# INTRODUCING THE NEW TIPO CROSS

Adding a rugged new dimension to the Fiat Tipo line-up for 2021, the exciting Tipo Cross Hatch brings an attractive new look to the range.

The Tipo Cross adopts the distinctive new styling features of the 2021 Tipo, including redesigned full LED front and rear light units and

a new grille design extending below the headlights, and adds black wheel arch mouldings and an exclusive new front bumper design with a prominent bull bar and skid plate. Stylish side skirts, painted ice matte roof bars, larger tyres and a 37mm suspension lift add the finishing touches to give the Tipo Cross a solid and muscular appearance.

Eye-catching 17" Cross alloy wheels go with a powerful and economical new 1.0 100hp petrol engine for spirited performance, and a wide range of active safety features includes Active Cruise Control, Attention Assist, Lane Assist and Autonomous Emergency Braking.

Inside, the Tipo Cross keeps you connected with Uconnect Live™\*, and brims with innovative infotainment solutions including a 7" full colour digital instrument cluster, 7" touchscreen satellite navigation, Apple CarPlay® / Android Auto™, DAB radio reception and Bluetooth® connectivity as standard.

\*Uconnect Live services, where available, require a data enabled smartphone to use.

Full LED headlights and rear lights add to the Tipo Cross's high-tech appeal

# INSIDE THE NEW TIPO CROSS

Inside, the Tipo Cross comes with a truly luxurious specification that includes automatic climate control, height-adjustable front seats, driver's seat with electric lumbar support and a centre console with storage. The 7" touchscreen displays key communication functions

such as Bluetooth®, Apple CarPlay® / Android Auto™, satellite navigation and automatic climate control, and standard equipment also includes front and rear parking sensors with rear camera, electric front and rear windows and a leather gearknob and steering wheel with audio controls.

Infotainment controls are accessed via the 7" touchscreen display

Height adjustable front seats include electric lumbar support for the driver

# NEW TIPO CROSS: TECHNOLOGY FOR SAFETY

Impressive technology, safety and driver convenience features come as standard on the new Tipo Cross

**Active Grille Shutter:** enables faster engine warmup and improved aerodynamics for added efficiency

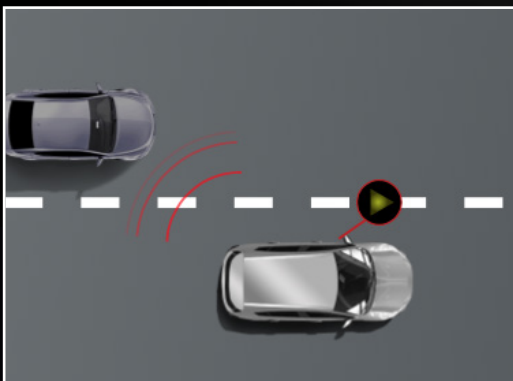

**Adaptive Cruise Control:** helps the driver maintain a safe distance from the vehicle in front

**Adaptive High Beam:** makes night-time driving safer with less glare, and avoids dazzling oncoming drivers

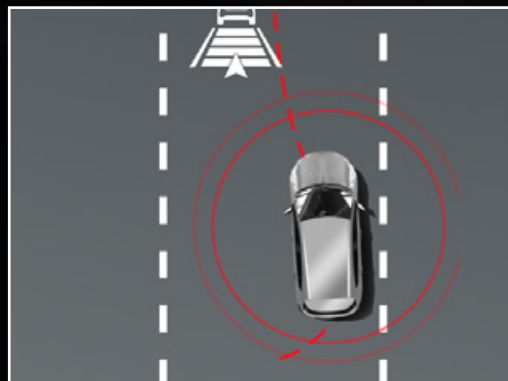

**Attention Assist:** the system detects and warns against signs of driver fatigue with an audible warning

**Blind Spot Assist:** detects vehicles and other objects in blind spot areas to help you stay safe

**Traffic Sign Recognition:** displays traffic signs and speed limits on the TFT instrument display

**Lane Assist:** the system detects if the car moves out of its lane unintentionally helping the driver stay on course

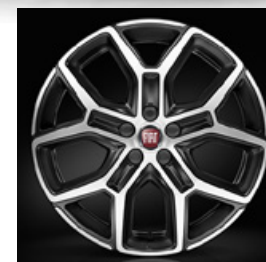

**Autonomous Emergency Braking:** helps to mitigate against frontal collisions

## NEW TIPO CROSS

With its rugged looks, 37mm suspension lift and ruggedly individual body styling, the Tipo Cross brings a fresh new dimension to the range. The striking ice matte painted front, rear and side skid plates are complemented by unique 17" alloy wheels and glossy black detailing to the door mirror covers, window surrounds and front grille, immediately identifying the Cross at the top of the Tipo range. Available in the Hatch bodystyle, the Tipo Cross is powered by a 1.0 100hp petrol engine for an engaging drive.
