

## Audi S models

Can superior sporting performance, practicality and absolute luxury be seamlessly combined in one package without compromise?

Does the ultimate sportscar really exist without ostentation?

The answer is yes. The answer is the Audi S models.

On one hand, class-leading performance is optimised through pioneering technology. On the other, ultimate levels of comfort are guaranteed by beautiful design and high quality craftsmanship.

The end result is Audi's S model range. An intelligent alternative to the traditional sportscar – superior performance wrapped in a gleaming cloak of style and subtlety.
