Worth celebrating

After 50 years of Australian firsts
Falcon continues to lead the way.

XR6 50th Anniversary interior shown.

Ford Falcon. Celebrating 50 years of firsts.

For the past 50 years, Ford Falcon has led the way in Australian motoring. Imagine driving a car that is on the cutting edge of Australian technology with a history of renowned motoring innovations and accolades. Be inspired by the first Australian built car to have driver's airbag as standard, the first Australian built car to be awarded a 5-star ANCAP safety rating and first with integrated iPod[®] and Bluetooth[®] technologies as standard. With Ford's commitment to investing in the future, this tradition of firsts will continue. To celebrate Falcon's 50th Anniversary, Ford is proud to release a limited edition range of XR Falcons packed with features and commemorative extras that represent exceptional value.

Celebrate with a 50th Anniversary Falcon XR6.

There really is no better time to own a Falcon. Enhanced with extra 50th Anniversary features, the Falcon XR6 and XR6 Turbo are more iconic than ever. Additional features of the 50th Anniversary XR6 include limited edition 18" alloy wheels, 50th Anniversary side graphics and stripes, seats with leather trim highlights and embroidered 50th Anniversary logo and dual zone climate control. For those seeking greater exhilaration, choose the XR6 Turbo featuring special 19" wheels, premium audio system and reversing sensors. The outstanding value these cars offer is a once in a lifetime opportunity, so you'll need to be quick.
