

At Ford, with such a long and successful motoring heritage behind us, we understand that everyone's lifestyle is different. What you look for in a vehicle will be different from the next person. It could be a vehicle that allows you to fit in all the family and hit the open road for the weekend, a zippy urban car that's perfect for tackling city traffic, or maybe you need a vehicle that allows you to play as hard as you work. We'd like to think that our family of vehicles is proof that Ford never stops looking forward, designing and engineering vehicles that catch your eye, are technologically advanced, consider the environment and help keep you safe. In short, no matter what your lifestyle, you're sure to find a Ford that can help you live more of your life.

# Irresistible Desigr

Because everyone's idea of the perfect car is different, Ford have designed and engineered a family of exciting, athletic and sleek vehicles that look great inside and out.

# **Great to sit in, great to drive:**There's nothing quite like driving a Ford That's because every Ford

a Ford. That's because every Ford is built from the ground up to be exhilarating to drive, with high levels of interior comfort along with the very latest safety systems that help keep you in control and protect you and your passengers.

#### Sustainability:

Ford recognizes that climate change is a significant global challenge. We have an ongoing commitment to caring for the environment in every facet of our business, including delivering alternative fuel solutions such as diesel and LPG.

# . .

# Innovation and Technology:

Thinking smarter means a comfortable, safe and enjoyable drive every time you turn the key Our innovative solutions to everyday tasks using the latest technology save you time and connect you to the digital world.

# **Built to Last:**

Every Ford is built not just for today but for tomorrow as well. So, when you buy a Ford you enjoy the type of quality that you can rely on, day in day out. Not just the look and feel, but the way it performs and the way it lasts.

# Escape in style.

With genuine 4WD capabilities and sedan like handling, the Ford Escape is equally at home in the city or off the beaten track.

The real beauty of driving the ZD Escape is that it lets you be as adventurous as you want to be. It means you can make those spur-of-the-moment decisions. For instance, you've just picked up the kids from school on Friday afternoon, the weather for the weekend looks good, so loading up the Escape and making tracks is a breeze. Plus, having a capable SUV like the Escape means you'll spend more time at your destination rather than wasting time tackling the terrain.

Whether you take the high road or highway, the 2.3 litre 4-cylinder engine with Variable Valve Timing (VVT) provides responsiveness, while the Independent Rear Suspension (IRS) assists in maintaining full wheel contact, giving better stability and grip. When you leave the bitumen, Escape's ground clearance and 'On-Demand 4WD' lets you take the rough stuff in your stride. All up, you have the power and handling to escape just about anywhere in comfort.

### 4x4 Lock Mode

4x4 Lock Mode enables you to switch from AWD to constant 4WD while driving. In 4WD Lock Mode, the system switches to permanent 4WD giving you all the confidence you need to tackle that rugged terrain.

# Escape in comfort.

Travelling couldn't be any easier or more comfortable because everything has been designed to make your escape as easy and luxurious as possible.

Welcome to the great indoors. With an interior that feels more like your lounge room, the Escape interior is designed to make long trips feel like you're driving to the shops. And a trip to the shops? Well, you'll wish the trip was longer. There's ample room for 5 adults, and with seats that fold flat you have the option of extra carrying capacity. Sitting behind the wheel you'll feel right at home. The high ride height gives you excellent visibility, while the comfort of the plush seats, easy-reach buttons and centre console, one-touch climate control and a six stacker CD player means no matter where you drive the Escape you'll arrive more relaxed than when you started.

The sleek floor-shift T-bar automatic is ergonomically located in the centre floor console and is standard on Escape.

SAFETY

# Solid and safe.

# With a swag of safety features that help protect both driver and passengers, you can be assured every journey in the Escape is a safe one.

Whether you find yourself on a bumpy bush track or on basketball pick-up duties with the kids, you'll feel the Escape travels solidly on all terrain. And with double door seals and a quiet cabin, everyone on board can sit back, relax and enjoy the journey even more. Adding to Escape's robust build and assured handling is a long list of safety measures including side intrusion beams for extra cabin strength and driver, front passenger and front seat side head/thorax airbags. Plus, when you do find yourself off the beaten track you'll be glad to know Escape's high ground clearance

means you'll be able to navigate steep inclines and declines.Wherever you travel you need to be prepared and, when it comes to helping you avoid accidents, Escape has all the features. For example, Electronic Brakeforce Distribution (EBD) assists in balancing braking force between front and rear wheels, depending on driving and vehicle load conditions. Working alongside EBD is Emergency Brake Assist (EBA), a system that interprets a driver's braking behaviour and automatically initiates full braking faster than a driver ever could.

Escape has driver, front passenger and front seat side head/thorax airbags as standard.

The standard Anti-lock Braking System (ABS) makes for safer stopping and cornering.

# Measured to exhaust. 5. Approximate kerb weight with a full tank of fuel, no occupants or luggage. 6. This accessory is a Supplier Branded Accessory and is not manufactured or warranted by Ford. The warranty is provided by the manufacturer's of the accessory. Contact your authorised Ford Dealer for details of the manufacturer's warranty applicable to this accessory.

# Your very own Escape.

From snow covered alpine roads to the hustle'n'bustle of the city, Escape can handle just about any terrain. You'll also discover that with a huge range of practical and innovative accessories you can make your Escape your very own.

**Spoiler.** New look spoiler enhances the contours of the vehicle, giving it a sportier look.

**Roof luggage box 375L.** Gives you the flexibility to store camping or sporting gear on the roof. Lockable and can be opened from either side.

**Reversing camera system.** An innovative addition to enhance your safety, this reverse camera switches on automatically when reverse gear is engaged.

**Cargo retention net.** Securely covers loose items to minimise movement during transit. Attaches to the floor of the cargo area.

**1,000kg rated towpack.** Make towing on weekend trips a breeze with this durable towpack, including towbar, towball and trailer wiring kit.

**Scuff plate inserts.** Add the finishing touch with these stylish scuff plate inserts.

**Cargo organiser.** Innovative and clever, the cargo organiser perfectly stores groceries, school bags and sports gear.

**Garmin Nuvi portable Satellite Navigation Systems.** 6. The easy-to-read navigation systems give you clear directions to your destination. Garmin Nuvi 1390T portable satellite navigation system shown.

#### A - Accessory that can be added at any time.

# Making your ownership experience even more rewarding.

A great car is just the beginning. We support you with a wide range of services that aim to make you one of the most satisfied vehicle owners in Australia. Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

#### 3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

#### 5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

#### myFord Warranties & Insurance.

When you first turn the key of your brand new Escape you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties, Insurance and Roadside Assistance visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

#### Want to contact us?

For answers to your questions, or help with any concern, contact our Customer Relationship Centre on 13 FORD (13 3673).

#### Running a fleet?

Our Ford Business Centre is available to assist fleet customers with information on Ford products and services. Call 1300 13 13 30.

#### Visit us on the web.

If you want more information on Ford or our entire product range, visit us on the Internet at ford.com.au

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
