THE GENUINE DIFFERENCE.

A passion for uncompromising performance and quality is the essence of the genuine difference and it's built into every Mopar[®] part and accessory we make. Every genuine Mopar accessory is original equipment, which means that every Mopar accessory is designed by Chrysler engineers, the people who know your vehicle better than anyone else.

OUR PRODUCT IS A RESULT OF UNCOMPROMISING STANDARDS.

Mopar accessories are manufactured with superior finish and exact vehicle match, as well as in the integrated fit that comes from utilising the same computer modelling technology that was used to design your vehicle.

OUR PROCESS IS AN ADHERENCE TO STRICTER TESTING.

Mopar accessories are subjected to rigorous evaluations, which include demanding salt bath corrosion tests, impact performance tests and harsh on and off-road durability testing. All genuine Mopar accessories are designed so that they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air deployment, which is a common problem with aftermarket accessories.

OUR PROMISE IS DEMONSTRATED IN OUR SUPERIOR WARRANTY COVERAGE.

New Chrysler vehicles fitted with genuine accessories by Mopar at point of purchase are covered by a 3 year/100,000km New Vehicle Limited Warranty or a 12 month Basic Limited Warranty, which ever is more favourable to you. These simple warranties are supported by every authorised Chrysler dealership in Australia. That's a promise aftermarket brands simply can't make. Whether you're looking to enhance your vehicle with premium protection, convenience, style or entertainment, choose the Genuine Difference.

YOUR CONSUMER RIGHTS.

The benefits given to you in this Warranty are in addition to, and do not detract from, any rights and remedies that you may have under Australian consumer protection laws. Our goods come with certain guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This Warranty:

- is not intended to change or exclude any statutory consumer rights that cannot be lawfully changed or excluded;
- is independent of any warranty that may be provided by the seller, for which it carries sole responsibility; and
- does not affect your rights against the seller, including any mandatory statutory rights you may have against the seller under consumer laws.
