ENHANCED INTELLIGENCE

WHAT WOULD A CAR THAT CAN
READ BE LIKE? EXACTLY LIKE THIS.

NEW DRIVING ASSISTANCE.

The new FIAT 500X features advanced driver assistance systems ensuring that everything is under control at all times. For instance, it is equipped as standard with Lane assist featuring Traffic Sign Recognition and Intelligent Speed Assist, which can recognize the main road signs, such as speed limits, and notify the driver - all in real time.

INTELLIGENT SPEED ASSIST AND TRAFFIC SIGN RECOGNITION

Maintain your current speed with the Traffic Sign Recognition system and Intelligent Speed Assist. With just one click you can adjust the speed limit to that which the Traffic Sign Recognition system detects.

CITY BRAKE CONTROL

Do not fear sudden obstacles. With Autonomous Emergency Brake, 500X recognises the presence of vehicles ahead of you and is ready to apply automatic emergency braking if needed.

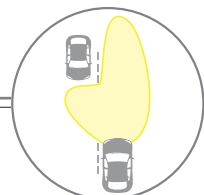

LANE ASSIST

If the car moves out of its lane without you activating the indicator, alerts will flash and sound to help bring the drift to your attention so you immediately correct it.

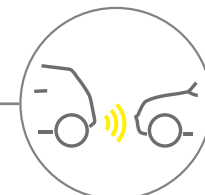

ADAPTIVE CRUISE CONTROL

Forget having to adjust your speed all the time. With Adaptive Cruise Control, select a speed and the vehicle will hold it and adapt it according to the vehicle ahead of you.

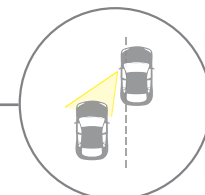

HEADLIGHTS AUTO DIPPING HIGH BEAM

Makes nighttime driving safer by providing the maximum amount of light possible for any driving scenario. This system switches headlamps from high to low-beam when incoming headlamps or forward lighting elements are sensed and back again from low- to high-beam when those conditions expire.

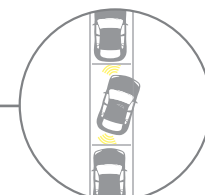

PARKVIEW REAR PARKING CAMERA

Even the most complicated parking manoeuvres are possible. With the rear camera, reversing is as easy as going straight ahead.

BLIND SPOT DETECTION

Blind spots are no longer a problem because the system checks for other vehicles in the most critical areas and warns you of their presence by means of lights on the door mirrors.

FRONT AND REAR PARKING SENSORS

With its front and rear parking sensors, the new FIAT 500X helps you in the most difficult manoeuvres alerting you with sounds if you are too close to other vehicles or obstacles.

ENHANCED EFFICIENCY

NEW EFFICIENT PETROL
TURBO ENGINES.

A brand new family of petrol engines has arrived, bringing more efficiency with improved fuel economy without compromising on comfort with higher responsiveness and improved acoustic comfort.

These new engines are able to satisfy any needs: the new 1.0 Turbo 3 cylinder 120 HP MT is dedicated to urban use, with instant torque for high responsiveness, enjoyable feeling of acceleration and acoustic comfort; whilst the new 1.3 Turbo 4 cylinder 150 HP DCT AUTO, is dedicated to those who seek more power.

	1.6 e-TorQ 110 HP *	1.0 Turbo 3 cylinder 120 HP MT *	1.3 Turbo 4 cylinder 150 HP DCT *
Displacement (cm ³)	1598	999	1332

Combined cycle fuel economy mpg (litres/100 km) max /min	42.2 (6.7)	47.1 (6.0) - 48.7 (5.8)	43.5 (6.5) - 45.6 (6.2)
CO ₂ emissions (g/km) max/min	159/154	139/133	146/140
Emission standard	Euro 6d **	Euro 6d **	Euro 6d **

* The values of CO₂ and fuel consumption are determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO₂ and fuel consumption values obtained are provided for comparative purposes and may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use, subsequent configuration depending on equipment selected and/or size of tires selected. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. The values of CO₂ and fuel consumption are indicative only and official values of CO₂ and fuel consumption specific to vehicles will be provided with the accompanying vehicle documents".

** In this publication, vehicles tested under the WLTP protocol are referred to as Euro 6D ("EU6D") and vehicles tested under the NEDC protocol are referred to as Euro 6B ("EU6B"). In the interim period whereby the NEDC protocol is being phased out in favour of WLTP, the figure published for EU6D vehicles will be an equivalent NEDC figure, referred to as "NEDC-2". Any changes to the way fuel consumption and CO₂ figures are provided will be published on price list.

ENHANCED CONNECTIVITY

Courtesy of the Uconnect Live* systems, the Fiat 500X comes with all the latest technology, including Apple CarPlay integration. Apple CarPlay* integration, the smarter, safer way to use your iPhone in the car, will come as standard along with the Uconnect™ 7" HD live touchscreen radio.

To enjoy Apple CarPlay* connect your iPhone to the specific USB port in your car.

* Apple CarPlay is a trademark of Apple Inc. Use of the Apple CarPlay logo means that a vehicle user interface meets Apple performance standards. Apple is not responsible for the operation of this vehicle or its compliance with safety and regulatory standards. Please note that the use of this product with iPhone, iPod, or iPad may affect wireless performance.

ENHANCED UNIQUENESS

Even more exclusive. Even more in sync with your lifestyle. The new 500X offers a huge range of original accessories and customisation options developed by Mopar®, so you can concentrate on simply being yourself. With the Fiat 500X, it's easy to follow your passions.

CHROME PACK FULL BY MOPAR® (Opt. 1AP)*

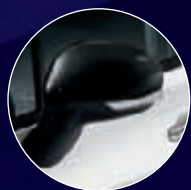

CHROME PACK LIGHT BY MOPAR® (Opt. 9WJ)*

COLOURED XTRA PACK BY MOPAR® (RED Opt. 9WG)** - (WHITE Opt. 9WH)***

BLACK MIRROR COVERS (Opt. 7JN)

At your service

Customisations

For a splash more colour, there are 2 Xtra packs available (Red and White) comprising external mirror covers, side finishings which perfectly match the exclusive 18" alloy wheels (sold separately). The Silver packs full are available for those who prefer a sleeker, chromed look.

Carrying system line

Attractive and functional, the Fiat 500X has a wide range of systems for transporting sports equipment for bikes, skis and snowboards, as well as lots of accessories designed to make the best use of the luggage compartment with guards, nets and organisers.

And, for greater comfort, the Fiat 500X offers you two packs dedicated to leisure: Summer and Winter Xtra packs, combining a bike rack or a ski rack respectively with the luggage compartment protection.

Alloy wheels

To transform your car into an exclusive item, MOPAR® has designed a range of 18" alloy wheel dedicated to the 500X, available in 5 exclusive finishes.

Maximum power kW (HP) @ rpm	81 kW (110) @ 5500 rpm		88 kW (120) @ 5750	110 kW (150) @ 5500
Maximum torque (Nm) @ rpm	152 Nm @ 4500 rpm		190 Nm @ 1750	270 Nm @ 1850
Supply	petrol, multipoint injection		petrol, direct injection	petrol, direct injection
Timing type	Single Over Head Camshaft, 16 valves		Single Over Head Camshaft with MultiAir, 12 valves	Single Over Head Camshaft with MultiAir, 16 valves
Tappet control	Hydraulic		Hydraulic	Hydraulic
Ignition system	Electronic, static, integrated with injection		Electronic, static, integrated with injection	Electronic, static, integrated with injection
Start&Stop system	yes		yes	yes
DIMENSIONS				
Number of seats	5		5	5
Number of doors	5		5	5
Lenght (mm)	4264		4269	4269
Width (mm) / + ext. mirrors	1796 / 2025		1796 / 2025	1796 / 2025
Height without roof bars / with roof bars (mm)	1595 / 1603		1595 / 1603	1595 / 1603
Wheelbase (mm)	2570		2570	2570
Front / Rear Track (mm)	1545 / 1545		1545 / 1545	1545 / 1545
Boot capacity (liters):				
Rear seat not folded down with tire kit	350		350	350
Rear seat folded down with tire kit	1000		1000	1000
Rear seat not folded down with spare wheel	245		245	245
Rear seat folded down with spare wheel	910		910	910
ELECTRICAL SYSTEM				
Battery capacity (Ah)	63		63	63
TRANSMISSION				
Drive	front wheel drive		front wheel drive	front wheel drive
Gearbox Family	5 speed manual		6 speed manual	6 speed automatic dual clutch
Final Drive	3.929		4.130	4.438

* The values of CO₂ and fuel consumption are determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO₂ and fuel consumption values obtained are provided for comparative purposes and may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use, subsequent configuration depending

on equipment selected and/or size of tires selected. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. The values of CO₂ and fuel consumption are indicative only and official values of CO₂ and fuel consumption specific to vehicles will be provided with the accompanying vehicle documents".

TECHNICAL SPECIFICATIONS

	1.6 e-TorQ 110 HP *		1.0 Turbo 3 cylinder 120 HP MT *		1.3 Turbo 4 cylinder 150 HP DCT *
WHEELS					
Tire size 16"	215/60 R16		215/60 R16		215/60 R16
Wheel size 16"	6.5J x 16		6.5J x 16		6.5J x 16
Tire size 17"	215/55 R17		215/55 R17		215/55 R17
Wheel size 17"	7J x 17		7J x 17		7J x 17
Tire size 18"	225/45 R18		225/45 R18		225/45 R18
Wheel size 18"	7J x 18		7J x 18		7J x 18
STEERING					
Steering box	Rack and pinion with Dual Drive power steering		Rack and pinion with Dual Drive power steering		Rack and pinion with Dual Drive power steering
Wall-to-wall turning circle (m)	11.5		11.5		11.5
Kerb-to-kerb turning circle (m)	11.05		11.05		11.05
SUSPENSION					
Front	Independent wheels with MacPherson layout		Independent wheels with MacPherson layout		Independent wheels with MacPherson layout
Rear	Independent wheels with MacPherson layout		Independent wheels with MacPherson layout		Independent wheels with MacPherson layout
BRAKES					
Front brakes	Vented disc		Vented disc		Vented disc
Rear brakes	solid disc		solid disc		solid disc
CAPACITY - WEIGHTS					
Fuel tank (liters)	48		48		48
Kerb weight (kg) WITHOUT driver (75 kg) - STANDARD A	1275		1320		1320
Max. towable weight (kg) non-braked	600		600		600
Max. towable weight (kg) braked	800		1000		1200
PERFORMANCE					
Top speed (mph)	112		117		124
Acceleration: 0-62 mph (s)	11.5		10.9		9.1
FUEL ECONOMY					
Combined cycle consumption mpg (litres/100 km) max /min	42.2 (6.7)		47.1 (6.0) / 48.7 (5.8)		43.5 (6.5) / 45.6 (6.2)
EMISSIONS					
CO ₂ emissions (g/km) (combined cycle) - max/min	159/154		139/133		146/140
EMISSIONS STANDARD					
Emission standard	Euro 6d**		Euro 6d**		Euro 6d**

* The values of CO₂ and fuel consumption are determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO₂ and fuel consumption values obtained are provided for comparative purposes and may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use, subsequent configuration depending on equipment selected and/or size of tires selected. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. ** In this publication, vehicles tested under the WLTP protocol are referred to as Euro 6D ("EU6D") and vehicles tested under the NEDC protocol are referred to as Euro 6B ("EU6B"). In the interim period whereby the NEDC protocol is being phased out in favour of WLTP, the figure published for EU6D vehicles will be an equivalent NEDC figure, referred to as "NEDC-2". Any changes to the way fuel consumption and CO₂ figures are provided will be published on price list.

FIAT FINANCIAL SERVICES*

Fiat Financial Services offers a comprehensive range of finance and insurance plans including Fiat i-Deal PCP, traditional Hire Purchase, Guaranteed Asset Protection Insurance and SMART Repair Insurance. Please ask your Fiat dealer for more information or visit the www.fiat.co.uk website. Written quotations available on request.

FIAT CONTRACT HIRE**

Fiat Contract Hire provides hassle free motoring for private and business customers - you benefit from low initial outlay, regular rentals and no worry about disposing of your vehicle at the end of the contract. You can also include a full maintenance package within the monthly rental. For more information please contact your Fiat dealer. Written quotations available on request.

*Fiat Financial Services is a trading style of FCA Automotive Services UK Ltd. FCA Automotive Services UK Ltd is authorised and regulated by the Financial Conduct Authority (Firm Reference Number 312683 and CCI-IP-421472). Credit available to anyone aged 18 or over subject to status. A guarantee may be required. Written quotations are available from Fiat Financial Services, PO Box 4465, Slough, SL1 0RW.

**Fiat Contract Hire is a trading style of FCA Fleet Services UK Ltd. FCA Fleet Services UK Ltd holds Interim Permissions with the Financial Conduct Authority for credit purposes (CCI-IP-439467). Credit available to anyone aged 18 or over subject to status. A guarantee may be required. Contract Hire facilities are available subject to credit approval. Written quotations are available from Fiat Contract Hire, PO Box 4590, Slough, SL1 0WU.
