## GENUINE JEEP® ACCESSORIES

**1. Tent Kit.** Experience the great outdoors inside your Wrangler. Tent attaches to the rear of your Wrangler for maximum sleeping and storage space, and easily stands alone if detached from your vehicle.

**2. Slimline Weather Shields.** These tinted, acrylic visors accent the windows of your Wrangler for a sleek profile. That's a bonus, because their original function is to let you partially open your window while helping you to remain dry during inclement weather.

**3. Door Sill Guards.** Liven up your doors with some stylish protection. These guards help protect your door sills and are available in stainless steel with embossed Jeep® logo.

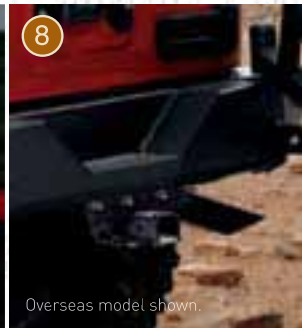

**4. Chrome Tubular Side Steps.** Get tubular with these 3-inch round chromed aluminium steps, complete with textured stepping surfaces. Featuring the Jeep® logo, these side steps mount securely with corrosion-resistant, steel mounting brackets. No drilling required.

**5. Front Air Deflector.** This popular accessory helps to deflect road spray, dirt and other debris away from the bonnet of your vehicle.

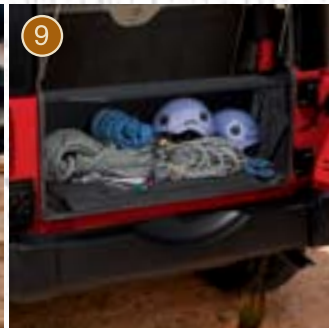

**6. Satin Black Tubular Side Steps.** Get a step up in style while getting in and out of your Wrangler with ease. Extra-wide stepping surfaces also help prevent slipping. **Moulded Splash Guards.** Help protect the body of your vehicle from road spray. Guards match the black finish of the wheel flare and feature the Jeep® logo.

Rock Rails also feature a textured Satin Black finish that meets tough Jeep<sup>®</sup> corrosion standards.

**12. Premium Carpet Floor Mats.** Thick enough that you'll want to go barefoot. Durable enough to take a pounding from the elements and colour-matched to the interior of your Wrangler.

**13 & 14. Soft Top Window Storage Bag, and Freedom Top<sup>™</sup> Storage Bag.** When it comes to keeping your Wrangler's windows and soft tops organised and protected, it's in the bag. Both bags are constructed of durable Black vinyl with linen-lined separate compartments and feature the Jeep<sup>®</sup> logo.

## THE GENUINE DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into the parts and accessories we make. Genuine Jeep Accessories are original equipment, which means that the Jeep Accessories in this catalogue are designed by Jeep engineers — the people who know your Wrangler better than anyone else.

**Our product is a result of uncompromising standards.** You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

**Our process is an adherence to stricter testing.** You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that Genuine Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

**Our promise is demonstrated in our superior warranty coverage.** When installed on a Jeep Wrangler that's within the New Vehicle Limited Warranty period, Genuine Jeep Accessories are covered by the unexpired balance of the 3-year/100,000 kilometre New Vehicle Limited Warranty, or a 12-month/20,000 kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by authorised Jeep dealerships in Australia.

Whether you're looking to enhance your Jeep Wrangler with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.
