# DODGE CALIBER

# BOLD DESIGN.

**BOLD DESIGN SETS THE STAGE.** Any way you look at Caliber, it stands out. There's no mistaking this car with its bold lines and athletic styling. Caliber is marked by its signature Dodge crosshair grille, wide fender flares, aggressive stance and large wraparound halogen headlamps. This compact five-door hatchback is roomy, feature packed and guaranteed to turn heads.

**HEADLAMPS.** Caliber knows how to make an entrance with its oversized halogen headlamps. Seamlessly stretching from the front grille to the fenders, the assemblies feature prominent crystalline-appearance headlamp modules.

**SCULPTED WHEEL ARCHES.** Each wheel on Caliber is framed in boldly pronounced fender flares. It establishes a striking design tone that makes Caliber stand out from the crowd.

**TAILLAMPS.** The rear hatch is marked by taillamps that possess the same bold styling that the headlamps establish. These massive taillamps will no doubt leave a lasting impression on anyone who comes within reach of Caliber.

# STYLISH INTERIOR.

Caliber SXT flaunts its stylish insides with standard features such as the leather-wrapped steering wheel with cruise and audio controls, premium cloth seats and an instrument panel featuring an electroluminescent gauge cluster that glows ice blue when lit.

You'll have plenty of seating options with the standard 60/40 split-folding reclining rear seat and the fold-flat front-passenger seats which let you configure the best passenger-to-gear ratio for every trip. When all of the seats are placed in the upright position, there's 352-litres of rear cargo room, which expands to 1,013-litres when the rear seats are folded flat. You also won't have to worry about the messy loads as the rear seats are backed with a durable carpet for protection. The removable 113 kg capacity load floor is designed to take a beating.

Additional standard features on Caliber SXT includes a floor console with a comfortable sliding armrest, a nice-sized storage compartment, and two illuminated cup holders that add ambience as well as convenience.

## CALIBER TECHNOLOGY.

**MUSICGATE POWER.®** Pump out the tunes through the available 458-watt Boston Acoustics® nine-speaker sound system, including a subwoofer built into the rear cargo area and two articulating speakers that swing down from the rear liftgate.

**COOLED COMPARTMENT.** This two-tiered glove box surpasses its utilitarian roots. Level one is a cooled storage compartment where four 375mL cans, four 600mL bottles or a combination of the two can maintain their already cooled nature with the help of Caliber's A/C. Level two features 5.7-litres of space to hold the Owner's Manual plus other essential travel items.

**ILLUMINATED CUP HOLDERS.** Two electroluminescent cup holders between Caliber's front seats emit a muted blue light when lit.

**REMOVABLE TORCH.** This removable and rechargeable torch is piggybacked onto the headliner of Caliber's rear cargo area. It's batteries are conveniently recharged when the torch is returned to it's cradle.

# STAY CONNECTED.

Outfit Caliber with Uconnect™ to help stay in touch with the people, music, and devices that matter most. It acts as the hub for your most important media i.e. mobile phone, and personal devices such as an iPod.® The available Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

**PHONE.** Uconnect Phone<sup>(1)</sup> is an in-vehicle, voice-activated communication system that allows you to pair up to 7 Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronise with your phone's address book with up to 1,000 entries.

**VOICE COMMAND.** It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select radio stations, make and receive calls, select navigation<sup>(2)</sup> destinations and record voice memos. This smart system technology can also be trained to better recognise your voice and can understand commands in English, Dutch, French, German, Italian and Spanish.

**ENTERTAINMENT.** Manage all of your media with six ways to access audio, including an integrated 30 GB hard drive built into the radio, iPod Control, Voice Command and Bluetooth® streaming audio, which allows you to play digital audio files stored in your mobile device through the vehicle's speakers.

**NAVIGATION.<sup>(2)</sup>** Enjoy safe travels with GPS Navigation, providing voice guidance and visual display. It can also locate nearby petrol stations, restaurants, shopping, hospitals or points of local interest.

(1) Must use Bluetooth® compatible phone. See your dealer for a current list of compatible phones and any limitations your phone may have.

(2) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See dealer for details.

# SAFETY & SECURITY.

**ELECTRONIC STABILITY CONTROL (ESC).<sup>(1)</sup>** ESC is designed to assist the driver in maintaining control of the vehicle at all times. ESC uses the collective technologies of Brake Assist and All-Speed Traction Control (ASTC) to constantly monitor the driver's input against the vehicle's actual course. If needed, ESC will attempt to correct the vehicle's course by automatically applying the brakes and/or reducing engine torque.

**ANTI-LOCK BRAKE SYSTEM (ABS).** State-of-the-art electronics allow Caliber's Anti-Lock Brake System to provide faster response time than previous systems. ABS helps prevent wheel-lock and helps maintain directional control when braking on slippery surfaces.

**SOLID CONSTRUCTION.** Under the sleek sheet metal and glossy paint are some of the most advanced technologies available to help ensure Caliber is tough to the core. The crush zone is designed to divert and dissipate energy away from the passenger compartment. The surrounding protection of Caliber's safety cage construction provides a protective shell around occupants.

**AIR BAGS.<sup>(2)</sup>** Caliber comes standard with advanced multi-stage driver and front-passenger air bags. These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity. Standard supplemental side-curtain air bags with roll-sensing technology deploy from the headliner to provide side-impact protection to outboard occupants.

**SENTRY KEY.<sup>®</sup>** This standard immobiliser system prevents unauthorised vehicle operation by disabling the engine if the properly encoded key is not used. Operation is automatic, regardless of whether the vehicle is locked or unlocked.

(1) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (2) Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the Occupant Classification System (OCS) is appropriate. Children 12 and under should always be in the backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

# CALIBER SXT.

Caliber SXT comes standard with a 2.0-litre petrol engine with CVT automatic transmission, manual liftgate with electronic defroster and wiper, body-colour fascias, illuminated cup holders, sliding storage armrest, Media Center 230 6CD/DVD/MP3 Radio with Audio Jack, electroluminescent instrument panel cluster, premium cloth seating with 60/40 split-folding reclining rear seat, flat-loading rear seat, removable load floor with four tie-down loops, air conditioning with a cooled beverage storage compartment, power accessory delay, tilt-steering wheel, advanced multi-stage front air bags, side-curtain air bags and Sentry Key® Theft Deterrent System.

# CALIBER BUYER'S GUIDE

## ENGINE AND TRANSMISSION

2.0L DOHC 16V DUAL VVT 4-CYLINDER, CONSTANTLY VARIABLE TRANSMISSION (CVT)	•
---	---

## MECHANICAL

BRAKES	- 4-wheel disc anti-lock brake system (ABS)	•
CRUISE CONTROL		•

## EXTERIOR FEATURES

DOOR HANDLES	- Front and rear body-colour	•
FOG LAMPS		•
GRILLE	- Chrome	•
HEADLAMPS	- Halogen, with levelling system	•
MIRRORS	- Black, power, heated, folding	•
MOLDING	- Bodyside, body-colour	•
TYRES	- 215/55R18 Continental ContiPremium-Contact2	•
WHEELS	- 18-inch polished aluminium wheels	•
WINDOWS	- Power with driver's one-touch down	•

## INTERIOR FEATURES

AIR CONDITIONING	- Automatic temperature control with a cooled beverage storage bin and a particulate and odour air filter	•
ASSIST HANDLES	- Front, passenger-side; rear, outboard seating positions	•
CONSOLE	- Floor, sliding armrest with upper and lower storage, 2 illuminated cup holders front/ - 2 cup holders rear, cubby bin	•
DEFROSTER	- Rear window	•
DOOR LOCKS	- Power, speed-sensitive locking	•
FLOOR MATS	- Luxury front and rear	•
INTERIOR ACCENTS	- Colour-keyed instrument panel and shifter	○

## SXT

## INTERIOR FEATURES (CONT)

LIGHTING	- Dome and front reading	•
	- Removable, rechargeable LED torch in cargo area	•
MIRROR	- Rearview day/night	•
	- Rearview, auto-dimming with microphone (included with Uconnect Phone) <sup>(1)</sup>	P
POWER ACCESSORY	- 12V auxiliary power outlet, located on centre console	•
SMOKER'S GROUP	- Includes removable ashtray and cigar lighter	•
STEERING WHEEL	- Leather-wrapped, with steering wheel-mounted audio controls	•
SUNROOF	- Power with one-touch open/close and vent feature	○
LUGGAGE COVER	- Rear	•

## SXT

## SEATING AND TRIM

FABRIC	- Premium seat fabric	•
FRONT	- Low-back buckets	•
	- Manual driver height adjuster	•
	- Front passenger forward fold-flat	•
REAR	- 60/40 split with recline	•

## UCONNECT™ MULTIMEDIA

MEDIA CENTRE RADIOS	- Media Centre 230 6CD/DVD/MP3 Radio with Audio Jack	•
	- Media Centre 731N CD/DVD/HDD/NAV radio with 16.5 cm touch screen, GPS Navigation, <sup>(2)</sup> 30GB hard drive (4,250 song capacity), Uconnect Phone, <sup>(1)</sup> Voice - Command <sup>(3)</sup> and audio jack (packaged with Technology Group)	P
AUDIO SYSTEMS	- 4 speakers	•
	- Boston Acoustics Audio System with 9 speakers, 458 watts amplifier and 2 flip - down liftgate speakers (packaged in Technology Group)	P

## UCONNECT MULTIMEDIA (CONT)

IPOD® CONTROL	- Controls iPod functionality through your Uconnect multimedia centre (packaged in Technology Group)	P
UCONNECT PHONE <sup>(1)</sup>	- Hands-free calling with Address Sync, Bluetooth and Voice Command <sup>(3)</sup> (packaged with Technology Group)	P

## SAFETY AND SECURITY

AIR BAGS <sup>(4)</sup>	- Advanced multi-stage driver and front - passenger	•
	- Supplemental side-curtain front and rear outboard occupants	•
CHILD SEAT ANCHOR SYSTEM (LATCH)	- Mounts for child seats in the second row to help ease the proper installation of compatible aftermarket child seats	•
ELECTRONIC STABILITY CONTROL (ESC) <sup>(5)</sup>	- Includes Brake Assist and All-Speed Traction Control (ASTC)	•
REMOTE KEYLESS/ILLUMINATED ENTRY	- 2 transmitters	•
SECURITY ALARM		•
SENTRY KEY®	- Anti-theft engine immobiliser	•

## PACKAGES

TECHNOLOGY GROUP	- Includes Boston Acoustics MusicGate Power® nine speaker system with a 458 - watt amplifier, subwoofer and 2 flip down liftgate speakers. Media Centre 731N CD/DVD/HDD/NAV radio, Uconnect Phone, <sup>(1)</sup> iPod Control and auto-dimming mirror with microphone	○
