

Focus options and accessories.

About this specification sheet: This sheet is designed to provide you with selected specification data for the Ford products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in the relevant brochure and this specification sheet should be taken as approximate only. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. *FORD MOTOR COMPANY OF AUSTRALIA LIMITED. (A.B.N. 30 004 116 223) Registered Office: 1735 Sydney Road, Campbellfield, Victoria 3061, Australia. Printed June 2007. FMC5829

Personalise your Focus. The choice is yours.

Your Ford Focus is engineered in Germany for smooth style and performance. And now, you can make it even smoother with an extensive range of accessories designed to suit your lifestyle and needs. All accessories are tailor-made to help you get the most out of your Focus and are available from your Ford Dealer any time. Find out more at ford.com.au or visit your Ford Dealer.

How smooth is that?

Spoiler. Maximise your Focus sedan's sporty appearance with a spoiler designed to further enhance the vehicle's contours.

Reverse sensing system. This system features warning tones to assist the driver when reversing and parking in tight spaces.

Sports gear knob. Superbly crafted gear knob helps give the interior of your Focus an even sportier look and feel (manual transmission only).

17" 5 spoke alloy wheels. Designed in Europe and made from high grade alloy for superior strength, these alloy wheels will give your Focus a sportier edge.

Bike carrier. Taking your bike is easy with this fully lockable bike carrier. Securely harnesses your bike by the front forks and is made from premium alloy for superior strength and stability.

Ski/snowboard carrier.* A snow adventure is only moments away with this specially designed ski/snowboard carrier.

Scuff plates. Add the finishing sporty touch with brushed aluminium scuff plates. Embossed with the Focus logo.

Cargo swing net. Keep your belongings in place. Easy to install and remove, it attaches to the sides of the cargo area to help prevent loose items moving around during transit.

Boot scuff guard. Designed to help protect the rear bumper and boot lip from scratches and scuffs when loading and unloading. Folds away neatly when not in use.

¹. All performance data for petrol models measured using 95RON fuel. ². TDCi transmission features twin output shafts with separate final drive ratios (FDR). 1st - 4th gears: 4.07; 5th & 6th gear: 2.85; Reverse gear: 8.77 ³. These figures are obtained from controlled tests conducted to Australian Design Rule 81/01, which requires use of 95RON fuel for petrol models and are provided to assist you in comparing the fuel consumption and carbon dioxide (CO₂) emissions of Focus with other vehicles. Note the actual fuel consumption you achieve will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. ⁴. Approximate weights.
