

595

**ARE YOU READY FOR
THE NEXT LEVEL?**

The Abarth 595 Range.

*With three levels of performance from 145 HP to 180 HP,
the redefinition of performance by Abarth is here.*

Are you ready for the next level?

A PERFECT, BEAUTIFUL MADNESS.

“Motors, machines, motor-races, love of cars, passion for speed, it is the obsession - the very beautiful and mad obsession which has reached the whole of humanity, which has made us the ardent admirers of what goes faster and what is more mechanically pure.”

CARLO ABARTH

Addicted to performance. Since 1949.

Transforming small cars into performance cars, exploiting every aspect to deliver the ultimate driving experience.

This is the Abarth spirit since 1949.

1953

Mille Miglia 1953: The modular body of the Abarth-Ferrari 2000 was a great technological innovation that made it possible to significantly reduce the weight of the car and also facilitate the easy access to the engine and other key components by the mechanics.

1957

The Abarth 750 pininfarina was specifically designed to break records – between 24th and 27th July 1957 it broke 11 records at Monza, the most notable; driving 10,000 miles in 95 hours, with Cabianca, Cattini, Guarnieri, Manfredini and Poltronieri piloting the car.

1962–1967

Six consecutive victories in the World Championships with both Sportscars and Grand Touring cars between 1962 and 1967. A period of great success on the track in all categories and all countries, giving numerous drivers a chance to savour first place victories.

1965–1969

The banked racing circuit at Monza: four wins in the European Touring Car Manufacturers' Championship with the Fiat Abarth 1000 TC: 1965 with Ed Swart, 1966 with Giancarlo Baghetti, 1967 with Willi Kauhsen and 1969 with Marsilio Pasotti.

1969

The Abarth 2000 SE Sport was introduced at Imola in 1969. 25 examples were produced, allowing a number of private racing drivers to achieve victories in both circuit racing and time trials. The car made its competitive debut at the Ampus hill climb where it claimed victory with Peter Schetty behind the wheel.

1975

The Rallies. The Abarth 124 Spider Rally claimed victory at the European Championship in 1975 with Maurizio Verini (pictured left at the rally of Isola d'Elba), he also finished second three times in the World Championship between 1973 – 1975.

PERFORMANCE REDEFINED.

Challenge your expectations.

Born from the love of a challenge, the Abarth 595 has been enhanced to exceed expectations.

Get behind the wheel and feel performance redefined.

DESIGNED TO PERFORM.

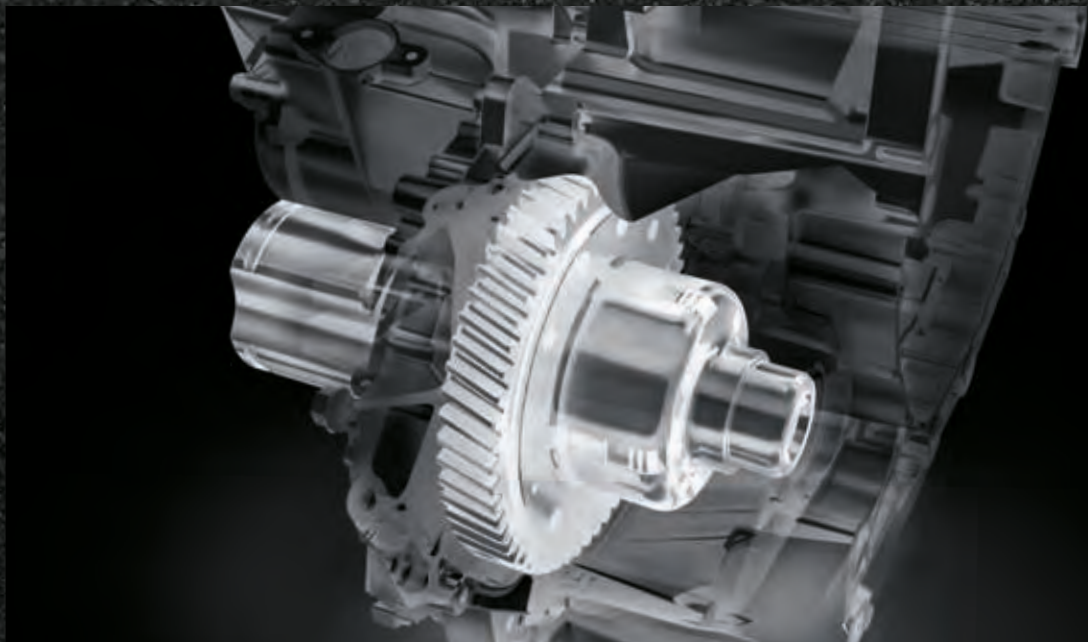

Beyond style, performance.

Every single detail of the Abarth 595 was designed to perform. Greater cooling efficiency with the aerodynamic front bumper, increased visibility thanks to poly-elliptical headlights and enhanced comfort with the ergonomic steering wheel. This is the Abarth 595, designed to perform.

**PERFORMANCE CAR TECHNOLOGY,
CONCENTRATED.**

**CLASS LEADING
ACCELERATION**

**MAX POWER
180 HP**

Pure power for greater performance.

The Abarth 595 is packed with technology that guarantees optimum road-holding in every situation.

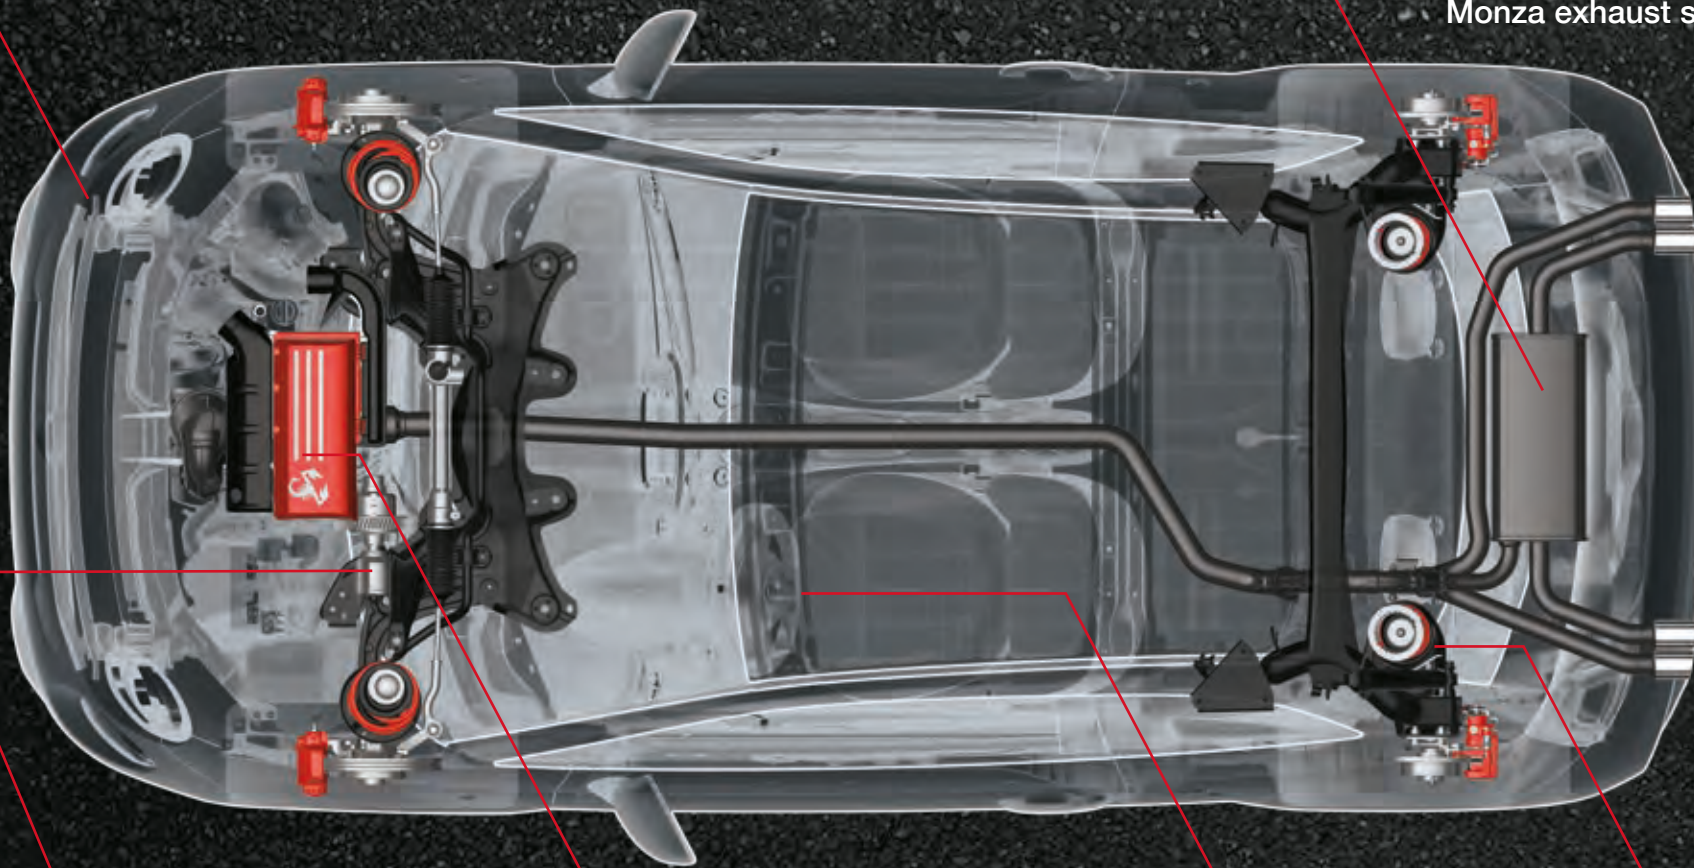

The 595 Competizione comes with an optional Mechanical Limited Slip Differential; racing technology for greater performance.

AERODYNAMIC FRONT BUMPER

Optimised cooling efficiency.

ABARTH EXHAUST

The unmistakable sound of Abarth with the Record Monza exhaust system.

ABARTH D.A.M.

Greater control with the Mechanical Limited Slip Differential.

THREE LEVELS OF PERFORMANCE

145hp, 165hp and 180hp.

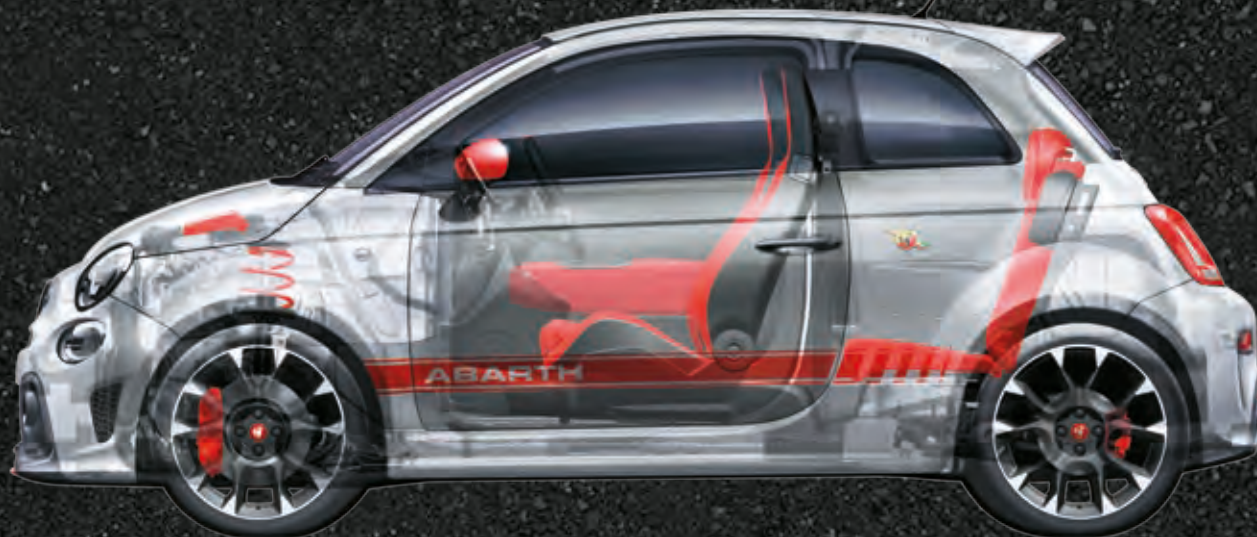

SPORTS STEERING WHEEL

Driving precision.

ABARTH SUSPENSION BY KONI

Enhanced handling and agility.

READY FOR THE CURVES.

POLY-ELLIPTICAL HEADLIGHTS

See the road ahead
day and night.

Abarth DNA.

Technology derived from racing; this is what makes Abarth unique.

The result of this know-how keeps the 595 one step ahead.

FRONT BUMPER WITH HONEYCOMB GRILLE

With embossed Abarth logo.

**7" TFT WITH
ABARTH RACING GRAPHIC**

Even more control
over your performance.

SPORTS SEATS

Even more comfort.

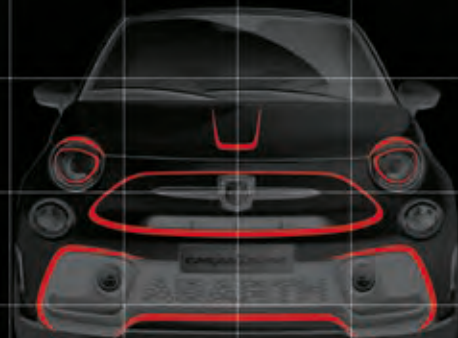

**CHOICE OF
ALLOY WHEELS**

Select your style.

**ALCANTARA® & CARBON FIBRE
STEERING WHEEL**

Standard on the 595 Competizione,
even more racing feeling.

ENGINEERED TO BE AN ABARTH.

Born under the sign of the Scorpion.

Behind every Abarth there's something more, there is the skilled touch of the engineers, designers and highly qualified technicians who strive to push the limits every day. All those who choose an Abarth share the adrenaline of the scorpion and the passion for driving. This is how the uniqueness of the Abarth 595 was born.

First level. Ready, steady, go!

Abarth 595 is where it all begins, the starting point for those who want to enter into the world of Abarth. 1.4 Turbo T-Jet with 145 HP, Torque Transfer Control and Sport Mode as standard, finished with satin chrome detailing. It is time to start having fun.

ABARTH 595

Insert driver to continue.

The Abarth 595 interior has fabric sports seats with aluminium pedals and a 5" touchscreen Uconnect™ system as standard. The system integrates steering wheel controls with Bluetooth®, voice command and audio streaming to listen to music directly from your smartphone. Moreover, thanks to Uconnect™ LIVE Services the Abarth 595 becomes even more social with access to apps like Facebook and Twitter directly from the 5" touchscreen display.

Second level: double score.

Abarth 595 Turismo competes on two levels: style and power. Standard features include the Gran Turismo 17" alloy wheels, black brake calipers, twin exhausts with satin steel tailpipes and satin chromed mirror covers. Under the skin is a 1.4 Turbo T-Jet 165 HP with Garrett turbo and rear Abarth by Koni shock absorbers. Why choose between performance and style when you can have both.

ABARTH 595 *turismo*

Inside, the best in style and technology.

Black leather sports seats, Satin Grey dashboard and leather steering wheel with satin chrome detailing. Available with optional Uconnect™ HD Live; with the 7" touchscreen you can access the Uconnect™ LIVE Services, navigation and GPS as well as the Abarth Telemetry that allows you to view maps of famous racing circuits, time your laps and offer tips to improve your driving.

ABARTH 595 *Turismo*

1.4 TURBO T-JET 165 HP

- T-Jet 4-cylinder, 1368 cm³ Engine
- Power 165 HP (121 kW) 5500 rpm
- Maximum torque 230 Nm at 3000 rpm (Sport Mode)
- Acceleration 7.3 sec. (0-62 mph)
(7.4 sec. robotised sequential gearbox)
- Maximum speed 135 mph
- Weight/power ratio 6.3 kg/HP
- Available with robotised sequential gearbox with shift paddles

MAIN STANDARD FEATURES

In addition to 595 contents

- Automatic climate control
 - Abarth braking system with drilled and ventilated 284x22 mm front brake discs
 - Drilled 240x11 mm rear brake discs
 - Painted black brake calipers
 - High performance front brake pads
 - Gran Turismo 17" alloy wheels with 205/40 tyres
 - Leather Abarth sports seats
 - Aluminium sports pedals and gear knob
 - Dark tinted rear quarter windows
 - Satin Grey finished dashboard
 - Chrome-brushed finished mirror caps
