

CRX

NOW YOU CAN LEAVE IT ALL BEHIND.

HONDA

The road opens before you. The tacho is registering around 7,600 and suddenly you're aware that 118kw of power is tingling through your fingertips.

You feel like you could drive forever, assured that everything you could possibly need to enhance this sense, is built in.

This is the CRX experience. A triumph of modern sports car design with an edge that technologically surpasses every car in its class.

And feature for feature, puts them to shame.

First with VTEC - the most extraordinary advance in engine technology since fuel injection.

Developed and perfected by Honda, the 1.6 litre DOHC 16 valve VTEC engine produces performance and power at every

stage, by varying the valve timing and lift on both intake and exhaust valves. The result is smooth acceleration and power to spare, from start up through heavy traffic to the open road.

In the CRX, there is no compromise. Not even in fuel economy where the CRX can boast down to 7.0 litres per 100km*.

Standard ABS anti-lock brakes put you totally in control. And at ease.

Four wheel double wishbone suspension and power steering enhance a ride that demands nothing of you.

Safety levels that surpass sportscar standards come with side and rear frames which have been strengthened to create "crushable zones" to absorb greater impact.

The technology in the new CRX leaves the competition stuck in the 80's.

But it's not until you experience first hand the CRX that you truly appreciate the design thought and single mindedness that has gone into creating a sports car that truly reflects our times.

The transition from hard top to open top is a lightweight 11.0kg move, that neatly tucks the roof into the upper boot section, leaving room to boot.

The console, moulded to maximise driver response times, features an AM/FM radio, stereo cassette player cover to protect from dust and temptation.

The instrument panel borrows from Honda's legendary motorcycle configuration to retain the purists concept of sportscar styling.

The clever exterior/interior configuration prevents wind from penetrating the cabin area, minimising wind drag and noise.

And standard central locking, power mirrors and electric windows, including the rear window, puts every adjustment within the driver's reach.

Colours that reflect every style and taste are catered for in Milano Red, Samba Green,

Frost White and Flint Black.

See them at your Honda dealer. Ask for a test drive.

Once you do, you will see for yourself how feature for feature and dollar for dollar the CRX leaves everything behind.

BECAUSE THE CRX LEAVES NOTHING OUT!

* Factory R&D Specifications. Highway cycle.

SPECIFICATIONS	CRX
Engine	1.6 litre aluminium alloy
Configuration	In-line 4 cyl
Displacement (cc)	1595
Maximum output (kW/PS @ rpm)	118/160 @ 7600
Maximum torque (Nm / kg/m @ rpm)	150/15.3 @ 7000
Compression ratio	10.2:1
Valve train	DOHC 16 valve VTEC
PGM-FI programmed fuel injection	Sequential multi-point
PGM-IG programmed ignition	Digital

DRIVE TRAIN

Type	Front wheel drive
Manual transmission	5-speed

BODY / SUSPENSION / CHASSIS

Body type	Rigid monocoque
Roof	2-way top system
Suspension	4-wheel double wishbone
Gas-pressurised shock absorbers	Front and rear
Stabiliser bars	Front and rear
Rack and pinion steering	Power assisted
Turning circle (m)	10.6
4-wheel disc brakes	Servo assisted
ABS anti-lock braking system	3 channel
Wheels	Alloy 14 x 5.5JJ
Tyres	195/60 R14

EXTERIOR DIMENSIONS

Wheelbase (mm)	2370
Length (mm)	3995
Height (mm)	1255
Width (mm)	1695
Track (mm, front/rear)	1475/1465
Ground clearance laden (mm)	110
Kerb weight (kg)	1115

FUEL

Fuel tank capacity (litres)	45
Fuel required (RON)	95 or higher

FEATURES AND STANDARD EQUIPMENT CRX

EXTERIOR FEATURES

Power mirrors	Body coloured
Halogen headlights	•
Impact-absorbing bumpers	•
Front wiper washer (2-speed intermittent)	•
Rear window demister	•
Centre high mount stop light	•

INTERIOR FEATURES

Power windows including rear	•
Central locking	•
AM/FM radio, stereo cassette player with cover	4-speaker
Seat trim	Jersey
Tilt-adjustable steering column	•
Driver's footrest	•
Low-fuel warning light	•
Headlights-on reminder	•
Map reading lights	•
Vanity mirror	•
Digital clock	•
Cigarette lighter and ashtray	•
Full flow heater and ventilation system	•
Remote fuel lid opener	lockable
Centre console storage compartment with 2-cup holder	•
Lockable rear storage compartments	•
Roof storage frame	•

EXTERIOR / INTERIOR COLOURS

EXTERIOR	CODE	INTERIOR
Milano Red	R 81	Black
Samba Green	GY 15P	Black
Frost White	NH 538	Black
Granada Black	NH 503P	Black
