

# FIORINO

**PROFESSIONAL**

# REACHING PLACES OTHERS CANNOT.

Compact on the outside, spacious on the inside and above all economical. It may be one of the Fiat's smallest commercial vehicles, but no job is too big for it.

Designed to be agile enough to deal with the busy town traffic, the Fiorino will take your business to places it has never been before. It is nippy and handles like a city car, but is as comfortable on main roads as it is in city traffic just like a fully-fledged van.

The Fiorino puts the pleasure back into working.

## FREE MOVEMENT ADVOCATE.

Things are looking up for those who have to drive for work: here comes the Fiorino, the little van for which no job is too big, because the only limits are those you set yourself. Easy to drive, park, load and unload, the Fiorino can deal with both big city streets and narrow town centers, the only van that can take you places where others can't go. It will go wherever you want.

The sliding side door (available as option on base versions) is perfectly set into the side, with a vertical handle that is easy to grip with either hand.

The front features dynamic styling with original-design modern headlights.

The option front foglights set into the bumper ensure excellent visibility in all weather conditions.

External dimensions (mm)

Width 1716  
Length 3864

A functional design with a distinctive personality: rounded forms, essential styling with an imposing front, conveying solidity and safety.

## RELAX. YOU ARE AT WORK.

Easily-handled and sturdy on the outside, spacious and comfortable on the inside. The Fiorino doesn't compromise when it comes to comfort. The ergonomic seats and dashboard, trim and equipment have been designed to offer the very best on-board quality of life and to satisfy even the most tireless and demanding workers, like you.

The option integrated portable **Blue&Me™ TomTom LIVE** system allows you to navigate, telephone and listen to music using the touch display, steering wheel controls and a USB port on the central tunnel.

Blue&Me TomTom LIVE includes the HD Traffic service, to confidently identify the best route, access a fixed and mobile speed camera position database, weather and local search information.

The device is automatically updated every two minutes so that your business can never come to a halt.

LIVE services are free for one year. Blue&Me TomTom LIVE also integrates the exclusive ecoDrive:info function to improve your driving style and travel in the most economical and eco-friendly way possible.

eco:Drive is also available for Fleet use

Every dial and indicator on the dashboard is easy to read at a glance and the controls are all within easy reach, allowing you to keep your mind on the job, and your eyes on the road.

The interior design aims for practicality, well-being and safety. The seats are comfortable and wraparound, and they can be adjusted together with the steering wheel to suit any driver, thus ensuring the maximum ride comfort.

The passenger seat can be folded down completely flat, flush with the floor (available as option), so the length of the load compartment can be increased by nearly 1 metre and the volume by 0.3 m<sup>3</sup>, allowing you to carry long objects.

The various storage compartments and spacious glove compartment provide enough room for all your personal belongings and work documents, and even for your laptop computer.

The handy optional document tray converts the cab into an extension of your office.

The front and rear doors can be locked separately. This means that you can use the loading compartment even when the cab is locked, making for greater safety during the loading/unloading operations.

Central console equipped with ashtray/coffee holder, cigar lighter (option) and 12 V socket.

Hinged split protection element is not available from factory in the UK

## A SMALL VAN THAT THINKS BIG. AND IN COMPLETE SAFETY.

Don't be fooled by its compact exterior: the Fiorino is capable of great things. Beginning with wonderfully pleasant ride, easy and fluid even in the most demanding situations. Its sparkling quiet and environmental-friendly Euro 5 engines offer very low fuel consumption and maintenance costs. The range includes a 73 HP 1.4 petrol unit, a 75 HP 1.3 MultiJet 2nd generation diesel engine with the option Start&Stop system and a 95 HP 1.3 MultiJet 2nd generation with variable geometry turbine and Start&Stop as standard. The Fiorino also lacks for nothing when it comes to ensuring your safety, on every journey and any type of road.

The Start&Stop device cuts out the engine even if you stop for a short time, at a traffic light for example, and restarts it automatically when you press the clutch pedal. The Start&Stop, fitted as standard to 95hp MultiJet II diesel engine and available as option on the 75hp MultiJet II engine, significantly reduces fuel consumption and emissions.

In addition to the standard equipment (driver's airbag, ABS with EBD and hydraulic power steering), there are several other safety devices available on request (passenger airbags, sidebags, rear parking sensors).

turbo and intercooler

## FOR THOSE WHO WILL NOT SETTLE FOR THE EASY ROAD.

**Fiorino Adventure**, with **Traction+**, with special 15" M+S tyres, heightened suspension, under engine protection and front bumper with chrome protection is a version designed for those who need to tackle difficult terrain in their work. By using a button on the dashboard, during low-speed acceleration (max. 18 MPH - 30 km/h), the system is able to exercise a braking action on the drive wheel with the least grip, transferring the torque to the wheel with the most grip in order to allow the vehicle to cope even in critical conditions. Above this speed, the system operates as an ESP to guarantee stability and safety.

The **Adventure Pack**, which is available also for the other Fiorino versions, includes front bumpers with chrome protection, higher side protections, under-engine protection, heightened suspension and special 15" tyres.

*15" wheels and all-season M+S tyres for use over any terrain and in all weather conditions.*

*Traction+ for optimised traction during low-speed acceleration.*

*Roof bars available on request.*

# SERVICES.

## FIAT CUSTOMER BENEFITS

When you buy a new Fiat Professional Vehicle, you buy more than just a van. Behind every van we sell there is the reassurance of a whole range of customer benefits and services designed to make the ownership of your Fiat as enjoyable, affordable and trouble free as possible.

## 3 YEAR FIATCARE WARRANTY PACKAGE

All new Fiat vans come with this comprehensive package, which consists of the following:

## 2 YEAR, UNLIMITED MILEAGE, MANUFACTURER WARRANTY

Any repairs required as a result of faulty materials or manufacture are carried out free of charge – both for parts and labour.

## 3<sup>RD</sup> YEAR DEALER WARRANTY†

Any repairs required as a result of faulty materials or manufacture – either for parts or labour – are covered up to 120,000 miles (60,000 miles on passenger variants registered for hire & reward usage) from the date of first registration or the expiry of the 3rd year, whichever occurs first. The warranty is provided free of charge and is subject to conditions (full details are available from your Fiat Professional dealer).

## 3 YEAR PAINTWORK WARRANTY

Any paintwork defects due to faulty materials or manufacture will be rectified free of charge during the first 3 years.

## 8 YEAR ANTI PERFORATION WARRANTY

Subject to regular inspections being carried out, as detailed in the Fiat Services Booklet, any perforation of the bodywork due to corrosion will be repaired free of all parts and labour charges during the first 8 years.

## 12 MONTHS' PART AND REPAIR GUARANTEE

All genuine Fiat parts are guaranteed for 12 months, or the duration of the prevailing warranty on the vehicle, as are repairs carried out by any Fiat Professional dealer using genuine parts.

## FIXED SERVICE COSTS

All Fiat Professional dealers operate a "Menu Pricing" programme, which guarantees fixed service and replacement costs, with no hidden extras. The price you see is the price you'll pay, unless you have given your consent for further work to be carried out.

## INFORMATION AND CUSTOMER SERVICE

A Universal Freephone number (00800 3428 0000\*) gives you access to our dedicated information and customer services facilities, providing you with details of Fiat Professional dealers offering additional services, such as extended workshop hours, Auto Clinic and Approved Bodyshop facilities.

Fiat also believe it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure that you are happy with your Fiat Professional vehicle and the service you receive from your dealer. You can also access information about Fiat products and services online on our comprehensive website at [www.fiatprofessional.co.uk](http://www.fiatprofessional.co.uk)

## 3 YEARS' FIAT PROFESSIONAL ASSISTANCE SERVICE COVER

All new Fiats come with 3 years' Fiat Professional Assistance Service Cover, which includes Roadside Assistance. This service is provided on a free of charge basis and is available 24 hours a day, throughout the year. If you require the services which are provided, you should dial the Universal Freephone number 00800 3428 0000\*, which can be reached free of charge in the UK, and select option 1 – Roadside Assistance.

## FIAT FINANCIAL SERVICES\*\*

Fiat Financial Services offers a comprehensive range of finance and insurance plans including traditional Hire Purchase, Lease Purchase, Finance Lease and Guaranteed Asset Protection Insurance. Please ask your Fiat dealer for more information. Written quotations available on request.

## FIAT CONTRACT HIRE\*\*\*

Fiat Contract Hire provides hassle-free motoring for private and business customers – you benefit from low initial outlay, regular rentals and no worry about disposing of your vehicle at the end of the contract. More and more businesses are turning to Contract Hire as a simple, tax-efficient way of financing their fleet. Contract Hire allows the use of a vehicle for a pre-determined fixed period and cost (subject to mileage and conditions) and has many features and benefits that your Fiat dealer will be delighted to discuss with you. You can also include a full maintenance package within the monthly rental. For more information, please contact your Fiat dealer, or call 01753 519222.

\* The Universal and UK Freephone number is free for most calls from landline and mobile phones. Calls from certain mobile phones and public telephones in some European countries may be charged according to the rates applied by the telephone operator.  
 † Only applicable to UK vehicles sourced through Fiat Group Automobiles UK Ltd.  
 \*\* Fiat Financial Services is a trading style of FGA Capital UK Ltd. FGA Capital UK Ltd is authorised and regulated by the Financial Conduct Authority for General Insurance. Credit available to anyone aged 18 or over, subject to status. A guarantee may be required. Written quotations are available from Fiat Financial Services, PO Box 4465, Slough, SL1 0RW.  
 \*\*\* Fiat Contract Hire is a trading style of FGA Contracts UK Limited which is an appointed representative of FGA Capital UK Limited. Contract Hire finance facilities are available subject to credit approval. Written quotations are available from Fiat Contract Hire, 240 Bath Road, Slough, Berkshire, SL1 4DX.
