TOURING

CHRYSLER

Meet Chrysler 300C Touring — a world-class performance sports tourer. The interior of 300C Touring is stunningly functional and ergonomically sophisticated. The instrument panel is crowned with Satin Silver accents. The steering wheel, shift knob, and door pull handles are accented with available tortoise shell-style accents. Touring leaves nothing to spare.

Image on front cover shown with optional roof racks.

Performance-minded drivers will enjoy the interactivity that the five-speed automatic with AutoStick® offers. Just as inspiring, 300C Touring offers surprising versatility. The 60/40 split-folding rear seat can be folded to provide a continuous, nearly flat load floor — for 1602 litres of spacious cargo room.

S = Standard.

The high performance 6.1L SRT Hemi V8 engine produces more power and torque, 317 kW and 569 Nm to be exact, than any Chrysler passenger car since the legendary 426 Hemi of the 1960's.

The 5.7L HEMI® V8 engine has also established itself with 250 kW and 525 Nm of torque. Its Multi-Displacement System (MDS) delivers fuel efficiency by deactivating four of the HEMI engine's eight cylinders when full power is not required. 300C Touring has an available 3.0L CRD diesel engine with 160 kW and 510 Nm of torque for remarkable power, efficiency, and towing ability and a 3.5L V6 engine that delivers 183 kW and 340 Nm of torque.

Genuine Chrysler Accessories add style and function to 300C Touring from top to bottom. The Removable Roof Rack accommodates accessories like the Roof-Mount Bike Carrier, a brushed aluminium carrier that features Fork-Mount and Upright styles to secure two bicycles.* A Six-Pair Ski and Snowboard Carrier can carry up to six pairs of skis or four snowboards. Accessories such as Illuminated Door Sill Guards and 18-inch Chrome Aluminium Wheels will draw attention to the lower portion of 300C Touring.

*Properly secure all cargo.

Check with your local dealer for accessory availability.

A Premium Chrome Grille features chromed billet aluminium and a unique mesh design that amplifies the statement made by 300C Touring. With the Uconnect® Hands-Free Communication System, hands are also free of phones. Leave it to Genuine Chrysler Accessories to add both form and function to 300C Touring.

Check with your local dealer for accessory availability.

Sentry Key®	— Antitheft engine immobiliser	S	S	S	S
Tyre Pressure Monitoring Display	— Located in Electronic Vehicle Information Centre	S	S	S	S

S = Included. 0 = Optional.

⁽¹⁾Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size. ⁽²⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽³⁾Always check entire surroundings before backing up.
