PUNTO
EVO

PUNTO EVO IS BORN. DRIVE THE EVOLUTION.
PUNTO EVO IS BORN. DRIVE THE EVOLUTION.

Next generation technology. Innovative design down to the last detail. The most comprehensive range of engines ever seen. The safety of tomorrow on the streets of today. Evolution is here with the Punto Evo. And it's for everyone. Discover the external restyling and the comfort and refinement of the revamped interior. The on-board communication and navigation equipment that doesn't distract you from driving. The comprehensive range of economical and ecological engines with the revolutionary new MultiAir system. Plus the new standard safety features that mark significant progress in driver and passenger safety. Set change in motion. Drive the evolution.

■ Ambient lighting: gently illuminates the interiors from the passenger's side dashboard.

TRUE CHANGE ALWAYS BEGINS ON THE INSIDE.

Punto Evo redefines the limits of style. The spacious and ergonomically designed interior is enhanced by the fascia that wraps around the air vents and central console. A range of different materials also enables you to personalise your car to your specific tastes. On Sporting versions ambient lighting softly illuminates the interiors from the dashboard on the passenger's side. While on every Punto Evo you'll find a series of stylish details complete the evolution of the design: the fabric upholstered areas on the door panels, the seat upholstery, not to mention the innovative ergonomics and aesthetics.

■ New instrument panel for the Sport Line.

■ New instrument panel for the Comfort Line.

The driving instrumentation has been completely redesigned with new graphics and a larger electronic display. Each piece of technology and ergonomic design contributes to making the car's interior a comfortable and pleasant environment: from the easy-to-use and thoughtfully laid out controls and numerous storage compartments, to the optional automated climate control with sunlight sensor. This regulates the interior temperature by measuring the strength of the sunlight passing through the vehicle and adjusting the air conditioning accordingly. The Air Quality System also automatically activates the internal air recycling system when the air outside the car is polluted (such as in traffic jams or in tunnels).

■ New headlamps with DRL (Daytime Running Light).

■ New rear light set with 'L' shaped rear lights.

THE LINE OF THE FUTURE IS ALWAYS MOVING. THE LINE OF THE FUTURE IS ALWAYS MOVING.

The best way to follow design trends is to create them, and the Punto Evo does just that. Striking new DRL headlamps stare determinedly onto the road ahead even when the car isn't moving, while circular fog lights with adaptive cornering function and re-modelled bumpers provide not just more style, but also more protection in the city. Even from the rear the Punto Evo cuts a dash, with a smart set of rear lights that have their own distinctive 'L' shape. Side mouldings created using the latest innovations in car design add the finishing touch and are available in body colour, black or metallic, depending on trim.

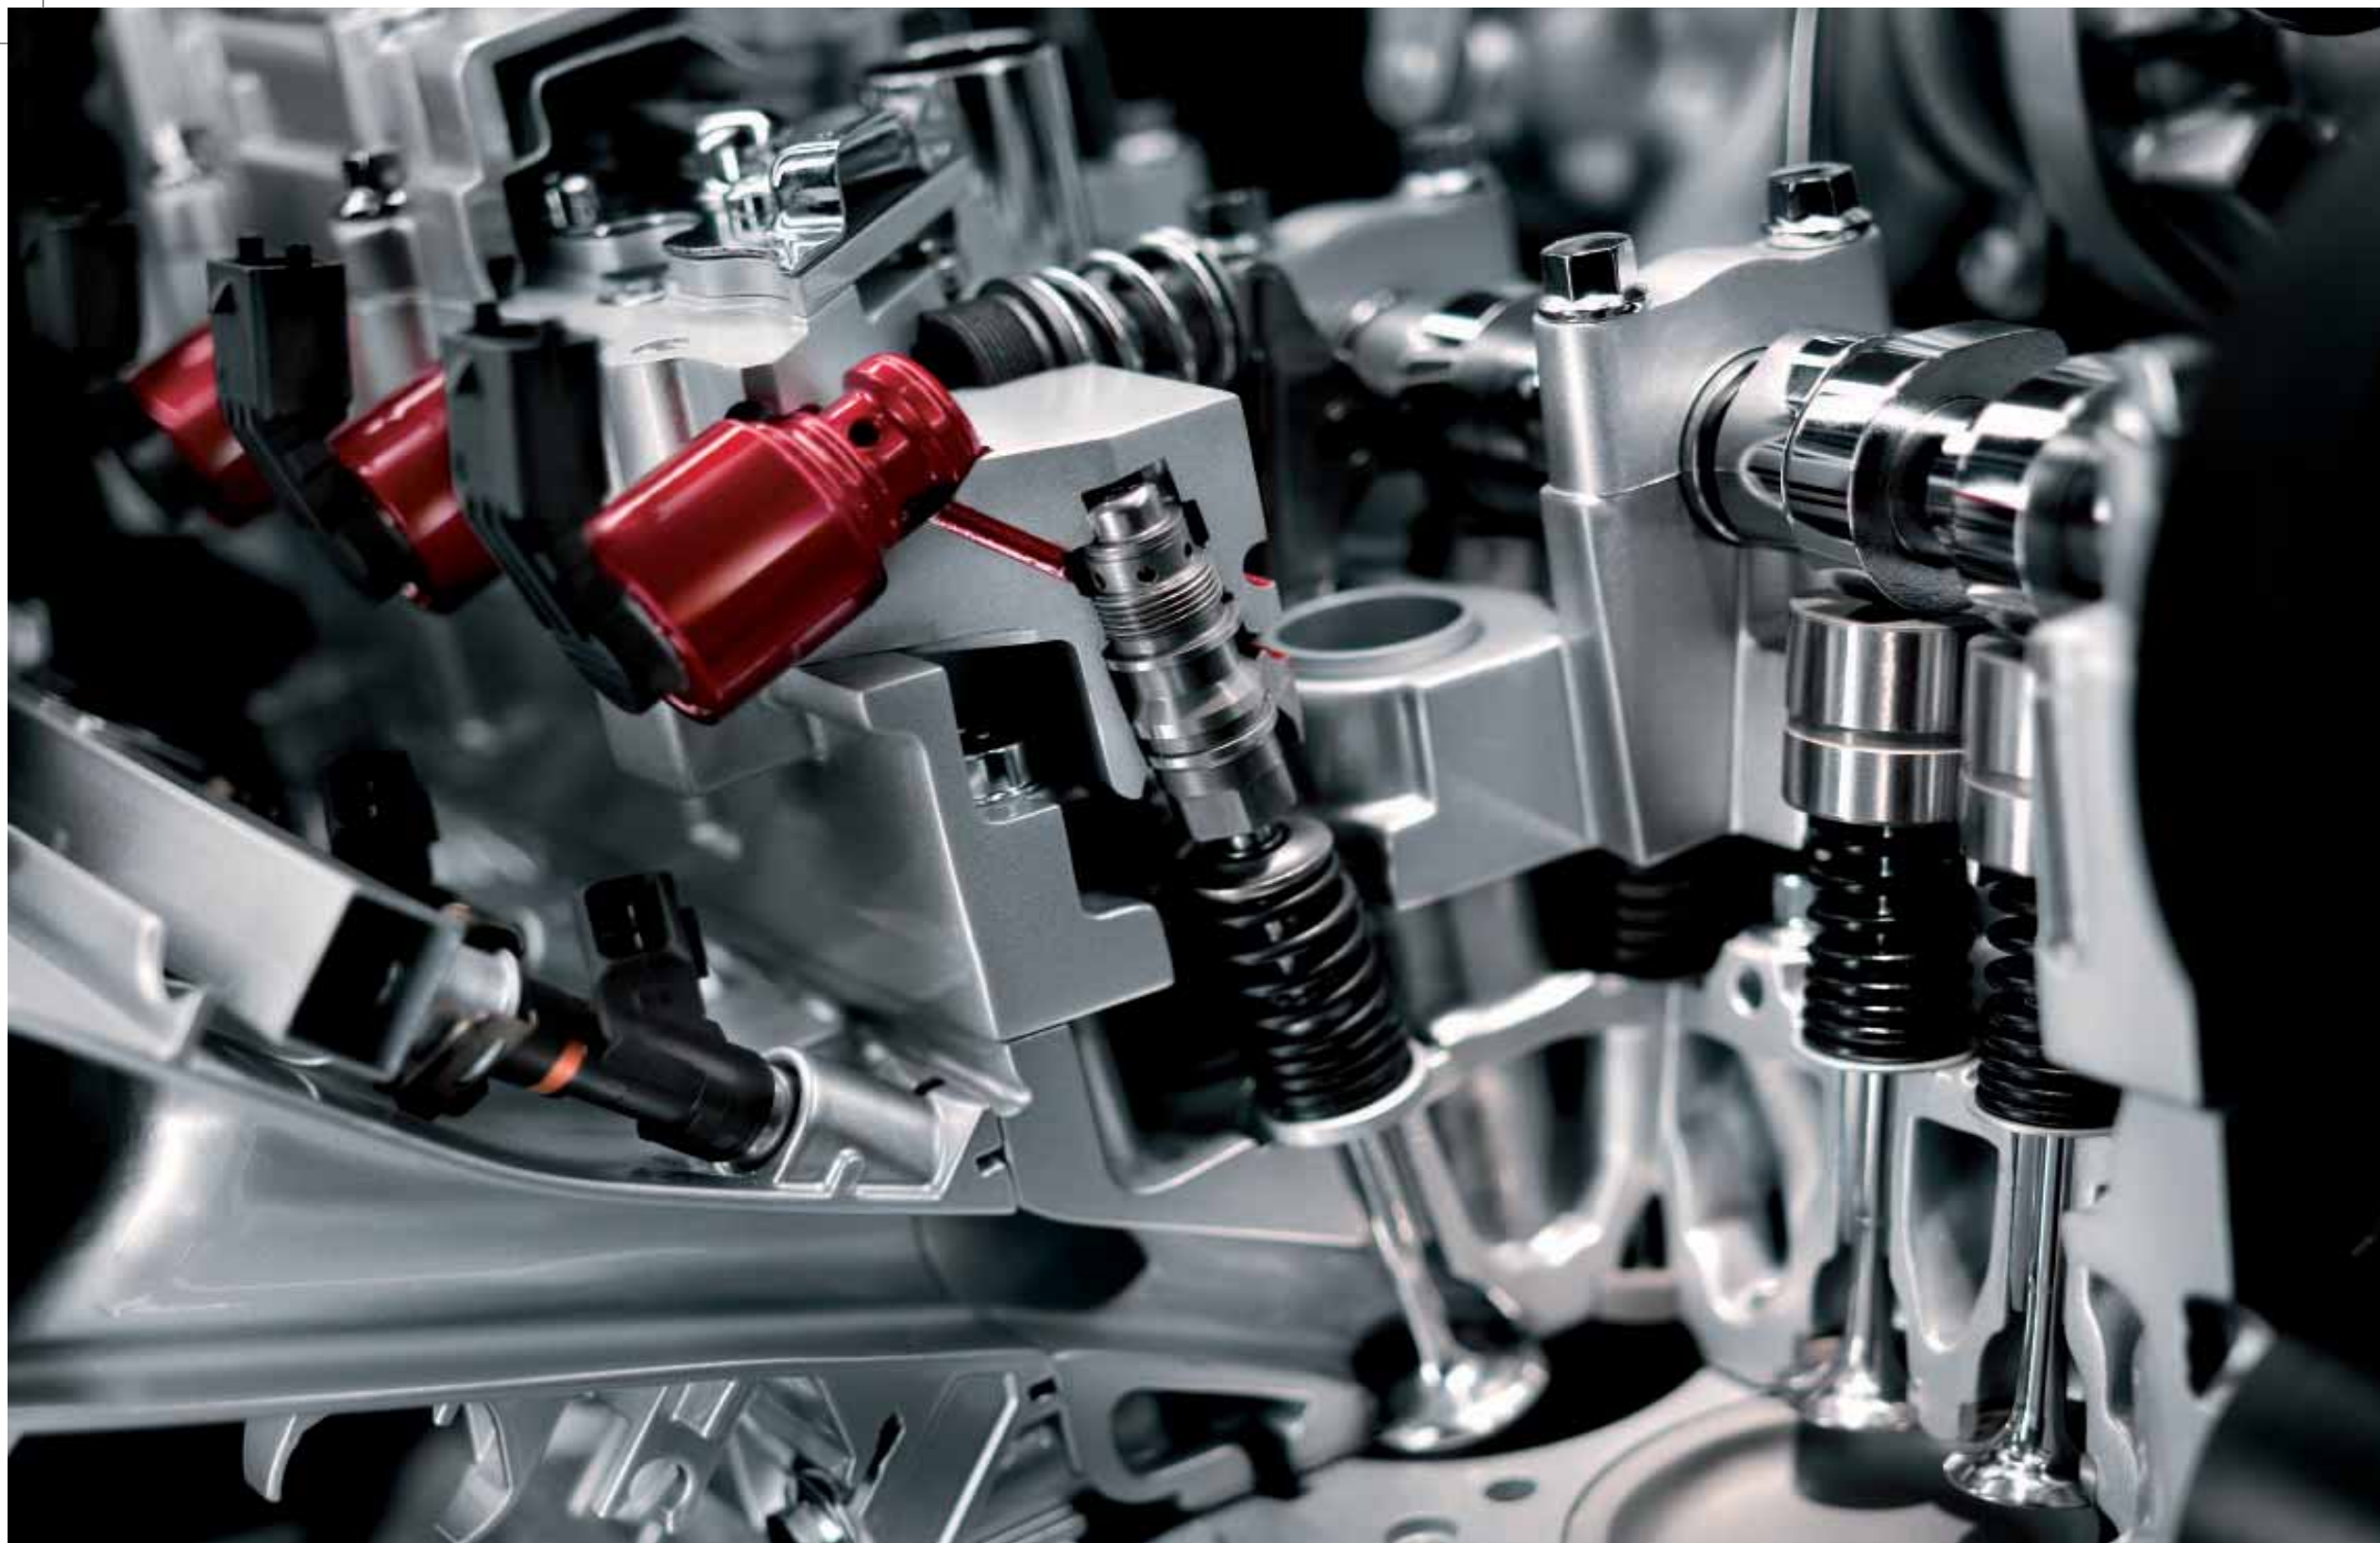

POWER IS THE HEART OF EVOLUTION. DOMEK IS THE HEART OF EVOLUTION.

A range of new engines drive the evolution. Better performance, better economy and better for the environment. Every one of the engines found in the Punto Evo meets Euro 5 emissions standards well ahead of the European emissions regulations and thus meets the standards of tomorrow, today. All engines also come with the Start&Stop system as standard.

PUNTO

- 1.2 8v 69 HP E5
- 1.4 16v MultiAir 105 HP E5
- 1.4 16v MultiAir 135 HP E5
- 1.3 16v MultiJet 75 HP E5
- 1.3 16v MultiJet 85 HP E5
- 1.6 MultiJet 120 HP E5

■ New intake valve management system.

multiair **multi**jet

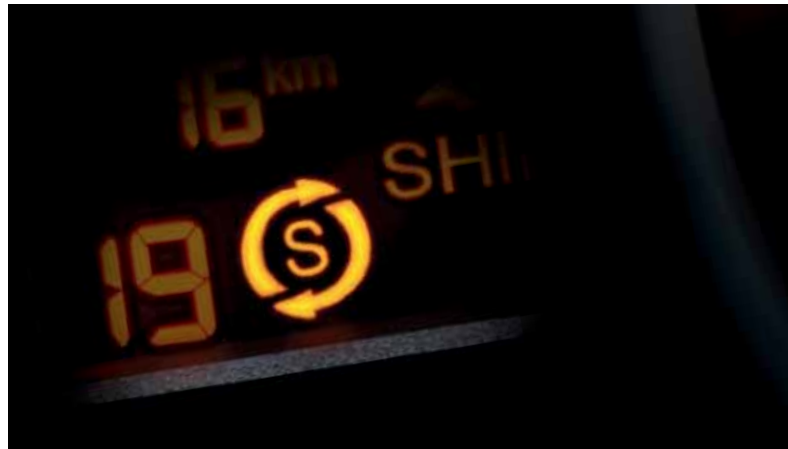

■ New MultiAir system.

The most radical new addition to the range is the 1.4 MultiAir engine with a revolutionary system for controlling the inlet and exhaust valves. The result is an improvement in air circulation and combustion efficiency, increasing maximum power by 12%*, increasing torque at low revs by 15% and reducing fuel consumption by 16%*. It also significantly reduces harmful emissions and improves the responsiveness of the engine.

This important technological development of the petrol engine is also accompanied by the evolution of the diesel range: the second generation of MultiJet Common Rail injection systems renders the 1.3 MultiJet Euro 5 even more ecological and economical.

* Punto Evo 1.4 MultiAir Turbo 135 HP vs. Grande Punto 1.4 TJet Turbo 120 HP.

■ Gear Shift Indicator that advises the driver when to change gear to optimise fuel economy.

■ Start&Stop system which automatically turns off and re-starts the engine when the vehicle comes to a halt.

THOSE WHO LOOK TO THE FUTURE RESPECT THE PRESENT.
THOSE WHO LOOK TO THE FUTURE RESPECT THE PRESENT.

Punto Evo unites care for the environment, engine performance and technological innovation. In addition to the extensive range of Euro 5 engines, the Punto Evo is also equipped with the Start&Stop system which automatically turns off the engine when the vehicle comes to a halt. In the city or in heavy traffic this can help to reduce fuel consumption. Furthermore, thanks to eco:Drive, with a simple USB key you can analyse your driving style and learn how to optimise the way you drive for better fuel economy.

■ Portable Blue&Me - TomTom pre-disposition.

■ eco:Drive system.

TOMORROW'S TECHNOLOGY FOR THE DRIVERS OF TODAY.

Sophisticated instrumentation combined with simple controls opens new worlds. Aboard the Punto Evo you find the latest evolution of Blue&Me: Blue&Me - TomTom, the completely integrated infotainment system that lets you manage your mobile phone, navigation and driving information via a practical and easy-to-use colour touch-screen.

This new device also offers eco:Drive information which records and interprets data relating to your driving style and conditions and, in real time, provides useful suggestions regarding acceleration and gear changes that will allow you to optimise the car's fuel economy and minimise its environmental impact.

■ Trip computer display with journey information that helps you calculate your quickest routes and arrival times.

■ Telephone display function with touch-screen for easy dialling and typing.

■ Media player audio system with MP3 player.

■ USB dock.

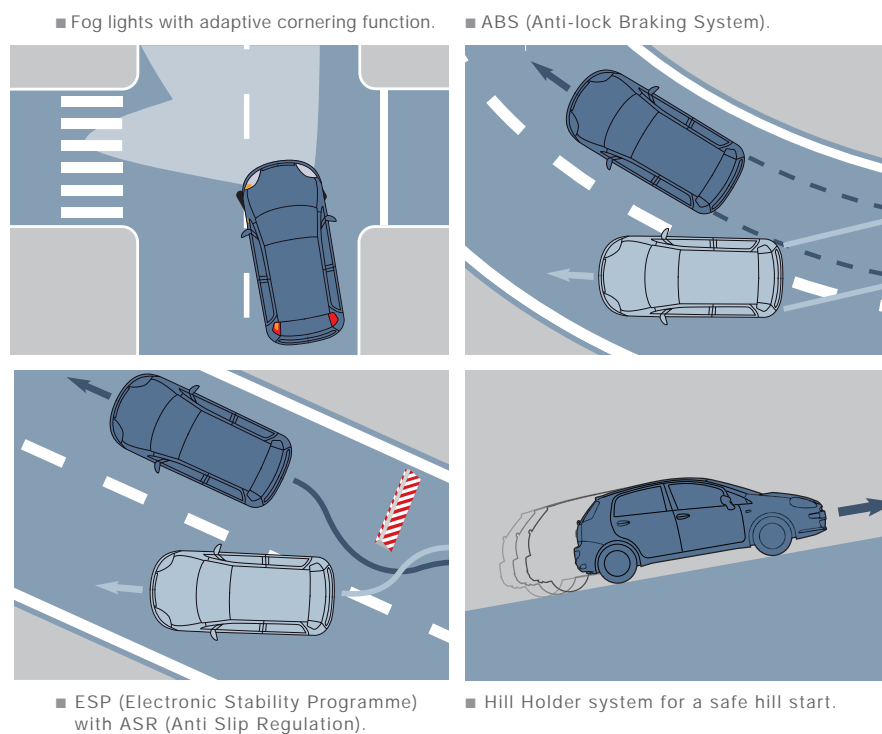

■ Steering wheel controls for communication and infotainment.

Blue&Me - TomTom allows you to safely use all of the car's infotainment and communication equipment without ever taking your hands off the wheel, or eyes off the road. How? Simple: with a tap of the finger or using voice commands you can call up the telephone keypad screen, the navigation screen or the music player, all integrated via Bluetooth® connectivity and the USB interface for flawless networking across the systems.

THE BEST STEPS FORWARD ARE ALSO THE SAFEST.

Punto Evo redefines safety standards with up to 7 airbags available dependant on model, and a driver's knee protection airbag fitted as standard on all versions. Furthermore, you can have peace of mind on long journeys thanks to the availability of a number of systems for aiding vehicle control: the Hill Holder system which helps the driver perform hill starts, the front fog lights with adaptive cornering function which automatically point the fog lights in the direction of steering, plus updated ABS, EBD and ESP systems, which come as standard across the range.

THERE ARE MANY ROADS TO THE FUTURE. CHOOSE YOURS.
 THERE ARE MANY ROADS TO THE FUTURE. CHOOSE YOURS.

Everybody has their own idea of the future. Punto Evo is the solution that embraces them all. The Comfort Line offers elegance and luxury to satisfy even the most demanding customers. On the other hand, if you have a competitive nature the Sport Line offers performance and sleek lines for those who always like to finish first.

PUNTO EVO DYNAMIC

■ Optional metallic finish front bumper insert in Carbon Metal.

■ Optional Kickplate with aluminium insert and Punto logo.

■ Optional body coloured protective side moulding.

PUNTO EVO DYNAMIC. QUALITY GOES A LONG WAY.

Punto Evo Dynamic unites comfort, style, design and safety. It's a compact car that was conceived for those who appreciate beauty and who love to travel in comfort. It's also a car that is instantly recognisable with its distinctive body styling and wide range of body colours. On the Dynamic trim you have the option of selecting metallic coloured bumper inserts and side mouldings. The Dynamic also comes with DRL headlights, whilst the boot handle is personalised with the Punto Evo logo.

Inside, the Punto Evo Dynamic greets you with attractive features made of functional and elegant materials. The dash is black, whilst the central fascia comes in a choice of three different colours (grey, bordeaux or blue) to match the seat fabric. Amongst the new features that come as standard, you'll find the driver's knee protection airbag plus 40/60 split folding rear seats.

■ Storage compartment.

■ GP interior.

■ Sports grille.

■ Rear spoiler.

PUNTO EVO GP. EVERY CHANGE NEEDS MOTIVATION. ПУНТО ЕВО СЪ' ЕЛЕВА CHANGE NEEDS MOTIVATION'

Fun and rebellious, this model is aimed at those who aren't afraid to stand out from the crowd and change the rules. Externally the Punto Evo GP stands out with its dark tinted headlights and black honeycomb pattern sports grille. Internally, the gritty character continues to enhance the look with black/red or black/grey finishing. A rear spoiler, 16" alloy wheels, and fog lights with adaptive cornering function are just some of the exciting features that come as standard with this model. It's the ideal car to make the most of every opportunity to have fun.

PUNTO EVO SPORTING. THE FUTURE BELONGS TO WHOEVER GETS THERE FIRST.
PUNTO EVO SPORTING' THE FUTURE BELONGS TO WHOEVER GETS THERE FIRST.

■ Punto Evo Sporting 3 door.

■ Optional 17" alloy wheels.

For those who are never caught flat-footed, the Punto Evo Sporting enters the ring: the quickest and most dynamic model in the range. It's the details that make all the difference and leave rivals struggling behind. Features like wrap around sports seats, pearl white interior trim details accentuated with ambient lighting, steering wheel and gear knob trimmed in smooth leather and finished with white stitching, sports graphics for the instruments, side skirts, rear spoiler and 17" alloy wheels. A winning choice that doesn't waste time getting you where you want to go.

TRANSFORMATION IS MAKING THE DIFFERENCE.

A joy to discover down to the last subtle detail - like the new central logo beneath the Fiat badge - the Punto Evo is a car that loves to evolve and adapt to the tastes of its owner.

Those who aren't quite happy with the standard models and want to add a personal touch to their Punto Evo will find an ample selection of options and accessories, including side skirts, rear spoiler and aluminium twin exhaust. For an extra touch of dynamism, you can also opt for chromed finish, polished black, white, carbon-effect or checkered finish wing mirror caps.

FIAT CUSTOMER BENEFITS

When you buy a new Fiat, you buy more than just a car. Behind every car we sell there is the reassurance of a whole range of customer benefits and services designed to make the ownership of your Fiat as enjoyable, affordable and trouble free as possible.

2 YEAR, UNLIMITED MILEAGE, MANUFACTURER WARRANTY

Any repairs required as the result of faulty materials or manufacturer is carried out free of charge – both for parts and labour.

3RD YEAR DEALER WARRANTY†

This warranty covers most electrical and mechanical components in the third year, or up to 60,000 miles from the date of first registration, whichever occurs first. The warranty is provided free of charge and is subject to conditions (details quoted in the Service & Warranty Booklet & available from your Fiat dealer).

3 YEAR PAINTWORK WARRANTY

Any paintwork defects due to faulty materials or manufacturer will be rectified free of charge during the first 3 years.

8 YEAR ANTI PERFORATION WARRANTY

Any perforation of the bodywork due to corrosion will be repaired free of all parts and labour charges during the first 8 years.

12 MONTHS PART AND REPAIR GUARANTEE

All genuine new and remanufactured Fiat parts are guaranteed for 12 months unlimited mileage, parts purchased and fitted at a franchised Fiat Dealer have the added benefit of free fitment.

FIXED SERVICE COSTS

All Fiat dealers operate a “Menu Pricing” programme, which guarantees fixed service and replacement costs, with no hidden extras. The price you see is the price you’ll pay, unless you have given your consent for further work to be carried out.

INFORMATION AND CUSTOMER SERVICE

CIAO FIAT is the new single freephone number for customers and prospective customers - 00800 3428 0000*. CIAO FIAT provides you with access to all our products and services in the UK and can be used even when you are abroad (the number can be called from most countries in Europe). The call is free from land lines in the UK and all Europe (except Switzerland). Mobile network charges may vary depending on whom your contract is with. Fiat also believe it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure that you are happy with your Fiat and the service you receive from your dealer. You can also access information about Fiat products and services online on our comprehensive website at www.fiat.co.uk.

†Only applicable to UK vehicles sourced through Fiat Group Automobiles UK Ltd.

*Pan-European Freephone number from all UK land lines. A minimum charge applies to calls made from mobiles based on network rates.

INSURED PRODUCTS AND SERVICES

The following insured products and services are provided through Fiat Financial Services*.

Fiat customer benefits

1 YEAR'S AA ASSURANCE COVER

All new Fiats come with 1 year's AA Assurance cover, which includes Roadside Assistance, Home Start, Relay, Relay Plus, and European Cover.

This insured service is provided on a free of charge basis and is available 24 hours a day, throughout the year. AA Assurance also provides free access to travel information, legal advice and technical information.

FIAT MOTOR INSURANCE

Comprehensive car insurance is available at competitive premiums, with up to 65% No Claims Bonus transferable from your existing policy after five consecutive years of claim free driving.

For a quotation, either ring 0800 876 6071, or visit online through www.fiat.co.uk

FINANCE AND PROTECTION PLANS

Fiat Financial Services offers a comprehensive range of financial plans to suit private and business customers alike. Fiat i-Deal, Finance Lease, Balloon Hire Purchase and traditional Hire Purchase can adapt to suit your requirements, whatever they may be.

For example, you may wish to include the cost of one of our Payment Protection plans and Asset Protection plans, which provide added security for you, your family and your investment. Your Fiat dealer will be pleased to design a specific plan for you.

Please ask your Fiat dealer for more information. Written quotations available on request. **

FIAT CONTRACT HIRE***

CONTRACT HIRE FOR THE BUSINESS USER
More and more businesses are turning to Contract Hire as a simple, tax efficient way of financing their fleet. Contract Hire allows the use of a vehicle for a pre-determined fixed period and cost (subject to mileage and conditions) and has many features and benefits that your Fiat dealer will be delighted to discuss with you.

At Fiat Contract Hire we also provide a full support service, including maintenance, relief vehicle, AA Assurance and accident management, saving you time to concentrate on running your business. For more information, please contact your Fiat dealer, or call 01753 519222.

PERSONAL CONTRACT HIRE FOR THE USER CHOOSER

If you are a company car driver with a “User Chooser” policy, very competitive quotations can be obtained through Fiat Contract Hire. ***

For more information, please contact your Fiat dealer, or call 01753 519222.

*Fiat Financial Services is a trading style of FGA Capital UK Ltd. FGA Capital UK Ltd is authorised and regulated by the Financial Services Authority for General Insurance.

**Credit available to anyone aged 18 or over, subject to status. A guarantee may be required. Written quotations are available from Fiat Financial Services, PO Box 108, Leeds, LS17 0WU.

***Fiat Contract Hire is a trading style of FGA Contracts UK Limited which is an appointed representative of FGA Capital UK Limited. Contract Hire finance facilities are available subject to credit approval. Written quotations are available from Fiat Contract Hire, 240 Bath Road, Slough, Berkshire, SL1 4DX.
