TIPO STATION WAGON

TIPO HATCHBACK

It used to be that if you wanted to get more in a car, you had to pay more. But now that's all about to change. The new Tipo range is turning things upside down, by offering you a better class of car without asking for a penny more. How's that possible? Simple: Tipo offers you Amore. For less.

YOU DON'T NEED MUCH TO GET A LOT.

TIPO HATCHBACK

YOU DON'T NEED
THE RED CARPET
TO CELEBRATE YOUR
STYLE.

Set your life in motion with the new Tipo Hatchback, for a dynamic driving experience and a car full of character.

A captivating combination of style, features and interior space, all with a compact footprint.

The new Tipo Hatchback gives you the very best in space and comfort. Choose from fabric or technical leather upholstery for supremely comfortable seats. Featuring a whole host of smart, space-optimising solutions, the handy compartments and holders offer total capacity of 12 litres, to stow everything you need when you're on the move.

You can never have too much space, especially with a full day of activities ahead of you. That's why the new Tipo Hatchback gives you a leading 440-litre boot to hold even your bulkiest items.

TIFOO STATION WAGON

YOU DON'T NEED
TO BE AN ASTRONAUT
TO **DISCOVER SPACE.**

The new Tipo Station Wagon gives you absolute usability and flexibility. A large space to share with your whole family where everything fits: starting with the 550-litre boot with Magic Cargo Space through to the interior where everyone can sit back and enjoy the ride.

YOU ONLY NEED ONE HAND TO ADAPT YOUR SPACE.

This is the boot of the new Tipo Station Wagon, enhanced with Magic Cargo Space: simple, flexible and functional. It was designed to make your life easier and give you all the comfort and space you need: a floor with two different heights, Flip&fold seats, and a loading compartment that can be made wider or longer more than 1800 mm to suit your needs. So simple that you can set it up with just one hand.

You can increase the height of the luggage compartment by positioning the Magic Cargo Space to the lowest level, using only one hand.

you only need one hand to remove the side partitions: increasing the width of the luggage compartment.

Flipping and folding the back seats can increase the load compartment to a length of 1800 mm with a flat and continuous surface.

With just one hand, you can easily remove the luggage compartment cover.

If your seats are in the regular position, the loading volume of your boot is 550 litres, below the luggage compartment cover.

The luggage compartment cover can easily be placed in the Magic Cargo Space.

YOU DON'T NEED TO
CONQUER THE WORLD
TO HAVE IT
IN YOUR HANDS.

Opt for advanced technology to simplify your life. Fiat Tipo's innovative solutions will amaze you, and make your world even more accessible.

The Fiat Tipo offers you innovative infotainment options, including the Uconnect 5" touchscreen DAB Radio with Bluetooth®, audio streaming, voice recognition, SMS reader, USB and AUX ports and TomTom Live* navigation system. Stay connected with UConnect Live* and stream your favourite music with Deezer and TuneIn; catch up with the news from Reuters or catch up with friends on Facebook Check-in and Twitter. You can even monitor your fuel savings, your eco-performance and your servicing status, wherever you are, with eco:Drive.

* UConnect Live services, where available, require a data enabled smartphone to use.

TIPO HATCHBACK AND STATION WAGON

YOU DON'T NEED
A BODYGUARD
TO FEEL
PROTECTED.

All the technology on-board the new Tipo works together, so you can feel safe and confident on the road.

The Tipo range is fitted to ensure safety as standard: six airbags, ABS and ESC, including ASR/MSR, as well as HBA, Hill Holder and Tyre Pressure Monitoring System.

Discover a new way to travel in confidence with the optional Safety Pack that includes Advanced Driver Assistance Systems (ADAS) like Adaptive Cruise Control, which lets you set the speed you want and then keeps you at a safe distance from the car in front. The Full Brake Control System detects obstacles, such as cars ahead, warns you of imminent risks and brakes automatically if you don't react in time. You even get a speed limiter, to stop you going over the speed limit you set.

Last but not least, rear parking sensors and a rear-view camera make reversing easier while rain and dusk sensors guarantee the best visibility on the road.

The wide engine range of the Fiat Tipo offers something for everyone:

- 2 fuel types: petrol and diesel
- 3 engine displacements: 1.3, 1.4 and 1.6
- 3 power outputs: 95 hp, 110 hp and 120 hp
- 3 transmissions: manual, automatic and Dual Clutch (DCT)

All engine versions comply with Euro 6 standards and most of them come with Start&Stop as structural*, providing outstanding performance and fuel consumption with low CO₂ emissions.

*Start&Stop is structural on all engines except on the 1.4 95 hp and 1.6 E-Torq 110 hp engines.

YOUR SMART CHOICE.

Bags of style and bags of space on-board: the new Tipo gives you only the best of what you need, in three distinct trim levels. Choose the trim that best expresses your character:

Don't just take our word for it. The new Tipo has already piked up a **prestigious European award** for providing the complete package. Autobest has just voted the new Fiat Tipo their 'Best Buy' in 2016. The international jury was impressed by the fact that the Tipo is a great car for a budget, not a budget car. The result is an outstanding product' they concluded - 'design, engines, perceived quality, comfort, versatility'
