

VERADA

BE INSPIRED

DO ONE THING EVERY DAY THAT INSPIRES YOU

INSPIRATION COMES IN MANY FORMS AND THE LATEST IS THE FLAGSHIP OF THE MITSUBISHI RANGE, THE NEW VERADA. WITH DISTINCTIVE STYLING AND CONTEMPORARY GOOD LOOKS, VERADA EMBODIES MITSUBISHI'S LEADERSHIP VISION. STRIKING CHROME HEADLIGHTS AND A UNIQUE GRILLE DESIGN DOMINATE THE NEW, MORE AERODYNAMIC DESIGN WHICH DELIVERS GREATER STABILITY AND A QUIETER RIDE. EQUIPPED WITH UPGRADED COMFORT, LUXURY FEATURES, IMPROVED SAFETY AND THE POWER OF A TRUE V6, THE VERADA IS BOTH PRESTIGIOUS AND PRACTICAL.

THE POWER OF INSPIRATION

INSPIRED BY THE OPPORTUNITY TO CREATE AN EVEN MORE HIGHLY REVERED VERADA, MITSUBISHI'S DESIGNERS AND ENGINEERS COLLABORATED TO IMPLEMENT OVER 250 CHANGES ACROSS THE VEHICLE. THE RESULTS CAN BE SEEN IN A MYRIAD OF IMPROVEMENTS, INCLUDING THE NEWLY STRENGTHENED VERADA BODY WITH A LEVEL OF SAFETY WHICH HAS BEEN FURTHER ENHANCED WITH THE ADDITION OF SIDE AIRBAGS IN THE FRONT SEATS. YOU WILL ALSO FIND GREATER COMFORT IN THE NEWLY DESIGNED DRIVER, PASSENGER AND REAR SEATS, FOR INCREASED LUXURY ALL ROUND.

GTVi & Xi

A TRUE REFLECTION

Electric glass sunroof is standard on Xi and optional on Ei, GTVi and AWD. Verada's electro-chromatic rear view mirrors feature 2 sensors which measure ambient light and backlight intensity, then automatically adjust the mirror's reflectivity to offer the driver the best vision.

DRIVER COMFORT

Designed to increase comfort and reduce driver fatigue, the 10 way power adjustable driver's seat includes slide, recline, tilt, height and lumbar adjustments. The Verada Xi front passenger also benefits from an 8 way power seat offering much comfort and luxury.

PLAN YOUR TRIP

A 10 function trip computer is standard on all models and includes such functions as speed alarm, average fuel consumption, distance to empty, distance travelled, service indicator and a rest reminder for those long trips.

HANDS ON SECURITY

The remote keyless entry system features a panic alarm, boot release, 2 stage door unlocking and auto relocking, plus central door locking and engine immobiliser.

CRUISE CONTROL

Sit back and let the trip unfold with the ease of cruise control which lets you enjoy Verada's effortless performance on long trips, without touching the accelerator.

QUALITY SOUND

The all new high powered audio system features AM/FM radio with in-dash 6 CD stacker for convenience. Clear, stereo sound emanates from 10 speakers, positioned in 8 locations, while ease of use is enhanced by a new larger face with bigger buttons and a clearer display.

A NEW DIMENSION IN LUXURY

COCOONED IN THE LUXURIOUS CABIN, COMFORT IS ENSURED WITH AUTOMATIC CLIMATE CONTROL AIR CONDITIONING WHICH FEATURES A PRESET TEMPERATURE CONTROL, REAR DUCTS FOR FASTER COOLING AND FIVE SENSORS WHICH DETECT AND MAINTAIN THE TEMPERATURE. THE NEWLY CONFIGURED VERADA INTERIOR INCORPORATES A HANDY CONSOLE BOX, DESIGNED TO PERFECTLY ACCOMMODATE 6 CDS, PLUS A SPECIAL MOBILE PHONE POCKET WITH IN-BUILT PHONE RECHARGER SOCKET. GTVI'S HIGHLY REFINED CABIN IS FURTHER ENHANCED BY A SOPHISTICATED WARM SILVER FINISH ON THE UPPER AND LOWER CONSOLE, WHILE Ei AND Xi FEATURE WOODPRINT IN ROSEWOOD FINISH.

VERADA AWD

STYLE SLIPS INTO HIGH GEAR
The chrome shift surround is embossed with the AWD logo, while the acclaimed INVECS II 'Smart Logic' 5 speed automatic transmission is coupled with "SPORTS MODE" sequential gear shifting.

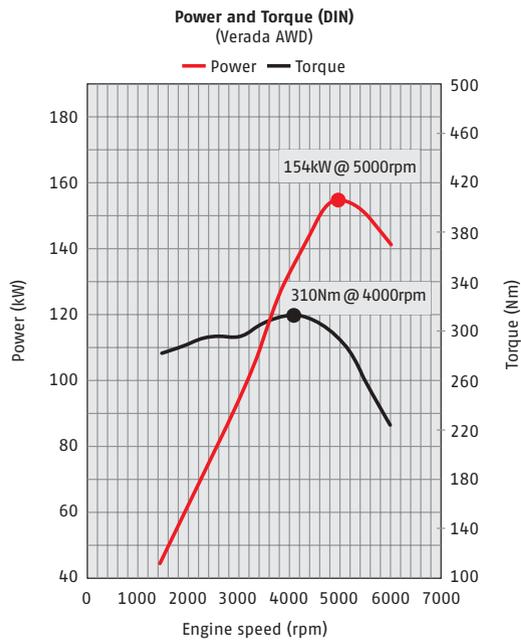

A PRECISION BUILT PERFORMANCE

The Verada AWD range is driven by a powerful, yet fuel efficient, 3.5 litre SOHC 24 valve electronically injected V6 engine which has been designed to complement the QuadTec™ AWD system. The engine's torque and power characteristics have been perfectly matched to the drivetrain to virtually eliminate wheel spin, produce superior road grip and provide enhanced driver enjoyment.

POWER TO PERFORM

Put your foot down and the Verada AWD rewards you with 154kW of power and 310Nm of torque, which is delivered seamlessly to all four wheels via the Quadtec™ AWD system providing superior traction and control on all road surfaces.

HIGH PERFORMANCE BRAKING

Improved brake stability is a result of the inclusion of high performance premium brakes featuring responsive 294mm ventilated discs at the front, with two-pot callipers and 284mm ventilated discs at the rear with single-pot callipers. Add Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) and you have a potent package which ensures superior fade-free performance.

ABSOLUTE LUXURY

Comfort and luxury engulfs driver and passengers inside Verada AWD with Rosewood woodprint finish on the upper and lower console panels, 6 CD stacker, leather wrapped steering wheel and gear shifter. The driver is well cared for with a 10-way power driver's seat with lumbar adjustment and electro-chromatic interior and exterior driver's mirrors.

MAKING ITS MARK

Representing a new era in safety and control, the Verada AWD range is distinguished by discreet badging on the front fenders and rear deck lid. Verada AWD carries 16" x 6" multi-spoke alloy wheels with 215/60R Turanza tyres and features body coloured external mirrors and door handles.

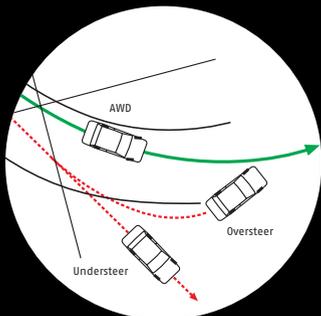

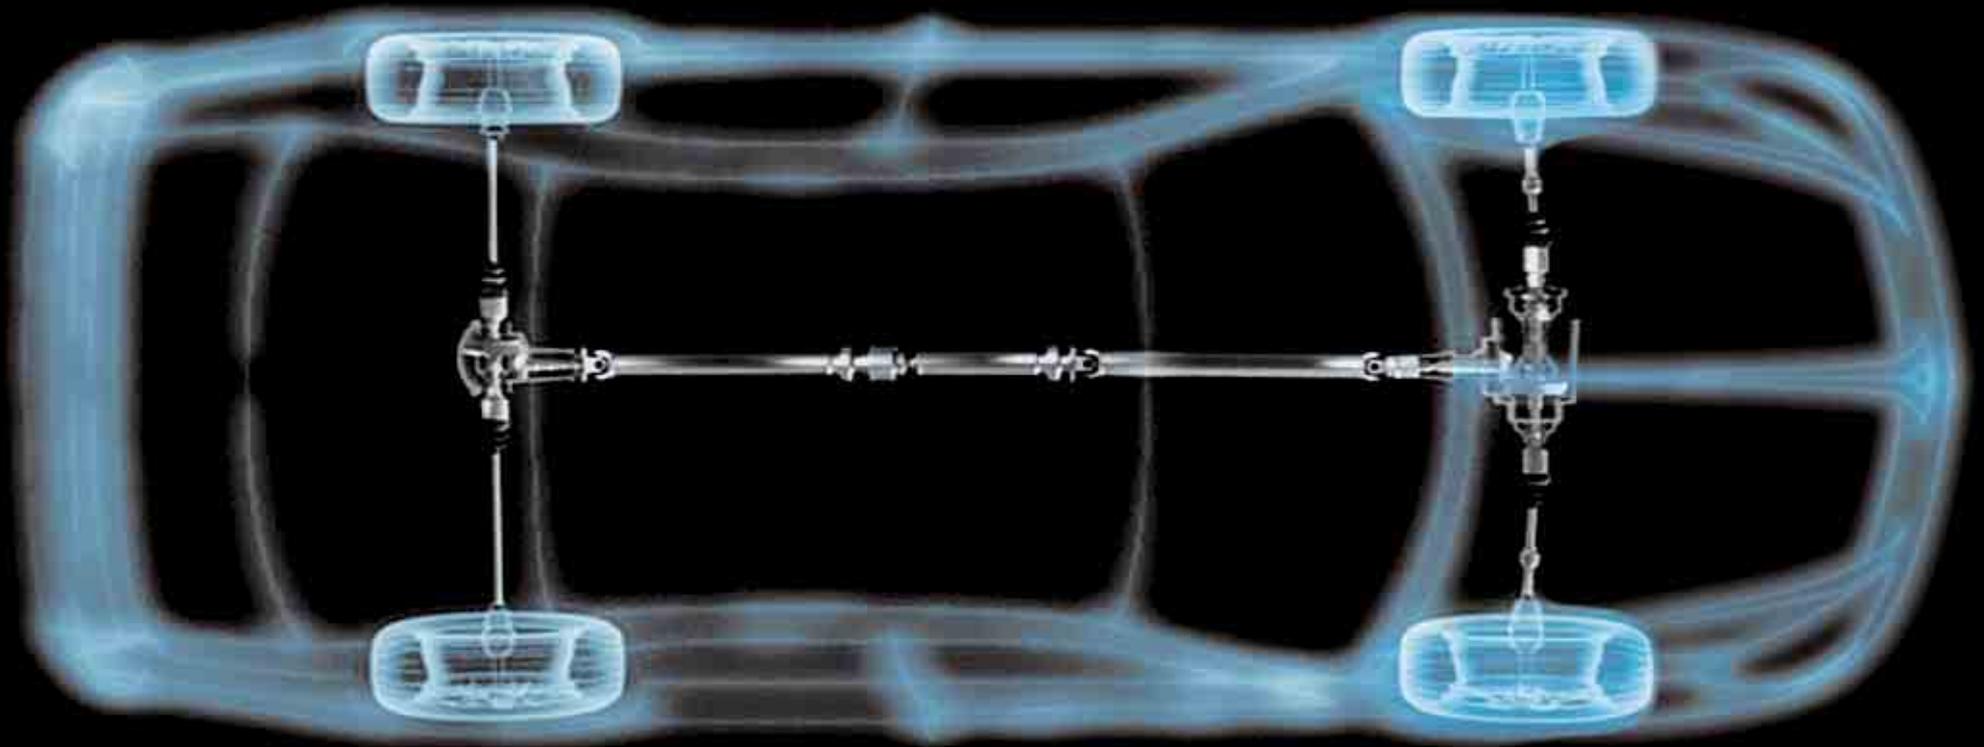

CONFIDENCE IN ALL CONDITIONS

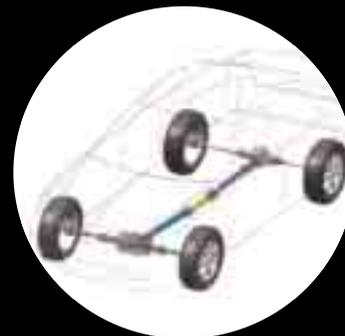

From icy mountain passes to unsealed country roads, the Verada AWD shines in even the most challenging, low traction conditions. This world beating AWD technology has been combined with the new, distinctive Verada grille, sleek front end and rear tail light combination to bring the AWD range into line with Mitsubishi's new global styling.

ADVANCED MITSUBISHI QUADTEC™ AWD SYSTEM

THE NEW QUADTEC™ DRIVE TRAIN ENHANCES ACCELERATION, STRAIGHT LINE STABILITY AND MANOEUVRABILITY, WHILE ALSO ENABLING OUTSTANDING PERFORMANCE ON POOR ROAD SURFACES.

Using many elements from the famed rally-bred Mitsubishi Lancer Evolution, the QuadTec™ AWD system boasts superior roadholding and outstanding traction, which you can actually feel. Verada AWD has a refined AWD system which distributes torque evenly to all four wheels, however if it detects slip in any of the wheels the Viscous Coupling Unit regulates the torque to ensure that the car continues to corner efficiently, maintaining stability and power.

Locally built and calibrated for Australian conditions, this intelligent system enhances drive away acceleration, overall stability, grip and cornering control for safer, more spirited driving. And to complement the QuadTec™ AWD system, the Verada AWD has improved high performance brakes, with bigger ventilated front and rear discs and front twin piston callipers.

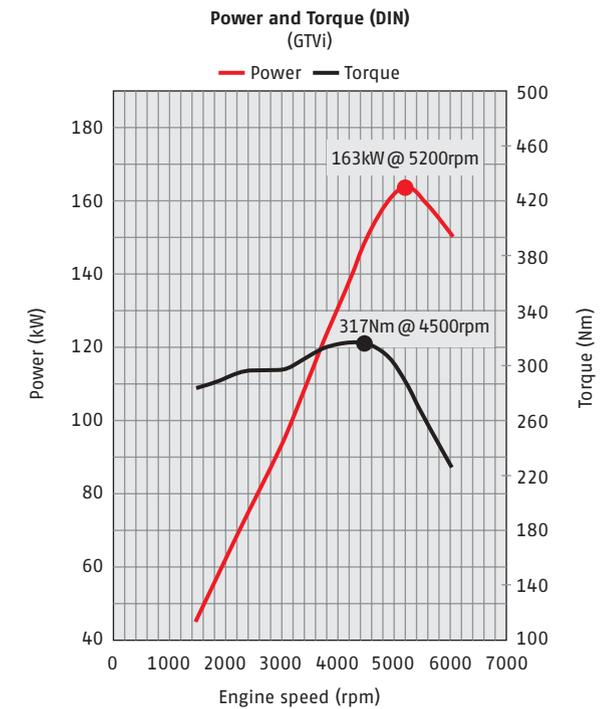

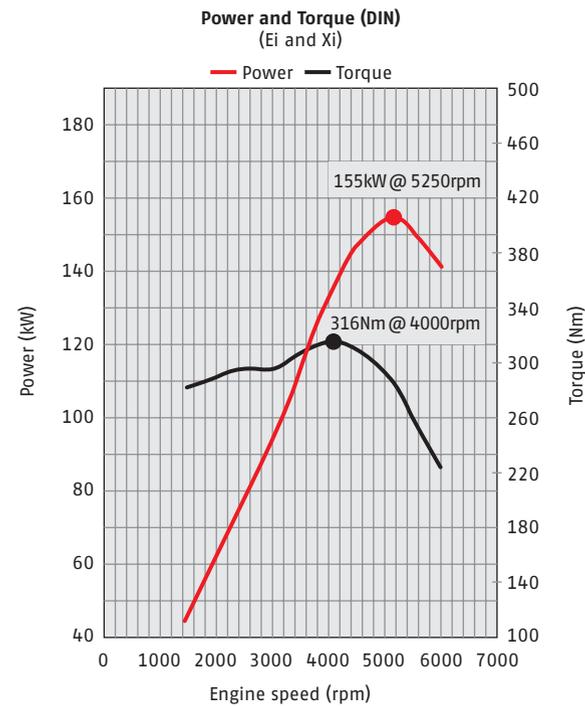

THE BEST OF BOTH WORLDS

'SPORTS MODE' sequential gear shifting makes Verada's 5 speed INVECS II 'Smart Logic' automatic transmission even more flexible. When the shift lever is moved sideways 'SPORTS MODE' is engaged letting the driver push the lever forward to go up a gear or pull it back to shift down a gear. So you can have the benefits of a normal automatic for around the city, with a more responsive clutchless manual for open road driving.

IMPRESSIVE POWER AND TORQUE

Verada is powered by a quiet, silky smooth 3.5 litre SOHC 24 valve V6 with electronic fuel injection. The engine delivers both exceptional acceleration as well as high levels of torque, while the improved performance of GTVi results from a retuned engine and exhaust package.

A NEW ERA IN SAFETY

HAVING SET THE BENCHMARK IN QUALITY AND REFINEMENT, VERADA CONTINUES TO BREAK NEW GROUND WITH A REMARKABLE LIST OF STANDARD SAFETY FEATURES.

Fully height adjustable driver and passenger seatbelts are also fitted with pretensioners to secure passengers firmly in their seats in the event of a frontal impact.

Childproof rear door locks and child restraint anchor points, ensure small passengers are taken care of too.

Driver and passenger airbags are complemented by side airbags in the front seats which provide additional occupant protection in the event of a side impact.

Passenger safety is further enhanced by lap sash seatbelts and height adjustable front and rear head restraints.

New multi parabola headlamps deliver improved performance and better illumination in all conditions.

Emergency door unlock automatically unlocks all doors in the event of a side or front impact.

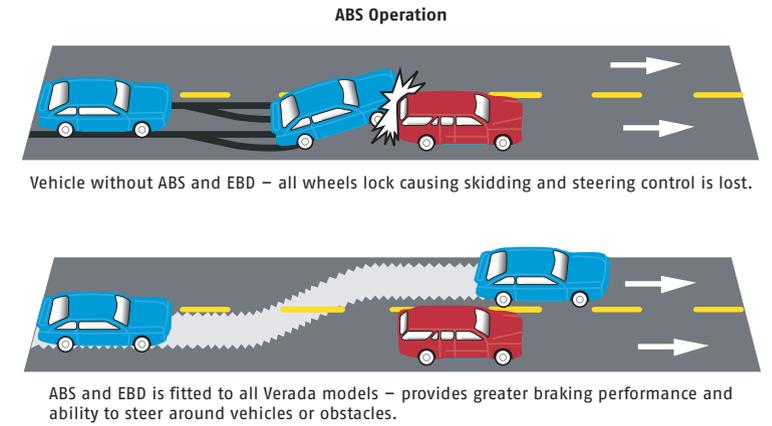

ADVANCED TRACTION TECHNOLOGY

Driving the high performance Verada confidently and safely in all conditions, is made possible with intelligent Traction Control. By utilising slip control and trace control technology, this system continually matches engine power to different driving conditions and road surfaces to maximise roadholding capabilities.

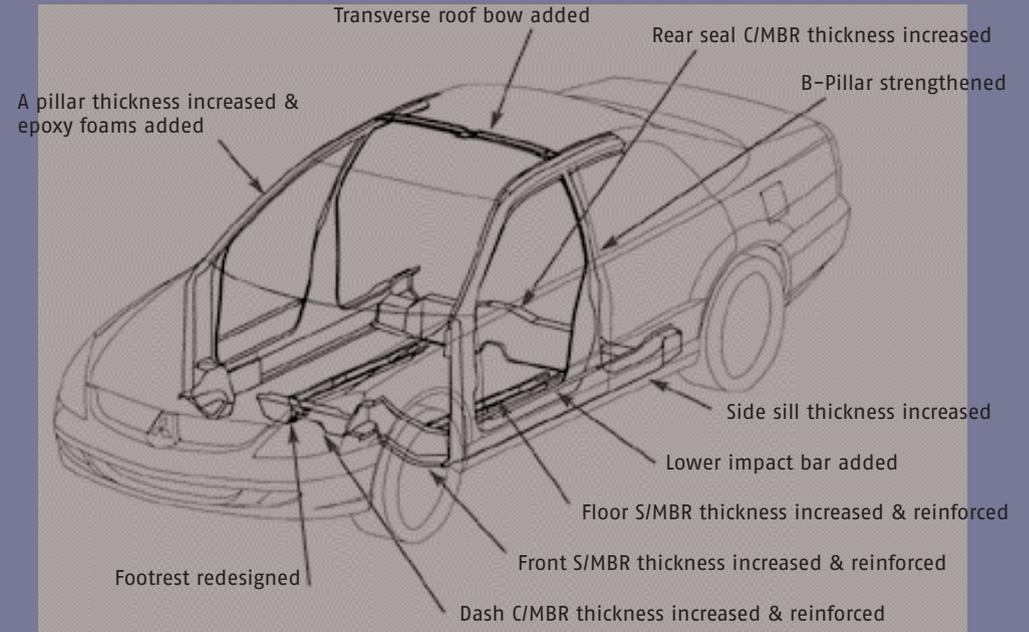

SUPERIOR BRAKING

The 4 sensor, 4 channel Anti-lock Braking System (ABS) helps the driver maintain steering control under emergency braking situations, while Electronic Brakeforce Distribution (EBD) proportions braking to both front and rear wheels depending on wheelslip providing improved stability.

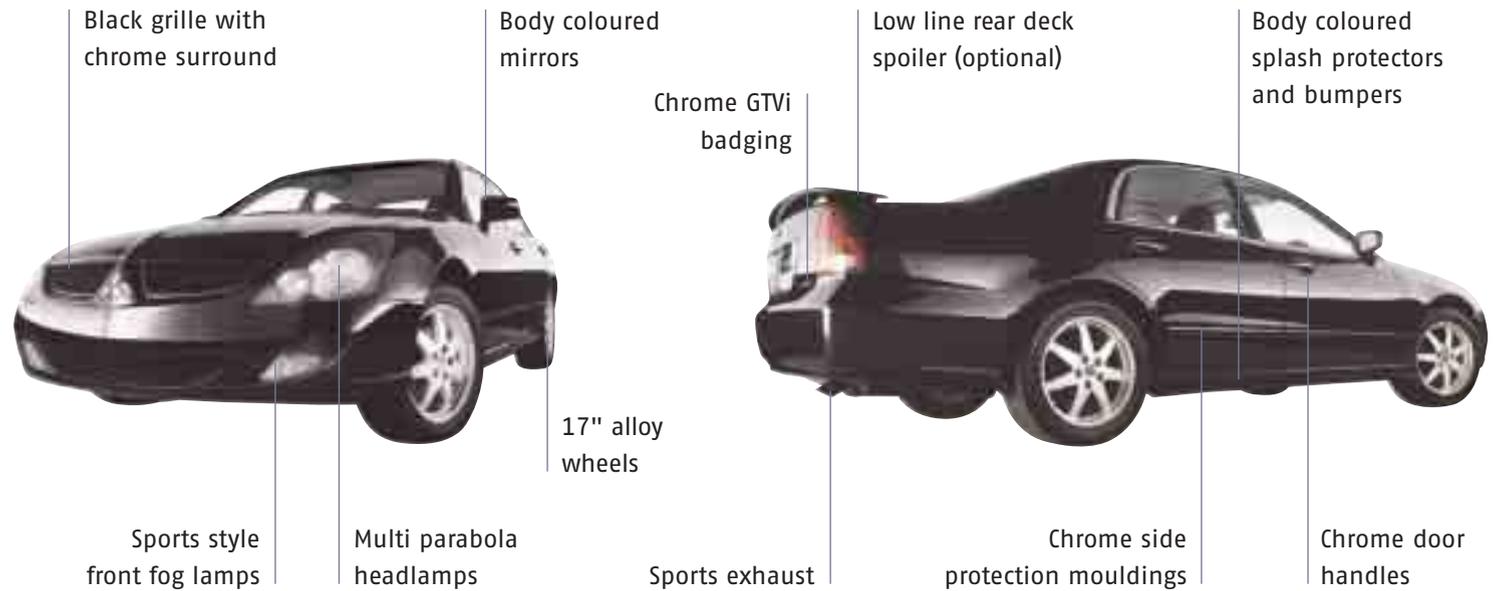

INNER STRENGTH

Verada's monocoque body has been upgraded to provide even better frontal and side impact protection. The energy absorbing front section is combined with a stronger, more rigid passenger safety cell featuring thickened high strength steel panels, additional reinforcing panels and structural foams, extra welding and a second side intrusion bar in the front doors. While upgraded safety means all models now meet the latest Offset Deformable Barrier (ODB) and Dynamic Side Impact requirements.

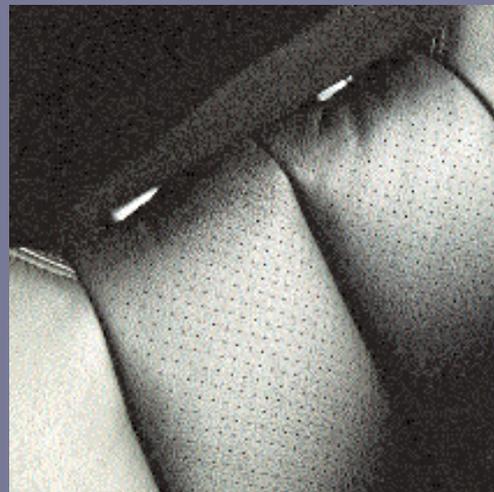

GTVi

GTVi combines sports bred power and suspension, with the sort of luxury you would expect from the Verada pedigree. The new, eye catching profile is enhanced by a striking headlight display, flowing front bumper design and 17" alloy wheels. Sports suspension is complemented by GTVi's newly tuned engine which delivers a fiery 163kW of power at 5200rpm and 317Nm of torque at 4500rpm. The improved sports style driver's seat provides improved body support for both safety and comfort. GTVi boasts black leather seats with perforated leather inserts, embossed leather wrapped steering wheel and gear shift.

Multi parabola headlamps and sports style fog lamps.

Black Leather seats with perforated leather inserts.

Automatic climate control air conditioning.

Sporty 17" x 7" seven spoke alloy wheels.

Xi

As the flagship model, Verada, Xi comes with some exciting and exclusive features as standard. Unique alloy wheels, a power adjustable drivers and passenger's seat, sunroof and luxurious leather seat trim all distinguish Xi from the range, while Rosewood woodprint trim graces the console area.

Optional Satellite Navigation System with motorised full colour 7" screen.

16" x 6" multi-spoke alloy wheels.

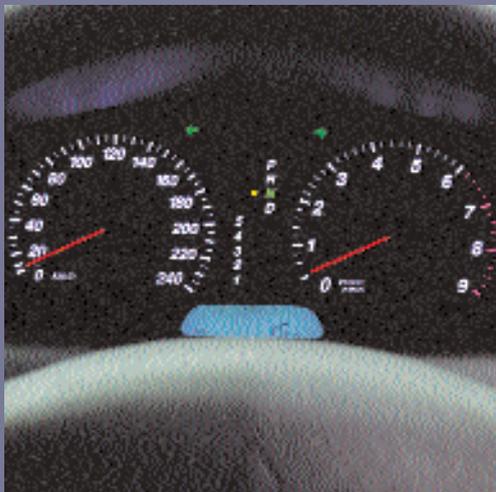

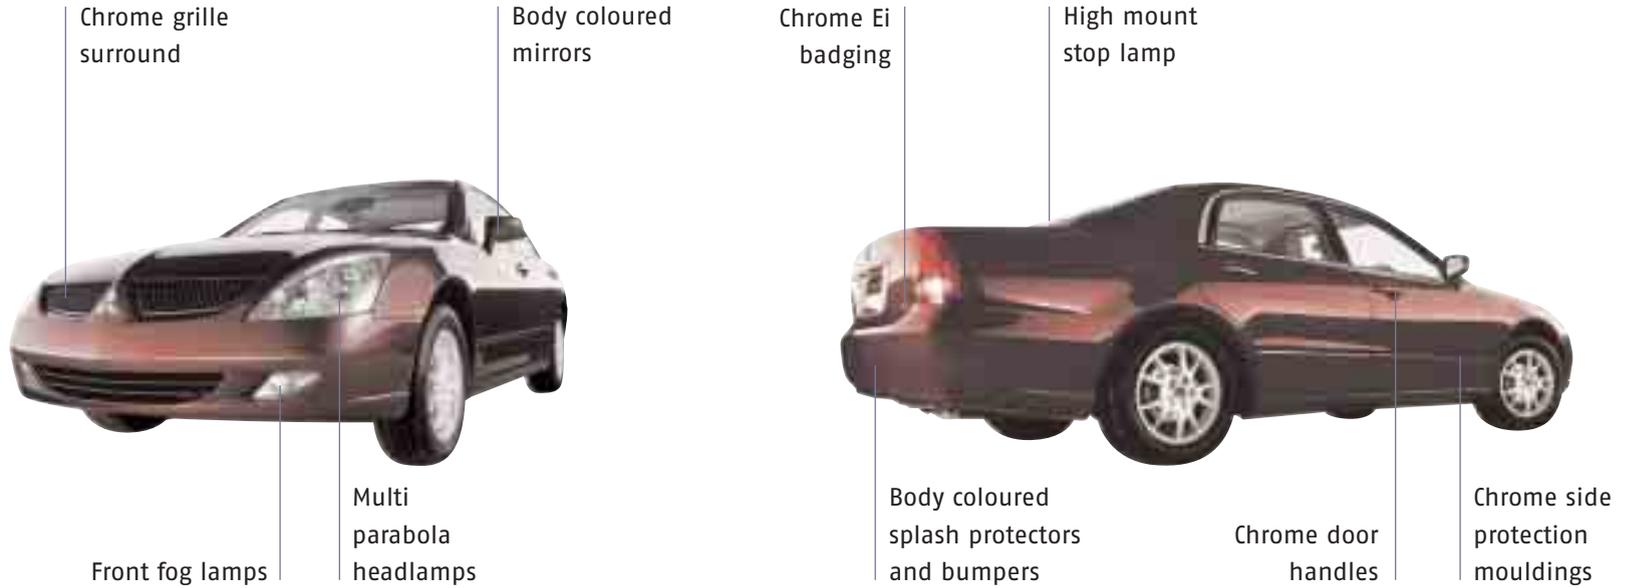

10 way power adjustable driver seat and 8 way power adjustable passenger seat.

Electric glass sunroof is standard on Xi and optional on Ei, GTVi and AWD.

E i

From its new, sleek exterior to the luxurious cabin, Verada Ei is a very desirable package. New improvements in comfort and safety include driver and front passenger side and front passenger side and front airbags, climate control air conditioning, cruise control and a 10 way power adjustable driver's seat. While the subtly tweaked engine and refined suspension, offer improved performance and handling.

10 function trip computer including speed alarm, range to empty and fuel consumption.

AM/FM radio with in-dash 6 CD stacker with Rosewood woodprint surround.

Driver, passenger and side airbags standard.

16" x 6" ten spoke alloy wheels.

Ei WAGON

When it comes to interior room, safety, comfort and cargo space, Verada Wagon is in a class of its own. Improved seats for the driver and all passengers offer superior comfort, while the climate control air conditioning keeps everyone at an ideal temperature. Stylish, fully integrated roof rails make it easy to add roof racks so you can easily transport all the family's gear and put the dog in the back.

Front fog lamps

Sleek roof rails and crossbars

16" x 6" ten spoke alloy wheels

Rear windscreen wiper

Tailgate air deflector

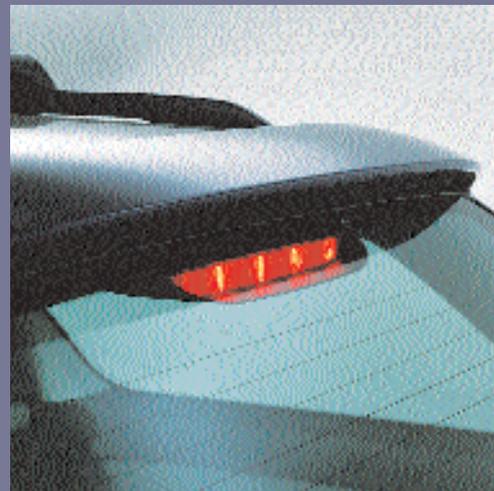

Tailgate assist handle on inside for easy closing

New, eye catching rear combination lamps

Front fog lamps.

Tailgate air deflector.

Sleek roof rails and crossbars.

Retractable cargo blind.

VERADA ACCESSORIES

Mitsubishi accessories add style, value and practicality to your vehicle. They're also a way of 'Adding your Spirit' by personalising your vehicle.

What's really important about Genuine Mitsubishi Accessories is that they're engineered and manufactured to the same exacting standards as your vehicle. The fit is precise and designed to complement your vehicle. It simply isn't worthwhile compromising your vehicle with imitations of Mitsubishi accessories.

Please check with your Mitsubishi dealer for specific model applications.

MITSUBISHI RANGE

MAGNA

The new look 2003 Magna features an impressive line up of standard features including driver, front passenger and side airbags, six-way adjustable power driver's seat, cruise control, climate control air conditioning and power windows. In addition, VR-X and VR boast new street smart styling including new seat trims, sports style instruments and a leather wrapped steering wheel, combined with the powerful performance of the newly tuned engine. The Magna line-up include ES, LS, VR, VR-X. Wagon variations in ES, LS and VR.

MAGNA AWD & VR AWD

While echoing the new global styling of the Magna range, these models boast Mitsubishi's technically advanced QuadTec™ AWD system. This refined AWD system distributes torque equally to all four wheels, especially in low traction conditions, to deliver superior road holding, outstanding stability and improved cornering control. Magna AWD and VR AWD are also fitted with high performance brakes in conjunction with ABS and EBD to provide superior stopping power on all surfaces.

LANCER

The new CH Lancer takes Mitsubishi's rally-bred technology to the city streets in a distinct new look with a host of great features. The sporty VRX, with its bold rear spoiler and black interior, boasts 16" alloy wheels, a new strut brace for greater handling and 4 speed automatic transmission with 'SPORTS MODE' sequential gear shifting for hands on control from the new EVO type "Steer-matic" 3-spoke steering wheel.

NIMBUS

A stylish, award winning people mover. Nimbus comfortably seats seven adults with a variety of different seating and storage configurations. Powered by a 2.4 litre SOHC 16 valve, electronic multi-point fuel injected engine.

MIRAGE

This compact, 3 door hatch features a zippy 1.5 litre 12 valve, multi-point fuel injected engine. Available as a 5 speed manual or with INVECS II 'Smart Logic' 4 speed automatic transmission. Features include SRS driver's airbag, power steering, ample room and plenty of style.

PAJERO

An undisputed offroad rally champion, Pajero delivers a powerful performance, renowned reliability, generous interior space and superior safety. Powered by a 3.8 litre V6 24 valve fuel injected engine, with the option of a 3.2 litre intercooled turbo direct injection diesel (Di-D), Pajero boasts a maximum towing capacity of 2500kg.

CHALLENGER

A luxurious and sporty all terrain 4WD with advanced aerodynamic styling and superior ride comfort. Features a 3.0 litre V6, LPG compatible 24 valve multi-point fuel injected engine with an impressive maximum towing capacity of 2270kg.

OUTLANDER

A compact, 4WD offering a unique combination of sports styling, flexible interior space, ride comfort and unprecedented safety. Seats five people in comfort and features a range of cargo carrying options, while the automatic transmission boasts 'SPORTS MODE' sequential gear shifting.

TRITON

A tough, hard working ute available in a range of powerful engine capacities and fuel types. The range of Triton models includes Cab Chassis, Double Cab and Club Cab.

EXPRESS

One of Australia's favourite light commercial vans, Express features a choice of petrol engines that are LPG compatible. The range of body types includes Short Wheel Base (SWB), Medium Wheel Base (MWB), Window Van (SWB) and Walk-Thru model (MWB).

Diamond Finance

Take the burden out of financing your new Mitsubishi vehicle with our competitive, reassuring and completely flexible range of finance products developed by Mitsubishi Motors Australia Ltd and St.George Motor Finance Limited.

Diamond Leasing

Our tailored fleet leasing services offer innovative, highly competitive features such as card purchasing, roadside assistance, specialist maintenance services, accident and claims management, optional insurance and more.

Diamond Road Side Assist

Peace of mind is guaranteed anywhere in Australia, 24 hours a day, 365 days a year with our fast, comprehensive, flexible roadside service offering assistance, repairs, towing and storage. Our Premium Roadside Assist clients also enjoy the added benefits of accommodation, medical and transport facilities.

Diamond Insurance

With the sound backing of Swann Insurance and Mitsubishi Motors Australia Ltd, Mitsubishi owners can choose between vehicle and personal protection solutions including motor vehicle, gapcover and loan protection insurance as well as a range of tailored warranty policies.
