

JEEP GRAND CHEROKEE 2006 ACCESSORIES

GENUINE JEEP ACCESSORIES **Jeep**

Overseas model shown.

REFINED, BUT STILL WILD AT HEART

What do you get when you take a rough and trail-ready vehicle and add accessories tailored to provide refined, yet refreshingly unrestrained good looks? The **Touring Package**, of course. It's all your Jeep Grand Cherokee needs to show the world its ability to be civilised, without compromising its adventurous nature.

The Genuine Difference: Genuine Jeep Accessories are engineered, right from the start, as an original and integral part of your vehicle. Choose them for the differences you can see, such as their integrated design, precise fit and colour matching. And choose them for the differences you can't see, such as testing, warranty coverage and overall ruggedness. This results in a superior standard of detail and quality, something aftermarket products just can't offer.

Body Kit helps personalise your Grand Cherokee with aggressive monochromatic styling. The custom **Front Air Dam** and **Side Sills** complement your vehicle's natural contours and are designed, engineered and tested to retain their fit and finish. Three pieces in all. Available primed to suit all body colours.

Chrome Grille adds extra good looks to your Jeep Grand Cherokee Laredo. Grille will not adversely affect engine airflow or impede the opening and closing of the bonnet.

TOURING PACKAGE:

- Body Kit, Three-Piece
- Chrome Grille
- Rear Spoiler
- Premium Carpet Floor Mats
- Door Entry Guards

Rear Spoiler adds to the aerodynamic appearance of your vehicle and won't interfere with opening the rear window. Rigorously tested to ensure freedom from vibration and to ensure that the premium, durable Clear Coat finish won't fade. Available primed to suit all body colours.

Premium Carpet Floor Mats are made of plush nylon carpet. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Colour matched to vehicle interior. Front mats feature the Jeep logo.

Door Entry Guards in brushed stainless steel for the Front and Rear add style while they help protect interior door sills from scratches. Front Door Entry Guards feature the Grand Cherokee name.

If you're the kind of person who follows your own path, then equipping your Jeep Grand Cherokee with the **Off-Road Package** can be a big help in less than ideal situations. Whether you need a little pull, a lot of protection or a place to put all your cargo, this package will put you on the right track for any off-road adventure.

The Genuine Difference: Genuine Jeep Accessories are constructed of the highest-quality materials — materials tested and proven to help them stand the test of time, meet a more demanding quality standard and deliver optimum performance. For example, our exterior metal accessories undergo the same ElectroCoat paint process as your vehicle for additional protection against rust, wear and corrosion.

OFF-ROAD PACKAGE:

- Roof Top Cargo Basket
- Roof Basket Cargo Net
- Taillamp Guards
- Moulded Splash Guards
- Skid Plates (for front suspension, transfer case and fuel tank)
- Slush Mats, Front and Rear
- Rock Rails

Roof Top Cargo Basket** has high sides to help secure cargo and features a front air deflector with Jeep logo. Mounts to standard equipment side rails or Sport-Utility Bars. **Roof Basket Cargo Net*** (sold separately) secures to the Roof Basket for added security.

*Properly secure all cargo.
**Cargo is for illustrative purposes only and is not included with the listed accessory.

Skid Plates provide heavy-duty protection for your Grand Cherokee's underbody components. Available for the front suspension, transfer case and fuel tank.

Taillamp Guards add extra style while protecting your Grand Cherokee's taillamps — in both on and off-road situations. Available in Black and Chrome.

Moulded Splash Guards look great and help protect your Grand Cherokee's lower bodyside panels from damage caused by gravel, salt and road debris. Available in paintable Black for Limited and Laredo in sets of two for front or rear.

Slush Mats are made of heavyweight urethane to help prevent water, snow and mud from spilling onto the floor. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Feature the Jeep logo on front and rear. Set of four.

Rock Rails are constructed of two-inch heavy-gauge steel, and provide added lower bodyside panel protection when off-roading. Available in Black powder-coat finish.

Overseas model shown.

INDIVIDUALISE. ORGANISE. ACCESSORISE.

Fog Lights[^] help undercut inclement weather and minimise glare. Lights are integrated into the fascia openings and feature production lights and switch.

Nudge Bar[^] adds extra style to your Grand Cherokee's front end. This highly polished guard features a unique one-piece design that ensures a uniform fit.

Side Steps are constructed of the finest materials and rigorously tested for side impact. Integrate to the side of the vehicle and provide easy entry and exit.

Neoprene Seat Covers provide added protection against wear and tear of your front seats. This high quality water-proof material is ideal for all conditions. Feature Jeep logo. Available in Black as a set of two.

Full Bubble Weathershields allow for greater opening of windows, whilst remaining dry in inclement weather. Set of two for front only.

Slimline Weather Shields let you partially open the windows yet remain dry during inclement weather. Set of four acrylic shields with Jeep logo.

Bonnet Protector with Jeep logo helps deflect road spray, dirt and bugs away from your Grand Cherokee's bonnet and windshield. It's made of clear acrylic and won't adversely affect wiper or washer operation.

Headlight Protectors help to protect headlamps from damage and dirt caused by loose gravel and bugs. Made of tough, shatter-resistant acrylic these protectors provide excellent durability in both on and off-road conditions.

Roof-Mount Ski and Snowboard Carriers[®] attach to either the **Sport-Utility Bars** (shown) or the **Production Roof Rack Cross Rails** with clamping adapters (sold separately). The **Six-Pair Ski and Snowboard Carrier** holds up to six pairs of skis or four snowboards, or a combination of the two. Carriers feature silver anodised aluminium construction, corrosion-resistant lock covers and either-side opening for easy loading and unloading.

Roof-Mount Bike Carriers[®] accommodate virtually all types of bikes. The **Fork-Mount** style carries one bike securely by the front fork and rear wheel. The **Upright style[®]** carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces. Carriers mount to **Sport-Utility Bars** (sold separately).

Roof Box Cargo Carrier attaches to either **Production Roof Rack Cross Rails** (shown) or **Sport-Utility Bars** (sold separately). Tough, locking thermoplastic carrier keeps cargo dry and secure no matter what the weather. Features quarter-turn installation, gas-cylinder opening system and Jeep logo.

Water Sports Carrier[®] transports most kayaks, sailboards or surfboards with flat or curved hulls. Latching, push-button nylon strap attachment holds watercraft securely in place. Features soft, self-adjusting and slip-resistant pads to protect hull finish. Mounts to **Sport-Utility Bars** (sold separately).

Cargo Net** conforms to your personal storage needs. Configure into an envelope net that is attached to the second-row seats or use as a floor-mounted tie-down.

Adjustable Cargo Area Tray** is designed to help keep your cargo area organised. When open, the unit utilises plastic walls and integrated cargo nets, forming three compartments which can secure anything from sporting goods to groceries. When closed, the unit collapses into the production load floor. Features embossed Jeep logo.

Carpet Cargo Mat** helps protect the cargo area from wear, soil and stains. The nylon carpet stays in place with a nibbed backing and is available in Khaki or Slate interior carpet colours. Features Jeep logo.

Moulded Cargo Tray** with raised perimeter lip is built of thermoplastic rubber that fits in the rear cargo area to help protect the carpeting. Available in matching interior colours. Features Jeep logo.

Retractable Security Cover** keeps valuables out of sight in your Grand Cherokee's cargo area. Nylon cover removes easily for storage. Available in all interior colours.

Tow Bar† comes as a complete towing solution. Tow Bar is rated to a maximum towing capacity of 3,500 kgs. Kit includes tow bar, tongue, tow ball and wiring harness.

NAVUS™ DASH-MOUNTED NAVIGATION SYSTEM is an advanced, yet affordable way to add Global Positioning System (GPS) technology to your vehicle. The Navus full-colour LCD display features touch-screen controls, full-map view with turn-by-turn directional prompts, trip information (including time, compass, vehicle speed and kilometre log), automatic re-routing, voice instructions and much more. Also included is a 256 MB Compact Flash Memory Card loaded with detailed residential street-level maps and points of interest for all of Australia. (Becoming available during 2006).

REAR SEAT OVERHEAD DVD^ allows rear-seat passengers to watch their favourite movies on the road. The fully integrated CD/DVD player screen unit is located on the roof for easy accessibility to rear-seat passengers. It features an 8-inch LCD wide-screen that provides a full view from all second-row seats. The system supports DVD, (S)VCD, JPEG, MP3 and CD.

The system features auxiliary inputs for a video camera, CD player and popular video game units, plus two wireless headphones and an infrared remote. The audio is accessible through the wireless headphones and on the unit for wired headphones. Unlike some other brands, this system is constructed of automotive-grade components to withstand vibrations and extreme temperatures.

^ Check state and local regulations for restrictions on installation and use.
 † This product is designed solely to enhance the appearance of the vehicle; it is not intended to prevent injury or damage in the event of an accident.
 ‡ Sporting equipment and cargo are for illustrative purposes only and are not included with the listed accessories.
 § Not recommended for off-road use.
 * Properly secure all cargo.
 † Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped. Trailer may require items not supplied by Jeep.
 Navus is a trademark of DaimlerChrysler Corporation.

THE GENUINE DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into every part and accessory we make. Every Genuine Jeep Accessory is original equipment, which means that every Jeep Accessory in this catalogue is designed by Jeep engineers — the people who know your Grand Cherokee better than anyone else.

Our product is a result of uncompromising standards. You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

Our process is an adherence to stricter testing. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that all Genuine Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

Our promise is demonstrated in our superior warranty coverage. When installed on a Jeep Grand Cherokee that's within the New Vehicle Limited Warranty period, Genuine Jeep Accessories are covered by the unexpired balance of the 3-year/100,000 kilometre New Vehicle Limited Warranty, or a 12-month/20,000 kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by every Jeep dealership in Australia. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Jeep Grand Cherokee with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.
