THE OPEN ROAD ADVENTURER

EVEREST RWD

If you're looking for size, technology and safety to take on the city and beyond, the Everest Ambiente and Trend RWD models are the perfect fit.

Whether you're towing the boat or heading off on a caravanning adventure, the Everest RWD has ample strength and capability to get you there. In addition to its 3,000kg towing capacity, the Everest RWD's excellent ground clearance and water wading capability will help prepare you for unexpected challenges thrown up by roads less travelled. There's also 8.4L per 100km fuel efficiency to help you go further, and a commanding road presence, impressive ride height and spacious cabin to keep you feeling comfortable and in control.

CONTROL YOUR WORLD

SYNC®3^{4.} is a fully integrated voice activation system that lets you use your favourite devices while your hands stay on the wheel and your eyes stay on the road^{5.} Seamless integration with programs like Applink,^{86.} Apple CarPlay⁷ and Android Auto^{7.} lets you choose how to remain connected to your world. Equipped with a customisable 8" Colour LCD Capacitive Touch Screen, SYNC®3 is quicker and more responsive than ever before.

Be aware of what's behind you thanks to the **Rear View Camera** and **Rear Parking Sensors** that help alert you to obstacles, making it easier to get in and out of tight spots.

TRAVEL COMFORTABLY

With up to seven comfortable seats. the ability to fit up to five child seats. and the inclusion of two ISOFIX anchor points, there's plenty of room inside the Everest RWD to take the whole family, team or whoever's on board along for the ride.

While you're on your way, keep the noise out and the good times in. Inspired by noise cancelling headphones, **Active Noise Cancellation** uses three highly sensitive microphones to detect and measure engine noise inside the cabin, then cancels it with opposing sound waves.

LOAD AND GO

Whether you choose the 5-seater Ambiente or a 7-seater model, it's easy to switch between cargo and people. With a 2nd row 60/40 split-fold seat across the range and 3rd row 50/50 split-fold seat standard on Trend and optional on Ambiente, you'll be able to fit everything from bicycles to camping gear. Fold all the rear passenger seats down flat and there's up to 2010 litres of cargo space to get you and everything you need from A to B.

CONVENIENCE COUNTS

The Everest Trend RWD comes standard with smart features and technology to help keep your road trips stress free.

There's an integrated Satellite Navigation System¹⁰ to help keep you on track and Adaptive Cruise Control with Forward Collision Alert¹¹ to help you keep your distance from the traffic in front. The Lane Keeping System¹¹ is designed to provide assistance if you start to drift from your lane for added peace of mind. Front Park Assist Sensors take the stress out of parking in tight spots. There's even a Power Rear Liftgate, so it's never been easier to pack a heavy load.

Everest Trend RWD sh

1.3,000kg is the maximum towing capacity using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding pas and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 2. Maximum 800mm water wading capability, maintaining a steady speed of not more than 7km/h. 3. Fuel consumption flavorements as per ADR 81/02 combined cycle and to be used for vehicle comparison purposes only, it is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend or factors including the driver's habits, external conditions and the vehicle's equipment, condition and use. 4, Not all SYNC'3 features are compatible with all phones. For compatibility, see ford.com.au/sync. 5. Local laws may prohibit stall of the phone functions while driving. Check your local road rules before using these functions. 6. Ford Applink' is available on selected SYNC' models and is compatible with select smartphone platforms. Users must download an Agent plant of the phone functions while driving to your 105 or Android smartphone Renuires before shone to be connected to SYNC'' With a genuine LSR gable (Apole devices). Waterings: I or all laws prohibit some or all

ext messaging functions while driving. Check your local road rules before using these functions. 7. Apple CarPlay is a trademark of Apple Inc. and Android[™] is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with ompatible versions of Apple IOS and Android™ respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC® does not control Apple CarPlay or Android Auto while in use; Apple Inc and Android™ respectively are responsible for their functionality. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 8. 5 seats standard in Ambiente WD. 7. Seats optional in Ambiente RWD with optional 7 seats and Trend RWD can fit up to 5 child seats. Ambiente RWD with optional 7 seats and Trend RWD can fit up to 5 child seats. 10. 1. Specifications for vehicles produced from April 2017. Please consult your Ford Dealer to confirm vehicle production date. 2. Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevalling conditions and the vehicle's equipment, condition and use. 4. Needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 5. Driver-assistance features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions or adverse weather. 6. 7 Seat Ambiente option includes 5 child seat anchor points. 7. Not all SYNC® 1 features are compatible with all phones. For compatibility, see ford com.au/sync. Local laws may prohibit some or all of the phone functions while driving. Check your local road rules before using these functions. 8. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Users must download an Applink-enabled app from the usual store to your IOS or Android smartphone. Requires phone to be connected to SYNC® models and is compatible with select smartphone platforms. Users must download an Applink-enabled app from the usual store to your IOS or Android smartphone. Requires phone to the store the seat of the text messaging functions while driving. Check your local road rules before using these functions.
