

Bravo

It's all about balance: between beauty and function, form and content.

The Fiat Bravo strikes the balance perfectly, merging classic Italian good looks with modern innovation.

Striking lines and design details surround a sporting heart, engineered to provide a mixture of dynamic performance and class leading safety for all occupants.

This is the balance between style and substance, where superb interiors and a wealth of equipment, failsafe protection and inspiring responses all come as standard.

Fiat Bravo appeals to the head and the heart, inside and out. Only compromise is missing.

THE BALANCE OF POWER.

Beneath the elegant flow of the Fiat Bravo's bodywork, you'll find one of its powerful range of engines.

There are two petrol and three diesel versions to choose from.

The petrol engine range includes a frugal 1.4 16v 90 bhp unit as well a more potent turbocharged 1.4 16v T-Jet developing 120 bhp. Both engines are mated to slick shifting six-speed manual gearboxes.

The diesel range consists of a 105hp 1.6 16v MultiJet unit, specifically tuned with longer gear ratios in its six speed manual

gearbox for increased refinement, economy and even lower CO₂ emissions. A more powerful 120 bhp 1.6 16v MultiJet engine is also available, combined with Fiat's renowned robotised six-speed Dualogic gearbox, offering seamless automatic gear changes and manual gearbox functionality. Finally, a high performance 2 litre MultiJet engine developing 165 bhp completes the range.

Whichever option you choose you will enjoy a balance of performance, economy, reliability and low emissions.

1.6 16v MultiJet 105 Eco
ACTIVE/DYNAMIC

Capacity: 1598 cc
Emission level: Euro 4
Max EC power:
105 bhp (77 kW) at 4000 rpm

Urban cycle 38.7 (7.3)
Extra-urban cycle 58.9 (4.8)
Combined 49.6 (5.7)

CO₂ emissions: 132 g/km

COMPLETELY, BEAUTIFULLY SAFE.

The Bravo leads the way for active and passive safety. It surrounds you with protective measures fine-tuned during thousands of hours of engineering studies, tests and simulations. Intelligent protection comes from the Smart Airbag 2 system, which features adaptive firing perimeters, head protecting window airbags and side airbags in the seat backs plus the ISOFIX attachments on the rear seats, and the de-activation of the front passenger airbag by the onboard computer for absolute protection of children. The Bravo also features three-point seat belts with pretensioners and load limiters, five headrests and the Fire Prevention System (FPS).

Stopping power is highly advanced, thanks to an ABS system with ESP (Electronic Stability Program) and EBD (Electronic Brake Force Distribution). The ESP monitors vehicle stability continually and keeps you in complete control during sudden manoeuvres. This technology is also linked to further safety features, such as Hill Holder for secure uphill starts, HBA for enhanced braking performance in emergencies, plus the ASR/MSR anti-skid system. Optional Tyre Pressure Monitor System (TPMS) completes this long list of advanced safety features. In short, you're getting class beating all-round safety.

THE FUTURE ACCORDING TO BRAVO.

You'll find innovations everywhere in the Bravo, helping you to keep in touch and travel in perfect comfort on each and every journey. Using voice control or the steering wheel mounted controls, the Fiat Blue&Me™ system, which comes as standard on the Dynamic and Sport versions, is an advanced system which accommodates Bluetooth® mobile phones and MP3, WAV or WMA digital music players, so you can select your

entertainment and keep your hands on the steering wheel. Choosing songs is easy using the clear dash-mounted display. Dualogic, the robotised gearbox, can be used as an automatic to enhance driving comfort further, especially in urban traffic. So relax, adjust the dual-zone climate control and let the cruise control, parking, rain and dusk sensors adapt the Bravo effortlessly to conditions outside.

BEAUTY IN DETAIL.

Wherever you look inside the Fiat Bravo, you'll find beautifully designed details, that contribute to a car that is a model of Elegance with striking functionality. Inside, you'll find a warm and welcoming environment that is safe and comfortable, tough and stylish. Simply choose the trim level you like best, from Active, Dynamic and Sport; three different ways to enjoy the essence of a class leader.

ADD YOUR SIGNATURE.

The Bravo has a distinct personality, but feel free to add your own. Choose from a wide range of standard and optional features, such as 16", 17" and 18" alloys to create the Bravo that perfectly reflects you.

1. 14-spoke 16" alloy wheels (available on Active and standard on Dynamic)
2. 13-spoke 17" alloy wheels (available on Dynamic)
3. 15-spoke 17" alloy wheels (Standard on Sport)
4. 10-spoke 18" alloy wheels (Available on Sport)

5. Fiat Accessories - 10-spoke 17" alloy wheels
6. Fiat Accessories - 14-spoke 17" alloy wheels

INNER BEAUTY.

Each different version of the Bravo welcomes you in a uniquely stylish and accommodating interior. You'll instantly know which one is for you. Undiluted Italian design, high quality materials, clear functionality and fine details combine to create a memorable interior and pure enjoyment on every journey. Inside the Bravo you'll discover what inner beauty means.

FIAT CUSTOMER BENEFITS.

When you buy a new Fiat, you buy more than just a car. Behind every car we sell there is the reassurance of a whole range of customer benefits and services designed to make the ownership of your Fiat as enjoyable, affordable and trouble free as possible.

2 YEAR, UNLIMITED MILEAGE, MANUFACTURER WARRANTY

Any repairs required as the result of faulty materials or manufacturer are carried out free of charge – both for parts and labour.

3RD YEAR DEALER WARRANTY†

This warranty covers most electrical and mechanical components in the third year, or up to 60,000 miles from the date of first registration, whichever occurs first. The warranty is provided free of charge and is subject to conditions (full details are available from your Fiat dealer).

3 YEAR PAINTWORK WARRANTY

Any paintwork defects due to faulty materials or manufacturer will be rectified free of charge during the first 3 years.

8 YEAR ANTI PERFORATION WARRANTY

Any perforation of the bodywork due to corrosion will be repaired free of all parts and labour charges during the first 8 years.

12 MONTHS PARTS AND REPAIR GUARANTEE

All genuine Fiat parts are guaranteed for 12 months, or the duration of the prevailing warranty on the vehicle, as are repairs carried out by any Fiat dealer using genuine parts.

FIXED SERVICE COSTS

All Fiat dealers operate a “Menu Pricing” programme, which guarantees fixed service and replacement costs, with no hidden extras. The price you see is the price you’ll pay, unless you have given your consent for further work to be carried out.

INFORMATION AND CUSTOMER SERVICE

CIAO FIAT is the new single freephone number for customers and prospective customers - 00800 3428 0000*. CIAO FIAT provides you with access to all our products and services in the UK and can be used even when you are abroad (the number can be called from most countries in Europe).

The call is free from land lines in the UK and all Europe (except Switzerland). Mobile network charges may vary depending on whom your contract is with.

Fiat also believe it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure that you are happy with your Fiat and the service you receive from your dealer. You can also access information about Fiat products and services online on our comprehensive website at www.fiat.co.uk.

†Only applicable to UK vehicles sourced through Fiat Group Automobiles UK Ltd.

*Pan-European Freephone number from all UK land lines. A minimum charge applies to calls made from mobiles based on network rates.
