

S line – sportiness re-defined

The new Audi TT Roadster including the sporty S line exterior package.

The TT Roadster S line tiptronic with 6-speed transmission delivers dynamic driving performance in both automatic and manual modes. You can even feel the dynamic character of the tiptronic system right down to your fingertips: you change gears most conveniently by pressing the rocker buttons integrated in the sports leather steering wheel.

The Audi TT Roadster S line is a vehicle that offers all the advantages of a dynamic sports car, with the pleasure of open-top motoring.
