

RALLI ART

**Evolution**

# TOMMI MAKINEN

E D I T I O N

READY-TO-RACE LIMITED EDITION

Engine Type: 2000 DOHC 16 valve ECI-MULTI with Intercooled Turbocharger.

Max. output: 206kW (280ps) 6,500rpm

Max. torque: 373Nm (38.0kg/m) 3,000rpm

Drive system: Full-time 4WD

Custom "Tommi  
Makinen Edition"  
logo embroidered  
on RECARO seats.

T. MAKINEN  
EDITION

Enthusiasts will appreciate  
the BREMBO braking system:  
17" front and 16" rear ventilated  
discs gripped by 4-pot front and  
2-pot rear aluminium calipers.

New high-performance muffler  
featuring large elliptical tailpipe  
lowers exhaust-system back-  
pressure, improving overall  
performance while reducing  
exhaust noise.

Driver and front passenger  
SRS airbags.

# RALLIART Evolution VI ready-to-race Tommi Makinen limited edition

Aggressive new front bumper with redesigned airdam improves aerodynamic performance, ensuring stable engine output by lowering temperature of intake air.

In honour of the unprecedented four consecutive WRC driver's titles, Mitsubishi Motors debuts the "Tommi Makinen Edition" of the Mitsubishi RALLIART Evolution VI. This special edition Evo VI is massively powered by a 2.0 litre DOHC 16 valve intercooled turbo engine tuned to maximise overall performance, whether on road, track or circuit. Other modifications include redesigned airdam and specially tuned suspension, enhanced aerodynamics and engine cooling, plus colour coordinated sports-oriented styling, inside and out. Only available from RALLIART Australia, you too can own the roads in the Tommi Makinen Mitsubishi RALLIART Evolution VI.

### Fast Facts

Engine Type: 2000 DOHC 16 valve ECH-MULTI with Intercooled Turbocharger  
 Max. output\*: 206kW (280ps) 6,500rpm  
 Max. torque\*: 373Nm (38.0kg/m) 3,000rpm  
 Drive system: Full-time 4WD  
 Active Yaw rear differential control  
 Titanium/aluminium turbine  
 Recaro front seats  
 Driver and passenger SRS airbags  
 Air conditioning  
 Power windows  
 Central door locking  
 Brakes: Front - BREMBO 17" ventilated discs with 4-pot Aluminium calipers  
 Rear - BREMBO 16" ventilated discs with 2-pot Aluminium calipers  
 Wheels: 17x7.5J alloy  
 Tyres: 225/45ZR17  
 Colours: Scotia White, Satellite Silver, Pyrenees Black, Passion Red<sup>†</sup>

\*Max. output and torque were measured while running on RON100 fuel.  
<sup>†</sup>Side stripes and decals as shown in this brochure are available as an option on Passion Red body colour only. White top rear wing only available with Passion Red body colour.

Wicker-type twin-wing (top wing is adjustable) rear spoiler generates significant downforce for more high-speed control.

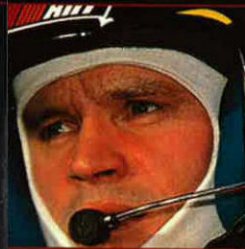

RECARO front seats are finished in red fabric and Ecsaine.

Smaller-diameter compressor wheel and re-designed propeller blades help the high-response turbo deliver improved low-to-mid range torque and response.

Based on extensive WRC experience, oil cooling passages are now built into the piston, enhancing cooling efficiency and significantly improving overall engine performance.

*Tommi Makinen*

New-design 17" light-alloy wheels shod with fat 225/45ZR17 tyres greatly enhance traction, braking, and cornering control.

A larger-capacity intercooler boosts cooling efficiency for even more engine output.

Red stitching accents the MOMO 3-spoke leather-wrapped steering wheel, shift knob and shift lever boot.

New specially tuned suspension uses inverted-type front shock absorbers to deliver rapid initial response, optimising handling performance on a variety of surfaces.

## STANDARD EQUIPMENT

- Active Yaw Rear Differential Control • Aluminium front and rear suspension arms • Front and rear stabiliser bars • Aluminium bonnet with air outlet • Front and side airdams • Rear under-spoiler • Aluminium front over-fenders • Rear over-fenders • Wicker-type twin-wing rear spoiler with high-mount stop lamp
- Halogen headlamps • Rear window defoggers • Rear fog lamps • Power steering • MOMO leather-wrapped steering wheel • Leather-wrapped gear shift knob
- Mph and km/h speedmeter • Digital trip/odometer • Front and rear ELR seatbelts • Fire-retardant materials • Specially tuned suspension • BREMBO brakes
- 17x7.5J alloy wheels • 225/45ZR17 tyres • Colour-keyed electronically controlled door mirrors • Driver and front passenger SRS airbags
- Air conditioner • Power windows • Central door locking system • Rear centre armrest • Cup holders • Trunk room trim.

Note: Some of the equipment listed/shown in this brochure may differ in appearance and/or availability according to market. Please contact RALLIART Australia on 02 9749 7000 for more detailed information.

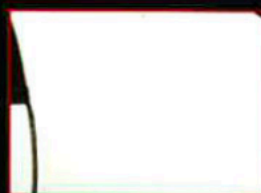

## SPECIFICATIONS

MODEL		RS-II
Model code	RHD	CP9ASNGFL/R
Drive system		Full-time 4WD
DIMENSIONS AND WEIGHT		
Overall length	mm	4,350
Overall width	mm	1,770
Overall height	mm	1,405
Wheelbase	mm	2,510
Track	Front mm	1,510
	Rear mm	1,505
Ground clearance	mm	140
Cabin length	mm	1,805
Cabin width	mm	1,430
Cabin height	mm	1,175
Kerb weight	kg	1,280
Seating capacity	persons	5
PERFORMANCE		
Minimum turning radius	m	5.5
ENGINE		
Type		16 valve DOHC intercooled with titanium/aluminium turbine
Displacement	cc	1,997
Bore x stroke	mm	85.0 x 88.0
Compression ratio		8.8 : 1
Max. output* (JIS)	kW(PS)/rpm	206 (280)/6,500
Max. torque* (JIS)	Nm (kg/m)/rpm	373 (38.0)/3,000
Fuel supply system		ECI-MULTI (Electronically controlled multi-point fuel injection)
Fuel type/capacity (litres)		Unleaded premium/50
TRANSMISSION		
Type		5 speed manual
Gear ratio	1st	2.785
	2nd	1.950
	3rd	1.444
	4th	1.096
	5th	0.825
	Reverse	3.416
	Final	4.529
STEERING		
Type		Rack and pinion (power-assisted)
SUSPENSIONS		
Front		McPherson strut with inverted-type shock absorbers; stabiliser bar and aluminium lower arms
Rear		Multi-link with stabiliser bar; aluminium suspension arms
BRAKES		
Front		BREMBO braking system 17" ventilated discs (4-pot aluminium calipers)
Rear		BREMBO braking system 16" ventilated discs (2-pot aluminium calipers)
TYRES AND WHEELS		
Tyres (front and rear)		225/45ZR17
Wheels (front and rear)		17 x 7.5J alloy

Note: These specifications are subject to change without notice. Some of the equipment shown in this brochure may vary according to market specifications. RALLIART Australia reserves the right to alter details of the specifications and equipment without notice.
