ADVENTURE FROM THE TOP DOWN.

ADVANCE AND CONQUER. CHOOSE HOW YOU MOVE FORWARD BY POWERING YOUR WRANGLER WITH THE PENTASTAR 3.6-LITRE ENGINE THAT DELIVERS A SIGNIFICANT JUMP IN POWER AND TORQUE, OR THE EFFICIENT 2.8-LITRE TURBO DIESEL ENGINE THAT MEETS ALL EURO 5 STANDARDS. EITHER WAY, WITH WRANGLER, YOU'RE ALWAYS TRAVELLING ON A RENOWNED JOURNEY TOWARD OPEN-AIR FREEDOM.

PENTASTAR 3.6-LITRE V6 ENGINE.

The standard Pentastar 3.6-litre V6 engine cranks out enough power to tow up to 2,200 kg when properly equipped. Dual overhead camshafts (DOHC) and structural refinements allow it to achieve high efficiency. Variable Valve Timing (VVT) helps make the most of precious fuel, at any speed.

209 **347**
kW OF POWER N.m OF TORQUE

2.8-LITRE TURBO DIESEL ENGINE

This impressive 2.8-litre DOHC 16-valve 4-cylinder Common-Rail Direct-injection (CRD) turbo diesel engine pumps out 147 kW of power at 3,600 rpm and 460 N.m of torque at 1600-2600 rpm (with automatic transmission). The fuel-saving Stop-Start System is standard on vehicles equipped with the diesel engine and manual transmission.

147 **460**
kW OF POWER N.m OF TORQUE

1 SUNRIDER® SOFT TOP. The standard Sunrider Soft Top features a convenient cable release that quickly lets the sun shine in without having to fold back the entire top. Or, fold and tuck it all away. It's made of a three-ply fabric that helps deflect road sounds, absorb wind noise and enhance insulation.

2 & 3 FREEDOM TOP® HARDTOP. This available three-piece modular hardtop allows sun-exposure control by separating into three easy-to-store pieces. The Freedom Top Carrier is an available Genuine Jeep® Accessory by Mopar®, allowing the panels to be conveniently carried on the spare tyre.

THE ULTIMATE 4x4 FORMULA

CHOOSE YOUR OUTLOOK. From Wrangler's point of view, the sky's the limit. You'll always see available removable full-framed doors and a fold-down windshield.⁽¹⁾ Select your canopy with the Sunrider® Soft Top or hardtop, or opt for the colour-coded hardtop (optional on Rubicon only). No other 4x4 comes close to offering as many top configurations as Wrangler provides for sun-loving adventurers.

NEW PENTASTAR® 3.6-LITRE V6 ENGINE. Delivering refinement and power, the Pentastar 3.6-litre V6 engine answers the quest for more muscle to match Wrangler's legendary brawn.

ROCK-SOLID UNDERPINNINGS. Wrangler's body-on-frame design is built with a frame that's fully boxed for strength, stiffness, and durability. Stamped steel skid plates for the fuel tank and transfer case help protect Wrangler's guts when battling boulders. Extra-tough body-mounted rails provide additional protection (standard only on Rubicon).

⁽¹⁾ Driving with the doors off and windshield down is for off-road use only.

HARD CORE 4x4.

CONFIDENCE TO GO ANYWHERE, DO ANYTHING[®] IS BORN AND BRED IN EVERY JEEP[®] BRAND TRANSFER CASE. JEEP OFF-ROAD READY 4x4s PERFORM TO RIGOROUS STANDARDS IN FIVE CATEGORIES: ARTICULATION, MANEUVERABILITY, TRACTION, GROUND CLEARANCE AND WATER FORDING. KEEP MOVING FORWARD, NO MATTER WHAT LIES AHEAD.

TRU-LOK[®] DIFFERENTIALS

Tru-Lok front and rear electronic-locking differentials balance speed between left and right wheels, maintaining forward momentum for the ultimate in traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. (Standard on Rubicon.)

FRONT SWAY BAR DISCONNECT

This system allows you to flip a switch to disengage the sway bar when driving under 22 kph in 4WD-low (4LO) mode, permitting the front suspension to travel up to 25 percent further. (Standard on Rubicon.)

HEAVY-DUTY SUSPENSION

Solid axles with locating arms, coil springs, track/stabiliser bars, front steering damper and high-pressure gas-charged monotube shock absorbers.

TRANSFER CASE OPTIONS

Rock-Trac[®] with its 4:1 low-gear ratio, allows Wrangler Rubicon to crawl at a low speed for greater control; increases the amount of torque available at the wheels. (Standard on Rubicon). Command-Trac[®] employs the MP241 transfer case, delivering smooth and quiet part-time shift-on-the-fly operation. (Standard on Sport).

DANA[®] 44 HEAVY-DUTY AXLE

Durability and articulation come from heavy shafts, a stiff housing, large pinion bearings, and above-centre pinion mountings. The above-centre mounting helps reduce driveshaft joint angles for smooth and quiet operation and also adds ground clearance. (Rear Dana 44 standard on all models. Front Dana 44 standard on Rubicon.)

HOOKS AND PLATES

Every Wrangler is fortified with underbody armour that protects critical components with stamped steel skid plates for the fuel tank and transfer case. Front and rear tow eyes help when duty calls.

Properly secure all cargo.

- 1 SOUND POSSIBILITIES.** + A radio with MP3, auxiliary input jack, and six-speaker audio system is standard. There are two tweeters and four 6.5-inch speakers (two in the overhead sound bar). A premium sound system that includes six ∞Infinity® speakers and an 8-inch subwoofer with a 368-watt amplifier is available.
- 2 DETAILED PRIDE.** + Jeep® Wrangler is finely created with design details that are thoughtfully placed and carefully crafted. Satin Silver-trimmed heating and cooling vents allow precise placement of airflow.
- 3 REAR CARGO MAT AND STORAGE BIN.** + A reversible cargo mat protects your carpet, while a storage bin beneath Wrangler's rear floor helps keep valuables secure with lift-out tray and convenient storage for doors and hardtop bolts.

4 FIRST-CLASS INTERIOR. + Chrome details and available leather-trimmed seats on Rubicon are embedded into Wrangler's soft-touch interior. Standard heated power mirrors and available heated front-row seats raise your level of comfort in cool temps. The steering wheel places speed control, audio and available Electronic Vehicle Information Centre (EVIC) control settings at your fingertips.

HEATED FRONT SEATS. + Upgrade your all-weather or top-down experience with Rubicon's available heated leather-trimmed front-row seats.

FOR TRUE
INSPIRATION,
LOOK WITHIN.

INFORMED AND WELL-CONNECTED.

STAY IN TOUCH WITH THE PEOPLE, MUSIC AND DEVICES THAT MATTER MOST. UCONNECT™ IS AN INTUITIVE HUB FOR ALL OF YOUR MEDIA I.E. MOBILE PHONE, NAVIGATION SYSTEM AND MP3 PLAYER. YOU'LL STAY CONNECTED, INFORMED, ENTERTAINED AND FOCUSED ON DRIVING WITH THIS AVAILABLE USER-FRIENDLY SYSTEM.

ENTERTAINMENT. Manage all of your media and access your audio in six different ways. Get the sound going via CDs/DVDs, MP3s, remote USB port, auxiliary input jack, hard disc storage, Voice Command and Bluetooth streaming audio.

PHONE. Talking on the phone while driving has never been more responsible. Uconnect Phone⁽¹⁾ is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. This clever system is also smart enough to synchronise with your Bluetooth compatible phone's address book with up to 1000 entries.

NAVIGATION.⁽²⁾ Enjoy safe travels with the available GPS Navigation, providing voice guidance and visual display. It can also locate nearby petrol stations, restaurants, hospitals or points of local interest.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select radio stations, make and receive calls, select navigation⁽²⁾ destinations and record voice memos. This smart system can also be trained to better recognise your voice and can understand commands in English, French and Spanish.

(1) Must use Bluetooth compatible phone. (2) When equipped with Media Centre 731N. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See dealer for details.

MEDIA CENTRE 731N CD/DVD/HDD/NAV[®] RADIO. Go anywhere, hear everything with this available multimedia system. Hands-free communication lets you talk safely on the phone, text, or operate the radio. It arrives loaded with a hard drive to store your media.

GUARDIAN HERO.

PEACE OF MIND TAKES YOU FAR. JEEP® WRANGLER IS ENGINEERED TO PERFORM HEROICALLY IN ALL DRIVING CONDITIONS. YOU'LL FEEL THE STRENGTH OF IT'S REINFORCED STRUCTURE, SHELTERED WITHIN AN ENVIRONMENT THAT SERVES YOU WELL. GO BOLDLY FORTH, EMPOWERED WITH THE INSPIRED CONFIDENCE A LEGENDARY JEEP WRANGLER OFFERS.

ELECTRONIC STABILITY CONTROL (ESC):⁽¹⁾

An advanced system designed to assist drivers in maintaining control of their vehicle at all times. It utilises hydraulic Brake Assist, All-Speed Traction Control (ASTC), and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle's actual course. If needed, ESC automatically brakes and/or reduces engine torque. Meanwhile, ERM estimates the potential for wheel lift, reducing engine power and applying brakes if needed. ESC has three modes: Full-On, Partial-On which shuts off traction control, and Full-Off which is ideal for off-road driving.

ADVANCED MULTI-STAGE FRONT AIR

BAGS:⁽²⁾ These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

AVAILABLE SUPPLEMENTAL FRONT-SEAT MOUNTED SIDE AIR BAGS:⁽²⁾

These deploy from the outboard side of each front seat to enhance protection of the driver and front passenger in certain impacts. Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs.

SENTRY KEY® ENGINE IMMOBILISER.

A unique, embedded key code matched only to your vehicle helps keep your Wrangler safely where it belongs.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC).

HSA works to prevent Wrangler from rolling when starting on an uphill or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. HDC is packaged with automatic transmissions and diligently works to help Wrangler navigate steep declines at a steady and consistent speed.

SPORT BAR. Uses high-strength steel and is integrated into the B-pillar that runs into the floor, helping to improve side-impact performance and vehicle stiffness.

MID-MOUNTED FUEL TANK. The wide-spaced frame rails cradle the fuel tank between the wheels for added protection. The fuel tank features a robust 2.5-mm skid plate for safer off-road driving.

ENERGY-ABSORBING FRONT RAIL EXTENSIONS. Wrangler's collapsible, hydro-formed front rail tips offer low-speed protection and can be serviced after impact events of up to 13 km/h.

HALOGEN HEADLAMPS AND FOG LAMPS.

These bright sources of light improve down-road visibility at night or during inclement weather.

(1) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (2) Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the Occupant Classification System (OCS) is appropriate. Children 12 and under should always be in the backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

RUBICON

15

RUBICON

RUBICON IS A FACTORY-BUILT WARRIOR BORN WITH TRU-LOK® ELECTRONICALLY LOCKING DIFFERENTIALS, ROCK-TRAC® TRANSFER CASE, 4:1 LOW RANGE RATIO, AND ROCK RAILS. AN INCREDIBLE 73.1:1 CRAWL RATIO WITH THE MANUAL TRANSMISSION LETS YOU CRUISE UP THE ROCKS TO PLACES OTHERS ONLY DREAM OF REACHING. CHOOSE RUBICON UNLIMITED FOR FOUR-DOOR, FIVE-PASSENGER CAPABILITY, AND YOU CAN SHARE A NEW POINT OF VIEW WITH OTHERS.

1 ADVENTURE-WORTHY INTERIOR. + Rubicon's cabin is worthy of a hero's journey, with standard cloth seat coverings that are as attractive as they are durable. A four-way position adjuster is standard on the driver's seat.

2 BIG CLAWS. + Goodyear® Wrangler tyres mounted on 17-inch Moab wheels are Rubicon's standard fare.

3 WHEN THE GOING MEETS TOUGH. + Skid-plate protection helps Rubicon's mighty Rock-Trac transfer case gain off-road ready status.

4 RUBICON ROCKS. + Premium sound is delivered by six ∞Infinity® speakers and an 8-inch subwoofer with a 368-watt amplifier.

5 BODY-COLOUR TOP AND FLARES. + Rubicon now gives you the option of coordinating the colour of your Freedom Top® hardtop and fender flares to your exterior paint.

SPORT

17

SPORT

WHETHER YOU CHOOSE THE FOUR-PASSENGER SPORT OR THE FIVE-PASSENGER, FOUR-DOOR SPORT UNLIMITED, YOU'RE HANDED THE TORQUE TO GET UP AND OVER WITH THE PENTASTAR® 3.6-LITRE V6 ENGINE MATCHED TO THE LEGENDARY COMMAND-TRAC® 4WD SYSTEM. THIS COMBO WILL GO VIRTUALLY ANYWHERE IT'S DIRECTED.

Properly secure all cargo.

- 1 DURABLE. WASHABLE. UNSHAKABLE.** + Fear no mud or spills. Go ahead and have some good clean fun, because every Wrangler comes with a washable interior with drain plugs.
- 2 FOUR-DOOR 4x4.** + Take on more passengers and more adventure. The four-door Wrangler Unlimited is the only 4WD convertible out there, giving you plenty of room for five adults, plus gear storage behind the rear seat.
- 3 NON-STOP UTILITY.** + Sport takes on gear and guests, as you see fit. Fold down the rear fold and tumble seats for backpacks or canine companions. Wrangler Unlimited offers even more utility with 498-litres of cargo space with the rear seat in place and up to 934.5-litres with the rear seat folded. A reversible cargo mat protects your carpet, while a redesigned storage bin beneath Wrangler's rear floor helps keep valuables secure.

Overseas model shown.

GENUINE JEEP® ACCESSORIES.

THERE'S NO BETTER WAY TO PERSONALISE YOUR WRANGLER THAN TO ADD GENUINE JEEP ACCESSORIES BY MOPAR. DON'T SETTLE FOR ANYTHING OTHER THAN GENUINE AS ALL ACCESSORIES FEATURE THE FIT, FINISH AND FUNCTIONALITY SPECIFICALLY DESIGNED FOR YOUR VEHICLE.

GENUINE JEEP® ACCESSORIES BY MOPAR

SPORT. + No matter what adventure you seek, you'll want to add to the sport of it all with durable and convenient Mopar carriers.

PROTECTION. + Safeguard your vehicle with parts and accessories made precisely for the protection and security of your ride.

STYLE. + Select from a palate of attractive accessories designed to enhance your vehicle's appearance and express your individual taste.

PRACTICAL. + No matter where you travel or the gear you're carrying, Mopar offers an abundance of practical solutions wherever you go.

1
