500L  
beats.edition

THE QUALITY SOUND  
YOU KNOW AND LOVE  
FROM **beats** by dr. dre  
IS ALSO AVAILABLE  
IN YOUR CAR.

FUN, NOW  
AMPLIFIED.

Music is in the air.  
The **Fiat 500L Beats Edition™** is here,  
the new soundtrack to your day:  
enjoy good vibrations wherever you go,  
thanks to the powerful,  
high quality sound from the audio system developed  
in collaboration with **Beats by Dr. Dre.**  
The **Fiat 500L Beats Edition™** is designed  
for those who love to live their life at full volume.

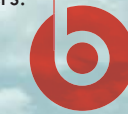

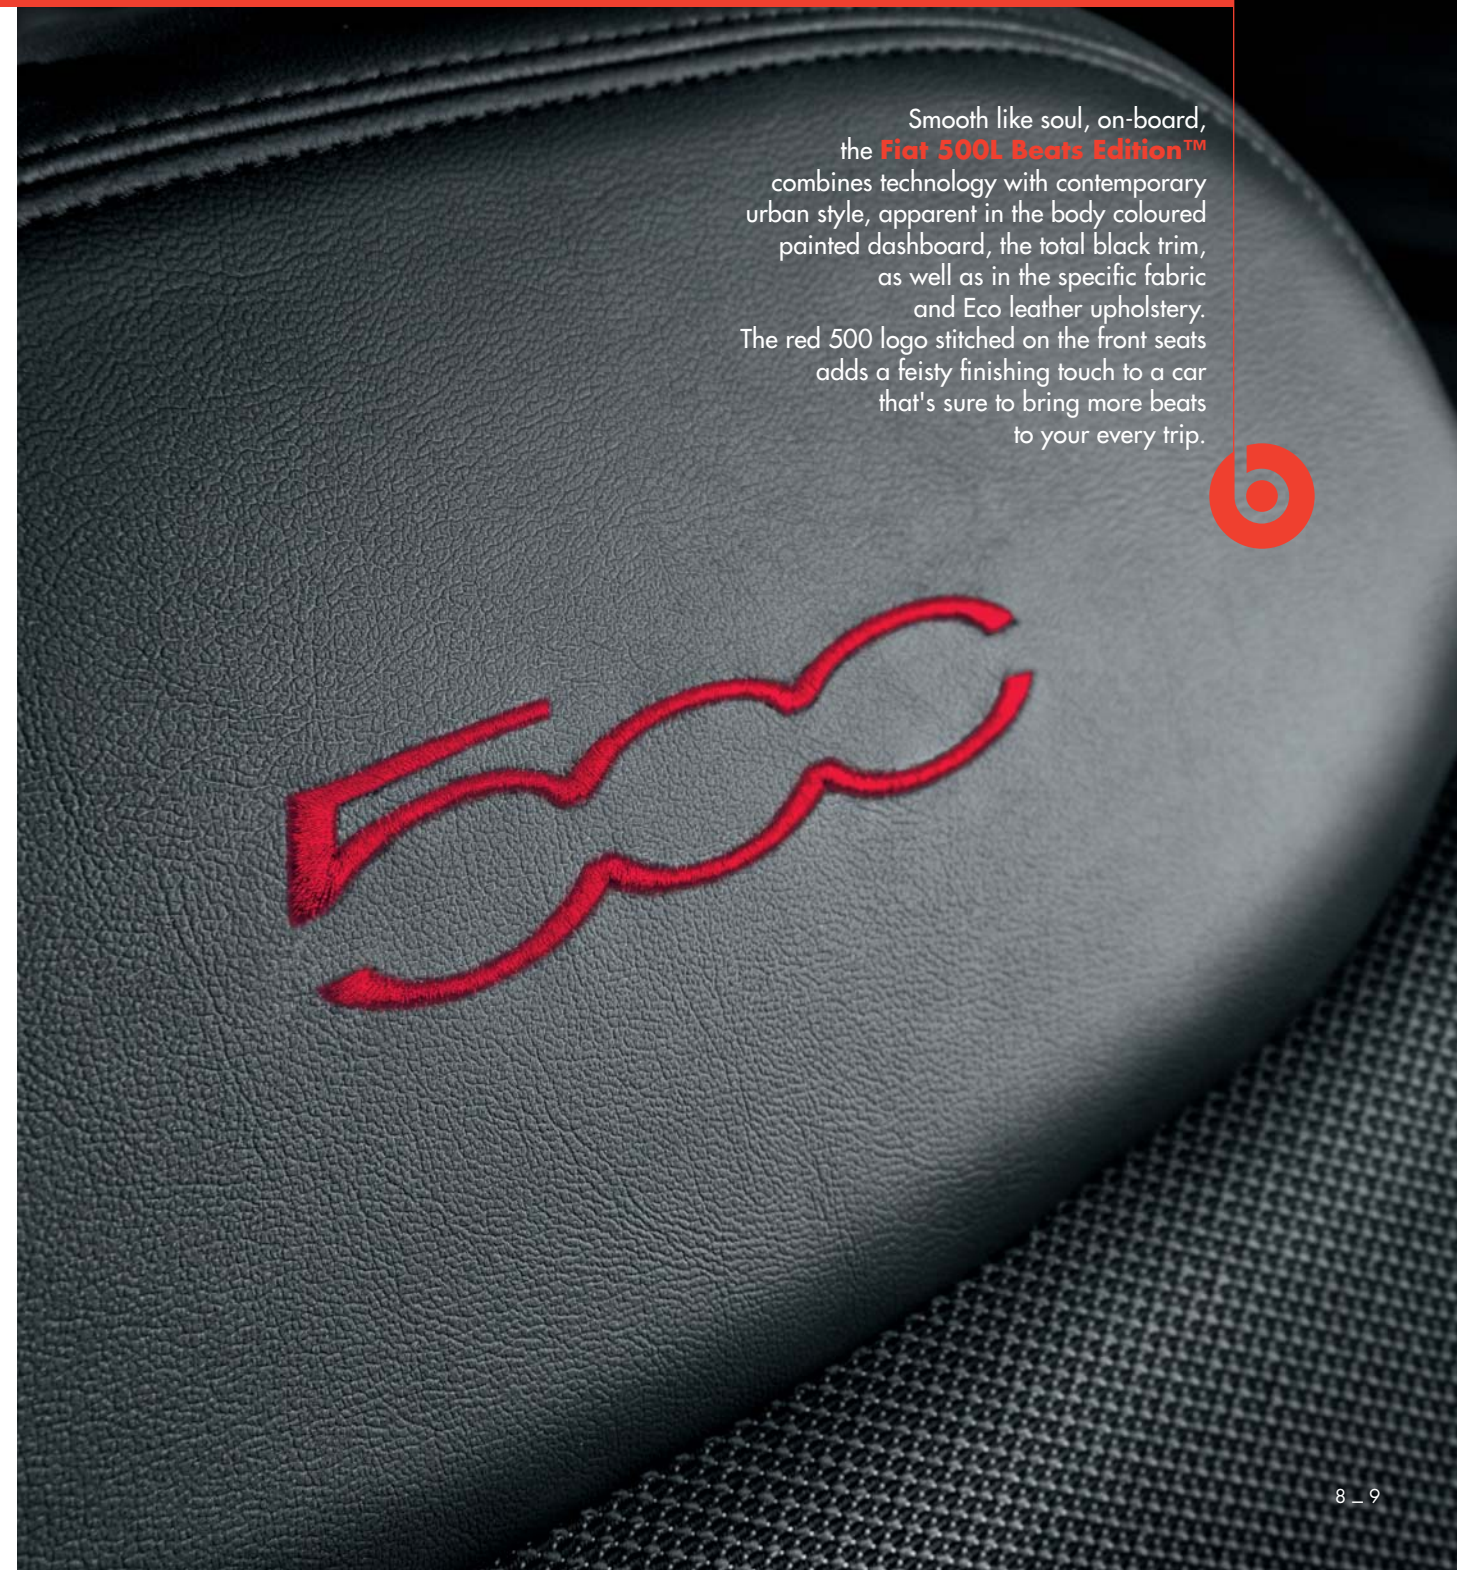

Character, technology and fun: the 500 philosophy embraces that of Beats Audio, coming together to create the **Fiat 500L Beats Edition™**, a car designed to revolutionise your on-board audio experience. The Hi-Fi system with 6 speakers plus stereo subwoofer by Dr. Dre offers 520 W of power, amplifier with DSP, 8 channels and an advanced equalisation algorithm, so that you can enjoy your music in all its glory, with all the intensity and clarity your favourite artists had in mind.

Image shown is fitted with optional equipment

Like any true star, the **Fiat 500L Beats Edition™** stands out thanks to its unique style. The metropolitan look is faithfully represented by the exclusive two-tone combinations: matt grey with matt black roof, glossy metallic black with glossy grey roof, or glossy metallic grey with glossy black roof. All three colour combinations feature matt chrome finishing. The wheel-arch surrounds, side skirts, 17" alloy wheels and the front and rear bumpers are all in matt black. Creating contrast to this overall dark look are the red details on the side mirror covers and the brake calipers.

Smooth like soul, on-board,  
the **Fiat 500L Beats Edition™**  
combines technology with contemporary  
urban style, apparent in the body coloured  
painted dashboard, the total black trim,  
as well as in the specific fabric  
and Eco leather upholstery.  
The red 500 logo stitched on the front seats  
adds a feisty finishing touch to a car  
that's sure to bring more beats  
to your every trip.
