on and off-road durability testing, not only do they meet all industry safety standards, they'll meet your high standards as well.

Taillamp Guards add protection and style to your Cherokee's rear end. Available in Black, Chrome, Graphite Metallic and Grey to match Sport body cladding.

Skid Plates for the front suspension, transfer case, engine and fuel tank offer heavy-duty protection for these underbody components when covering rough terrain.

OFF - ROAD PACKAGE

- Taillamp Guards
- Skid Plates (for front suspension, transfer case, engine and fuel tank)
- Rock Rails
- Roof Top Cargo Basket

Rock Rails are production style and are constructed of heavy-gauge steel. They also provide added lower bodyside panel protection when off-roading. Available in Silver.

Roof Top Cargo Basket[#] has high sides to help secure cargo and features a front air deflector with Jeep logo. Mounts to standard equipment side rails or Sport Utility Bars (sold separately).

[#]Cargo is for illustrative purposes only and is not included with the listed accessory.

Overseas model shown.

UCONNECT™ HANDS-FREE COMMUNICATION is an exclusive, voice-activated, hands-free, in-vehicle communication system that utilises a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial a mobile phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names (four numbers per name) in the system's address book, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth® technology that enables a mobile phone to connect to your vehicle without wires or a docking station. This leading-edge technology will allow you to store a mobile phone anywhere within the vehicle. UConnect is simple to use — all you need is a Bluetooth Hands-Free Profile

mobile phone from any mobile carrier. You'll also enjoy a host of voice-activated services such as concierge assistance, stock quotes, up-to-the-minute traffic information, and sports, news and weather reports, depending on your mobile service provider.[§]

[§] You can retain your current mobile carrier and mobile phone number (and one bill) as long as your mobile phone employs Bluetooth Hands-Free Profile version 1.0 or higher.

Bonnet Protector features a wraparound design and deflects bugs and debris up and away from bonnet and windshield without adversely affecting wiper or washer operation.

Headlight Protectors help to protect your headlamps from damage and dirt caused by loose gravel and bugs. Made of tough, shatter-resistant acrylic these protectors provide excellent durability in both on and off road conditions.

Slimline Weather Shields let you partially open the windows yet remain dry during inclement weather. Built of sturdy, tinted acrylic. Set of four.

Moulded Running Boards can take the pounding you dish out. Skid-resistant surfaces help ensure easier entry and exit, especially in slush and snow. Moulded Running Boards include front mud flaps. Available primed to match body colours, Black or Grey to match Sport body cladding.

Rear Air Deflector helps keep your vehicle's rear window clear by directing a stream of air across it while the vehicle is moving.

Door Entry Guards are constructed of brushed stainless steel to enhance the style of your Cherokee while they protect interior door sills from scratches. Guards feature the Jeep logo and are easy to install. Come as a set of two for front only or set of four.

Deluxe Moulded Splash Guards provide excellent protection for the rear fascia. Made of a composite of TPO plastic and TPR rubber to be strong, yet flexible. Available in front and rear pairs in Black, Medium Grey and Dark Slate to match body cladding. Rear splash guards feature the Jeep logo. Not available for Renegade.

Sport-Utility Bars are built of heavy-duty Silver anodised aluminium. T-slots allow for quick carrier installation. Bars attach to the **Production Roof Rack Side Rails** and accommodate all Jeep Carrier Accessories. Set of two.

Roof Box Cargo Carrier attaches to either **Production Roof Rack Cross Rails** (shown) or **Sport-Utility Bars**. Tough, locking thermoplastic carrier keeps cargo dry and secure no matter what the weather. Features quarter-turn installation, gas-cylinder opening system and Jeep logo. Available in two sizes.

Roof-Mount Ski and Snowboard Carriers[#] help you get to the slopes in style. Carrier holds up to six pairs of skis or four snowboards, or a combination of the two. Feature Silver anodised aluminium construction and corrosion-resistant lock covers.

Water Sports Carrier[#] transports kayaks, sailboards or surfboards with flat or curved hulls. Latching, push-button nylon strap attachment holds watercraft securely in place.

Roof-Mount Bike Carriers[#] are designed to accommodate virtually all types of bikes. The **Fork-Mount** style carries one bike securely by the front fork and rear wheel. The **Upright** style carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces.

Tow Bar^{*} comes as a complete towing solution. Tow Bar is rated to a maximum towing capacity of 2,800kg. Kit includes tow bar, tongue, tow ball and wiring harness.

Compartment Partition[†] helps keep pets and cargo safe and secure in the cargo area, preventing them from entering the passenger compartment. One-piece steel partition is easy to install and remove. Available in Black.

Moulded Cargo Tray[†] fits in the rear cargo area to help protect carpeting. Skid-resistant, thermoplastic tray is available in matching interior colours. Features the Jeep logo and an embossed area to access the floor tie-downs.

Cargo Tote[†] can be used as a divided storage bin, forming up to four compartments. Includes handles on sides and grippers on bottom four corners to prevent sliding. Collapses for convenient storage.

Cargo Area Liner[†] helps protect against wear, soil and stains. One-piece, heavy-duty design conforms to the cargo area and protects seatbacks with seats up or down.

Cargo Area Security Cover[†] keeps valuables out of sight in your Cherokee's cargo area. Removes easily for storage. Available in interior colours.

Cargo Organiser[†] makes the most of your Cherokee's cargo area. The organiser's interior space can be reconfigured by raising and lowering its dividers — it can be used as a divided storage bin forming up to three compartments with additional storage underneath, or folded flat and used as a security cover.

Neoprene Seat Covers provide added protection against wear and tear of your front seats. This high quality water-proof material is ideal for all conditions. Feature Jeep logo. Available in Black as a set of two.

Slush Mats are made of heavyweight urethane and help prevent water, snow and mud from spilling onto the floor. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Feature likeness of Cherokee grille and the Jeep logo. Set of four.

6.5-Inch subwoofer and 80-watt amplifier dramatically increases deep bass sounds to make a dynamic difference in your Cherokee's sound system. Mounts completely out of sight under the driver's seat for increased security.

Side Steps are constructed of the finest materials and rigorously tested for side impact. Integrate to the side of the vehicle and provide easy entry and exit.

Chrome Tubular Side Steps complement the **Nudge Bar** and provide easier entry and exit to your Cherokee. Extra-wide stepping surfaces help prevent slipping. Available in Silver, Chrome and Grey steel or Silver aluminium.

Premium Wheels are machined to match your vehicle's hubs exactly so they'll run true and balance easily for a smooth ride. They also undergo stringent testing to prove their durability and ensure a long-lasting sparkle.

- (A) 16x7-inch 5-Spoke Chrome Cast-Aluminium Wheels
- (B) 17x7.5-inch 6-Spoke Graphite Wheels
- (C) 16x7-inch 5-Spoke Polished Cast-Aluminium Wheels

[#] Sporting equipment and cargo are for illustrative purposes only and are not included with the listed accessories. ^{*} Check Owner's Manual for hitch types, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped. Towing may require some items not supplied by Jeep. [†] Properly secure all cargo.

THE GENUINE DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into every part and accessory we make. Every Genuine Jeep Accessory is original equipment, which means that every Jeep Accessory in this catalogue is designed by Jeep engineers — the people who know your Cherokee better than anyone else.

Our product is a result of uncompromising standards. You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

Our process is an adherence to stricter testing. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that all Genuine Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

Our promise is demonstrated in our superior warranty coverage. When installed on a Jeep Cherokee that's within the New Vehicle Limited Warranty period, Genuine Jeep Accessories are covered by the unexpired balance of the 3-year/100,000 kilometre New Vehicle Limited Warranty, or a 12-month/20,000 kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by every Jeep dealership in Australia. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Jeep Cherokee with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.

BLACK TIE PACKAGE
