options and accessories.

## Ford Ranger. A legend in the making.

4x2 XL Single Cab Chassis 2.5L in Titanium Grey. Shown with aftermarket tray and rear mudflaps.

4x4 XLT Super Cab Pick-up in Titanium Grey.

4x4 XLT Crew Cab Pick-up in Titanium Grey.

The latest in a long line of tough Ford trucks, the Ranger is a legend in the making. The instant you cast your eyes over the muscular body and rugged styling you'll instinctively know that whatever you dish up to the Ranger, it'll just keep on coming back for more. And when it's time for work, you'll find there's a Ranger that's perfect for just about every job imaginable. There are Single Cab, Super Cab and Crew Cab models to choose from, and all are available with the versatility of a Cab Chassis or Pick-up body style. Plus, there's a range of 4x2 and 4x4 choices, including a 4x2 High Rider with increased ground clearance. Ranger's Duratorq common rail TDCi diesel engines give you plenty of high-tech power, loads of torque throughout the rev range and great fuel economy. Add to that, a payload exceeding one tonne and towing capacity up to 3,000kg\*, which is equal to the best in its class. And once you climb inside the spacious cabin, you'll find car-like levels of comfort. Ranger also boasts high levels of safety with features like driver and front passenger airbags as standard and ABS with Electronic Brakeforce Distribution (EBD)\*. All of this means that whether you're moving massive loads for work or tackling a big weekend away, the Ford Ranger is definitely up for it.

#Available on 3.0L manual models only, when fitted with a Genuine Ford heavy duty towpack and load levelling kit. Subject to State and Territory regulations. \*Standard on XLT. Optional on Single Cab XL models. Available in optional safety pack on Super and Crew Cab XL models.

Ranger 4x4 XLT Crew Cab Pick-up shown in Strato Blue.

Interior trims.

Ranger 4x4 XLT Crew Cab Pick-up interior featuring Sports Weave trim. Vehicle shown with black moulded XL gear knob. Manual XLT models feature leather gear knob standard.

**1.** Figures obtained from tests conducted to ADR 81/01. The actual fuel consumption you achieve will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. **2.** When fitted with a Genuine Ford heavy duty towpack and load levelling kit. Subject to State and Territory regulations. **3.** When fitted with a Genuine Ford towpack. Subject to State and Territory regulations. **4.** The weight of the vehicle must not exceed the Gross Vehicle Mass (GVM). The combined weight of the fully loaded vehicle and trailer must not exceed the Gross Combination Mass (GCM). Individual axle capacities and towball download, to a maximum of 250kg or 10% of the total trailer load must not be exceeded. **5.** GVM is defined as the sum of the kerb mass and the payload. Payload is reduced by 78kg when bucket seats are fitted. **6.** Payload is defined as the maximum combined value for the occupants/cargo/added options/added structures/towball download (when towing). **7.** Includes braked trailer.

S - Standard. O - Options that can be ordered before a vehicle is manufactured. NCO - No cost options that can be ordered before a vehicle is manufactured. A - Accessory that can be added at anytime.  
<sup>14</sup>. Bedliner and 12 volt auxiliary power socket sold separately. <sup>15</sup>. Does not include remote keyless entry. <sup>16</sup>. Super Cab models receive power front windows only. <sup>17</sup>. Available on XLT from June, 2007. Alternate side steps fitted when front side airbags are optional. <sup>18</sup>. Air-conditioning is mandatory with optional bucket seats and/or optional automatic transmission (where available). <sup>19</sup>. On manual transmission XLT models. Not available with optional automatic transmission. <sup>20</sup>. Available in safety pack option on Super and Crew Cab XL models.

**Bedliner.** Helps to protect rear cargo area and minimise movement of gear during transit. Optional 12V auxiliary power socket located in the Pick-up box area allows you to run compatible fridges and other equipment.

**Sports bar.** Made from strong, polished stainless steel, the sports bar will enhance the look of your Ranger. Available with and without a high mounted stop light.

**Bonnet protector.** Made from tough, durable acrylic to help deflect stones and other objects. Available in a clear or tinted finish.

The Ranger is one tough workhorse. And while Ranger is built to handle the toughest of jobs, you'll find there are plenty of accessories that will help make your job a whole lot easier. Whether it's the Genuine Ford heavy duty towpack or a soft tonneau cover designed to help protect your equipment, Ranger has all your needs covered. So no matter if it's tackling work or getting more enjoyment from your Ranger 'after hours', the choice is yours.

**Heavy duty rubber floor mats.** Designed with a raised outer lip to help retain dirt and sand, these heavy duty floor mats will help protect your vehicle's interior.

**Waterproof seat covers.** Easy to remove, hard wearing neoprene covers help to protect seats. Ideal for outdoor activities because they offer protection from water, sand and dirt.

**Towpack.** Genuine Ford towpack makes towing a breeze, whether it's for work or a weekend trip.

**Soft tonneau cover.** Helps protect equipment and valuables from rain and dust. Features elasticised bungee looping and includes a steel tonneau bow to assist with water run-off.

**Scuff plates.** Enhance your vehicle's appearance and help protect the doorstep from scratches and scuffs. Made from stainless steel.

About this specification sheet: This sheet is designed to provide you with selected specification data for the Ford products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in the relevant brochure and this specification sheet should be taken as approximate only. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. \*FORD MOTOR COMPANY OF AUSTRALIA LIMITED.
