

This is your 500 go play

Everything about the 500 is innovative - with great styling, glamour and state of the art technology. Now with the launch of the 500 C with its electric soft top, the world's cutest car just got even cuter and driving has got even more fun.

And when you're not driving have fun with Fiat 500 merchandise, including models cars, remote control race track and clever little Fiat 500 gadgets the wireless PC mouse and USB stick so you can take your Fiat 500 with you wherever you are. On the right are just a few of the items available, to see the complete range visit:
