Financial Services.

The 500 range can be completely personalised, even in the choice of financing and leasing solutions, offering various options that can be adapted to suit individual needs.

 Financing for those who always want to drive a new car with the freedom to choose from 3 different end of contract options: part exchange your car and replace it with a new one, return it without any obligation to buy another* or hold on to it by paying the final remaining instalment or by refinancing.

* If you opt to return your car you'll just need to make sure that you haven't gone over your agreed mileage and your car is in good condition.

Fiat customer benefits

When you buy a new Fiat, you buy more than just a car. Behind every car we sell there is the reassurance of a whole range of customer benefits and services designed to make the ownership of your Fiat as enjoyable, affordable and trouble free as possible.

2 YEAR, UNLIMITED MILEAGE, MANUFACTURER WARRANTY

Any repairs required as the result of faulty materials or manufacture are carried out free of charge - both for parts and labour.

3RD YEAR DEALER WARRANTY*

This warranty covers most electrical and mechanical components in the third year, or up to 60,000 miles from the date of first registration, whichever occurs first. The warranty is provided free of charge and is subject to conditions (full details are available from your Fiat dealer).

3 YEAR PAINTWORK WARRANTY

Any paintwork defects due to faulty materials or manufacturer will be rectified free of charge during the first 3 years.

8 YEAR ANTI PERFORATION WARRANTY

Any perforation of the bodywork due to corrosion will be repaired free of all parts and labour charges during the first 8 years.

12 MONTHS PARTS AND REPAIR GUARANTEE

All genuine Fiat parts are guaranteed for 12 months, or the duration of the prevailing warranty on the vehicle, as are repairs carried out by any Fiat dealer using genuine parts.

FIXED SERVICE COSTS

All Fiat dealers operate a "Menu Pricing" programme, which guarantees fixed service and replacement costs, with no hidden extras. The price you see is the price you'll pay, unless you have given your consent for further work to be carried out.
