

GRANDIS

AT HOME LEADING THE FIELD

GRANDIS IS A FUSION OF DARING CURVES AND AGGRESSIVE LINES IN A LEVEL OF DESIGN PERFECTION ONLY SEEN IN CONCEPT CARS, IT BLENDS SPORTY ELEGANCE WITH A WARM, HUMAN TOUCH. FOR THE DESIGNERS, STYLE AND DESIGN WERE PARAMOUNT – STARTING WITH A SLEEK PROFILE THAT SITS LOW TO THE ROAD TO GIVE THE GRANDIS A SPORTY EDGE. FOR THE ENGINEERS, THE PRIORITY WAS TO CREATE A BLEND OF REFINEMENT, SAFETY AND PERFORMANCE, WHILE DELIVERING UNPARALLELED SPACE AND COMFORT. THE RESULT IS AN ALL NEW BREED OF MULTI-PURPOSE VEHICLE FOR THOSE WITH ALL ROUND SOPHISTICATION IN MIND.

GRANDIS

While comfortably carrying seven passengers, Grandis is raising the bar in both class and style with a generous array of standard features and superior levels of luxury and function. The bold exterior reflects an equally innovative interior that boasts a multitude of seating and luggage configurations combined with advanced passenger safety. Equipped to deliver a powerhouse performance on the open road, Grandis is nimble around town too – with impressive manoeuvrability. Together all these factors combine to make Grandis the ideal choice for those wanting versatility, performance, safety and a distinctive appearance. The optional luxury pack takes Grandis to an even higher level of comfort and refinement.

PERFORMANCE

Mitsubishi's all new and impressive 2.4L MIVEC engine delivers power where you need it, when you need it while still offering excellent fuel economy and low exhaust emissions.

STYLING

The refined curves and sporty edge combine to create a vehicle that finds its own niche between sophisticated car and multi-purpose vehicle.

SPACE

Designed for the adventurous who want the flexibility of a car that doesn't hold them back, the versatility of Grandis is destined to become legendary. Generous legroom, a multitude of seating and luggage configurations, ample storage compartments and intelligent design, all add up to an unrivalled multi-purpose vehicle.

* Overseas model shown

SAFETY

Your cargo is valuable, which is why Grandis offers a comprehensive range of safety features to keep you and your passengers at ease.

LUXURY

Grandis also comes in an optional luxury pack which takes it to superior levels of comfort and refinement. Both inside and out are fitted with lavish additions that complement the already sleek profile.

STANDARD FEATURES

CONTROL HEADQUARTERS

Moulded into the centre of the upper dash is a cleverly concealed, generously sized utility box. Also located in the centre dash is the stylish combination of controls that drive the security coded, 4 speaker Radio/CD and the automatic air conditioning.

ILLUMINATING DESIGN

The sophisticated design of the instrument panel is enhanced by functional and stylish, high contrast, blue illumination that progressively lights up in three stages.

LIGHT AND LEAN

The distinctively sculpted halogen headlamp and fully integrated front foglamp design, are both striking and sporty.

CRUISE AWAY

Cruise control ensures driver comfort and peace of mind on long highway trips.

DISTINCTIVE REAR END STYLING

The bold looking Grandis rear has an aesthetic appeal that is enhanced by a sleek light combination and a high mount stop lamp located on the tailgate deflector.

OUT OF SIGHT, OUT OF MIND

The 3rd row seats can be split and individually stowed away under the floor, offering greater flexibility in tailoring the interior to suit various storage requirements.

SAFETY DESIGNED AROUND JUST ONE THING – YOUR FAMILY

The excitement of driving performance is nothing without piece of mind, which is why Grandis offers comprehensive safety features to keep you and your passengers at ease.

Mitsubishi's advanced safety, RISE (Reinforced Impact Safety Evolution) monocoque body design combines an energy absorbing front section with a strong, rigid occupant cell to provide outstanding protection in the event of a collision. The secret is in the straight frame Grandis body structure which efficiently absorbs and redistributes impact energy.

* Overseas model shown

EXTRA PEACE OF MIND

Passenger safety is further enhanced by side airbags and extended curtain airbags that cover both the front and 2nd row seats, adding to occupant safety in the event of a side impact.

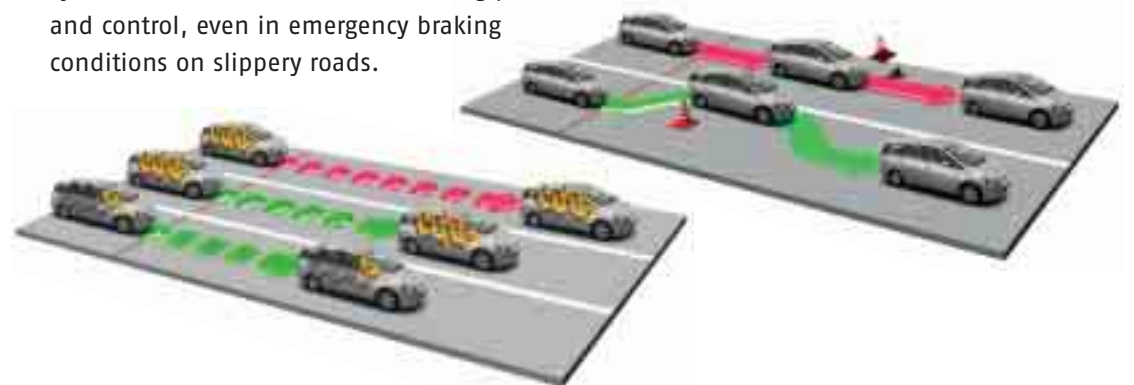

SAFETY FIRST

Front dual SRS airbags combine with 3 point ELR front seatbelts with height adjustable seatbelt anchors, pretensioners and force limiters to provide better head and chest protection for the driver and front passenger.

ADVANCED DRIVER CONTROL

The 4 sensor 4 channel Anti-lock Braking System (ABS) delivers lock-free braking power and control, even in emergency braking conditions on slippery roads.

The Electronic Brakeforce Distribution (EBD) actively monitors different wheel speeds, then evenly distributes brake force between all four wheels – regardless of passenger and/or cargo loads – to deliver superior control.

INNOVATION AND DESIGN THAT FLOW OUTSIDE AND IN

THE SURPRISINGLY REFINED ELEGANCE OF THE INTERIOR INVITES YOU TO STEP INSIDE. FLOWING WAVE FORMS AND ELEVATED SEAT POSITIONING CREATE A COMMANDING VIEW, WHILE THE ERGONOMICALLY INTUITIVE LAYOUT PUTS EVERYTHING AT YOUR FINGERTIPS. THE MOULDED DASH FEATURES CLEAN, FREE FLOWING LINES THAT ADD TO THE SOOTHING ULTRA MODERN FEEL OF THE CABIN. THE INNOVATIVE DASH DESIGN BOASTS A HOST OF DRIVER FRIENDLY FEATURES INCLUDING HIGH CONTRAST, EASY-TO-READ INSTRUMENTS THAT ARE DESIGNED TO PROVIDE YOU WITH ALL THE INFORMATION YOU NEED AT A GLANCE. THOSE WITH AN EYE FOR STYLE WILL APPRECIATE THE LUXURY APPEAL OF THE OPTIONAL 4 SPOKE WOODGRAIN LOOK AND LEATHER STEERING WHEEL.

MIVEC 2.4L ENGINE - ENGINEERED TO EXCITE

MIVEC EFFICIENT AND POWERFUL

Mitsubishi's all new MIVEC (Mitsubishi Innovative Valve timing and lift Electronic Control) engine technology utilises a lightweight variable valve timing mechanism that perfectly matches engine performance to the driving conditions. This has the advantage of delivering exceptional fuel economy, low exhaust emissions, a quiet drive and also superior acceleration and superb overtaking ability.

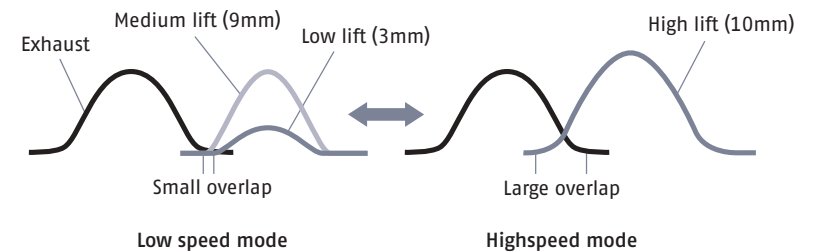

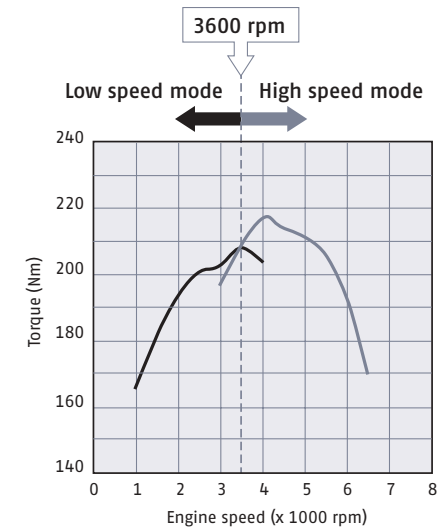

POWER AND TORQUE

The newly developed 2.4L MIVEC engine delivers a superior performance producing maximum power of 121kW @ 6000rpm and maximum torque of 217Nm @ 4000rpm.

MIVEC OPERATION

The benefit of the MIVEC engine is increased torque in low and mid ranged speeds, along with increased power at high levels. The MIVEC engine detects the engine speed (at 3600rpm) and switches the power and torque output accordingly.

Low Speed mode

Low speed mode boosts the strength of the in-cylinder flow to deliver high torque while maintaining low fuel consumption and emissions.

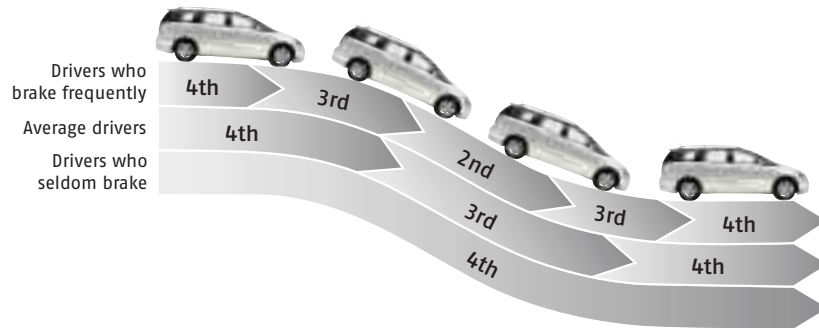

High Speed mode

In high speed mode the cylinder valve intake remains open for longer to allow for increased air intake producing greater power output.

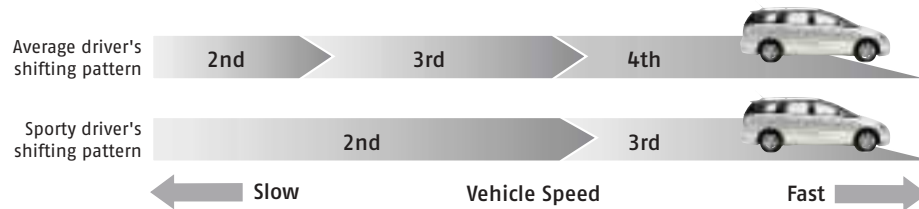

4 SPEED AUTOMATIC WITH INVECS II SMART LOGIC

Grandis features Mitsubishi's acclaimed INVECS II 'Smart Logic' four speed automatic transmission with 'SPORTS MODE' sequential gear shifting.

Adaptive shift control going downhill

Adaptive shift control during acceleration

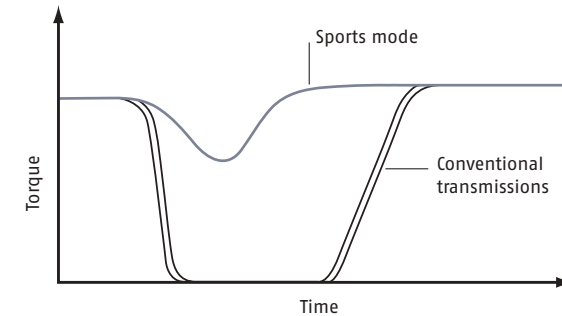

To provide smoother shifting, the INVECS II 'Smart Logic' transmission system's on board computer learns and adapts to each driver's preferences by recording engine, tyre load and foot braking data. The control logic then adapts the gear shift timing to suit the driver's style, while minimising torque fluctuation for effortless acceleration and a more predictable ride.

SPORTS MODE TRANSMISSION

When 'SPORTS MODE' is engaged this unique engine delivers a responsive, sporty and dynamic performance that allows for superior acceleration and overtaking. This innovative gear shift turns your regular automatic into a responsive clutchless manual, by allowing the driver to simply push the lever forward to go up a gear or pull it back to shift down a gear.

Comparison of shift response

Clutch free operation improves response by reducing the rev and torque loss associated with disengaging and engaging gears.

FOR RIDE COMFORT

The McPherson strut front suspension system combined with multi-link rear suspension ensures maximum tyre grip, optimum handling stability and greater driving comfort by minimising roll during cornering, and improving stability on bumpy roads – providing the perfect balance of comfort and control.

NEVER LEAVE ANYONE, OR ANYTHING, BEHIND

INTERIOR SPACE AND VERSATILITY

Designed for the adventurous who want the flexibility and versatility of a car that doesn't hold them back. Generous legroom, a multitude of seating and luggage configurations, ample storage compartments and intelligent design, all add up to an unrivalled multi-purpose vehicle.

THE ULTIMATE IN INTERIOR SPACE

The 60:40 split 2nd row bench seat and 50:50 split 3rd row seats allows you to fold up part or all of the seat to give you the versatility of any seat configuration.

READY TO RELAX

For a quick revive during long trips, passengers can lie back and enjoy the flat folding function of the 1st and 2nd row seats. The ultimate in comfort with a three position adjustable seat cushion, reclining seat back and centre armrest.

Under the 3rd row seats are compartments for storage.

FUNCTIONALITY

With a 50:50 split, the 3rd row seats offer individual adjustments including a reclining function and height adjustable headrests. The 3rd row seats can also be individually stowed in compartments under the floor providing flexible cargo space.

A POCKET FOR EVERYTHING

Multiple storage compartments assist to keep books, papers or other bits and pieces out of sight.

ATTENTION TO DETAIL

Storage areas and cup holders are available for each of the seven passengers with trays for the 2nd row passengers.

FLEXIBLE LAYOUT

Whether you are carrying a carload of passengers or cargo, the ease of which the seating configuration can be manipulated to your specific requirements ensures any load is a comfortable load.

GRANDIS

The standard Grandis is anything but, offering excellent value for money with its impressive range of included features and detailed trim.

Halogen headlamps with black extension

Powered windows

Fog lamps

Body coloured side sill garnish

Rear mounted roof antenna

Body coloured electric door mirrors with fold control

High mount stop lamp on tailgate

The illuminated lockable glove box makes it easy to store, secure and find your valuables.

The handy sunglasses holder is conveniently built into the roof.

*Not included with sunroof option

Fold down trays, integrated into the back of the driver and passenger seats, provide 2nd row passengers with a personal travel table.

* Overseas model shown

Independent rear air conditioning controls, allow passengers to regulate their own level of comfort.

OPTIONAL LUXURY PACK

SPORTS MEETS SOPHISTICATION

The ergonomic woodgrain look gear shift and combination leather and woodgrain look steering wheel complete the stylish interior.

THOROUGHbred GOOD LOOKS

The optional luxury pack takes the Mitsubishi Grandis to lavish levels of luxury and refinement. The sleek profile is complemented both inside and out with the addition of the 5 spoke 16" alloy wheels, illuminated vanity mirrors and Argent inner door handles.

TAKE IT ALL IN STYLE

Integrated roof racks mimic the sleek stylish lines of the Grandis. Rear passenger compartment has tinted privacy glass offering a hint of celebrity within, while dual electric tilt and slide sun roofs are the perfect interface with all that's cool and fresh outside.

LUXURY TRIM AND SOUND
The sophisticated interior cabin design boasts optional Argent trim on the power window switch surround, while sound is further enhanced by 6 speakers.

GRANDIS ACCESSORIES

Mitsubishi accessories add style, value and practicality to your vehicle. They're also a way of 'Adding your Spirit' by personalising your vehicle. What's really important about Genuine Mitsubishi Accessories is that they're engineered and manufactured to the same exacting standards as your vehicle. The fit is precise and designed to complement your vehicle. It simply isn't worthwhile compromising your vehicle with imitations of Mitsubishi accessories.

Mitsubishi is committed to complete customer satisfaction. Therefore, when Genuine Mitsubishi Accessories are fitted to your new vehicle at time of delivery, they are covered by the Mitsubishi New Vehicle 3 year/100,000km Warranty. When they are fitted after you have purchased your new vehicle they are covered for the remainder of the new vehicle warranty or for 12 months/20,000km, whichever is the longer. In the case of Diamond Spectrum Accessories, the Warranty is 12 months/20,000km.

MITSUBISHI RANGE

MAGNA

The Magna features an impressive line up of standard features including driver, front passenger and side airbags, six-way adjustable power driver's seat, cruise control, climate control air conditioning and power windows. In addition, VR-X and VR boast new street smart styling including new seat trims, sports style instruments and a leather wrapped steering wheel, combined with the powerful performance of the 163kW engine. The Magna line up includes ES, LS, VR, VR-X. Wagon variations in ES, LS and VR.

MAGNA AWD & VR AWD

While echoing the styling of the Magna range, these models boast Mitsubishi's technically advanced QuadTec™ AWD system. This refined AWD system distributes torque equally to all four wheels, especially in low traction conditions, to deliver superior road holding, outstanding stability and improved cornering control. Magna AWD and VR AWD are also fitted with high performance brakes in conjunction with ABS and EBD to provide superior stopping power on all surfaces.

VERADA

The distinctive Verada continues to set the benchmark in quality and refinement. Verada comes with all the features standard on Magna, plus a ten-way adjustable power driver's seat, traction control and a premium audio system with 6 disc, in-dash CD changer. Verada models include Ei (sedan and wagon), Xi, GTVi and AWD which boasts outstanding stability, superior roadholding and improved cornering control for safer, more spirited driving.

LANCER

The CH Lancer takes Mitsubishi's rally bred technology to the city streets in a distinct new look with a host of great features. The sporty VRX, with its bold rear spoiler and black interior, boasts 16" alloy wheels, a new strut brace for greater handling and 4 speed automatic transmission with 'SPORTS MODE' sequential gear shifting for hands on control from the new EVO type 'Steermatic' 3 spoke steering wheel.

MIRAGE

This compact, 3 door hatch features a zippy 1.5 litre 12 valve, multi-point fuel injected engine. Available as a 5 speed manual or with INVECS II 'Smart Logic' 4 speed automatic transmission. Features include SRS driver's airbag, power steering, ample room and plenty of style.

PAJERO

An undisputed off road rally champion, Pajero delivers superior off road performance through Mitsubishi All Terrain Technology, available across the range. Its renowned reliability, generous interior space and superior safety is complemented by the powerful 3.8 litre V6 24 valve fuel injected engine, with the option of a 3.2 litre intercooled turbo direct injection diesel (Di-D). Pajero also boasts a maximum towing capacity of 2500kg.

CHALLENGER

A luxurious and sporty all terrain 4WD with advanced aerodynamic styling and superior ride comfort. Features a 3.0 litre V6, LPG compatible 24 valve multi-point fuel injected engine with an impressive maximum towing capacity of 2270kg.

OUTLANDER

A compact, 4WD offering a unique combination of sports styling, flexible interior space, ride comfort and unprecedented safety. Seats five people in comfort and features a range of cargo carrying options, while the automatic transmission boasts 'SPORTS MODE' sequential gear shifting.

TRITON

A tough, hard working ute available in a range of powerful engine capacities and fuel types. The range of Triton models includes Cab Chassis, Double Cab and Club Cab.

EXPRESS

One of Australia's favourite light commercial vans, Express features a choice of petrol engines that are LPG compatible. The range of body types includes Short Wheel Base (SWB), Medium Wheel Base (MWB), Window Van (SWB) and Walk-Thru model (MWB).

Diamond Finance

Take the burden out of financing your new Mitsubishi vehicle with our competitive, reassuring and completely flexible range of finance products developed by Mitsubishi Motors Australia Ltd and St.George Motor Finance Limited.

Diamond Leasing

Our tailored fleet leasing services offer innovative, highly competitive features such as card purchasing, roadside assistance, specialist maintenance services, accident and claims management, optional insurance and more.

Diamond Road Side Assist

Peace of mind is guaranteed anywhere in Australia, 24 hours a day, 365 days a year with our fast, comprehensive, flexible roadside service offering assistance, repairs, towing and storage. Our Premium Roadside Assist clients also enjoy the added benefits of accommodation, medical and transport facilities.

Diamond Insurance

With the sound backing of Swann Insurance and Mitsubishi Motors Australia Ltd, Mitsubishi owners can choose between vehicle and personal protection solutions including motor vehicle, gapcover and loan protection insurance as well as a range of tailored warranty policies.

For more information on Diamond Products and Services contact your Mitsubishi Dealer.
