

fiat.co.uk

500L

GROWING UP
IS COOL.

THAT'S WHY THE FIAT 500
HAS BECOME AN "L".

HAVING KIDS
TO CONTINUE
BEING KIDS.

THE FIAT 500L IS LARGE SO THAT THE JOY
OF BEING TOGETHER CAN BECOME **BIGGER**
EVERY DAY.

Whether with friends or relatives, the Fiat 500L can accommodate them all, comfortably. With a **passenger volume of 3.17 m³**, the car provides a travelling experience to meet your needs and those of your passengers. With the Fiat 500L, it's not just the destination that counts, but the way you experience each journey.

THE FIAT 500L ALSO EXPANDS THE CONCEPT OF FUNCTIONALITY. MEASURING 4.15 METRES IN LENGTH, 1.78 METRES WIDE AND 1.66 METRES HIGH, IT TEAMS THE SPACE AND INTERIOR COMFORT OF AN MPV WITH THE PARKING PRACTICALITY OF A CITY CAR.

L 415 W 178 H 166

The ample size and space of the Fiat 500L is teamed with first-rate functionality and comfort. The **ribbon windows and glazed pillars** provide greater visibility and facilitate parking. The dashboard groups together the instrument panel and the main controls for the multimedia system in two distinct areas, as well as containing convenient storage compartments.

DOING
SOMETHING
GREAT IS
EVERYONE'S
AMBITION.

FIAT 500

SIMPLY CLIMB INTO A FIAT 500L AND THE IDEA OF HOSPITALITY IMMEDIATELY EXPANDS. THERE'S ROOM FOR EVERYTHING AND EVERYONE INSIDE, BECAUSE THE FIAT 500L LOVES TO TRAVEL IN GOOD COMPANY AND IN COMFORT.

THE FIAT 500L CAN CARRY **5 PEOPLE AND UP TO 5 TROLLEY BAGS** THANKS TO ITS **400 LITRE BOOT**. WHAT'S MORE, THE LOAD COMPARTMENT FEATURES A HOST OF POCKETS AND HOOKS TO TAKE ANYTHING YOU NEED WITH YOU IN COMPLETE SAFETY. THANKS TO THE **CARGO MAGIC SPACE** SYSTEM, YOU CAN ADJUST THE BOOT PLATFORM TO THREE DIFFERENT HEIGHTS AND ORGANISE YOUR BOOT AS YOU SEE FIT.

“FORTUNATELY,
YOU’RE OFF TO
A GREAT
START.”

"OUR ASPIRATIONS ARE OUR POSSIBILITIES."

Samuel Johnson

ONLY THE FIAT 500L MULTIPLIES THESE ASPIRATIONS BY **1500**, IDENTICAL TO THE NUMBER OF INTERNAL CONFIGURATIONS. **INCREDIBLE**, ISN'T IT?

To enhance comfort and interior space further, the Fiat 500L offers you a **host of seat adjustments**. The front passenger seat with folding table backrest or the split rear seats can be longitudinally adjusted. Thanks to the **Fold&Tumble** function, it allows them to fold down onto themselves in one simple action. This provides a flat load platform that utilises the entire length of the car.

"THE ONLY WAY TO
GET RID OF A
TEMPTATION IS
TO YIELD TO IT."

Oscar Wilde

WITH THE FIAT 500L, **YOU DON'T HAVE**
TO GIVE ANYTHING UP. NOT EVEN YOUR
COFFEE BREAK.

The Fiat 500L enhances the flavour of every journey, in every sense. Because only the Fiat 500L features a genuine **espresso coffee machine inside the passenger compartment, including the Lavazza "A Modo Mio" capsule system**. For the first time ever, you won't need to stop at a café for a coffee break, since you can enjoy the aroma and taste of an authentic espresso coffee while remaining in the comfort of your car.

TRAVEL THE WORLD LIGHT.

THE FIAT 500L LETS YOU TRAVEL **LIGHTLY** – THANKS TO ITS LATEST GENERATION ENGINES, WHICH OFFER LOW FUEL CONSUMPTION AND LOW EMISSIONS.

The Fiat 500L engines provide the best combination of performance, fuel consumption and low emission levels. In addition to the **1.4 16v 95hp petrol engine** and the revolutionary **0.9 TwinAir 105hp**, the Fiat 500L range is completed with the **1.3 85hp MultiJet II turbo diesel** (also available in the MTA dualogic version) and the **1.6 16v MultiJet II turbo diesel**.

On the Fiat 500L, safety is guaranteed at the highest level. The car is fitted with **headlights with “Day Running Light”** function, optional **fog lights with “self-adaptive cornering”** and City Break Control (CBC). The Fiat 500L has as standard **6 Airbags**, EBD, ABS and BAS (Brake Assist System) and the sophisticated **ESC (Electronic Stability Control)** which incorporates the **ASR/MSR** acceleration and deceleration anti-slipping function with **Hill Holder** to facilitate hill starts. Also supplied as standard is **DST** active steering which improves driving safety and handling performance, as well as electronic rollover mitigation (**ERM**). The Fiat 500L comes with a 5 Star Euro NCAP rating.

“OUR NATURE CONSISTS
IN MOTION”

Blaise Pascal

The Fiat 500L provides the best combination of performance, fuel consumption and low emission levels, thanks to the latest generation engines.

All the Fiat 500L petrol engines are Euro 6 compliant. You can choose the **1.4 16v 95 hp** engine or the revolutionary twin-cylinder **0.9 TwinAir** (105 hp) with 6 speed manual gearbox. Both offer outstanding performance with exceptionally low emissions and the TwinAir is the best in class for petrol engines in its category (CO₂ 112 g/km).

The Fiat 500L diesel range sets a true benchmark, thanks to the third-generation of **Common Rail injection systems and Start&Stop technology**.

The 1.3 MultiJet II, available with manual or automatic gearbox (MTA Dualogic), guarantees high torque even at low speeds as well as considerably reduced fuel consumption and CO₂ emissions (110g/km for manual, 105g/km for automatic).

The top of the range 1.6 MultiJet 105hp engine with 6 speed manual gearbox offers outstanding performance with all the benefit of a new technology diesel engine.

1.4 16v 95hp FIRE

Displacement (cm ³)	1368

“THERE IS NO DELIGHT IN OWNING ANYTHING UNSHARED.”

Seneca

THE FIAT 500L IS A LINK TO ACCESS

YOUR FAVOURITE SOCIAL NETWORKS, NEWS AND THE WEB DIRECTLY.

With the Fiat 500L, you can stay in touch with everyone, thanks to the innovative **Uconnect device**, which comes as standard. The Uconnect device is equipped with a **5" colour touchscreen**, so you can access the radio and your multimedia devices, which can be connected via USB and Aux-in socket. Thanks to Bluetooth®, you can handle calls, read any text messages and, in addition, with the innovative **Audio Streaming** system, you can stream music files and web radio stations directly from your smartphone without wires (where compatible).

For travelling in a more eco-friendly and cost-efficient manner, the Fiat 500L is equipped with **eco:Drive Live**, the system that monitors your driving style and gives you useful advice on fuel consumption as well as reducing pollution by **up to 16%**. The eco:Drive Live is effectively a virtual personal trainer, helping you to achieve more intelligent and economical behaviour behind the wheel.

“YOUTH IS
THE ONLY
THING
WORTH
HAVING.”

Oscar Wilde

ENHANCE **YOUR** FUN TO THE RHYTHM OF MUSIC.

Music is the soul of any journey, and every destination has its own soundtrack; for this reason the Fiat 500L is equipped with a **radio based on the Windows Embedded Automotive** operating system. It has a user-friendly interface with numerous functions such as voice recognition and audio controls on the steering wheel. This allows you to access content without taking your hands off the wheel.

beatsaudio.

THE FIAT 500L FEATURES A NEW HI-FI SYSTEM, DEVELOPED IN CONJUNCTION WITH **BEATS AUDIO™**, DELIVERING A CLEAN, CRISP, STUDIO SOUND.

Beats Audio™ is a top-of-the-line audio system that was developed in 2008 by legendary music producer Dr. Dre and music pioneer Jimmy Iovine. They sought to deliver music the way the artist intended it to be heard, and to make sure that whether you're on your phone, on your computer, or in your car, you can get the signature Beats sound.

This option is now available in all 2013 Fiat 500L versions. The exclusive Beats Audio™ premium sound system includes six door and rear-quarter-mounted speakers, along with an 8-inch Dual-Voice Coil (DVC) subwoofer operating Beats Audio's™ exclusive Digital Sound Processing (DSP) algorithm. This mix of hardware (the speakers) and software (the algorithm) is then coupled with a tuning process which delivers an amazing blend of science and true artistry. It is a listening experience as close as possible to what the artist intended in the studio.

"STYLE IS THE IMAGE OF CHARACTER."

Edward Gibbon

THE FIAT 500L IS A LIFESTYLE FOR THOSE WHO WON'T COMPROMISE ON SPACE NOR DESIGN.

10 different body colours, 3 roof colours (black, white and body colour) and **3 wheel colours** (silver or with white or black diamond finish): the result is more than **300 different combinations** for your Fiat 500L. Additionally, you can also choose your own interior depending on the trim level. This includes the black "Star" fabric upholstery with red or grey inserts, the "Tecnosilk" fabric upholstery available in two different shades (beige or grey) and the fine Castiglio offered in two versions: mink or cream.

THE FIAT 500L IS A LARGE FIAT 500,
SO IT COULDN'T HELP BUT HAVE
A FUN SPIRIT, A UNIQUE STYLE AND
EXCLUSIVE DETAILS.

"WHAT WE SEE DEPENDS MAINLY ON WHAT WE LOOK FOR."

John Lubbock

THANKS TO THE RIBBON WINDOWS AND THE LARGEST GLASS ROOF IN ITS CATEGORY, **THE FIAT 500L IS A WINDOW OUT TO THE WORLD.**

BRIGHT AND SUNNY, THE FIAT 500L IS A WINDOW OUT TO THE WORLD THANKS TO THE RIBBON WINDOWS AND LARGE PANORAMIC SUNROOF BOASTING A SURFACE AREA OF A GENEROUS 1.5 M², THE LARGEST IN ITS CATEGORY, AVAILABLE BOTH IN THE FIXED OR ELECTRONICALLY-OPERATED SKYDOME VERSION.

"WE DON'T SEE THINGS AS THEY ARE,
WE SEE THEM AS WE ARE."

Anaïs Nin

With the Fiat 500L, you can express your personality to the full.

MORE CHOICES THAN A KID HAS IN A SWEETSHOP.

Choose the version that suits you most from Pop Star, Easy and Lounge and run riot with over 140 accessories.

FUEL CONSUMPTION – EMISSIONS* (directive 2004/3/EC)					
Urban cycle fuel consumption mpg (l/100 km)	34.0 (8.3)	49.6 (5.7)	56.5 (5.0)	62.8 (4.5)	52.3 (5.4)
Extra-urban cycle fuel consumption mpg (l/100 km)	56.5 (5.0)	65.7 (4.3)	76.3 (3.7)	76.3 (3.7)	72.4 (3.9)
Combined cycle fuel consumption mpg (l/100 km)	45.6 (6.2)	58.9 (4.8)	67.3 (4.2)	70.6 (4.0)	62.8 (4.5)
CO ₂ emissions (g/km)	145	112	110	105	117
Environmental classification	EURO 6	EURO 6	EURO 5+	EURO 5+	EURO 5+

*Fuel consumption and CO₂ figures are obtained for comparative purposes in accordance with EC directives/regulations and may not be representative of real-life driving conditions.
Factors such as driving style, weather and road conditions may also have a significant effect on fuel consumption.
