THE GENUINE DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Genuine Difference, and it's forged into every part and accessory we make. Every Genuine Chrysler Accessory is original equipment, which means that every Chrysler Accessory in this catalogue is designed by Chrysler engineers — the people who know your Grand Voyager better than anyone else.

OUR PRODUCT IS A RESULT OF UNCOMPROMISING STANDARDS. You'll recognise the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

OUR PROCESS IS AN ADHERENCE TO STRICTER TESTING. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on and off-road durability testing. And you'll discover that all Genuine Chrysler Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

OUR PROMISE IS DEMONSTRATED IN OUR SUPERIOR WARRANTY COVERAGE. When installed on a Chrysler Grand Voyager that's within the New Vehicle Limited Warranty period, Genuine Chrysler Accessories are covered by the unexpired balance of the 3-year/100,000-kilometre New Vehicle Limited Warranty, or a 12-month/20,000-kilometre Basic Limited Warranty, whichever is more favourable to you. And these warranties are serviced by every Chrysler dealership in Australia. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Chrysler Grand Voyager with premium protection, convenience, style or entertainment, choose the Genuine Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.
